Matt Wznick, Tri-State Livestock News 406-489-2414

Online Bidding:

Sale broadcast live on Superior Livestock Auction. Details on page 4.

Sale Order:

Cattle will sell in catalog order.

Cattle Inspection:

We welcome your visits and would be happy to show the bulls as well as the cowherd. The bulls will be at Feddes Red Angus just 2.7 miles south of Manhattan.

Herd Health:

Our program includes Vision 8, Express 5 PHM at branding and weaning, 2 shots of Fusoguard, Cleanup and Valbazen in the fall.

Calving-Ease Recommendations:

*** Recommended for heifers and cows
** Recommended for large heifers and cows
* Recommended for cows only

Bull Ration:

We developed our bulls together on the ranch on a high-roughage ration to allow them to show their genetic potential and develop them for longevity.

Transportation:

Bozeman is served by Delta and Continental Airlines at Gallatin Field, 1 mile east of Belgrade or 8 miles northwest of Bozeman. Jet service daily north, south, east and west.

Accommodations:

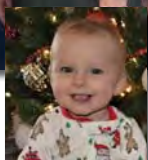

Broken Spur, Three Forks 1-888-354-3048
Fort Three Forks Motel, Three Forks 1-800-477-5690
Super 8, Belgrade 1-800-800-8000

Welcome to our 2021 production sale!

We want to express our appreciation to all of our friends and customers for your support of our program throughout the years. We are very blessed to be a part of the Red Angus breed and family. We have never seen more demand for both Red Angus feeder cattle as well as replacement heifers.

We are a family owned and operated business. We have been breeding Red Angus cattle since 1991. Feddes and C-T run over 400 mother cows. We utilize extensive AI and Embryo Transfer programs to provide you with the most advanced and very best genetics possible. We manage our cattle ourselves with limited hired help, therefore we can represent our cattle from a day-to-day and hands on experience.

Our cattle run under range conditions from 4,000 feet to high mountain grass at 8,000 feet of elevation in the summer. We focus on the mother cow, without pampering the cowherd.

We use the most advanced technology available – DNA testing, carcass ultrasound evaluation, along with a strict culling program to give you, the customer, the most accurate information possible. Visual appraisal and structural soundness are critical to our selection process. We don't chase fads! We breed for "BALANCED TRAIT SELECTION" with focus on the maternal traits, many of which don't have an EPD.

Red Angus uses the BOLT system for their EPDs and this system updates weekly. The EPDs in this catalog are current as of the printing of this catalog. We will provide any updates on sale day.

Videos will be available through links on our websites: feddesredangus.com and ctredangus.com. Again, this year we will have Superior Livestock broadcasting the sale online if you are unable to be in attendance. Register to bid online or over the conference call with Superior.

We are blessed to be able to support our kids and grandkids in basketball, baseball, football and volleyball games as well as 4-H, hunting, fishing and other school and church activities. Above all we want to thank our Lord and Savior, Jesus Christ, for His amazing grace.

Blessings from the Feddes and DeBoer Families

**Cooperators Keith and Brook Hickle, and sons Clay, Cole and Carson
Rocking Bar H Ranch, Auburn, WA**
Rocking Bar H Ranch will use RBH prefix on their cattle

**Cooperators Ryan & Lindsey Clark, Lainey, Ryle & Harper

Delivery Instructions _____

TERMS AND CONDITIONS

1. The terms of the sale are cash unless prior arrangements have been made.
2. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes and his decision on such matters shall be final.
3. Any announcement from the block on sale day will take precedence over printed material.
4. Health certificates will be furnished for shipment anywhere in the United States.
5. Each animal becomes the buyer's risk as soon as sold. Cattle will be cared for, for a reasonable length of time at the ranch, at the buyer's risk.
6. Retained Interest: All bulls will sell half interest and full possession. The buyer receives full possession and full salvage value. The seller has the right to collect semen at the buyer's convenience, and the seller's cost. If the buyer wishes to share in the collection costs and revenues, that is his/her choice.
7. Guarantee: All bulls are guaranteed for soundness and fertility for the first breeding season. If for some reason you are not satisfied, we will arrange for a replacement bull if available. If a replacement is not available, you will receive credit at the next Feddes/C-T sale for the purchase price of the bull minus the salvage value. Injured bulls must be diagnosed by a veterinarian. Please notify us by Oct. 1 of the year of purchase, should an injury occur and prior to the bull being sold. Insurance will be available sale day. We recommend insurance on higher price bulls.
8. Everyone attending the sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.
9. Free delivery in Montana and to central points in adjoining states. Deliveries to points beyond will be at cost basis. We will help arrange deliveries to keep the cost most affordable. \$100 discount for bulls picked up sale day.
10. A certificate of registry and transfer will be furnished for each animal sold as a registered animal after settlement has been made.
11. The above terms and conditions shall constitute a contract between buyer and seller of each animal.

These cattle do sell in accordance with the Sale Terms and Conditions set forth by the Red Angus Association of America.

