## Watch the Sale on CCI.live!

*The best, the fastest and most comprehensive marketing & bidding tool!*

### *How to Bid Online...*

- **As a buyer**, you DO NOT need to login to watch the sale but you must have a validated account to bid.

**To BID ONLINE** go to [www.CCI.live](http://www.CCI.live) in your Chrome, Firefox, Safari or other modern browser:

- 1) Click on the sale schedule page.
- 2) Click on the sale of interest.
- 3) Click on Bid Online- Register and then Get Buyer Number

- After you are logged in, you must proceed to the sale page for your auction and click Bid Online - Register, then **"Get Buyer Number."** Some auctions require valid credit card number on file to obtain a buyer number to bid.

- CCI.live will operate with ease on a modern **cellular device, laptop, desktop or tablet.**
- A **current browser** is important and will always make your experience better.

- **For successful bidding you must have good Internet service!** It is very important to be stationary if bidding. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen, it is real time, and refresh your browser if you feel like you have some lag.

- **Support line open during all sales. TEXT 405-400-9505** - Please alert the ranch for your hauling preferences.

## Sale Location

Midland Bull Test Facility  
1640 Highway 10  
Columbus, Montana

## Sale Order

Bulls will sell in Lot order.

## Inspection

Bulls are on feed at Midland Bull Test and are available for inspection at any time prior to the sale. The bulls will be sorted into Display Pens in Lot Order the day before the sale.

## Videos

View videos of the bulls at [www.cci.live](http://www.cci.live) or the Basin Angus website at [www.BasinAngus.com](http://www.BasinAngus.com)

## Health & Fertility

All bulls are guaranteed breeders and have passed a breeding soundness exam, including a semen test, performed by Dr. Bryan Roe.

## Additional Information

Scrotal measurements, ultrasound data, DNA Data, and updated EPDs will be available sale day.

## Calving Ease

We have evaluated the bulls for Calving Ease using factors including: CED and BW EPDs, actual BW, pedigree and phenotype.

**Four Star** - Excellent Calving Ease. Use with confidence on any type of heifers.

**Three Star** - Good Calving Ease. Should work with most heifers and in most situations.

**Moderate Calving Ease** - Visit with us to discuss whether this bull fits for your program.

## Retained Interest

We are retaining a semen interest in several of these bulls. Semen collection will be arranged to not interfere with the buyer's natural service use. The buyer will own full possession of the bull and the right to all salvage value.

## Delivery

Bulls will be delivered free within 500 miles. Additional delivery beyond 500 miles will be charged at cost. Buyers that pick up bulls on sale day, or within three days following the sale, will receive a discount of \$50 per bull.

## Feed Arrangements

We will deliver bulls within the two weeks following the sale. For buyers that need later delivery, arrangements can be made to leave the bulls longer, and Midland Bull Test will bill those buyers for feed from April 1st until delivery.

## Guarantee

Bulls selling for \$3,000 or more are guaranteed for the first breeding season. If a bull is injured, and will be unable to return to service:

1. A suitable replacement bull will be provided if available, or
  2. Buyer will receive credit toward purchase of a bull in our next sale, calculated as the difference between the purchase price and salvage value of the injured bull.
- Bull injury must be diagnosed by a veterinarian. Please notify one of us before the bull is salvaged.

## Terms & Conditions

Cattle sell under the terms and conditions recommended by the American Angus Association.

## Liability

All persons attending the sale do so at their own risk. Montana Performance Bull Co-op and Midland Bull Test assumes no liability, legal or otherwise, for any accidents which may occur.

**BASIN**  
ANGUS · RANCH

Fellow Cattlemen,

We would like to welcome you to our annual bull sale on Friday, March 17, 2023 held at Midland Bull Test Center near Columbus, Montana. Again, this year, we are offering 200 high quality Angus bulls.

We believe this sale offering is the strongest set of bulls we have ever produced. The sire groups represented in this offering are the most consistent and impressive sets we have raised. Whether you are looking for quality bulls to use on virgin heifers, powerful herd bulls to add weight at weaning, or bulls to add extra end-product value, we have the bulls you are looking for. Well over half of the bulls are suitable for use on heifers, yet most every bull has the performance needed for use on cows. This sale offering includes bulls with some of the strongest growth and carcass EPDs that will be offered in Montana this year, while maintaining excellent structure and maternal strength.

