21st Annual Production Sale

We would like to take this opportunity to thank all of our past customers and welcome our new ones. We are very thankful for the confidence you have shown in our program over the years.

Not much changes from year to year when it comes to our cattle. We do our best to raise a consistent set of bulls that will go out and work for you. They are not pampered or babied. We expect our cows to have longevity, be fertile with great mothering ability, have good udder quality and the will to survive on what Mother Nature provides for them. The bulls are developed on their mother's milk, green grass (on most years) and hay. We want them to work for you, not for you to work for them. These bulls are tightly bred so you are the one who gets the heterotic effect in your calf crop, not us. These bulls will continue to gain weight, grow and mature while on pasture. They are what we say they are. In order for cattlemen to survive, cattle that **DO MORE FOR LESS** are necessary. Our cattle are bred to survive the ups and downs from one year to the next without extra inputs. We have strived to put together a group of bulls that fit this bill.

This year we are offering 27 - 18th month old, 100% forage developed bulls. They have been selected for fleshing ability, low birth weight, performance, soundness, disposition and maternal efficiency. This year, they went to grass May 23rd and were brought home on September 29th. They are currently being fed oat & pea hay. We believe in letting them grow at a natural pace and don't believe in propping them up to be something they are not.

Be sure to check out our website at www.feiringcattleco.com and visit our sale page where you can find links to videos of the bulls and enter the auction site to register and bid on this year's sale. You can also view sale details at www.billpelton.com.

Our family has been in the Angus business for over 40 years and we take great pride in selling cattle with honesty and integrity. We believe in raising good, honest, hardworking cattle that will do their job in converting grass into muscle and protein. We welcome you to stop in and look at the bulls anytime. They are by the house for ease of viewing. We believe they have something to offer your operation and most importantly do it by making your operation more profitable. Thank you again for your continued support.

Sincerely,

Donnie, Trish, Harley & Taylor

OPEN HOUSE: This year's production sale will be hosted ONLINE ONLY at www.billpelton.com with an open house for viewing the bulls on Saturday, Dec 2nd from 11:00-2:00 MT. Please come join us for lunch.

ONLINE AUCTION: You may bid anytime, anywhere and, on any device, (smart phone, tablet, personal computer) starting December 2nd. The final bidding will start at 1:00 pm Mountain Time, Monday, December 4th. You must register to bid at <https://bid.billpelton.com>. The auction will be held online-only in a "click-to-bid" format. Contact Pelton Livestock before the sale with any questions. Frequently asked questions and a demo auction are available on the auction site. If you need additional support, teaching bidders how the auction works is available over the phone by Pelton Livestock.

HOW DOES THE AUCTION END: All lots will close in lot item sale order. Extended bidding means that the LOT is not declared closed (sold) until there has been 2 minutes of inactivity on the LOT. Example: There is 60 seconds left on the lot, a bid is placed and the timer will reset to 2 minutes. Each time there is a bid within the 2 minute window, the timer will reset for another 2 minutes of extended bidding time.

BULL VIDEOS and CATALOG: Bull Videos and Digital Catalog may be viewed on our website and at www.billpelton.com

HERD HEALTH: Health and brand papers will be furnished. The bulls have been fertility tested by Dr. AJ Domek, Wibaux, MT.

DELIVERY: Free delivery on the bulls will be provided within 300 miles of Feiring Cattle Company. We are once again offering a \$250/bull forage discount off the purchase price of each bull when purchased and picked up/delivered before December 15th weather permitting. The \$250 per bull discount will not be available after December 15th. In addition, we are offering a \$75 hauling discount if you pick your purchase up before December 15th.

VIEWING THE ANIMALS: Come join us for lunch at the Open House viewing on Saturday, Dec 2nd from 11:00-2:00 MT. The bulls can also be viewed prior to sale day at the ranch 12 miles north of Beach. Give Donnie or Trish a call to set up a time at 701.872.5888.

FOR QUESTIONS REGARDING REGISTERING OR BIDDING ONLINE: via electronic mail to info@billpelton.com or by contacting Darci Pelton Sachdeva at 406.794.3174 or Bill Pelton at 406.671.5100.

INVOICING AND PAYMENT: By bidding on a lot item, you are agreeing to purchase the lot item if you should win. All winning bidders will receive invoices immediately following the close of sale. Invoices will be sent via electronic mail (when a working address is provided). Payment for purchases is due prior to removal or delivery of purchases unless prior arrangements have been made. Payments to be made directly to Donnie & Trisha Feiring.

INSURANCE: Purchases may be insured by contacting Pelton Livestock at 406.671.5100 or via electronic mail to info@billpelton.com.
