"Spade" is everything I envisioned in this cross! His pedigree is full of versatile and hard-working horses. His dam made a name for herself in her younger years placing and winning classes in the EMHSC shows. His sire has been a go to mount for every job on the ranch since he was a 3-year-old. If Spade is like his half siblings, he'll be easy to train, and a breeze to start under saddle. For more information call 406-978-3727 or visit Rojas Doc O Drift Facebook page.

Poco is a 7-year-old black gelding that is gentle enough for the whole family to ride. He has been used on every aspect of the ranch from calving season to fall work and has been used in the feedlot. Paco stands 15.1hh and is a total gentleman to get on and off, side passes to get gates and stays ground tied while tagging calves. I have used him at Ranch Rodeos, and he has also been packed on. Let him sit and he will saddle up the same way every ride. FMI call Sonnie Gartner @ 406-775-6445

He earned his open performance ROM, multiple AQHA world qualifier in many events, and had NRCHA earnings. Her dam is also a really nice horse all the way around, she was trained by Justin Lawrence before becoming a broodmare, she's so cool on a cow and can do all the reining maneuvers as well as being a ranch horse. This filly isn't a pampered stall baby. She's been raised out in the hills and wire fences. She has all the bone, foot, size, shape, and pretty you need! We started "Hotrod" this spring in the Bill Oliver colt starting clinic. He was super easy to start and on the third day of the clinic my 12-year-old cousin (Devon) was riding him around in the arena and over the bridge. Dan currently has twenty rides on him and will have forty by sale day. He has been behind cattle and will see a lot more cattle before sale day. Here is an opportunity to own an outstanding young gelding that won't be offered for sale many more times in his lifetime. This young colt has done everything right since the day we first haltered him when he was a baby. Hotrod will meet you at the gate and very kind and gentle. This is one of the best young colts we have ever offered for sale.
