### ABSENTEE BIDDER INFORMATION:

Buyers that cannot attend the sale may call Meadow Acres Angus Ranch and leave a bid for the lot they wish to purchase. If buyer is not satisfied 100% with the purchase, you won't own it. This is a guarantee to any buyer.

### TERMS & CONDITIONS OF SALE:

All cattle will sell under the suggested Terms and Conditions of the American Angus Association ([http://www.angus.org/Pub/suggested\\_sale\\_terms.pdf](http://www.angus.org/Pub/suggested_sale_terms.pdf)). Supplemental sheets to the sale will take precedence over information listed in the sale book.

### LOT NUMBERS:

Lot numbers on animals selling will correspond with the sale book.

### DELIVERY OF SALE CATTLE:

Free delivery on sale cattle up to 300 miles (bulls only, females delivered at cost). Anything over will be done at cost. All cattle will be delivered at the buyer's risk within a reasonable length of time after the sale. Pick cattle up sale day and receive a \$50 credit.

### FEED ARRANGEMENTS:

Free feed until March 1. Then feeding will be charged to buyer at normal rate.

### BREEDING INFORMATION:

We guarantee that all breeding cattle sold by Meadow Acres Angus Ranch, both bulls and females, are fertile to the best of our knowledge. If a bull is injured at any time in the first year breeding season so as to make them functionally infertile, we will provide you with a satisfactory replacement (if available), or issue you a credit equal to the bull's purchase price minus the salvage value received for that bull. If a female is determined to be a non-breeder, then we would ask you to sell her and would offer you the difference of her purchase price minus the salvage value as credit in any future Meadow Acres Angus Ranch sale. All credit is good, use at next year's sale. We would simply ask you to contact us before you cull your infertile animal.

This is not a life insurance policy, however. We will not replace a dead animal if it is killed or dies for any reason. We would suggest that normal care still needs to be exercised toward these animals and that particularly the yearling bulls not be allowed to get thin.

### HERD HEALTH:

Meadow Acres Ranch has tested BVD Free. All cattle will be accompanied by proper health certificates for immediate shipment. All females born at Meadow Acres Angus Ranch have been brucellosis vaccinated. Cattle offered for sale have been vaccinated with 8 Way, Multimin, Enforce3 and Bovishield Gold 5 and Ivomec Pour On at branding and weaning.

### MARKETING OPTION - CALF BUY BACK PROGRAM

Contact: Devin Correa (541) 379-0632

### REVENUE SHARING:

Meadow Acres Angus Ranch will be retaining one-third semen interest in every bull selling. Buyer will have full possession and salvage value of the bull.

Best Western, Hermiston (541) 564-0202  
Oxford Suites, Hermiston (541) 567-8000

### LUNCH:

*The Correa Family*

We welcome you to a new decade and the 2020 Meadow Acres Angus Production Sale that will consist of bulls (several ETs), bred cows, pairs and 8 elite AI open heifers. The bulls have been BVD tested, ultrasounded, semen tested, groomed, and freeze branded for easy identification for our valued customers.

We say this every year, but the quality in the sale runs deeper than ever. From top to bottom, this is a great set of cattle to select your purchases from. Each year we are adding more performance into the cattle along with staying the course for maternal, moderate framed, and structural soundness.

We understand that customer service is the number one priority and this program is built to back it 100%. Whatever the customer needs, we will do. This is a people business and our commitment to you goes beyond the cattle. We appreciate you taking the time to travel to our sale and invest in our program. The genetic power runs deep here.

Please join us February 12th, 2020 for our 18th sale. You will not be disappointed. If you have any questions on anything or need help with breeding decisions, please contact us.

# *Thank you for attending our 18<sup>th</sup> Annual Production sale!*

## **BREEDING INFORMATION:**

We guarantee that all breeding cattle sold by Meadow Acres Angus Ranch, both bulls and females, are fertile to the best of our knowledge. If a bull is injured at any time in the first year breeding season so as to make them functionally infertile, we will provide you with a satisfactory replacement (if available), or issue you a credit equal to the bull's purchase price minus the salvage value received for that bull. If a female is determined to be a non-breeder, then we would ask you to sell her and would offer you the difference of her purchase price minus the salvage value as credit in any future Meadow Acres Angus Ranch sale. All credit is good, use at next year's sale. We would simply ask you to contact us before you cull your infertile animal.

This is not a life insurance policy, however. We will not replace a dead animal if it is killed or dies for any reason. We would suggest that normal care still needs to be exercised toward these animals and that particularly the yearling bulls not be allowed to get thin.

## **DELIVERY OF SALE CATTLE:**

Free delivery on sale cattle up to 300 miles (bulls only, females delivered at cost). Anything over will be done at cost. All cattle will be delivered at the buyer's risk within a reasonable length of time after the sale. Pick cattle up sale day and receive a \$50 credit.
