Open House Saturday, Nov 27th

Prebidding Starts Nov 26th

19th Annual Production Sale

We hope this letter finds you and your family well. We would like to thank all of you for your support in our program over the years. Wow! 2021 was a long, hot summer with very little rain and even less grass. The drought has tested our faith, our patience and our tenacity, but we have worked hard to breed cattle that can withstand the extremes of ranching in western ND. It's years like these that make the cream rise to the top! We have had some Fall moisture with rain and snow in October, so we are hoping for a better start to 2022.

Over the past 21 years, we have stayed true to our breeding program. One in which we have been line breeding low maintenance, maternal lines of Angus cattle that produce consistent, predictable, balanced trait offspring that are profitable for our customers. It's more important than ever that these cattle be moderate and efficient and be able to convert forage into a high quality source of protein without breaking the bank. We have stacked multiple generations of Fahren of Wye into the cowherd to intensify traits like fleshing ability, forage-ability, udder quality, soundness, resilience, longevity and mothering ability.

This year we are offering 27 - 18th month old, 100% forage developed bulls. These bulls have been put through the same vigorous selection process as in past years. They have been selected for fleshing ability, low birth weight, performance, disposition and maternal efficiency. This year, they were tested for their drought resistance. They went to grass May 7th and were brought home on September 7th. They are currently being fed long stem hay and alfalfa pellets. We believe in letting them grow at a natural pace and don't believe in propping them up to be something they are not. They are selected for balanced traits, such as, disposition, udder quality, fleshing ability and soundness.

Once again, we have decided to hold our sale in an online setting and we are excited to have our website up and running this year. Be sure to check it out at www.feiringcattleco.com and visit our sale page where you can find links to videos of bulls and enter auction site to register and bid on this year's sale. You can also view sale details at www.billpelton.com.

We believe in raising good, honest, hardworking cattle that will do their job in converting grass into muscle and protein. We priced them all the same this year to let you, the customers, decide which bulls are the best! We welcome you to stop in and look at the bulls anytime. The bulls are here by the house for ease of viewing. We believe they have something to offer the industry. Visitors are always welcome. Thank you again for your continued support.

Sincerely,

Donnie, Trish, Harley & Taylor

OPEN HOUSE: This year's production sale will be hosted ONLINE ONLY at www.billpelton.com with an open house for viewing the bulls on Saturday, Nov 27th from 11:00-2:00 MT. Please come join us for lunch.

ONLINE AUCTION: You may bid anytime, anywhere and, on any device, (smart phone, tablet, personal computer) starting November 26th. The final bidding will start at 1pm MST Sunday, November 28th. You must register to bid at www.billpelton.com. The auction will be held online-only in a "click-to-bid" format. Contact Pelton Livestock before the sale with any questions. Education, support and teaching bidders how the auction works is available over the phone and online by Pelton Livestock.

AUTO EXTEND TIME: 60 seconds left on the item, a bid is placed, countdown timer will reset to 60 seconds. Extended bidding means that the LOT is not declared closed until there has been 60 seconds of inactivity on the LOT. All lots will close in lot item sale order.

BULL VIDEOS and CATALOG: Bull Videos and Digital Catalog may be viewed on our website and at www.billpelton.com

HERD HEALTH: Health and brand papers will be furnished. The bulls have been fertility tested by Dr. AJ Domek, Wibaux, MT.

DELIVERY: Free delivery on the bulls will be provided within 300 miles of Feiring Cattle Company. Arrangements will be made for any bulls sold outside the 300 miles radius of the ranch. Due to the drought, we are offering a \$400/bull forage discount off the purchase price of each bull when purchased and picked up/delivered before December 10th weather permitting. The \$400 per bull discount will not be available after December 10th. In addition, we are offering a \$50 hauling discount if you pick your purchase up before December 10th.

VIEWING THE ANIMALS: Come join us for an lunch at the Open House viewing on Saturday, Nov 27th from 11:00-2:00 MT. The bulls can also be viewed prior to sale day at the ranch 12 miles north of Beach. Give Donnie or Trish a call to set up a time at 701.872.5888.

FOR QUESTIONS REGARDING REGISTERING OR BIDDING ONLINE: via electronic mail to info@billpelton.com or by contacting Darci Pelton Sachdeva at 406.794.3174 or Bill Pelton at 406. 671.5100.

INVOICING AND PAYMENT: By bidding on a lot item, you are agreeing to purchase the lot item if you should win. All winning bidders will receive invoices immediately following the close of sale. Invoices will be sent via electronic mail (when a working address is provided). Payment for purchases is due prior to removal or delivery of purchases unless prior arrangements have been made. Payments to be made directly to Donnie & Trisha Feiring.

INSURANCE: Purchases may be insured by contacting Pelton Livestock at 406.671.5100 or via electronic mail to info@billpelton.com.

Bull #	Base Price	Birth Date	Sire	Dam (Dam's Sire x Maternal Grandsire)	Birth Wt.	Adj. 205 Day Wt	Dam's Udder Score	Dam's Body Condition at Calving
