55 SPRING ANGUS BULLS | **35** FALL ANGUS BULLS

Welcome to the December 2020 Currant Creek sale. We are excited to have the Griffin's join us with an excellent group of bulls. Our families have worked together for most of 30 years. We have shared a lot of genetics and certainly like the same type cattle. This sale offering is the product of many years of breeding and selection for sound, functional cattle that have been proven to work in harsh environments. We certainly look at the "numbers", but we also realize there are still traits that are the most important like finding a safe place to calve and keeping it alive as we know many of our customers calve in big country much like most of our cattle do.

There are 3 different age groups of bulls in the sale. A group of early fall born bulls and a group that we calve later in the fall by design, both of which will be ready for heavy use next summer. We also have a nice set of spring born calves which were a bit lighter at weaning this year but now are really doing well on our high roughage ration. They will be 1200 to 1300-pound bulls in the spring and as always, we guarantee your satisfaction. All the bulls receive 2 foot rot and 2 pinkeye vaccinations as well as Seven way/Somnus and Vista Once during the fall and winter as part of our normal vaccination protocol.

There are several groups of half brothers which are new genetics to old customers which still fit our chosen phenotype of moderate frame, easy fleshing and yet perform, and powerful to keep your buyer coming back. In this year's offering there will be a select group of Sim X bulls and Red Angus bulls for our customers that are looking for something a little different.

As always, we will stand by the bulls completely and they will be delivered with a complete breeding exam. Thank you very much for your support, interest and friendship and we very much look forward to seeing you December 5.

In view of the current COVID situation, we will take every precaution to allow our customers to view livestock and attend the sale safely. If anyone is uncomfortable attending, please contact us to help facilitate your needs. We guarantee 100% satisfaction with all purchases.

Sincerely,

**Gary & Phyllis Eliasson
and Family**

**Guest Consigner:

Cattle and Cars is what we do. Our family has owned and been in the Car and Auto Auction Industry our entire lives. Since the mid 90's, we have ranched and raised a registered herd with the Eliasson's. The relationships we've developed with them have been treasured and valued. We are grateful for the friendships that have been built over the last three decades.

•The \$22,500 high selling bull in the 2019 Pine Coulee Angus Bull Sale
•Pine Coulee Cattleman F300 has a tremendous spring of rib, square hip, and natural width throughout. He hit the ground at 69 lbs and his genomic data suggests that he should work well on heifers. He is moderate in frame with a fantastic disposition. He carries himself with a herd bull presence with plenty of eye appeal. His Pathfinder dam is an up and coming donor from the great Everelda Entense family and her first son was at the top of our 2016 bull sale. This bull will leave a lasting positive impact on your herd.
