Over 100 Yearling Red Angus Bulls and 75 Open Purebred Heifers Sell!

www.loosliredangus.com

Dear Red Angus Friends,

It is a pleasure to welcome you to our 48th Annual Loosli Red Angus Production Sale. We appreciate the many years of support and owe our customers a special thank you. We are reminded daily how fortunate we are to be involved in the cattle business and count this as one of our many blessings. Being part of the ever-growing Red Angus breed is something we take great pride in. We have been continually striving to improve our herd, being consistent yet progressive, because your satisfaction is our continued success.

We are in some interesting times throughout the world, and this affects the cattle industry. However, the Red Angus Breed continues to move forward and lead the industry with tremendous interest and demand. A recent USDA announcement will now allow Red Angus cattle to be included in Angus labeled branded beef programs, a big step forward. Again, data from Superior Livestock has shown that "Red Angus females command up to \$11/cwt more than females of all other breed types..." These improvements will continue the premium pricing that the Red Angus breed brings.

Red Angus cattle prove themselves with low-maintenance, high fertility/maternal qualities, calving ease, and of course, great dispositions... many natural advantages. This is where you can count on our program to improve genetics and help you remain profitable. We want to increase value to your herd...not low-cost production or high-cost production, but rather, efficient production to wean more calves. Balance! We strive for balance because bulls that are balanced in many areas are more profitable. We feel we have something that will benefit any cattle operation.

Our sale is packed with established genetics from breed-influencing sires and dams. This bull offering features some exciting genetics with the numbers to match. The Red Angus Association's ProS Index (Profitability and Sustainability Index) covers/rates economically relevant traits from conception to carcass and works with the HerdBuilder and GridMaster indexes as a reliable selection tool. You can view the 13 traits under the New ProS Index section on the back inside cover of this catalog. This current group of bulls is rated very high in the New ProS Index!

Heifers! The Red Angus replacement heifers are some of the fastest growing components of the beef business. They have been labeled as the Most-Favored Female. You will love our great selection of 80 stylish heifers and will be impressed with their natural muscle, wide tops, great udders, and sound disposition. Because every herd sire begins with a powerful mother, we make sure our heifers have an outstanding combination of great mothering traits, pedigrees and carry a well-balanced set of EPDs.

You will be pleased as we run the bulls and heifers through the sale ring. You can view the cattle any time before the sale or watch the online videos on our website. We have great people to assist you and thank these true ranch helpers that perform the valuable day-to-day tasks!

We are extremely proud of our sale selection this year and welcome your calls to discuss your cattle needs. Please look through the catalog and visit our website at www.Loosliredangus.com to view pictures, videos, and updated EPDs of our powerful genetics. We want to invite you to our ranch in Ashton, Idaho, on Tuesday, March 8, 2022, to have a delicious lunch and be part of this great sale. You can also watch/bid online through LiveAuctions.TV.

Thank you,
Brian and Karen Loosli & Family

Loosli Red Angus 48th Annual Production Sale

Tuesday, March 8, 2022 • At the Ranch, Ashton, ID • 1 p.m. (MST)

Auctioneer Kyle Colyer: 208 845-2098

Retained Ownership: Loosli Red Angus is retaining a full ½ semen interest in every sale bull...Buyer will take full possession and retain full salvage value in the bull. Bulls collected for A.I. use will be done in the off season at the buyer's convenience with expense paid by Loosli Red Angus. Please call Brian Loosli for more information. 208-317-7878

Transportation: Bull delivery is free to central points in Idaho and to central points for adjoining states. For more distant locations or single animal purchases outside these central points, the buyer will be responsible for these costs. We will assist you in making delivery arrangements at the lowest possible cost.

Insurance: Tell the clerks when you checkout if you wish to insure your purchases and they will give you the application. Coverage starts immediately when you turn in your application. The insurance is through American Livestock at 630 232-2100. All purchases are the buyers' responsibility as soon as they are sold.

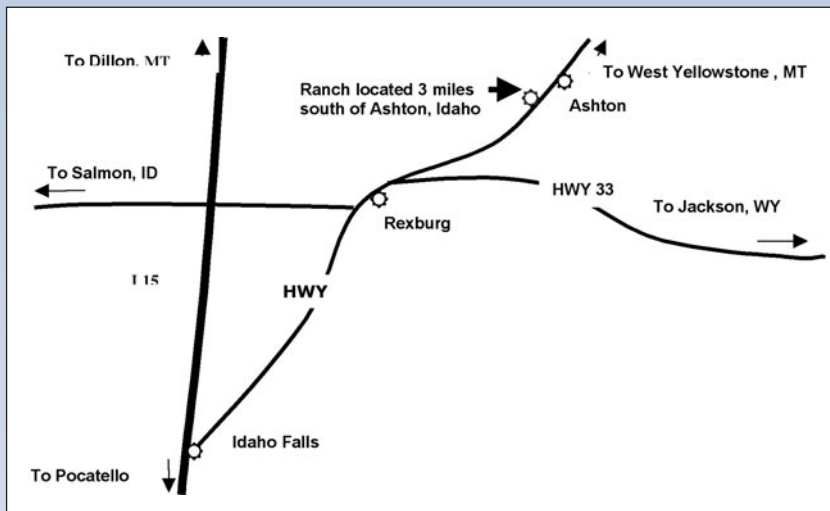

Sale Order: Cattle will sell in catalog order.

