Paycheck is a top ranch horse deluxe. He's been roped on and various other cow and ranch work. He is all business and likes a job. He likes to move out so experienced rider suggested, though he has been ridden by young and old. He just has a lot of GO. Paycheck loads, trims, is easy to catch and water is no problem. Smooth, smooth to ride with a ground covering walk. No spurs needed! Super, natural lead changes. We call him Paycheck but the cowboys call him Traveler. He is eligible for AQHA Rancing Heritage Challenge. Buyer pays fees. Pedigree is hard to beat plus Surdyna Babe is dam to the winner of several saddles, buckles and money earners with Rod Schaffer aboard.

Huck is big, pretty and as black as they come. He has been used outside in big country to gather cattle, used at the stocks yards and I've got him lightly started heading. He's drug calves to the fire as well. He will meet you at the gate and always wants to be your friend. This colt will only get bigger and prettier as he gets older. He travels good outside, loads in any trailer and backs out, loves water, is good with his feet and loves attention but isn't pushy. With his pedigree, Huck should go to the roping pen but is ready to do anything you need done on the ranch right now. Tracks and rates cattle well and is ready to go on with. He stands a solid 15 hands and weighs 1050. Call or text me at 406-620-7360 for more information. More pictures and videos will be uploaded to Facebook under Elizabeth Elaine Parker. Here's a fancy yellow yearling colt with a pretty head and a great disposition. I've had the pleasure of training him and many of his siblings who speak for themselves in their ability and trainability. This colt is soft, sensible and sweet. He would make an excellent ranch, team penning, trail riding gelding. He has the capability of doing it all. This colt should mature around 14.3hh. FMI please contact Jasmine @ 306-640-6946 and check out our YouTube channel (search ~ Jasmine Broeder) for videos.
