

Annual **BULL SALE**

Monday April 15, 2024 | 2pm at Faith Livestock | Faith, SD

SELLING: 41 REGISTERED YEARLING BLACK ANGUS BULLS | 13 REGISTERED YEARLING 1-A RED ANGUS BULLS

Join us for a complimentary lunch at noon

Welcome

It's the best time of the year again! Welcome to our 7th annual bull sale. We truly feel like this is our best set of bulls to date, and we've worked hard and monitored them closely in hopes that we have something to offer anyone in either the commercial or seedstock business.

It's been another year packed full of farm and ranch work and kids' activities. We were proud to be a part of the South Dakota Angus Tour in September. We got the chance to meet a bunch of great cattlemen and women, and we appreciated the opportunity to showcase our program. Right now, we are actively calving, doing the regular spring work, enjoying the sunshine (thank goodness!), and following our kids to basketball tournaments. As that ends, we look forward to summer adventures with our families and on the ranch.

Here's the scoop on the bulls. We decided to develop them a little differently this year. We started creep feeding the bulls in the middle of August as a way to prolong our weaning date and to manage the drought conditions. This also allowed the bulls more time to develop before the sale. We are very happy with the results as the bulls are looking as good as ever! Just like in the past, we cull between one-third and one-half of the bulls after weaning. We are still actively culling any animals in the herd that are not fertile or structurally sound, with a big emphasis on feet, bags, and docility.

Jack Sieban of J&R Feeds is still our go-to guy for our bull development rations. He's helped us develop these bulls since mid-August. The bulls were developed on a 48 mCal ration, and since the beginning of March, they have been on a 44 mCal ration. Thanks to a more mild winter compared to the past couple years, the weather has been a big help in that development process!

Take a look through the catalog, check out the videos, or stop out anytime to take a look at the bulls. We have lots of ranch activity going on this time of year, so it's a great time to check out cows, bulls, and calves! As always, we look forward to earning your business, and we hope to see you on sale day!

Each year, our kids serve lemonade at the bull sale. At the lemonade stand, there is a free will donation box. The kids then donate the money to a local cause that is important to them. This new tradition is the kids' own special part of the bull sale. This year will be their third lemonade stand. We are excited to find out who they decide to donate their money to this year!