**HOW TO PARTICIPATE AS AN ABSENTEE BUYER****1-800-422-2117**

We have made preparations to bid and buy your Red Angus Cattle through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's newest way to buy cattle! Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast live on the internet at www.superiorclicktobid.com – just go to the home page and select the auction. Remember, you can call in to bid over the phone when watching on the internet if you have registered for that service, but you must be a member of www.superiorclicktobid.com to "click-to-bid" and bid online. Your computer must have Flash Media Player installed to view the auction.

Bidders who are successful in making purchases will be contacted by Superior Productions after the sale to settle payment and discover your shipping plans.

SELECT OUR BULLS WITH EVEN MORE CONFIDENCE

We believe in providing our customers with the most accurate information possible. DNA profiling has advanced to the point that when added to a bull's pedigree and his own, individual data, the reliability of his EPDs increases significantly. Therefore, to better serve our customers, all of the bulls in the sale have genomic-enhanced EPDs through DNA 50K testing.

The table below shows the estimated number of progeny the DNA information adds to the reliability of the EPDs. For the growth and carcass traits, the higher reliability is equivalent to almost a complete calf crop of steer calves. For a maternal trait like Stayability, it's equivalent to getting information on at least three to four heifer calf-crops.

The genomic-enhanced EPDs are made possible through a partnership between the Red Angus Association of America and GeneSeek. Bottom line: we've made the investment so you can buy bulls from Feddes/C-T Red Angus with the highest possible confidence.

Top Dollar Angus Feeder Calf Program

Promote Your Verified Genetic Investment

Top Dollar Angus is the industry leader in third-party genetic verification and marketing assistance for superior Angus and Red Angus-based feeder cattle. Our program stamps a unique identity on the 'best of the best' by verifying and then showcasing their genetic merit. The Top Dollar Angus team works directly with a large number of feedyards and buyers to provide them with documented superior

feeder cattle, coupled with genetic risk mitigation and the precision understanding they need to pursue your cattle with absolute confidence.

Top Dollar Angus enables cow-calf producers to benefit from the genetic value already built into their herds. Producers that invest in high-end genetics, as well as strong health and nutrition programs, need a means of positively differentiating their calves from average cattle. Top Dollar Angus does that. Industry demand is strong for genetically superior feeder calves with the right supporting documentation. Don't make buyers guess, let them know by putting the Top Dollar Angus badge of honor on your premium genetic investment.

Brunswick is a one-of-a-kind bull owned with Green Mountain Red Angus. He may be the bull we are all looking for. He is adding growth, muscle, marbling and ribeye to his progeny. He is sired by Feddes Silver Bow who was one of the top Redemption sons ever produced. D202's EPD profile is second to none and those numbers are proving accurate through his progeny production records. Great dispositions on these calves as well. Dam is a gorgeous Feddes Big Sky daughter.

An impressive Genex calving-ease sire. He has proved to be very consistent with BW while maintaining good performance and excellent carcass: HB top 1%, GM top 4%. We have now calved two sets of daughters and find them to be making gorgeous females with great feet, udder structure and mothering ability.

Coach is a complete outcross to the Red Angus breed. His sons in this sale are very attractive looking and were the high gaining sire group. Coach should be a foot and leg fixer. He summered in very large mountain pastures up to 9,000 foot elevation.

X37D was our pick of the 9 Mile Red Angus Sale in 2017. His phenotype and feet were we chose to purchase him. I don't know that I've seen a Red Angus bull with better feet anywhere. They are dark hooves with extra heel. He is adding extra muscle and eye appeal to his calves. These calves are hard not to like. We have used him naturally and through AI. His dam is LASO LEANNA BC114R who is 14 years old and still carries an MPPA of 104. She is well known for leaving some of the best females in the breed. We are excited about the future of this herd sire.

A solid Captain son out of a proven Conquest bred cow with a 105 MPPA. He was our pick out of Klompien's bull sale and has left us a nice set of calves on his first try. We are seeing moderate birth, extra growth and nice dispositions.

FEDDES FAMILY MEATS
Raising Beef in the Valley for 95 yrs!

Your only source for local Montana meats!

BEEF, LAMB, PORK, GOAT & BISON

"From Our Gate to Your Plate!"

AMSTERDAM Meat Shop

Family owned and operated for 75 years

On July 1, 2020, the Feddes Family purchased the Amsterdam Meat Shop and started Feddes Family Meats, Inc. For several years, Jake has wanted to keep our steers, feed them and market the meat. We never intended to own a state-inspected processing facility, but the Lord works in mysterious ways.

Jake was at the shop inquiring about processing dates and the manager said, "Just buy the place, then you can run as many through as you want."

Six weeks later, we closed on the shop. Since that time, we have added eight employees and doubled processing capacity. We opened a retail space to sell local beef, pork, lamb, goat and bison. We have also started supplying three different restaurants in Bozeman.

We believe that this endeavor affords us the opportunity to look at carcasses from herd mates of the bulls in this catalog and gives us visual data in regard to ribeye size and marbling as well as actual carcass weight and yield grade data. This additional data enables us to look at what genetics are providing superior carcasses as well as not losing the maternal traits that Feddes & C-T Red Angus are known for.

