Herd Reduction Sale

Thursday, January 23, 2020

1:00 P.M. MST

Bowman Auction Market

Bowman, North Dakota

Welcome

Welcome to our 2020 Herd Reduction Sale,

It has been two years since we have had a female sale so it is time to get our herd back to the capacity to match our grass. We are selling all the cows born in 2012 and 2013. These cows have been culled on hard for fertility, udder quality, and dispositions. They have helped to make our bull sale successful the last few years. We have held none back from these two age groups; they are all coming to town.

These cows have earned a living with no extra pampering. They will be for sale in their winter clothes. NO CLIPPING. I hate to take any hair off after the last two winters.

The bred heifers are the April calvers. They will be a really nice set and it will be hard to part with some of them.

All cows were ultra-sounded for pregnancy on September 7th. All the heifers were done August 15th. Liam Robbins DVM did them and sexed the ones that were old enough. We will have Don Kruger DVM Palpate them again in December to be sure none have slipped a calf since ultrasound time.

The cattle sale will be on DV Auction for your convenience if you cannot make it to the sale.

General Information

Directions - Bowman Auction Market is located one mile south of Bowman, ND on Highway 85.

Herd Health - All cows were vaccinated this fall with the Virashield 6 and VL5. The bred heifers have had their first shot of Scour Bos and their booster shot. All cows were poured with Ivomec. All cows are bangs vaccinated. All cows were ultra-sounded for pregnancy by Fallon County Veterinary Service by Liam Robbins DVM. Bowman Vet Clinic, Don Kruger DVM, tests all cows for Johnes Disease. All these females will have health cleared to go to any state.

Terms & Conditions - All cattle sell under terms and conditions of American Angus Association. Buyers are liable for any A.I. certificates needed for bulls that cows are bred to.
