Dear Cattlemen and Friends,

We would like to welcome you to our 48TH Annual Performance Production sale and invite you to join us on April 27th as we celebrate our family's 71st year in the Angus business.

At Opp Angus we strive to produce bulls that will work hard for the commercial cattleman. We want them to add pounds at weaning time, and value on the rail, while still being able to sire females that will go on to be excellent mother cows – no sacrifices. We're not chasing fads or numbers, simply trying to breed functional, balanced cattle.

The bulls in the offering are ready to go to work; they are grown out slowly, not fattened, so that they are able to express their genetic potential, while maintaining their fertility, soundness, and ultimately, their longevity. You can bid with confidence because we will only sell bulls that have already passed a semen test. They are guaranteed for the first 90 days after you turn them out – if an injury or fertility problem should arise, we will provide you with a replacement if available, or credit will be given in next year's sale. If there should be any problem with the cattle you buy from us, we want to be the first to know about it and will work with you to get it resolved.

Sale cattle are available for viewing at the ranch prior to April 25th and at Stockmen's West after that. There will be videos available on DVAuction for your evaluation as well.

Thank you for your consideration and continued support of our program.

Sincerely,

The Opp Families

Why so much emphasis on bulls?

Bulls have the greatest economic impact on any breeding program, thus bull selection is among the most important decisions and investments a cowman will make during the course of a year.

I Know You'll Miss This Man

by Baxter Black

The Lord spoke to the heavy hearts that stood with hats in hand
"Your sadness pains me deeply and I know you'll miss this man.
But, it's true what you've been hearing, Heaven is a real place.
That's no small consolation, You should use that fact to face.

The emptiness his parting left that seeps into your bones
And draw on it to ease your pain, For he is not alone.
You see, all his friends are up here and all his loved ones, too,
'Cause it wouldn't be a heaven without each one of you.

And heaven for a Cowboy is just what you might expect,
It's horses that need tunin' up and heifers that need checked.
It's long rides with a purpose and a code that lights the way
And a satisfying reason to get up every day.

It's the ranch he's always dreamed of and never knew he'd find.
And if you think about it, you can see it in your mind.
Him, leanin' in the saddle with his ol' hat on his head,
Contentment set upon his face like blankets on a bed.

The leather creaks a little as he shifts there in the seat.
The bit chains give a jingle when his pony switches feet.
And you somehow get the feelin' that he's sittin' on a throne
A gazin out on paradise just like it was his own.

I can promise you he's happy, though I know you can't pretend
You're glad he made the journey, It's too hard to comprehend.
The earthly way you look at things can never satisfy
Your lack of understanding for the answer to the 'Why?'

So, I offer this small comfort to put your grief to rest,
I only take the top hands 'cause my crew's the very best.
And I know it might seem selfish to friends and next of kin
But I needed one more Cowboy and Buster fit right in."
