GENERAL INFORMATION

SALE LOCATION: Sale will be held at Kist Livestock Auction, located one mile west of the Memorial Bridge on the east edge of Mandan. For the easiest route, take I-94 to exit 33 or 34 to Memorial Highway.

ACCOMMODATIONS:

Baymont Inn & Suites, Mandan	701-663-7401
The Ridge Motel, Mandan	(701)-663-8686

TERMS AND CONDITIONS: Cattle will sell under the Standard Terms and Conditions as recommended by the American Angus Association.

HEALTH: Interstate health papers will be available on sale day.

TRUCKING: Free delivery on bulls up to 500 miles radius with total purchases of \$2500 or more. A \$50 discount is offered on bulls picked up on sale day.

INSURANCE: Will be available to be purchased on sale day and we urge all buyers to insure their bulls.

VETERINARY COSTS: Any veterinary costs incurred after the bulls have been purchased are the responsibility of the buyer.

WINTERING: Wintering arrangements are available on all the bulls. Bulls will be fed free of charge until May 1 after which there will be a charge of \$250.

SEMEN TESTED: The Fast-Strommen bulls will be fertility tested by Dr. Gerald Kitto, DVM, prior to the sale.

SUPPLEMENTAL INFORMATION: A supplemental data sheet will be available with scrotal measurements, updated EPDs and ultrasound data. Announcements from the auction block take precedence over catalog information.

LUNCH: Please join us for a complimentary lunch on sale day!

SIGHT UNSEEN: Can't make the sale, but would like to bid on the sale cattle? We recommend that you contact any of our sale representatives prior to the sale or bid online at www.frontierlivesale.com.

SALE PREVIEW: Stop by on Thursday, March 11 or Friday, March 12 and preview our sale offering at Kist Livestock Auction!

LOTS

Welcome!

Dear Friends and Cattlemen,

It gives us great pleasure to welcome you to our 50th Anniversary Production Sale! Jamie can clearly remember the excitement when her family held their first sale and it is with that same excitement we invite you to this milestone event!

Our family would like to start this celebration by thanking our many valued and loyal customers who have placed their trust and confidence in us to supply them with high-quality seedstock year after year. Our long history in the business tells the story of customer satisfaction that is - and always will be - our highest priority! Approximately 80% of our buyers each year are repeat customers, some have bought our cattle for over 30 years and we greatly appreciate those folks who have patronized us for so many years. We also look forward to helping to provide quality cattle to those who are willing to give us a try for the first time.

We encourage everyone to stop by as we would be happy to show the cattle to you. We believe in producing efficient, practical and profitable Angus cattle. We strive for efficient cattle that are just the right size for their environment and still grow heavy calves. Practical cattle that calve easily, are quiet to handle, require less labor and keep feed costs down. Profitable cattle that are affordable, but generate the kind of calves that feeder buyers demand.

We have a great sale offering of bulls that are not creep fed. After weaning they are fed a high roughage ration - low concentrates ration. A ration which allows them to gain evenly and consistently without ruining their feet or jeopardizing their fertility. Our customers report that the life span of our bulls in their herds has been up to 5, 6 and yes... as much as 10 years!

So join us for our 50th celebration! We eagerly look forward to shaking your hand and visiting with new and old friends!

Sincerely,
Richard & Jamie Fast
Jeremy & Rachel Strommen

***If we can be of any assistance,
feel free to call us!***

*Fast Angus Ranch: (701) 843-8280
Richard Cell: (701) 391-6968
Jeremy Cell: (701) 260-7405*

L to R: Jeremy, Rachel and Rowdy Strommen, Jamie and Richard Fast.

WE INVITE YOU TO STOP OUT AT THE RANCH & LOOK OVER THE CATTLE! Fast Angus Ranch is located 1 mile N and 3-1/2 E of New Salem, Exit 127 on I-94.

You may also view the cattle at Kist Livestock Auction, Mandan on Thursday, March 11th and Friday, March 12th.

