Welcome to the Blevins Angus Ranch's 22nd annual sale!

We would like to thank our family, close friends, and
neighbors for their help this last year. Here at the Blevins
Angus Ranch, we always strive to sell low-input, high gaining
stock to our customers and this year we are excited to bring
an attractive set of yearlings to our buyers. With a change in
our feed program, we have had a very productive gain on our
animals. These yearlings are showing a great improvement
from the past years, we think you will be impressed. We very
much appreciate our customers who have annually
purchased stock and believe in our program and we are
excited to show our cattle to any prospective buyers.

This year we are pleased to exhibit yearlings that show
depth, capacity, and have overall eye appeal. We have a set
of registered yearling bulls that will satisfy all. They will
provide you with desirable calving for heifers and cows alike
with a high weaning weight. The registered and commercial
heifers weaned off extremely well considering the dry year
we had. The heifers we offer are out of cows who have
superior phenotypic qualities and capacity. These heifers
stand to offer the same qualities to your operation while also
providing sustainable bodies and sound feet.

Blevins Angus Ranch has a principle to auction only proven
fertile stock. The bulls are assured breeders that have been
fertility tested by Sadie Hutter, DVM. The B.A.R produces
healthy offspring that are void of any defects by pedigree.
We also utilize a veterinarian approved vaccine program. All
the registered yearling have been ultra-sounded by
technician, Kristen Bailey from Dell, MT.

Join us at our 22nd annual production sale on March 21,
2022 @ 1:00 P.M.! If you cannot make the sale, please join
us LIVE at www.cattleusa.com at this date and time.
