MOUNTAIN
ANGUS RYEGATE,
RANCH MONTANA

The Cattlemen's Choice
Friday November 18, 2022

At the Ranch, Ryegate, MT | Lunch 11:00 a.m. | Sale 1:00 p.m.

Hello from all of us at Green Mountain Angus Ranch!

Hope this fall newsletter finds all of you in good health and having a good year. Here in central Montana we had a better year than last. We had some early rains that gave us a fairly good start on a grass crop. Could have used a rain or two in July to make it a great year but that didn't happen but still a better year than last.

The calf and yearling market I thought were better this year. The summer video sales saw calf prices up 20%. Not where we need them but still heading in the right direction. Most of the experts say, with the nations cow herd still in decline along with beef consumption up, and an export market that seems to go up every month, the future for the cow calf guy looks great for the foreseeable future.

I also think that Washington finally realizes that the packing companies have had an unfair advantage in controlling the market by owning cattle. Hopefully they will address this problem by adopting legislation that will eliminate this unfair practice or enforce laws that are already on the books. Time will tell.

The 2022 sale bulls have been weaned and put on feed. This year's crop looks to be the best set we have ever offered. The Flagstone bull is putting his mark on this program. His sons have a lot of length of body with a great hip. Flagstone is the only bull in the Angus breed that is in the top 1% of the breed in docility and both foot scores – two of the major traits that we are concentrating on. The Flagstone daughters have the look that makes us think they are going to make great cows. We are looking forward to them being a big part of this program.

The Advocate bull is another bull that we are very excited about. He is our calving ease Justified son that we have been breeding most of our heifers to. His calves have come easy and have a lot of vigor at birth. The Advocate daughters that we retained in the herd bred up well and look to have a great future.

One of the new bulls that we are introducing this year is the Varilek Loaded 0038 32 bull. Loaded is a power bull that will be an out cross to many of you. His muscle pattern and structural correctness along with his great disposition makes us think he will fit right into the program. All of three of these bulls will be on display sale day.

Two other new sires in this year's sale are Brumfield Trail Boss and LT Revered. Both bulls are represented with 16 sons in the sale. The Lot 3 son in the sale is a Trail Boss son that will be one of the top calving ease prospects to sell this year. Revered is an outcross bull that does a lot of things right – structural correctness, thickness, and great carcass traits along with a docility score in the top 1% of the breed. Both of these bulls' sons will be a great addition to your breeding program.

Two other bulls that are new this year are Schaack Load Up and Marcy Scale Crusher. Both of these bulls go back to one of my favorite bulls of the past (Sitz Upward). Some of our best cows go back to the Upward bull and these two bulls were used for that reason-powerful genetics that will work anywhere in the country. No matter what you are looking for – growth, maternal or calving ease, this sale will have what you need. As in the past we offer free wintering on all the bulls.

This year's sale heifers look to be the best set we have ever offered. The majority of these heifers have come out of our registered herd. They will be sold as commercial but the buyers will be able to obtain the papers for an additional fee. The AI sires that we bred these heifers to are: Stellar, Advocate and the Beef 360 bull S Wrangler. This will be a great opportunity to purchase some of our top genetics. These heifers will make a great set of cows and have a lot of future in front of them.

As always we would like to thank you for considering us and letting us be a part of your program. We will continue to use all the available tools that are out there to produce the type of cattle that meet and exceed your expectations. We invite you to visit our website at www.greenmountainangus.com

Please consider this your personal invitation to our November 18th sale and if you have any questions on the bulls or the heifers, please don't hesitate to call. Thank you for considering us. We would love to be a part of your program.

Sincerely, Tim & Kris Todd

This performance powerhouse is as long as a river... maybe should be named Yellowstone, Missouri or Amazon because length translates to pounds. Second heaviest adjusted 205 wt. at 844 lbs. in the sale. 23 Marcys Scale Crusher sons averaged \$34,304 in the 2021 Schaff Angus Valley Sale including the \$275,000 top seller. A Scale Crusher son also topped the 2021 Hinman Angus sale in Montana. Top 1% genomic scores for WW, YW & CW document the extra size & growth.

Yellowstone Boys and Girls Ranch & Reach Inc.

Reach Inc.: Reach, Inc is a private, non-profit corporation located in Bozeman, Montana. In operation since 1974, Reach's mission "is to support adults with disabilities whom we serve to attain their individual goals and aspirations." Currently Reach works with about 100 people with disabilities (including Dwight & June Winchester's youngest son Clint), providing a range of supports including 24 hour residential services, supportive living programs, assisting people to gain and maintain employment and providing transportation. Reach believes that individuals with disabilities have the right to work, live and recreate in their communities. Reach is dedicated to assisting people with disabilities in becoming valued members of their community.

Yellowstone Boys and Girls Ranch: Yellowstone Boys and Girls Ranch has been helping troubled kids since 1957. Today YBGR operates a 410-acre working farm and ranch by allowing kids the opportunity to have a hands-on experience working with livestock, equestrian, welding, woodworking and small engine repair through our Vo-Ag classes. To learn more about our Calf Roundup and Homes for Heifers Program, please contact Gary Adams at 406-855-5230.