All bulls sell with a complete genetic profile!

Treasure has passed every test and now displays over 1,700 progeny records for birth weight and 500 carcass ultrasound records. His abilities as a proven heifer bull in tandem with elite growth and carcass quality have been solidified in some of the breed's toughest contemporary groups. Treasure consistently stamps his progeny with an attractive design, extra length and superior foot quality.

Payweight 845 was the \$10,000 high seller in the 2019 sale to Trask Angus, Wasta, SD. He was a thick, clean made son of 1682 that excels in maternal traits! He comes from two generations of Pathfinders in the great Erica cow family. Erica Alt 24 has been a staple in our herd for years and her sons and daughters continue to be. Choose sons of 845 for calving ease, females and consistent growth!

Starting out the sale offering is this super deep sided, super attractive, well-balanced and long-bodied bull that combines weaning performance and carcass quality. The 837 sire group had a 106 average weaning ratio in the 2020 calf crop. We weighed this guy at an impressive 996# at just shy of 8 months old. Could very well be one of the best bulls to sell anywhere this year! Retaining a 1/3 interest.

Strommen Legacy 09 - Lot 1

"Extreme docility with an ambitious libido" - Jeremy Strommen

"He has a really gentle temperament, nothing seems to really bother him. He likes to be scratched and meets me at the gate in the morning."
- Jamie Fast

+3	+1.4	+62	+108	+28	+122	+233	76	802	1314

Twin to Lot 1, he is exactly like his brother in almost every way. He is a more moderate version but good structured, stout and quiet. He didn't quite get the groceries when he was younger, which is the reason for the difference in size. None the less, he's definitely one to take a look at! The dam of Lot 1 and 2 is a very promising young cow who is a maternal sister to one of our heaviest weaning performance cows on the place (dam of Lot 16). Dam's ratio: 2/108.

Rowdy and Jeremy Strommen with Lot 1, Strommen Legacy 09

Suitable for heifers or cows. Rainmaker, EXT, New Design 878, Thunder, Final Answer are some of the greatest cowmakers in the breed. Lot 15 has them all in his pedigree! He is at the very top for \$M with a +109, only one bull is higher! He's at the top for Heifer Preg EPD as well with a 20.9! Throw in eye appeal, good growth, smoothness, gentle temperament and style, and he is the type and kind everyone with appreciate on sale day. Super docility! Dam's Ratio: 1/100

We Value Our Customers!

Customer satisfaction is and always will be our highest priority! Approximately 80% of our buyers each year are repeat customers and many have bought our bulls continuously year after year.

Why so many repeat customers?

For several reasons: First of all, not all the bulls we raise make the sale. We carefully select our sale offering for overall quality, performance, soundness of feet and legs, disposition and finally fertility. All our bulls must pass a semen test to make the sale!

Secondly, we proudly stand behind our bulls. If for whatever reason our customer is not happy, we will do our best to make it right. Just promptly give us a call.

Thirdly, we are happy to work with the many situations our customers may have. No place to winter a bull? We'll take care of your bull until you have space. Need the bull delivered at a certain time and location? Just let us know. Would like your bull semen collected? We can help with that too.

Visit us at the ranch and attend our sale to learn why our customers are happy with their bulls!

Phenotypically, he is a bit like his flush brother 029, Lot 22, and presents a long bodied, stylish look. His genomics and EPDs suggest that he'll produce beautiful females and scale crushing males. Dam's ratio: 5/102.

Fast Matilda SB 480, Pathfinder dam of flush brothers, Lots 22-24.

Minimum Genetic Requirements

Marbling EPD (Marb)	+0.65
Dollar Grid Carcass Index (\$G)	+55.0

The Targeting the Brand™ logo can be used on any registered Angus bull with a minimum marbling EPD (Marb) of +.65 and Grid Value Index (\$G) of +55 or higher. Data from the American Angus Association show that these minimums thresholds for Marb and \$G achieve an average of 50% Certified Angus Beef (CAB) acceptance. The logo helps bull customers to easily find bulls with added carcass value.

