FRONTIER Live Sale

SPEAR J RED ANGUS
P O BOX 49
JORDAN MT 59337

FIRST CLASS MAIL

Welcome to our 31st Annual Production Sale!

Despite all the change in our industry, our philosophy on the kind of cattle we try to bring you has not. Our goal is to produce cattle with balanced traits that will function as economically as possible under the conditions at hand. Our program focuses on cattle that thrive in our environment. That means they should be able to birth with minimal assisted deliveries, thrive on dryland pasture, and bring in profitable weaning weights come fall. Beyond that, they need to provide us with quality replacement females that can carry on the sustainability of the herd. With the ever–changing cattle market, profitability is more important than ever. We would like to be a part of your progression down that path.

It is our pleasure to present this year's offering to you and hope that you find bulls to meet your needs within these pages and among the pens come sale day. We will be selling the cattle at home as in the past few years. Lunch starts at 11:30 and you will be welcome to preview the cattle before and after that. The cattle will be sold at auction starting at 1:00 PM.

We went to CHS Hi-En Bull Ration, supplementing since the first of the year with ADM AminoGain and corn. The hay is mostly Western Wheatgrass and is offered free choice. They are also on Vigortone Bloat Grazer mineral and salt, also both offered free choice. We try to feed for structural growth and development, rather than for fat and shine.

All of the pertinent performance and EPD information available at printing, is included in the catalog; scrotal measurements and carcass data will be available sale day. The Birth Weights shown in the ADJ row are ACTUAL, not adjusted; WW and YW are adjusted as per RAAA formulas. All of the cattle have had the full round of branding and weaning shots and have been poured on and given Fusogard for foot rot. No other shots have been given this spring.

We are very thankful to have built up a clientele of loyal repeat buyers over the years and recognize that this is what keeps us in business year to year. It is also a pleasure to welcome new customers to the program. Our greatest privilege is to meet and work with so many great people. Our goal is to provide quality seed stock to meet the needs of our customers. The primary objective is to produce sound, functional cattle for the feeder and replacement market. Your satisfaction with the cattle is important to us and we would hope that you would let us know if there is a problem. I hope that I have done the best for them that I can. They have been fed and cared for to the best of my ability. I believe that they are prepared to work for you.

Our family continues to thrive. Everyone is busy with their own enterprises and we become a little farther scattered as the kids get older and develop broader interests. Shaylee has moved to Alliance NE and is not in the severe flood zone. Boyd is doing farm and ranch work at Circle and with Flint. Robert is assisting at Bliss Ranch. Dalton is thriving in his classes and got to play in a state championship football game this year. Garret has moved up to 'town' school and plays football and basketball. As always, my house is full of boys and they are great helpers.

I encourage you to stop in and view the cattle any time. If you have questions about the cattle, get in touch with me. I have tried to hit the high points in the footnotes, but there is only so much room in the catalog. If you are interested in purchasing, but may not be able to attend; let me know. I would be glad to help you with making arrangements for your bidding and purchases. Note that Frontier Live Sale will be on hand to broadcast the sale this year for you online purchasing convenience.

Please contact Jo Dee or Collin ahead of time if you have questions. We would be glad to assist you any way we can.

Terms and Conditions

Terms:
The terms of the sale are cash. All settlements will be made with the clerks of the sale immediately following the conclusion of the sale and before any cattle will be released.

Bidding Disputes:
The Auctioneer in charge will settle any disputes as to bids, and their decision on such matters shall be final.

Purchaser's Risk:
Each animal becomes the risk of the purchaser as soon as sold. Any animals left in the care of the Seller after the sale shall be reasonably cared for and Buyer will be advised of any health issues that should arise while in the Seller's care. **Arrangements can be made with a qualified agent if insurance is desired for mortality and or loss of use.**

Announcements:
Changes of information contained in this catalog relating to the animals offered for sale will be announced on the day of the sale, prior to the sale of the animal, and such announcements shall take precedence over the printed matter.

Registration Certificates:
A certificate of registry and transfer will be furnished on all registered cattle, at the buyers request and after settlement has been made. Certificates will specify exact percentage of Red Angus blood as is applicable. Please be sure to inform the clerk at time of settlement, how you would like the papers transferred.

Identification:
Each registered animal carries a readable tattoo. Every effort will be made to tag the animals with appropriate identification as well.

Breeding Guarantee:
All bulls are sold as guaranteed breeders for the first 180 days only. They have passed a fertility and soundness exam to be offered in the sale. Any heifers offered are guaranteed open. Any claims for refund or adjustment must be made in writing within six months of the sale date. In the event an animal is claimed to be a non-breeder, the purchaser may be asked to return the animal to the ranch of the seller, in good condition and complying with the health requirements of the Seller's state. Upon said return, the Seller will reclaim ownership of the animal. The Seller will then be obligated to offer a suitable and comparable replacement; credit towards the purchase of another animal; or refund of the purchase price less any salvage value received by the Buyer, in the event that the animal has been sold. Such replacement, credit, or refund shall in any case be deemed full satisfaction and settlement. This is a breeding soundness guarantee. We cannot be responsible for mortality or physical injury once the animal is no longer under our management; insurance is available for these risks.

Liability:
Neither owners, sale managers, clerks, nor anyone else connected with the sale, assumes responsibility, legal or otherwise for damage of any kind.

Retained Interest:
Seller reserves the right to keep a breeding interest in any bull so designated in the catalog or during the auction. In the event the seller elects to collect semen from a designated bull, it will be done at the seller's expense and during such time that is convenient to the purchaser. There will be a written agreement to outline specific terms.

