It is our pleasure to invite you to our 32nd Annual Production Sale. We look forward to seeing you at the sale and thank all the buyers and friends with whom we have enjoyed doing business over the years.

Our commitment is to our customers—we value your trust. Every mating we make is designed to produce bulls and heifers that will work for you and make your ranch profitable. We continue to move our herd forward to bring you the best and most profitable genetics available in the industry. This year's bull offering is the best and most uniform set we have presented yet . . . with length, thickness, and natural fleshing ability. We have always used proven A.I. sires with balanced numbers for all traits.

70 bulls sell—the top out of 140 bulls, and none are sold before the sale. 80% of the bulls are A.I. sired. Half are suitable for heifer mating.

We strive for low input costs with maximum outcomes. Everything available to us in the way of testing has been done so that the cattle will be problem free. All bulls have been DNA tested for parentage and genetic EPDs.

The bulls are fed here on the ranch to grow and gain on a high roughage ration to show their potential and to ensure that you will have a bull with many years of service. Bar 69 bulls are run out in big pastures until weaning time, then in a large lot where they get plenty of exercise. They are ready to go to work for you.

Again, we are selling 50 fancy commercial replacement heifers. If you are thinking of adding to your cow herd, take a look at these. They will be easy fleshing, high volume cows that will maintain themselves, breed back early and raise heavy calves. Our program has always focused on the female—Great cows produce great bulls! We sort our cows hard for economically sound traits: longevity, fertility, efficiency, fleshing ability, disposition, udder quality, and structural soundness. These heifers are sisters to the bulls selling; born and raised right here on our ranch.

We select for disposition in our cattle. From the time they are born, our cattle have been worked with horses, handled quietly, and once weaned are walked through, so that they are used to people and horses.

Because you, our customers are important to us, we will again offer our first breeding season guarantee, plus our repeat buyer credit of \$50 per bull for those who purchased bulls in our 2019 sale. We will deliver your bull purchases free the first 200 miles or take \$50 off each bull if you haul them home yourself sale day.

The bulls and heifers can be seen at the ranch, 6 miles east of Belle Fourche, until the day before the sale, after which they will be at Belle Fourche Livestock.

**Videos of the bulls are available on our web site at [bar69angus.com](http://bar69angus.com).** A supplement sheet with scrotal information and updated weights will be available on sale day and on the web page.

If you are unable to attend the sale, please remember our guaranteed bid program. Sale Day phone number is 605-892-2655.

See you Thursday, April 2nd.

## SUPPLEMENTAL INFORMATION

A supplement sheet with weights and scrotal measurements will be available sale day and on online at Bar69Angus.com

**VIDEOS AVAILABLE ON  
BAR69ANGUS.COM**

## TERMS AND CONDITIONS

Cattle will sell under the terms and conditions recommended by the American Angus Association. All cattle are to be settled for sale day unless prior arrangements have been made.

## HERD HEALTH

Our bulls and heifers are on a complete health program to ensure they perform well for you. The bulls were fertility tested and scotal measured by Dr. Bill Marlett, D.V.M. of the Belle Fourche Vet Clinic. Bulls and heifers have been vaccinated Spring and Fall with Vista Once PHM, Vision 7 w/Somnus, poured with Cydectin and later with Ultraboss. Bulls have been vaccinated for foot rot. Heifers have received their pre-breeding shot of Express 5 FP VL5.

## CONDITIONING OF SALE BULLS

Every bull has a useful performance record. These bulls have been handled in a practical manner, developed without creep until weaning time, and finished on a light growing ration until sale time.

## REPEAT BUYER POLICY

If you purchased an animal in last year's sale, you will receive \$50 off each purchase in this year's bull sale. This credit is only good if you made a purchase in last year's sale, not just any previous sale. If you make a purchase in this year's sale, you will receive \$50 off each purchase in next year's sale, should you decide to be a repeat customer.

## RETAINED INTEREST

Bar 69 Angus Ranch is retaining one third revenue sharing semen interest in every bull selling in this sale. Full possession and salvage value sells on all bulls.

## TRUCKING

Bulls will be delivered free of charge up to 200 miles from Belle Fourche Livestock. \$50.00 off each bull if you haul sale day.

## LIABILITY

All persons who attend do so at their own risk, and Bar 69 Ranch assumes no liability, legal or otherwise, for any accidents which may occur.

**Announcements on sale day take precedence over  
any information in this catalog.**

## First Breeding Season Guarantee

*All Bulls* will be covered 50% by the Bar 69 Angus Ranch if they are injured during the first breeding season.

