Lunch at 12:00 Noon

Selling: 78 Red Angus Yearling Bulls 8 Gelbvieh/Balancer Yearling Bulls

Behind the scenes at Redland Red Angus

Redland Red Angus is a family operation but yet it all couldn't come together without the help of a very talented crew. With an irrigated farm operation and native grazing for the cows, the outfit couldn't operate as successfully as it does without our crew:

Chad and Erin Fink

Chad and Erin can be found riding pastures, calving, feeding and fence and well maintenance. They are instrumental in spotting fires throughout the summer and are a large part of the Hysham Volunteer Fire Dept. They keep an eye on all that happens on the range in the Hysham Hills and are always lending a hand in the feedlot as well.

They have two big helpers! Reagan is 10 and can be seen riding side by side, gathering with her folks.

Hazen is 3 years old and enjoys all the animals while awaiting his time in the saddle!

Larry and Vicky Fink

Our sale office could not run without the efficient manner of Larry and Vicky.

Matt Lane

This is the tenth year that Matt Lane has ultrasounded the bulls. We feel it is an important part of our operation and we value the information he provides. Carcass is an important part of the industry and we have been breeding for it since the 90's.

Treasure Vet Service

Dr. Dick, Dr. Brenee, and Dr. Jessica are just a phone call away for us. They fertility test the bulls as well as provide us with answers to any and all health questions.

Jared Halverson and Lara Killey

Jared worked for us in years past and we are happy to have him back on the work force. He came back in April and has jumped into all aspects of the farm and ranch. You can find him hauling and stacking hay, feeding, irrigating, and mechanicing. Lara has been an added bonus by helping with computer work, and wherever else needed.

Ward Fenton

Ward has been a long time friend of the family. He has been to many of the sales and would be happy to assist you in any sight unseen purchases. Give him a call at (406) 967-2850 (home) or (406) 698-6183 (cell).

Clark Pinkerton

Brand Inspector Clark is invaluable in getting us the paper work to get the cattle on the road.

Jensen Cattle Services

Tanner Jensen has been trimming our bulls for four years now. He does a great job on the bulls and we value the care that he takes with them.

Auctioneer:

Kyle Shobe (406) 366-0472

**Livestock Publication
Representatives:**

Jared Murnin (406) 321-1542—Western Ag Reporter
Scott Dirk (406) 380-6024—Tri-State Livestock
Jeff Thomas (406) 581-8859—Prairie Star
Katie Oschner (307) 575-6802—RAAA
Scott Fraser (406) 860-6548—Frontier Live Sale

Absentee Bids:

Anyone wishing to bid who cannot attend the sale may place phone or mail bids by contacting any of the Redland family at the numbers shown above or Ward Fenton at (406) 967-2850 (H) or (406) 698-6183 (C).

Veterinarians:

Dr. Richard Cunningham, D.V.M.
Dr. Brenee Peterson, D.V.M.
Dr. Jessica Anderson, D.V.M.

Health:

Herd health is excellent. Individual health papers will be furnished for shipment anywhere. A comprehensive herd health program has included sound herd health management practices and an annual vaccination program. All bulls in the sale have had a fertility examination and are semen tested.

Fertility:

Bulls are semen and fertility tested. Scrotal measurements will be available sale day.

Ultrasound:

Bulls have been carcass ultrasound tested. Results will be available sale day.

Guarantee:

Every animal in this sale is, to the best of our knowledge, free of any disease or defect. Any known defects will be called at sale time. All bulls in the sale are guaranteed to be breeders if not allowed to run with the herd until at least 14 months of age, and if not subjected to gross negligence by the purchaser.

Terms & Conditions:

Terms of the sale are cash. Every animal will be sold to the highest bidder with the auctioneer settling disputes as to bids. Announced changes in the catalog information on sale day take precedence over printed material in this catalog. All cattle are the buyer's property as soon as sold and will be cared for, for a reasonable length of time, at the buyer's risk. Any person attending the sale does so at his own risk. Neither the sale management, owners, nor any person connected with this sale assumes any liability, legal or otherwise.

Registration and Transfer:

Registration certificates will be transferred to the buyer upon his request, at the seller's expense. Buyers must give the settlement clerk complete name and address information for making transfers.

Delivery:

Free delivery to central points in adjoining states on registered cattle. Bring your trailer on sale day and get \$50 off per bull.

Hotel Accommodations:

Howard Johnson, Billings, MT 1-844-228-3971
Rails Inn, Forsyth, MT 1-406-346-2242

As always, we guarantee any sight unseen purchases and will assist you in any way we can.

Bidding on www.frontierlivesale.com is as easy as 1,2,3!

1. Register as a buyer before the sale at www.frontierlivesale.com !
2. Login on sale day with the credentials provided at registration!
3. Watch the sale and BID LIVE from the comfort of your own home!

Explanation of Marbling Scores

The marbling scores on these bulls were obtained using an ultrasonic method developed by Kansas State University. The estimate combines visual evaluations of the ultrasound image with objective computer analysis of the readings. The process allows for multiple estimates chute-side until repeatability and correspondence of the eye and computer are obtained. The procedure has been validated with thousands of animals and represents years of intensive research to improve and establish accuracy. The values are numerical codes that represent the estimates of carcass marbling if the animals had been slaughtered immediately after evaluation. The scale is as follows:

3.0 - 3.9 = Traces Marbling	A	USDA Standard
4.0 - 4.9 = Slight Marbling	AA	USDA Select
5.0+ = Small Amount	AAA	USDA Choice

Bulls will register at least a full degree less marbling and 30% less Backfat thickness than steers of the same age and feeding history. Also, when comparing scores among different herds, feeding intensity and age will affect the marbling score readings. Appropriate adjustment equations have not been developed. Consequently, the technology should be used to rank bulls within a herd rather than to compare animals across herds.

