Welcome to the Blevins Angus Ranch's 21<sup>st</sup> annual sale!

We would like to thank our family and close friends for their  
help this las year. We have had a good year and are happy  
to be able to hold another sale. The Blevins Angus Ranch is  
excited to bring a nice even set of yearlings to our buyers.  
Our goal is to always offer our best stock to our registered  
and commercial cattleman. We very much appreciate our  
customers who have annually purchased stock and believe  
in our program and we are excited to show our cattle to any  
prospective buyers.

This year we are pleased to supply yearlings that show  
depth, capacity, and have overall eye appeal. We have a set  
of registered yearling bulls that will satisfy all. They will  
provide you with optimal calving for heifers and cows alike  
with high wean ratios. The registered and commercial  
heifers weaned off very evenly last fall. The heifers we  
present are out of cows who have great maternal qualities  
and milk ability. These heifers stand to offer the same  
qualities to your operation while also providing good structure  
and sound feet.

It is important to us that we deliver on our promise to sell only  
prolific stock. The bulls are guaranteed breeders that have  
been fertility tested on February 25<sup>th</sup> 2022 by Sadie Hutter.  
The B.A.R strives to produce healthy offspring that are clear  
of any defects by pedigree. We also utilize a veterinarian  
approved vaccine program. All the registered yearling have  
been ultra-sounded by technician, Kristen Bailey from Dell,  
MT. We have had a lot of precipitation this winter which has  
made it impossible to clip the cattle before the sale.

We invite you to our 21<sup>st</sup> annual production sale on March  
15<sup>th</sup>, 2022 @ 1:00 P.M.! If you cannot make the sale, please  
join us LIVE at [www.cattlemanusa.com](http://www.cattlemanusa.com) at this date and time.