The primary goals in our breeding programs are to continually improve our cow herds – maintaining productive, functional, efficient females in addition to producing bulls that will sire pounds and added value for our customers. As long as we continue on that path, the bulls we produce will be the right kind.

The bulls have been fed together at Midland Bull Test center, on a relatively low energy growing ration. We feed for a level of gain that is enough to identify the differences in genetic potential for growth, but limited to keep the bulls sound, more fertile, better prepared to go to work, and developed to last.

We invite you to come by and view the sale offering any time between now and sale day. On the day before the sale, we will have the bulls moved into display pens by noon. Please join us on that day to view the bulls, visit, and enjoy some refreshments.

We hope to see you on sale day, however, we realize that is not always possible. For those unable to attend in person, there will be several ways to participate. Kate Roberts has videoed the bulls and will handle bids through the CCI internet system on sale day. Details about viewing the videos or bidding online can be found inside the front cover. All of the consignors will be available to assist you in making your bull selections. Additionally, there will be several Sale Representatives available to handle a bid for you. If we can be of any assistance, please give us a call.

We sincerely appreciate all of you that are past customers and look forward to continuing our friendship and business relationships. If you are considering MPBC for the first time, we look forward to developing those relationships and are committed to helping you get established. We want to thank all of you, our valued friends and customers, for your interest and support of our breeding programs.

Sincerely,  
The Consignors

HERD SIRE PROSPECT. BASIN KODIAK 2036 is long bodied, deep ribbed and powerfully constructed. He is a complete and balanced phenotype bull, very correct in his skeletal structure, with good feet, good scrotal development and excellent disposition. KODIAK is a top performing individual in our program and has been a standout since birth. The Dam of KODIAK is a maternal sister to BASIN SAFE DEPOSIT 9324. She is a very correct and powerful brood cow that will be a next generation BASIN donor. We plan to use KODIAK on cows and heifers in our breeding program. Four Star Calving Ease.

HERD SIRE PROSPECT. BASIN KEYSTONE 2021 is long bodied and smooth fronted with phenotype and data to be a calving ease bull. He is deep bodied and correct in his structure with the look and pedigree to be a strong maternal sire. KEYSTONE has good feet and excellent disposition, with strong data across all aspects of growth, fertility, maternal and carcass merit and PAP. KEYSTONE is a maternal brother to BASIN JAMESON 1076. We plan to use KEYSTONE extensively in our breeding program. SELLING TWO-THIRDS INTEREST and FULL POSSESSION.

HERD BULL PROSPECT. LOT 71 is moderate framed, smooth made with added muscle shape. His EPDs rank in the top 1% of the breed for Claw and Angle, along with a \$M Index in the top 10% of the breed. The Dam of LOT 71 is also the Dam of BASIN TRUE GRIT 1021, the third high selling bull in our 2022 sale that is now featured at ABS and ORlgen.

Moderate BW and CED that could work on Heifers. Visit with us to discuss whether this bull fits for your program.

## Montana Performance Bull Co-op™

### Calving Ease

We have evaluated the bulls for Calving Ease using factors including: CED and BW EPDs, actual BW, pedigree and phenotype.

**Four Star** - Excellent Calving Ease. Use with confidence on any type of heifers.

**Three Star** - Good Calving Ease. Should work with most heifers and in most situations.

**Moderate Calving Ease** - Visit with us to discuss whether this bull fits for your program.

# You can't tell by **looking.**

Not all "Angus" bulls are **REGISTERED** Angus bulls.

One is supported by the **power of data.**  
One is validated by the **power of a pedigree.**  
One is backed by the **power of programs.**

One is not.

Look for the **REGISTRATION NUMBER.**  
Bring the Power of Angus to your herd.  
*Angus.org/PBA.*

# ABOVE AVERAGE GOALS REQUIRE TARGETED BULLS

## *Aim High*

The Targeting the Brand™ logo highlights registered Angus bulls with greater genetic potential to produce calves that meet the most challenging specifications of the *Certified Angus Beef*® brand.

Only 1 in 4 non-parent Angus bulls qualify.

### *Minimum Genetic Requirements*

Marbling EPD (Marb)	+0.65
Dollar Grid Carcass Index (\$G)	+55.0
