# Welcome!

Friends old and new to our annual production sale.

We hope everyone is doing great and looking forward to the real spring time that must be just around the corner? These last few years have been some for the record books with the lack of rain fire and abundance of covid it seems like extremes or becoming the norm.

For many years we have been selecting for the traits that will soon be a buzz word or the next hot fad (feed efficiency and fleshing ability). These traits have always been at the top of our list, not just in words but in actions. We have maintained a course of selecting for cattle that work for you, instead of cattle you work for!! Many of today's genetics and selections are being made with maximum input and maximum output frame of mind, resulting in minimal profits.

We will continue to produce genetics that are balanced in all traits. We are keeping in mind, as should everyone, that big cows, big bulls, big feed bills, and single trait selection all mean smaller profits.

Our bulls are weaned the beginning of October, and put on a growing ration targeted at gaining 2 lbs. per day. Our cows are moderate framed, feminine, easy fleshing, excellent uddered, and great mothers. If not, they don't stay around long.

The bulls in our offering this year are of the same type and breeding as those we have had in the past. Many are suitable for heifers. This year the top 50% of our bull calves were selected to forgo the knife. All of our herd sires, natural and AI are selected with the same thing in mind, economically balanced traits. You will find by looking over our cattle, pedigrees, and EPD's that our program is based on cattle that are THICK, easy fleshing, adequate framed, and have bred in carcass value. All extremely important traits for any commercial or registered cattlemen.

We hope you get along great with the bulls you purchase, but as always, our bulls sell with the Miske Ranch Angus guarantee. If there are ANY problems we would like to be the first to know so we can make it right.

Bring a friend and come to the sale, whether to look, buy, or both. Come have lunch and enjoy yourselves!!
