Here is a fancy-broke, fancy-bred mare ready for her career on the ranch or in the arena. She's been ridden for 3 years & hauled to clinics cowhorse lessons & entered in local VRH Shows. Very balanced & smooth riding. Super athletic, cowy & comfortable with a rope. Strong minded but sweet, intelligent & confident under saddle. Her sire is by the only full brother to HIGH BROW CAT, SMART LIL Highbrow. Her dam's sire WILD THING DNA was exported to Brazil in 2013. She is 6-panel N/N & would be an asset in the broodmare pen, as well. She does have a small bone spur on her knee, but it has never caused any lameness and she sells 100% sound. This is a stout-made, easy keeping mare & I expect her to last a long time. Stands about 14.3hh. FMI call/text Laura @ 509-998-8559

A nice, very gentle, attractive looking gelding. His sire and dam are approximately 98% foundation bred and he is 5 panel NN. "Classy" is riding nice and is very handy and athletic. He has never, ever, humped or bucked with me. I have ridden him in rough BLM country and in the Big Horn Mountains. He works gates and is started roping the Burro, pulling the Railroad tie and working the cutting horse flag in the arena. This young gelding has a great mind, a very calm demeanor, and can handle pressure. A video is available. Classy is shod, sound, healthy, and ready to use. FMI call Marc @ 307-680-5156

This is a gorgeous filly out of Raelynn's good ranch mare Zeeli. We used Zeeli for just about everything from ranch, roping, rodeo & arena. Between the cow lines on her Dam's side & the reining on her Sire's side, she should be versatile for most any discipline. We use her Sire BRO DUN DID IT for everything on the ranch and arena. Super minds from this guy. I think this filly is going to be big. FMI call/text Vicki @ 406-853-8545.