We can truly be the place where "Performance Meets Maternal."

We are very excited about this new endeavor. If any of you need processing done, have finished cattle or need any assistance in these areas, feel free to give Jake a call to chat about it. We look forward to where this added business can bring our operations in the future. If you're dining in Bozeman look for the Feddes Family Meats logo!

The Rock has done it all from the beginning with a 72 lb. BW and exploding tour heaviest weaning calf with a 113WR. I love his phenotype with moderate frame, extra muscle and a great foot and leg set. He moves like a cat tracking and striding out like a bull should. Balanced EPDs with 11 traits in the top 25% of the breed. He boasts Calving Ease 15 CED, performance with WW and YW in top 7% and 4%, carcass REA top 2%. Dam is a beautiful PIE One of a Kind 352 daughter by our proven C-T Linsey 0964 donor cow. This bull truly has it all and when you walk in the pen, you will see for yourself. Dam's MPPA 105

"Coach Wooden" boasts 5 traits in the top 1% of the breed. His dam, C31, has 7 traits in the top 1%. He is a medium frame bull with lots of length, depth, and thickness. We tried to buy Coach 1296, but were not successful, so we purchased semen. Coach 1296 is a complete outcross from 2 black parents. He should be a foot fixer, and was raised up to 9,000 feet. We don't have a lot of Coach 1296 calves, but they are really good with excellent gain ratios. Don't miss Coach Wooden, we plan to use him in our herd.

We have used this Marksman X Red Rock mating often and it seems to always prove successful. 0015 is a deep ribbed extra length bull with calving ease and performance, coming from a very maternal Red Rock cow, MPPA 100. Balanced set of Eds with 9 traits in top 13%, top 1% stay and ADG, 2% ProS and milk. 0015 outdid the competition in growth with over 750 lb. WW and 1324 lb. YW and 112 YR. This is a herd bull that will work in the heifer pen and then go on to the cows, leaving a great impact in your herd.

Springhill may be our best Brunswick we've raised to date. He's long, deep, thick, and really packs on the pounds. His dam, sired by Pie one of a Kind 510, is quickly working her way to the top of the herd. We want to keep 510 influence in our herd and Springhill may be the way to do it. Springhill has 9 traits in the top 10% of the breed. We don't have our carcass data back, watch for it on our website. He is one of the most powerful Brunswick sons I've seen. WR 113, YR 113. His dam weaned 2 calves at an average WR of 115, YR 116.

Bruno is a super deep, soggy, long and thick made Brunswick son. He is very balanced with 12 traits in the top 28% of the breed. His dam, B98, is a beautiful, perfectly made Grand Statement daughter going back to New Trend 22D – the great female maker. B98 has worked her way into the donor pen with a 5 head average BR 99, WR 105, YR 104. Bruno's full brother sold in 2020 to the good herd at Mark & Jodi Schriefer in North Dakota.

An extremely powerful Marksman X Red Rock son, blowing away the competition with a 97 BR, 111 WR, 115 YR. This mating just keeps coming to the top with 0018 being a 3/4 brother to last year's Lot 1 bull and this year's Lot 4. He has a great EPD package with 10 traits in the top 11%. Beautiful phenotype with a little extra frame and length and big-time volume and muscle. We have calved many Red Rock and Marksman daughters and I feel that they are some of our top females. Dam's MPPA 104

This Merlin son out of the great Feddes Lakina Y17 cow has a top 10% CED, WW 7%, YW 15%. Being an ET calf, I would not pay attention to actual BW, the recip dam has a lot to do with that. He is long and smooth and has the calving ease look and EPD's. Y17 is the dam to Silver Bow and several other sires working in good registered herds.

- Crossing Dominate on this powerful Redemption cow turned out to be a great mating, check out this spread with a 99 BR, 118 WR, 112 YR; needless to say, he provides low birth with incredible performance, all from a very maternal Tina cow who has a moderate frame with a beautiful udder and foot set. MPPA 105. 0135 also tops the charts in EPDs with top 1% ProS, HB, WW, YW, ADG, STAY. Also, big time carcass traits with top 11% Marb, and still a 0.14 REA. This bull will catch your eye in the pen!

- Bubba is an absolute tank, sired by C-T Dominate 7067, who topped our sale in 2018. Bubba's dam is the great Sleek 806 cow that has Feddes Oscar X28 bull in ABS, and Feddes Liberty in Select Sires lineup, as well as several more in good registered and commercial herds across the country. 806 is 13 years old and still brings very top end bulls to the sale. Bubba is long, deep, and thick which explains his GR 115. Flush brothers sell as lots 45, 71, and 90.

Where Performance Meets Maternal.

Genesis 1:26 – Then God said, "Let Us make man in Our image, according to Our likeness; and let them rule over the fish of the sea and over the birds of the sky and over the cattle and over all the earth, and over every creeping thing that creeps on the earth."
