Welcome to the Koenig Ranch 11th Annual Production Sale!

Thank you for your support and interest. Our Registered Red Angus herd represents 23 years of selection for performance and production on proven genetics born and raised outside the corral - not in a feed yard. Range raised, naturally matured on the tough range conditions of the Missouri Breaks, using only natural minerals and supplement when needed. It takes the right kind to thrive. We bring the best to you fit, fertile and ready for breeding. For more information, please call one of us or the stockyards.

*Sincerely,
Francis & Arley Koenig*

Disposition is Paramount

Bulls from the top 1/3 of the crop.

All cattle do well in a feed yard, where most bulls are raised. KRP bulls are developed on native pasture and natural mineral. We started our ration of 5 lbs. 30% pea cake along with long-stem hay January 1. Health & fertility exam performed prior to sale. Guaranteed breeders. Our home-raised sires breed 40+ cows, natural service (NS), yearly.

\$50 REBATE on BULLS TAKEN HOME SALE DAY!

THRIVE

**Harold Bertz,
Director of Commercial
Marketing at RAAA,
will be on hand sale day.
816-661-2289**

Position your ranch to thrive with Red Angus-sired calves.

Red Angus bulls unlock premiums by siring calves with a market advantage that buyers appreciate both in the feedlot and the replacement heifer pen. Plus, the Feeder Calf Certification Program yellow tag adds another layer of price advantage through genetic, age and source verification. Thrive on sale day with Red Angus.

Ranch Tested. Rancher Trusted.