Information: Updated EPDs (yearling) and data are available on our website.

Announcements/Liabilities: Announcements made from the sale block on sale day take precedence over the catalog. All persons attending the sale do so at their own risk. Seller assumes no responsibility, legal or otherwise, for any accidents occurring in, on, or about the premises.

Guarantee: Loosli Red Angus guarantees all bulls selling for \$3,000 or more against breeding injury for the first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bull(s). If a replacement bull is available, he will be provided, or if buyer prefers credit toward one bull will be given in the following year's sale, less salvage value of the injured bull. Under no circumstance will Loosli Red Angus be liable for more than the net purchase price of any bull. Please notify us as soon as possible, should such an injury occur, to make your claim and arrange your return of the injured bull. Broken bones or injuries due to negligence will not be covered under this guarantee. A bull that dies will not be covered by this guarantee. We recommend the purchase of livestock mortality insurance to mitigate this type of loss.

Lunch served at 11:30 a.m. on sale day!

Ranch is located 50 miles northeast of Idaho Falls on US 20.

**Sale Barn Address:
3301 Hwy. 20, Ashton, ID 83420**

LOOSLI ULTIMATUM 162 • LOT 1

Welcome to our 48th Annual Production Sale. We feel this set of bulls and females are one of the best we have offered. You can look at the guide for 13 EPD traits under the ProS Index information on the inside back cover of this catalog.

Please note: due to catalog deadlines being pushed earlier, and information not available, the DNA Testing, Performance evaluations, Carcass scans, Fertility Testing, and Soundness evaluations will not be in this catalog. However, they will be available soon on our website and of course available sale day. You can also call if you need more information.

What a way to start our Loosli Sale! We begin with an outstanding Ultimatum son out a solid cow family. We are calving the first daughters of Ultimatum and they are beautiful females with excellent udders. This bull will follow in his footsteps. His great ratios with exceptional indexes lead to the top 8% Herdbuilder. Phenotypically, he has the herd bull look with his depth, thickness, and overall capacity. Great carcass quality and his maternal power shows with his top 2% HPG top end STAY. Smooth-made and good indexes with top end growth. Great disposition and has a good set of feet under him. As complete of a bull as you will find anywhere!

An exceptional total herd bull out of a recognized dam and sire. This pedigree will work for any program. We begin with the proven Bieber Spartacus bull and add our great donor cow, Right Design 329. She is the mother of Loosli Perseverance 019, our 2021 high selling bull sold to Hawker Red Angus. To compliment this phenotype (Pedigree), add his 5 single-digit EPD traits including 1% for both CEM and CED! We expect the females out of this bull to really shine... .long bodied with excellent capacity. This bull exemplifies our criteria of a complete herd bull!

Big-time herd bull prospect with great data and excellent phenotype to back it up. He has been a favorite all summer long and continues to check every box along the way. His dam is a great cow out of the Loosli Riverside 414 bull. His sire is the popular 5L Ultimatum 1893-03C that has produced excellent cattle throughout the country. We are currently using two Ultimatum sons that are producing some of our very best cattle. This bull might be the best son yet! He is loaded with growth EPDs and carcass traits that every packer will want. Top that off with a set of maternal traits that will let you keep every female.

Lot 4 – Loosli Triad 1114

If you are looking for a Herd bull who does everything right, this is him! Let's start with his dam, she is a powerful cow that places her in our elite donor pen. She is the dam of Loosli Riverside 414, Loosli Real Deal 729, and other impressive sons and daughters. This bull's sire is Brown CSB Triad D6451 who has been consistently producing some of our best progeny. 1114's data is outstanding with a 3% Herdbuilder and a 5% ProS. He also has 9 EPDs in the top 25%. He sports the herd bull look with his depth, thickness, length, overall capacity, and muscle expression. This bull's influence will inject profitability into your herd. He will be a difference maker.

Lot 5 – Loosli Triad 117

Another Triad son out of a proven, powerful cow family. She has a beautiful udder at 10 years if age and a 105 MPPA on 8 calves. Definitely one of our most explosive cow lines that always produces top weaning and yearling weights. This calf has that extra rib shape and a chiseled front end. You will love this look and will want to keep him in your front pasture.