Guarantee:
Except for those stated in the terms and conditions above, there are no warranties, expressed or implied, as to merchantability for fitness for a particular purpose with respect to the cattle being sold in this auction. The warranties set forth in the terms and conditions are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party claiming through the buyer, for any breach of warranty or guarantee therein provided and all other obligations or liabilities.

Contract:
The above terms and conditions shall constitute a contract between the Buyer and Seller of each animal sold.

Spear J Red Angus 2020 Sale Information

Auctioneer:	Collin Gibbs (406) 939-0645
Sale Date & Time:	Saturday, April 4, 2020 Auction starts @ 1:00 PM (MST) Complimentary Lunch - 11:30 AM
Sale Location:	Watson Poor Farm 53 Hwy 200 E Jordan MT 59337
Sale Day Phone:	**406-977-6158 Jo Dee Cell** **406-557-2371 Jo Dee Home** **406-974-2555 Jana Hance** **Others may be used for call back as necessary. You will be advised.**
Hotels & Accommodations:	Garfield Hotel & Motel 406-557-6215 Fellman's Motel 406-557-2209

General Health:

All bulls have had a general health and fertility exam, performed by a licensed veterinarian, prior to sale day. All bulls are sold as guaranteed breeders. Health certificates will be obtained for interstate transportation, if necessary. Arrangements for any other health requirements will be made sale day, according to terms agreed to by both buyer and seller. No vet will be on hand sale day.

Brand Inspections:

Brand Inspections will be written on sale day.

Delivery:

Free delivery on Bulls only for the first 250 miles. All other deliveries at cost. There is a $75 per head rebate on Bulls taken sale day. Requests to keep animals past May 1st can be arranged at a cost of $2.50 per head, per day. Be sure to leave good delivery and transfer instructions, and contact information with the clerks at settlement. If you have a target delivery date, please advise the clerks upon settlement. Otherwise deliveries are made as work schedules and weather allow, and prior to breeding season.

Announcements from the block will take precedence over information in the catalog. Carcass data and scrotals will be collected and will be available sale day. It will also be posted online as soon as it is available to us.

Terms of the Sale:

Terms of the sale are cash. All settlements will be made with the clerks of the sale immediately following the sale and before any cattle will be released. **See additional terms and conditions at the back of the catalog**.

Absentee Bidding:

Absentee bids may be placed with us or the auctioneer and will be handled in the strictest confidence and with the assurance of appropriate handling. Given the current human health situation, we expect a few more of these. We will also be broadcasting live via Frontier Live Sale for the convenience of those who do not wish to attend in person. Your patience and understanding of this process will be greatly appreciated. Instructions for online bidding appear in this catalog. If you wish to place bids with us or bid online, we encourage you to call or sign up well ahead of time so that we get it handled appropriately.

Auction Procedure:

Preview of the cattle will start at 11:30 AM. The cattle will be penned in groups according to sale order.

At 1:00 PM the auction will begin. The sale format will be a simple auction. All bidding disputes will be will be handled by the auctioneer and opened up to the contending bidders only. Decisions of the auctioneer and sale management are final.

Be aware that a minimum bid amount will be established on the bulls and may vary to some degree according to the quality.

Every effort will be made to come up with a workable solution to bringing the cattle through the sale area with a minimal amount of stirring and excitement. The cattle are typically quiet and workable and we like to keep them that way.

Please make settlement at the end of the auction and before attempting to load out. You will need brand papers and your settlement sheets to load out so that you go home with the appropriate animals.

There will be facilities for loading out providing the weather and mud conditions permit. We would ask that you wait to load until the auction is over so that the crew is available to assist you.

Guarantees

All bulls are sold as guaranteed breeders. Every effort has been made to represent the cattle fairly and accurately. ***Please read additional terms of guarantee included in the terms and conditions at the back of the catalog.***

Retained Interest

We may choose to retain a 50% semen and revenue sharing interest in particular bulls sold. Those will be noted in the catalog or announced from the block prior to selling the animal. Buyer will own 50% revenue sharing interest, full possession, and full salvage value.

RED FLYING K DYNAMO 72J

RED DYNA 6852

RED PENNY 7316

In 2018 we used Statement on a cross section of mature cows. As is evidenced in the catalog, they ran strong to bulls. Most of these are a bit more moderate in frame. The 2017 group posted good carcass results.

	CED	BW	WW	YW	MK	ME	HPG	CEM	ST	HB	GM
EPD	17	-3.8	53	95	22	-1	9	9	18	202	50

In light of the current health situation in our country, and recognizing that people may be unwilling or unable to attend in person, we have made arrangements for you to view the auction and bid online. This is new to us from a sellers perspective and we hope that will enable some of you to take advantage of this avenue to make your purchases. Please review the instructions below. As I pointed out in the information at the front of the catalog, please go in and create your account well ahead of the sale so that you are ready to view and bid at sale time. The auction will take about one hour.

FRONTIER LIVE SALE

This Sale will be broadcast live on **www.frontierlivesale.com.** To view a sale,

1. Create an account, if you have already done so skip to next step. To create a new account, click on the word ***Registration*** in the upper right hand corner. You must fill out the information requested. Then click ***Create Account***. An email will be sent to your email account you provided. Please click the link in the email to activate your new account.

2. Once you click the link, your account will now be activated

3. At this point, you may click ***Continue To Browse Our Site***. This will allow you to view all upcoming auctions.

4. Once you see the auction you are interested in, click ***Get Approved To Bid*** for absentee and live bidding.

5. Please enter your information in the form. Depending on the auctioneer, different information may be requested. Click ***I agree to sale terms and conditions***. Congratulations! You are now approved for the auction. Now that you're approved you can participate in the auction and bid on its items.

6. Login on sale day with the credentials provided at registration.

Call 866-313-0123 for tech help.
