Many thanks to all the family and friends who help throughout the year and on sale day!

www.malsonangus.com

Welcome to our 2018 "Quality Comes First" Production Sale! We have a great offering in our combined bull and female sale.

We've spent considerable time and resources selecting genetics to build our program to fit the needs of both commercial and purebred producers alike. We've sought sires with soundness, stoutness, muscling and balance. They add pounds and performance to their calves, and produce productive females.

We have a volume offering of range-ready bulls. They are big, stout and full of performance. We may be known for our Angus cattle, but our Hereford bulls offer another option for adding performance and function to your herds.

We didn't write many footnotes on these bulls because you really just need to see them for yourself. You will not be disappointed.

- These bulls were specifically selected for this sale and have never been offered for sale. You can buy with confidence.
- We're continuing to offer bull wintering and payment deferral for bull buyers.
- The bulls will be selling in catalog order.
- Females offered are bred for longevity and productivity.
- True earning potential available throughout the sale.

We run cattle in the high desert of southwest Idaho, but animals can adapt to any environment. Our cattle have gone into herds not only in the West, but also across the country and performed well.

We are a family operation and continually strive to improve the genetics of cattle we breed and offer for sale. We think there's no better way to raise a family than in the agriculture business.

If you cannot join us for the day, you can bid online at LiveAuctions.tv. Be sure and register before the sale. Please feel free to give us a call or stop by the ranch at any time. If you have any questions about the cattle, please contact any one of us or the sale staff. We're happy to give you an honest appraisal of the cattle.

Thank you to those who have put your trust in our genetics; we appreciate your business. We look forward to seeing you again and always welcome visitors to the ranch.

Cattle will be on display all day Saturday, Nov. 17. A buyer social with food and drinks will be held at the sale barn beginning at 6 p.m. on Saturday.

Looking forward to seeing you,
The Malson Family
