We welcome all of you to take the time to study our catalog and our breeding philosophies and see if our cattle can be a positive addition to your program.

Although our calf check in the fall is based on pounds sold (weaning weight), we are more interested in pounds sold per cow exposed. Cows that eat less (medium framed and/ or feed efficient) and raise average or bigger calves. We find are giving us more return. Bulls that breed more cows add to profit because we need less bulls. Less cows sold because of disposition, structure, being open, or mothering problems means more pounds sold. Here at Armstrong Angus we strive to produce the most return for the least input or as my dad said “ we’re not trying to raise the biggest cattle , we’re trying to raise to most efficient ones”.

We strive to produce bulls to perform like our bulls did for Billie Whitehurst. 3 bulls bred 45 cows each in 50 days with a cow breed up at 94%. We strive to produce females with moderate size that are easy to be around and that wean calves as big as bigger cows and to do it with less feed inputs than your average cows.

If you are feeling the crunch of the limited feeds and struggles of this year we invite you to study these bulls and maybe help your future bottom line.

Sincerely and God Bless  
 The Armstrong's

# K'S DOTS

Ink art and pencil art

This artwork is created by me, Kyra Armstrong, a cowgirl that was

born and raised on a working Ranch in Western Montana. I

love my cows and riding up in the mountains. I also enjoy helping in any way that I can, but I'm not much of a mechanic.

I like taking pictures of my life on the ranch and then turning them into art. My bone art is all done with a fine point sharpie marker. By using little dots I create a picture on bones that I dug out of the back pasture. After I'm done with my bones, I spray them with a Mod Podge finish to help protect them and then add a leather strap to use for hanging the bones up. I have started to pencil sketch. They are now ready for you to decorate your

house or cabin, or maybe as a gift for someone else!
