www.LundsBBarAngus.com

Welcome to the Lund's B Bar Angus annual production sale! We are honored by the fact that you choose us to supply your breeding bulls. Our "Seek the Balance" approach not only applies to our cattle, but it is also tied to our environment. We strive to balance our cattle to their range, extra supplements mean more costs and raising a cattle type for a lush environment. Our cattle are required to convert grass into an edible protein, red meat. Everyone's situation is different, but here we want these cattle to perform on only what is natural on this ranch. We are currently exposing our cattle to regenerative grazing practices. Our first goal is to see how the range will reestablish itself, the second is to see how our genetics will perform.

Our program continues to be about making balanced trait cattle with the emphasis on the mother cow. We require our cows to be nurturing mothers with good udders. They make the short list if they are uncooperative when being handled, appear hard fleshing, or are just not pleasant in appearance. One step we have implemented for identifying easier fleshing cattle is that our heifers are now pastured out in the winter instead of locked in a feed lot, very interesting, the cream rises to the top. We also like to keep as much muscle and length in our cattle as we can as that is what the business is about, pounds of red meat.

The bulls were again fed on the ranch and every calf was raised on the ranch as well. They have been bucket fed a grain ration of oats and corn as in the past. This year with commodity prices we have kept the bulls at seven tenths of one percent body for grain intake. The ground forage has been CRP hay and first cutting alfalfa/timothy mix hay. The long-stemmed hay is the few grass bales we had in carry over from the last five years.

The bulls can be viewed at the ranch anytime. They may also be viewed at our website or DVAuction. Please note that we do not put straw down for the videos as we want you to see the feet and toes of our cattle. The sale will again be broadcast on DVAuction. Bulls will be hauled to town the morning of the sale. Yearling weights and scrotal measurements will be posted on our website when they become available.

Let's all be thankful for where we live and the occupation that chose us. This part of the world is truly amazing. The people here are resilient, courageous, charitable, and honorable. If you ever doubt any of this just pick up a newspaper whether local or distant. The calves that come from here are also some of the best feed converters at the feed lots. So, let's pull our boots on and do what we do best, feed the world!

Thank you for your interest and your past patronage.

Sincerely - *The Lunds*

Sale Terms and Conditions

Cattle sell under the sale terms and conditions as suggested by the American Angus Association effective 6/04/20.

Rights and Obligations

Neither the Lund's, Bull Palace, Inc., nor any other person connected with the management of the sale, assumes any liability, legal or otherwise.

Inspection of Cattle

Cattle can be viewed at the ranch any time before March 25, 2022.

Directions to ranch: Hwy 7 going north of Baker, MT, 19 miles, turn east at Carlyle Road sign, travel 3 miles to inspect cows, 5 miles to inspect bulls.

Retained Semen Interest

The Lund's are retaining a 1/3 semen interest in all bulls sold. A salvage value and possession belong to the purchaser.

Health and Vaccinations

Bulls have had a breeding soundness evaluation, including semen test, prior to the sale. They have received the following vaccinations:

Birth: All calves born from 3 yr old cows and older receive Boehringer Ingelheim Alpha-CD

Branding: Merck Bovilis Nasalgen 3-PMH

Pre-Weaning: Boehringer-Ingelheim Pyramid 5+Preresponse SQ; Merck Vision 7 Somnus w/Spur

Weaning: Merck Nasalgen 3

Post-Weaning: Poured with ProMectin B Pour-on

Performance Data

American Angus now updates EPDs weekly. The EPDs and percentile ranking in this catalog are as of February 10, 2022. Weekly updates can be viewed at www.angus.org.

Insurance

For those wishing to purchase insurance on their bull(s), Bill Pelton will have it available sale day.

Lunch

Join us for a complimentary lunch.

Guarantee

Bulls selling for \$3,500 or more are guaranteed against breeding injury for the first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bulls. If a replacement bull is available, he will be provided, or if the buyer prefers, credit toward one bull will be given in the following year's sale, less salvage value of the injured bull. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. Replacement bulls are not covered by this guarantee.

Catalog designed by *Strommen Livestock Services*, Solen, ND (701) 290-3886

We don't know if anyone else will ever like this bull, but we love him. Strong straight top lines, great docility, good muscling, progeny land in that 5.5 to 6.0 frame. We feel this bull is a perfect fit for this short grass area we live in. He has earned the nickname "Couch Potato" due to his easy fleshing and calm demeanor. Seven years of age and he is still with us.

This bull is entering the Angus history books. He has seen usage across much of the nation. He sires cattle with those Angus characteristics we have all desired, the Angus head, capacity to convert forage, heel that starts the entire animal foundation, clean front end and naval. I will say however that on body type the sons lean more towards their mother's length and height. He has been an excellent bull to be part owner of. Very excited about his future.

Selected as a herd bull out of our own herd in 2020, we feel he will continue to sire that length of body that adds pounds to a calf crop. This bull is very correct on his feet and legs. Docility is excellent. His mother is an eye catcher with excellent udder attachment and teat size. Personally, we look forward to five years from now to see how he and Resilient compare on progeny and daughter turn out. Our hope is they are both excellent female producers!

Here is a good example of why you choose phenotype over numbers. He was selected because of his look, feet, structure, performance. At the time of purchase, he was a Prime Cut son. After DNA work on our calves, it was determined his sire was Reno. Reno has tremendous growth numbers verses Prime Cut. These calves show tremendous growth. Trust your eyes over numbers. Study the rib, hip, and tops of these calves.

DVAuction

Broadcasting Real-Time Auctions

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service! Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction - a DV representative will notify you when you are approved.
3. Tune in for the sale and make your purchases!

After the sale, contact us to arrange transportation and payment. High speed internet is required for successful bidding - be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding: If you can't make time to watch the sale, register a proxy bid and DVAuction represent your bid while you're away. Look for the "proxy bid" tab on the auction listing and fill in your maximum bids. They'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. DVAuction support can always be reached at (402) 474-5557.
