

GREEN MOUNTAIN ANGUS

NOVEMBER 19, 2021

SELLING 220 BULLS & 100 COMMERCIAL BRED HEIFERS

Driving the science of better breeding

There's little room for error in the cattle business. Producers need the most advanced information to make smart selection decisions, and Angus Genetics Inc. (AGI) provides it through genomic-enhanced expected progeny differences (GE-EPDs).

EPDs that traditionally contained all pedigree, performance and progeny information now also include results from available genomic, or DNA, tests. Breeders who use genomic technology give buyers access to AGI-generated GE-EPDs that provide:

Increased predictability and decreased risk for young and unproven animals due to enhanced accuracy of EPDs

Better characterization of genetics for difficult-to-measure performance traits (such as carcass traits, maternal traits and feed efficiency)

The ability to make more rapid progress for traits that are important to you, due to:

- more accurate selection
- easier identification of genetic outliers
- the ability to propagate young animals with confidence earlier in their lives

*All bulls have in our sale
have been 50K tested!*

In fact, GE-EPDs on unproven animals have the same amount of accuracy as if they had recorded 8-33 calves, depending on the trait. That's valuable insight, offered regularly through the breed's weekly national cattle evaluation at www.angus.org.

How do you know if EPDs are genomic-enhanced?

Ask your breeder, refer to the registration paper, or look for the AGI GE-EPD logo, Angus GS™ powered by partner Neogen GeneSeek or the HD50k or i50k by partner Zoetis.

FRONTIER LIVE SALE

This Sale will be broadcast live on **www.frontierlivesale.com**. To view a sale,

1. Create an account, if you have already done so skip to next step. To create a new account, click on the word **Registration** in the upper right hand corner. You must fill out the information requested. Then click **Create Account**. An email will be sent to your email account you provided. Please click the link in the email to activate your new account.

2. Once you click the link, your account will now be activated

3. At this point, you may click **Continue To Browse Our Site**. This will allow you to view all upcoming auctions.

4. Once you see the auction you are interested in, click **Get Approved To Bid** for absentee and live bidding.

5. Please enter your information in the form. Depending on the auctioneer, different information may be requested. Click **I agree to sale terms and conditions**. Congratulations! You are now approved for the auction. Now that you're approved you can participate in the auction and bid on its items.

6. Login on sale day with the credentials provided at registration.

Call 866-313-0123 for tech help.

DELIVERY

Free delivery on all bulls. We will try to deliver cattle to your ranch. In cases of inclement weather conditions, we would request that you meet us at a suitable place for both parties. Please leave your complete mailing address, phone number and directions to your ranch.

Hello from Tim & Kris and the rest of the crew here at Green Mountain Angus Ranch! 2021 without a doubt has been a year of many challenges. The drought this year that covered a large area is going to make all of us make some tough management decisions.

The calf and yearling market has been relatively good this fall. Most people I have talked to sold their calves higher this year than last year. With the shrinking cow herd and beef demand at an all-time high, most experts are saying the cow calf guys are in for some very good years. Let's hope so!

I want to introduce a couple of new herd bulls that we are very excited about: Baldridge Flagstone F411 is a Hover No Doubt son that will be a complete outcross to many of you. Flagstone is a growth bull that has it all - great feet, lots of length of body, thickness and muscle and all that with a great disposition. The other bull is a bull we call Advocate. MRA Advocate 9035 is a Justified son that we used very heavily on our heifers. The calves came easy with a lot of vigor at birth and grew very well this summer. Advocate sons will be the new low birth genetics for you to look at. Sitz Stellar, GAR Ashland, BUBS Southern Charm and Capitalist 316 will represent the bulk of the rest of the bulls in the sale. All of these bulls have become industry favorites amongst some of the top cattlemen in the country. They excel in all of the traits we need to profit in today's cattle markets.

The bred heifers in this year's sale will be one of the best groups we've ever sold. These heifers will be sold as commercial but the buyer will be able to obtain the papers for an additional fee. All of the heifers will be carrying AI calves sired by Advocate, Brumfield Trail Boss 057, 21AR Logo 0023 & L/R Pay Day 9130. This will be a great opportunity to purchase some of our top genetics we have ever offered. They are sure to make a great set of cows and have a great future in front of them.

