Annual Production Sale

SATURDAY, FEBRUARY 26TH 2022

1 PM | BUFFALO LIVESTOCK AUCTION | BUFFALO, WY
SELLING 67 YEARLING BLACK ANGUS BULLS

Welcome!

Welcome and thank you for taking an interest in our 2022 sale. We cannot talk about 2021 without mentioning the drought that impacted so many. It definitely tested us all causing us to sell all our commercial cows and heifer calves. When the trucks drove away, a lot of hard work and pride went with them, but we are just thankful we still have our registered herd to continue on with. Our mamas had to work extra hard this year, but our weaning weights were better than expected for the conditions. We had a great breed up too. These are the traits we have been striving for.

We are excited to offer this set of bulls to you this year. From the moment we weaned them they have just been a nice set of bulls to be around. We shook things up a bit last breeding season and added quite a few new sires. We have been extremely impressed so far. These bulls have excellent volume, muscle, reasonable birth weights and great feet and leg structure. There should be several suitable to use on heifers. We weaned these bulls earlier than usual this year and immediately got them on a high roughage pellet to ensure good development. Along with mineral and grass hay, this combination has been working well to ensure good fertility and structural soundness. Our program continues to be about raising functional cattle that perform well on grass with no creep feed. We talk a lot about phenotype and foot structure because both are so very important in our program.

We guarantee our bulls for the first breeding season. You can feel confident that we will be honest with you and not sell you a bull of poor quality or that is not fertility tested. Our veterinarian team ensures that all bulls have a full soundness exam by sale day. We take pictures of these bulls months before sale day so please take the time to watch the videos on our website in late January. They change so much in a short time and a simple picture doesn't do them justice. Feel free to stop by anytime to look at the bulls. See ya' soon!

Available on sale day with scrotal measurements and carcass ultrasound data and any other updates.

ANNOUNCEMENTS MADE FROM THE AUCTION BLOCK WILL TAKE PRECEDENCE OVER INFORMATION IN THIS CATALOG.

TERMS AND CONDITIONS

All cattle sell under the suggested terms & conditions recommended by the American Angus Association.

LIABILITY

Neither Kretschman Angus, Buffalo Livestock or any person connected with the sale assumes any liability, legal or otherwise.

DELIVERY AND WINTERING

Kretschman Angus will winter your bull(s) at no charge until April 1st. We prefer that all bulls stay with us until that date. There will be a \$100 credit for anyone coming directly to the ranch to pick up their bull(s). If any bulls need to stay with us after April 1st, feeding arrangements can be made. Will deliver to adjoining states for free.

FERTILITY AND SOUNDNESS

All bulls will be fertility tested and given a full soundness exam by sale day by Drs. Jay and Brandi Hudson - Lazy H Large Animal Services.

RETAINED INTEREST

Kretschman Angus will retain 1/3 revenue sharing semen interest on all registered bulls sold in this sale.

FIRST BREEDING SEASON GUARANTEE

All bulls are guaranteed sound and fertile at time of sale or delivery. Any bull selling for \$3000 or more is guaranteed against breeding injury for the first breeding season of around 60 days after turnout of bulls. If injury or death should occur before the 60 days, full documentation by a licensed DVM will be required for credit, less the salvage value, or replacement, if a replacement is available.