The first son of Loosli Summit 956 was our 2020 high seller sold to Chuck Jaure in Rawlins, WY. He is the Ultimatum son we raised, and he has done a tremendous job. On both sides of his pedigree, you will not find a better cow family in the Red Angus breed. He is a powerful bull that will add pay weight and carcass to your calf crop no matter when you sale them. We still get paid by the pound. With WW and YW EPDs in the top 2% of the breed and with carcass traits in the single digit category, the profitability of your herd just jumped exponentially. As an added bonus, the females will be fertile and have a long productive life in your herd.

Check out these numbers! This bull could be the lead-off bull for many sales throughout the country. He has both the look and numbers to rank as one of the top Red Angus sons to sell this season. There is probably not a better EPD package that will sell today. Out of one of our best females that has a solid 104 MPPA on her first 3 calves. This combination of Born and Stillwater is exactly what we expected with 10 EPD's in the top 16% of the breed. A stunning phenotype matches his data to make him a bull we are breeding for.

First son of Loosli Cambridge 980, a top seller in 2020 sold to Tom Davis in South Dakota. Cambridge is a Triad son out of a powerful cow family. His dam has a 108 MPPA and is a beautiful cow. This bull will produce those deep sided females that will breed up early (off-the-chart HPG top 1%) and let you wean his calves right of the dam with his elite 1% WW EPD as well. The carcass EPDs will give you those much-needed premiums from the packers. Classy look as well.

This stud posts one of the highest HerdBuilder Indexes in the entire sale. When you see his single digit rankings for Stay (3%), HPG (2%) and Milk (2%), you can certainly see why he deserves that ranking. His 95-birth ratio to 110 weaning ratio has you covered as well on the offspring he can produce. A really nice thick, patterned bull. You'll love the females out of him with his great maternal numbers and from a solid cow line. This bull has it all!

Every time we go through the pens this bull impresses us more. His first set of EPDs is almost unheard of. You will have to use both hands just to count the number of 1 and 2 rankings that he sports for EPDs. We might as well talk about his number 1 ranking of all the bulls from this large contemporary group for weaning weight also. There is a tremendous amount of power and carcass in this one package. Don't overlook his maternal characteristics either. He comes from an exceptionally high 111 MPPA Frontier dam and has a great look to him.

What a solid specimen this bull is. This big-time bull is the very definition of powerful. In the top 5% index for ProS and Top 6% for the index GridMaster, he meets the criteria needed for both those top ranking. He has both marbling and muscle in his carcass portfolio. Those figures give him a single digit ranking for marbling and top CW and Ribeye.

This herd bull is at the top of his class with both ProS and HerdBuilder indexes at a top 2% ranking. He doesn't just stop there with single digit growth traits, single digit fertility and a complete balanced package with a single digit marbling. The performance numbers of this dark red bull are just as good with a 114 Weaning ratio, starting out with a 76-pound birth weight. This explains his top ranking for both WW and YW EPDs. Out of a solid 106 MPPA Ultimatium daughter.

We hear so many comments about the great disposition of our cattle. This is one of those bulls that wants to be scratched and patted. He will actually find you when you step into his pen. He has a great pedigree coming from one of our best lines of cattle with the 4 generations of dam's MPPA's of 102, 107, 105, 103. A balanced set of EPDs go with this pedigree.

This might be the most complete Summit bull to sell today... a great herd builder! His EPD profile indicates that he is balanced in every trait and is the type of bull the industry is looking for. He has the right mix of carcass trait with marbling and ribeye. And the maternal traits of Stay, CEM, HPG and Milk that allows for a well-balanced herd.

This bull should have been moved up in the sale order. Look at the spread on this herd bull. It is not very often that you see a -3.3 BW EPD to a 127 YW EPD. He was a favorite calf of ours all summer; out of a 105 MPPA Tradesman dam. His individual performance ratios are just as impressive.

We really like the look and quality of our Stillwater calves. We are calving his first daughters now and they are great mothers with excellent udders. This bull is out of a 12-year-old Hobo Design cow with a perfect caving interval of 366 days on her 10 calves. This bull ranks in that elite status for both ProS and HerdBuilder with indices of 1% and 2% respectively. Perfect EPDs for making replacement daughters and prime quality steers.

Triad bulls are becoming known as calving-ease specialists. This bull will maintain that tradition with both a top CED and BW EPD in that single digit status. He also adds great merit to his profile with strong growth EPDs. If you want something to moderate your birth weight and frame scores plus add some length, take a look here.

This complete bull has a wealth of great numbers to build a herd. Herds are built on great females... and this bull has the top Indexes for both ProS and HerdBuilder. The first criteria in building a herd is getting a cow pregnant. You can't get any better than this bull's off-the-chart HPG EPD (1%) and his single digit STAY (3%).
