BULLS ARE ON VIDEO

The bulls have been videoed ahead of time and can be viewed at **graysangusranch.com** or at **dvauction.com**. This allows you the option to view the bulls prior to the sale and sale day. You are welcome to view the bulls at the ranch anytime.

TERMS

All cattle are to be settled for sale day, unless prior arrangements have been made. The cattle sell under the standard terms and conditions as recommended by the American Angus Association.

SUPPLEMENT SHEETS

A supplement sheet will be available sale day with updated performance data including Ultrasound information. This sheet will take precedence over information in the sale catalog.

IDENTIFICATION OF SALE CATTLE

Red and gray lot tags on all sale cattle will correspond to the lot numbers in this catalog. ***POTENTIAL CALVING EASE BULLS*** **will have RED lot number tags and are marked with one or more asterisk(s) in front of their name in the catalog. GRAY lot number tags will be on cow/growth bulls.**

HERD HEALTH

All bulls will be accompanied with proper health papers. Bulls are on a complete vaccination program. Bulls were poured with Ivermax. All potential carriers have been tested for lethal defects and are free. Non-lethal carriers are marked in pedigree as DDC or M1C and have an orange tattoo number tag.

GUARANTEE

All bulls selling for $3500 or more are guaranteed against injury for the first breeding season which is the 90-day period following turnout or till September 1. If a replacement bull is available, he will be provided, or if the buyer prefers, credit toward a bull will be given in next year's sale, less salvage value of $1000. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. This is not a mortality insurance policy nor does it cover mismanagement or neglect.

Wintering

A $50 discount per bull will be applied to bulls picked up sale day or free wintering until April 15. Thereafter, bulls will be fed with arrangements.

WE use a "Video Sale" format

Here's how it works:

All cattle will be on display at the sale site the afternoon before and sale day.

No animals will be brought into the sale ring during the sale; every lot will sell while a pre-recorded video clip is played on several large TVs positioned in front of the bleachers. The auctioneer will sell each lot, and you will bid to him or the ring men just as in previous sales.

The sale order will be posted the morning of the sale and if you have interest in animals that have not yet sold, you will have access to the pens to inspect animals after the sale has started.

These pre-recorded clips will be available on our website. This will make it possible for you to preview the cattle before you make the trip.

Conducting the sale in this manner has several benefits which makes things safer for your family and the cattle we will offer. **It also makes early load out easier for those of you with long trips and allows for a good paced sale.**

We want to stress that this method will allow you to preview the sale cattle for several days prior to the sale on the videos via the internet, and still thoroughly appraise them in person the morning of the sale. **We recognize that these purchases are important to your operation's success and we are happy to visit with you about which ones would best suit your needs.**

DELIVERY

Free delivery on all bulls over $3000 up to 250 miles or as arranged.

WEATHER

Upon questionable weather in the area, announcement of cancellation will be on KNEB, KTWO, DBLQ, and KRVN or call us at 308-668-2525.

LIABILITY

All persons who attend our sale do so at their own risk. Gray's Angus LLC and Rodney and Laura Gray and family assume no liability, legal or otherwise, for any accidents which may occur.

RETAINED OWNERSHIP

Gray's Angus will retain 1/3 semen interest of all bulls selling.

All bulls are Parentage DNA' d and can be registered or transferred, at cost, upon request.

Welcome Cattlemen and Women,

We are honored by your interest in our Spring Bull Sale. Gray's Angus 2020 "Second Century" Performance Bull Sale is going strong with our 7th Generation Family Tradition of providing quality Angus Breeding Stock. Our time proven cow herd is the basis for our sale offering. For decades, the genetics in these cow families have proven to perform. Tried and proven to in various range conditions and terrains, these females go to work, take care of themselves and their calves and rebreed to do it all over again next year.

Our Yearling Bulls are carefully selected for performance, soundness and a Complete Package, keeping your profitability our focus. They've been developed here at the ranch on a sensible, low concentrate diet and plenty of exercise. They've posted excellent gains and are picked from the top third of our bull calf crop. Last year's bulls that didn't make the cut were banded and placed in a feedlot. Two years in a row now our steers have finished with ADG over 4 pounds, carcasses graded 95% choice and higher, 57% CAB and Prime. We're all about providing good, quality beef for consumers and profitability for our customers.

We have a top of the line group of Two Year Old Bulls that have been grown on summer range here at the ranch. In January, they started on a high roughage ration, selected for soundness, longevity and fertility. All bulls in the sale have been Parentage DNA'd and selected for performance in proven pedigrees.

If you have any questions, feel free to contact us, we are happy to assist you with your bull buying. Best wishes for a great 2020 breeding season!

Sincerely,

Rod and Laura Gray and family