A larger framed bull with tremendous length of body along with the eye appeal and structural correctness that U-2 Coalition consistently sires. His Pathfinder dam who produces a good one every year, is also the dam of Fast Payweight 794 981, purchased by Kevin Sailer, Dodge, ND, in our 2020 sale. Lot 36 also has a great disposition and likes to be scratched. Dam's ratio: 4/107.

**Fast Coalition 079 - Lot 36**

Fast-Strommen Reno 987 sold to Tyler Larsen, Larsen Angus, Forsyth, MT. The second high selling bull in our 2020 sale, he is sired by Spring Cove Reno and out of our great Fast Erica Alt 24, the dam of Fast Capitalist 414 and Strommen Platinum 683.

Patents Pending worldwide. XY* sex-selected inseminates are packaged as single use artificial insemination doses for heifers not to be divided or used in MOET or IVF procedures. STgenetics is a division of Inguran LLC. XY is a registered trademark of XY, LLC. The STgenetics logo/mark and SexedULTRA are trademarks of Inguran LLC. Sexing Technologies and the STg logo/mark are a registered trademarks of Inguran LLC. Product of the USA.

Our Family History

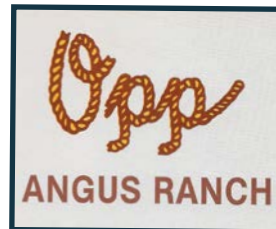

In honor of our 50th Anniversary Sale we would like to pay tribute to our parents/grandparents, Allen and Fern Opp.

Allen E. Opp started his purebred Angus herd in October 24, 1953 with the purchase of two cows from the Henke and Maier Combination Sale, Hanover, ND. The cows were Primrose M of Square Butte and Primrose Lady M 26. Primrose M of Square Butte was bought bred to Henkes Eliminator 49 and dropped a heifer calf which was the first registered Angus to be born on the Opp Angus Farm. Today numerous generations of these two original cows can be found in the Fast, Dohrmann and Strommen herds.

Opp Angus Farm held their first production sale in 1972 at the Missouri Slope Auction barn, Bismarck, ND. (Allen had two sales one year, so yes this is our 50th sale). In 1975, Allen held his first fall bull calf sale, but later switched back to a spring production sale.

Allen and Fern involved their daughters, Jamie and Janet, in the Angus business at an early age by giving them heifers as 4-H show projects which eventually led to the entire family traveling across the country showing cattle at various state and national Angus functions. Ultimately, Jamie and Janet, along with their husbands, both established registered herds continuing the family tradition. Richard and Jamie Fast joined in 1981 and L.J. and Janet Dohrmann in 1984 to become the Opp-Fast-Dohrmann sale. In October of 1994, Allen and Fern, retired and dispersed their herd. The sale's name changed again in 2018 when Richard and Jamie's daughter, Rachel and her husband Jeremy, added their bulls to the Fast-Dohrmann-Strommen production sale.

Allen passed away on March 31, 2018 and Fern on March 22, 2018, but their legacy lives on in the Angus herd that they established as well as in the hearts and minds of their children, grand children and great grand children.

The Opp-Fast-Dohrmann family in 2007, back row: Richard Fast, Allen Opp, L.J. Dohrmann, Brent Mrnak; front row: Rachel Fast Strommen, Jamie Opp Fast, Fern Opp, Janet Opp Dohrmann, Jenna Dohrmann Mrnak, and Jeri Dohrmann Carter.