Breeding season is defined as the 60-day period following the first turnout of the bulls. 50% of the purchase price, minus half the salvage value, will be given as credit towards a replacement bull, if we have one available, or as a credit at next year's sale.

- All bulls must be diagnosed by a licensed veterinarian.
- We must be notified should injury occur and before the bull is sold for salvage. A copy of the salvage receipt must be sent to us.
- All claims must be made by September 1, 2020.
- We will not be responsible for more than half the purchase price of the bull. Mortality insurance will be available.

## THE VALUE LIES WITHIN

Bar 69 has been utilized the best in Angus genetics for decades and is proud to bring you a set of bulls, that as a group, rank above the breed in many of the below traits.

|            | CED | BW  | WW | YW  | MILK | SC   | \$M | \$W |
|------------|-----|-----|----|-----|------|------|-----|-----|
| BAR 69 AVG | 7   | 1.1 | 59 | 104 | 29   | 1.00 | 63  | 67  |
| BREED AVG  | 6   | 1.3 | 54 | 96  | 25   | .76  | 56  | 54  |

Weaned calf value (\$W) provides the expected dollar-per-head difference in future progeny preweaning performance from birth to weaning. \$W assumes that producers retain 20% of their female progeny for replacements and sell the rest of their cull female and male progeny as feeder calves.

Last June, the American Angus Association released a new Maternal Weaned Calf Value Index (\$M). \$M builds on \$W by adding heifer pregnancy (fertility), Docility and the new foot score EPDs.

As you can see, the bulls in this sale average significantly higher than breed average for these profitability traits. Bar 69 Ranch has selected for profitable maternal traits for decades, and it shows in the numbers!!

Balanced both phenotypically and numerically, the breed is in desperate need for a true cow maker that can fix udders and leave you with some productive females. Powerball daughters have excellent udders, unmatched dispositions and are easy on the eye. He is in the top 5% for Heifer Pregnancy EPD, which speaks to the fertility of this great sire. If you are concerned about maternal traits, look no further than Powerball.

Motive is proving to be one of the leading outcross, low birth and strong phenotype bulls in the industry. He owns that extra flare to his muscle design that is so rare with his low birth combination and even more importantly, he stands on superior feet that are 100% perfect. We really like his calving ease and the muscle pattern on his calves.

"Thunder" captured the attention of cattlemen across the country as his progeny are very impressive, displaying calving ease, depth, and excellent muscle. We continued to use him as we love his daughters. They are feminine with excellent udder attachment and dispositions. His calves come easy and early and are very vigorous.

Capitalist is a proven calving ease sire who remains one of the most phenotypically impressive Angus bulls we have encountered in recent history. He continues to generate top performing, top selling sire groups across a range of environments. Capitalist has been dependably siring more body width, muscle expression and performance and he can be used without concern on heifers—a rare combination. His daughters have perfect udders and raise heavy calves.

# BAR69ANGUS

*Sustainable Cattle!*

For over 30 years, we have bred **PROFITABLE** bulls that **PERFORM** for you, the commercial cattlemen. We run our cows as you do— with no special treatment. We believe great cows produce great bulls and have strived for decades to build a cow herd we are proud of. Disposition is of the utmost importance to us—we handle the cattle in the quietest way possible and make sure the bulls are used to people and horses.

We value a bull that is in good condition, but are very careful not to overfeed our bulls—we want them to have good feet and legs and be able to work hard an entire season. We have a high rate of return buyers due to the **LONGEVITY** of our bulls. Our family has been in the cattle business for over 100 years and we strive each day to continue that tradition of providing genetics that work for you.

# It all starts at birth!

You are making a long-term decision with the purchase of every bull, so we have gone the extra mile starting at birth. We scale weigh each calf within hours of birth and continue accurate record keeping, collecting weaning and yearling weights. All bulls are DNA'd for parentage and genetic performance, but real records need to be turned in for the accuracy to be there. Disposition is very important to us. Bar 69 cattle are handled quietly with a hands-on approach.

# *Selling* **50** *Fancy Commercial Replacement Females*

These commercial heifers are all one brand heifers that were raised on our ranch. They are purebred Angus from our registered Angus cows. They have been on our complete herd health program and have had all their calfhood vaccinations and were poured at branding, weaning and again in January. They were vaccinated for Brucellosis and have had their pre-breeding shot of Express 5 FP VL5.

The bulls and heifers will be available for viewing at the ranch six miles east of Belle Fourche prior to the sale and at Belle Fourche Livestock the day before the sale. We are available to answer questions any time. Give us a call at 605-892-2875!
