SALE DAY PHONE NUMBER

Welcome All,

We are thankful for the support to our program from all of our
past, present, and future customers. We would also like to
give a shout out to our family, friends, and neighbors for so
much help along the way. We are glad to offer the best of
our seed stock operation to you this year; after all, it is your
contribution that keeps us in the business that we love. We
appreciate each and every one of you.

We bring to you, this year, a group of yearlings that will
provide calving ease, longevity, and proportion to your herd.
These bulls and heifers will help achieve quality carcass
evaluation and exceptional weaning ratios. We feel that our
cattle will be a great addition to any herd or rock solid
foundation to any buyer starting a new bovine enterprise.

Our goal is to acquire a three pound average daily gain on
our sire bulls to provide you with an efficient bull that is well
muscled and ready for service. The heifers are on a program
to gain one to two pounds daily for herd sustainability.

Dr. Mike Marrinan, from Hot Springs, MT, fertility tested all of
our bulls on February 13, 2021. We are providing only our
best and guaranteed breeders for sale. Our vaccination
program is also recommended by Dr. Marrinan. Kristen
Bailey, from Dell, MT, has again completed the ultra-
sounding on our cattle and Vanek Cattle Service fitted the
registered sale group.

All bulls and heifers are clear of any known genetic defects
by pedigree.

We want to invite you to our 20th annual sale held on the 16th
of March, 2021 @ 1:00 P.M. or online @ www.cattleusa.com
for the live auction at the same time and date.