As always I would like to thank you for considering us and letting us be a part of your program. We will continue to work hard to produce the type of cattle that will meet and exceed your expectations. We invite you to visit us at our website at www.greenmountainangus.com.

Please consider this your personal invitation to our November 19th sale and if you have any questions on the bulls or heifers, please don't hesitate to call. Thanks for considering us to be a part of your program!

*Sincerely
Tim Todd*

INSPECTION OF CATTLE

Cattle will be available for inspection at the ranch any time.

HEALTH

Pyramid 5 - Vision 8 Somnus & NuPlura at branding and weaning & Nasalgen & Multimin. Bulls will have 2 rounds of Fusogard before spring delivery.

LIVESTOCK MORTALITY INSURANCE

Mortality insurance will be available for your purchases at the sale.

LOT NUMBERS

Lot numbers will correspond with the lot number in the catalog- **Low birth weight bulls will have white ear tags and cow bulls will have green tags.**

LUNCH

A complimentary lunch will be served by Green Mountain Angus Ranch in the heated sale barn.

BUYERS THAT ARE UNABLE TO ATTEND SALE

Buyers may send their bids to the field representatives or Auctioneer. Bids will be handled as if you were present.

RETAINED INTEREST

Green Mountain Angus Ranch retains one third revenue sharing interests in each bull selling. Buyer has 100% possession and 100% salvage value.

The GUARANTEE

All bulls will be covered 50% by Green Mountain Angus Ranch if they are injured during their first breeding season and unable to return to service during that first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bulls. If a replacement bull is available, he will be provided, or if a buyer prefers credit towards a bull in the following year's sale, 50% of the value of the injured bull, minus one-half salvage value will be given as credit. All injured bulls must be diagnosed by a veterinarian. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. All claims must be made by September 1st, 2022.

TERMS & CONDITIONS

This sale is being conducted under the suggested terms and conditions adopted by the American Angus Association effective March 16, 1992, except for those stated in the terms and conditions, there are no warranties, either expressed or implied, as to merchantability or fitness for particular purpose with respect to the cattle being sold in this auction. The warranties and guarantees set forth in the "Terms and Conditions" are in lieu of all warranties, either expressed or implied and remedies provided there in shall be the sole and exclusive remedy of the buyer (or any party claiming through buyer) for all other obligations or liabilities. A copy of the Association Terms and Conditions will be available sale day for inspection.

This white tag Southern Charm X Resource son brings together length, performance with a pedigree that brings extra body to the equation. Southern Charm just recently was named the breeds 3rd top ranked sire for registrations and his sons have been very popular with Green Mountain Angus Ranch customers the past 3 years. Top 15% genomic score for CED, 13% for milk and 14% for tenderness plus BW ratio of 98 & WW ratio of 102 with 121 contemporaries. Producers wanting to put a cap of frame this bull has +0 YH EPD & -.3 MH EPD. These genetics will body up & hold together for a long time.

Due 2/20/22 thru 2/26/22

Donation Heifer

Proceeds will be going to The Yellowstone Boys & Girls Ranch and Reach Inc.

Reach Inc

Reach, Inc is a private, non-profit corporation located in Bozeman, Montana. In operation since 1974, Reach's mission "is to support adults with disabilities whom we serve to attain their individual goals and aspirations." Currently Reach works with about 100 people with disabilities (including Dwight & June Winchester's youngest son Clint), providing a range of supports including 24 hour residential services, supportive living programs, assisting people to gain and maintain employment and providing transportation. Reach believes that individuals with disabilities have the right to work, live and recreate in their communities. Reach is dedicated to assisting people with disabilities in becoming valued members of their community.

Yellowstone Boys and Girls Ranch

Yellowstone Boys and Girls Ranch has been helping troubled kids since 1957. Today YBGR operates a 410-acre working farm and ranch by allowing kids the opportunity to have a hands-on experience working with livestock, equestrian, welding, woodworking and small engine repair through our Vo-Ag classes. To learn more about our Calf Roundup and Homes for Heifers Program, please contact Gary Adams at 406-855-5230.
