Three-day Open House

**Friday, Saturday & Sunday
January 29, 30, 31**

- Lunch provided each day
- Social Distancing
- Freedom to pick a day to view bulls
- Visitors also welcome any other time

Welcome to our 2021 Production Sale!

Dear Cattlemen,

Welcome to the 39th annual Klain Simmental Ranch Production Sale. First, we would like to thank all of our fellow ranchers, farmers, friends and family for all of your support and enduring commitment to our industry throughout this past year. 2020 certainly has had its own unique challenges and celebrations for us all where we pray and hope for all the health, safety and success of you all moving into 2021 and beyond.

Reflecting on this past year, we want to focus on some of the celebrations we're grateful for. We started the 2020 year out with the addition of our first grandchild, Finley James Klain. What an awesome feeling that has been! We have made more trips to Michigan this year than the last two put together. We also held our first sale at the farm and had the most amazing weather for that event. We again want to thank you all for attending, whether it was in person or virtually! In addition, we also hosted the ND Stockman's Tour this fall on the ranch. It was great to see all our fellow cattlemen that ventured out to view our cattle and all of the other tour host's cattle and operations.

We are excited about this year's bull and heifer herd selections for 2021. These bulls and heifers are undoubtedly the deepest and most versatile group we have ever offered. Calving ease, high carcass qualities, strong maternal traits, disposition and eye appeal are qualities and standards we look for and strive for. The bred heifers that are selected for the sale are complete, sound structured and ready to go to work raising great calves. We are confident that we can find the right fit for your herd to bring continued success into your operations for years to come.

Our cow herd here at KSR is raised on native grass with no grain supplement. We adhere to extremely strict culling practices for longevity and maternal traits for our cow herd. Traits such as polled, moderate frame size, quality udder structure, disposition and calving ease are on the top of our list of expectations. We also put emphasis on profit traits, growth, milk, marbling, feed efficiency, tenderness, rate of gain, fertility and longevity. With the commercial producer in mind, we offer entirely polled, powerful, balanced, traits for a useful and efficient set of cattle. This offering of cattle is the most balanced and complete set of cattle with emphasis on fertility, performance and balanced EPDs that we have ever produced.

We understand everyone has different schedules, which is why we will be hosting an open house Friday, January 29 thru Sunday, January 31. Food and beverages will be provided from 11 a.m. to 4 p.m. each day. The sale cattle will be available for viewing. Feel free to stop in to visit and view our offering anytime you would like where we will have some Knoephla soup, hot chocolate and coffee available.

Durnell, Darcy & Trey Klain

Durnell & Darcy: 701-448-2408
Cells – Durnell: 701-720-1316 • Darcy: 701-721-1316
Dalyce: 701-720-7882 • Trey: 701-531-2008

Terms & Conditions:

- All bulls are guaranteed breeders. Purchaser shall let seller know within 6 months of purchase date if bull is unsatisfactory. Bulls will be returned at buyers expense. Seller has the right to semen check the bull. If the bull is found to be unsatisfactory, seller will replace with a bull of equal value agreed upon by both parties, or return purchase price. In no instance shall seller be responsible for more than the purchase price.
- For those who cannot attend the sale, we will honor a telephone order and guarantee your phone purchase to meet your request when inspected personally by you. We also offer online bidding through DVAuction.com.
- Bulls will be sold to the highest bidder.
- Disputes amongst bidders will be settled by the auctioneer by re-opening the bidding among the parties involved. The auctioneer's decision shall be final.
- As we have no control over acts of God, we cannot guarantee these cattle against death loss or sickness. We guarantee cattle to be healthy sale day.
- Certificates of registry will be supplied by the seller to any buyer requesting them on sale day for registered lots.
- Terms of the sale are cash or check at the time of sale unless other arrangements are made prior to the sale.
- We will abide by the rules set forth by the American Simmental Assn.