"The Lord will watch over our coming and going
both now and forevermore." Psalm 121:8

Welcome to our **"50th Annual Production Sale!"** "What an exciting adventure this has been! My earliest memories are of following my Dad around the corral and trying to step in his footsteps. They were big footsteps to follow! Then in 1984, L.J. and I set out together on our own adventure in the registered Angus business. Hebrews 12:1 says: "Let us run with perseverance the race marked out for us!" I guess that pretty much sums up the race we have run. Whether it be lack of moisture, abundance of moisture, extreme cold during calving or the perfect calving weather, we have persevered because we love what we do. Our customers are the friends we have made along the way and have made that "race marked out for us" enjoyable and worth doing.

Each and every year we strive to offer you the top genetics from our herd that will assist in keeping your operation profitable. Profitability is a top priority for us as well as our customers. Our success is dependent on our customers success!

The bulls have been fed a high roughage ration and long hay with no silage. They have been developed to maintain structural soundness, longevity and hoof development.

Bulls left for wintering will have a semen evaluation before delivery and we will be retaining a 1/3 semen interest in all our bulls.

All bulls are fully guaranteed to be breeders and are sold under the terms and conditions of the American Angus Association.

The bulls have been ultrasound scanned by Jason McLennan, Belle Fourche, SD. Data will be available sale day.

We truly appreciate our customers and friends that take an interest in our cattle! Feel free to stop and view the cattle at the ranch any time prior to March 10, 2021, or at Kist Livestock thereafter.

Sincerely,

L..J. & Janet Dohrmann

Featured as the \$22,000 lead off and top-selling bull of the 2015 Island Cattle Company Bull Sale, this moderate Birth Weight EPD young sire with elite percentile rankings for Weaning Weight EPD and Yearling Weight EPD has an impressive phenotype and the look of a herd sire. The dam of this young stud balanced a birth ratio of 96 with a weaning ratio of 102 on her first four natural calves with two yearlings recording an average ratio of 105.

“Bulls left for wintering will have a semen evaluation before delivery!”

Table 1. Progeny equivalents (PE) – Carcass trait PE equate to actual carcass harvest data not ultrasound scan equivalents.

Trait	PE	Trait	PE
Calving Ease Direct	28	Heifer Pregnancy	14
Birth Weight	21	Calving Ease Maternal	18
Weaning Weight	26	Milk	33
Yearling Weight	21	Mature Weight	11
Dry Matter Intake	8	Mature Height	8
Yearling Height	11	Carcass Weight	9
Scrotal Circumference	13	Carcass Marbling	9
Dodility	10	Carcass Ribeye	12
		Carcass Fat	10

Expected Progeny Differences (EPDs) are provided by the American Angus Association to provide valuable information on registered Angus cattle for important traits such as calving ease, growth, and marbling. The challenge with EPDs is that on younger and unproven animals, EPDs are not as accurate. This sometimes results in a bull or heifer not performing to the cattle producer's expectation. For example, a commercial producer may purchase a bull with a high weaning weight EPD, but be disappointed in the lack of growth by the bull's progeny.

In recent years researchers have worked diligently to identify the genetic contribution of various DNA markers. By incorporating this DNA information into the EPDs, the American Angus Association is able to provide much more accurate EPDs called “genomic-enhanced EPDs (GE-EPDs). This technology has advanced considerably in just the past couple years. When an animal is profiled on the Neogen-GeneSeek GGP-LD, the EPD accuracies are equivalent on several traits to as if the profiled animal has

A special thank you to **Corey Blaser** for all the years of clipping our bulls and getting them looking sharp in 2021!

NOTES

It Means a Lot to Us

By Jamie Fast

*It means a lot to us that you rose early to get the chores done to travel so far and attend our sale,
It means a lot to us that you left your wife/daughter/son to watch over those calving heifers and cows,
It means a lot to us that you arrived early to carefully check out every pen of bulls,
It means a lot to us that we got to shake your hand, answer your questions and invite you to take part
in our lunch,
It means a lot to us that you expressed your appreciation for our genetics and sale offering,
It means a lot to us that you participated to help us celebrate our 50th Anniversary Sale,
To our many loyal customers, dear friends and family...we thank you!*