Marbling scores on bulls have ranged from below 3.0 to nearly 6.0. The average has been about 3.9. That leaves the impression that bulls above 5.0 (AAA) are exceptional, those with scores above 4.5 (AA+) are excellent, the range 4.0 to 4.5 (AA) constitutes satisfactory scores, and scores below 3.6 are poor for the marbling trait. Considering that values on bulls are below steers, an animal that scores 4.0 and higher would be expected to produce calves that have potential to grade AAA (Choice). Bulls with marbling estimates exceeding 4.8 have been found to have the ability to sire calves with the potential to meet Certified Angus Beef (CAB) or Supreme Angus Beef Speculations (Average AAA (Choice) or higher).

Redemption has been a main stay for us the last couple years. His calves have been easy calving with very good growth. He is impressive as he is in the top 7% for Birth weight EPD and the top 27% and 12% for weaning weight and yearling weight EPDs respectively. Not to mention his carcass numbers are top of the breed as well. Grid Master is the top 12%, and Marbling in the top 19%. His calves are consistently coming to the top and to top it off they have a very good disposition!

New Direction is a fairly new sire for us, but we are very pleased with the calves that we have got! He is an outcross pedigree that offers calving ease along with growth. They are dark red calves that are deep bodied, and easy fleshing. The four bulls in the sale have an average birth weight of 81 and an average weaning weight of 699.

Exceptional is a son of Redemption which we have used a bit in the past, but what really drew our attention to him was his dam was a Messmer Packer. Packer semen is hard to find these days! Exceptional is in the upper percentiles for most of his EPD's but the most impressive is the top 5% in Marbling and the top 14% for Grid Master. Combine that with his calving ease as well as growth and he rises to the top. There are 4 calves in the sale this year and they definitely deserve a second look!

SIRE D		VGW BASES LOADED 362

		VGW SR-STAR 0171	

Bases Loaded is a bull that flew under the radar for a while, but his calves have really shown themselves in the last couple years! There are 5 bulls in the sale with an average birth weight of 80 lbs and an average weaning weight of 723 lbs. The Bases Loaded calves have a lot of muscle, thickness, and depth of body! The carcass data that we received on last year's calves was very impressive with an average IMF on 10 calves of 4.6 and an average REA of 12.73. Bases Loaded himself was no slouch as he scanned an IMF of 5.09 with an REA of 13.3. He ranks in the top 16% of the breed for his IMF EPD.

This is our biggest calf crop that we have received out of Triumph to date. We have used him on our heifers consistently without incident and now the cows. His calves come easy and look to be good in the carcass area. There are 5 bulls in the sale this year with an average birth weight of 82 pounds and an average weaning weight of 729 pounds. He is in the top 7% for Herd Builder, top 6% for Birth Weight, top 5% for Milk, and top 21% for Marbling. Some impressive stats. Semen available.

		PELTONS LAURA 9019J	

This is our first calf crop of Wideload calves, and we have been happy with what we have seen. This is a strong set of bulls in the offering. They are stout, thick made bulls with a lot of length of body. Wideload brings an outcross to us that is packed with carcass potential! With Marbling in the top 1% and Ribeye and Gridmaster in the top 10%, the Wideload calves should add thickness and carcass quality to your herd.

		WFL MAJOR LEAGUE 7085	

Merlin is another one of our new AI sires that we are trying out. Once again it was his carcass credentials that drew us to him with Marbling and REA number that are in the top 12% and 11% respectively. He is no slouch in his indexes either as he is pushing a Herdbuilder of 216 which is the top 4% and a Gridmaster index of 54 which is the top 2%. Be sure and look his calves up sale day!

Sale Bulls

Bulls are cataloged in sale order.

Red Angus bulls are printed in red and the Balancer bulls are brown.

Dear Friends,

Welcome to our annual spring sale! I think it is safe to say the past couple years have not been without challenges. With the long very cold winter, then in our neck of the woods, some pretty wet baling weather, and then a colder than expected fall! On the bright side all the moisture brought good grass in our hills and the calves weaned off some of the best they ever have! We think that's what makes us enjoy the farming/ranching lifestyle, you are always looking toward the future!

However, through it all, the optimism for Red Angus cattle is at an all time high! Red Angus cattle are hitting the sale yards, and video sales topping the market. With these Red Angus calves in high demand across the country, we feel the best place to start is with.....Red Angus bulls! With that said we feel we have accomplished that with this set of sound, efficient, good carcass, nice dispositioned bulls.

This is a nice, sound set of bulls we have selected for you! We have changed the catalog up a bit, to aid you in your bull selection. The HB (herd builder) and GM (grid master) EPD are indexes that were implemented to maximize profitability. We have also cataloged the bulls in sale order and so the Gelbvieh/Balancer bulls are mixed throughout. Red Angus bulls are printed in red and the Balancer bulls are brown. There is something for everyone, as we are offering calving ease, growth, with a lot of quality carcass traits mixed in. As in years past we are feeding the bulls to optimize their feet and legs to provide a more work ready set of bulls. They are growing out well and will be ready to go to work for you. We will feed the bulls until April 1st, but if you take them with you the day of the sale we will give \$50 off per bull. In addition the scrotal circumferences and carcass information will be available sale day.

We are happy to say that Frontier Live Sale will again be providing video, phone, and internet bidding sale day. The videos will be available through our website www.redlandredangus.com or on www.frontierlivesale.com. As with the previous years we will be running the videos during the sale.

We always look forward to hearing from you, and will try to help in anyway. We would also love to hear how our animals are performing for you whether it is good or bad. Remember our gate is always open so stop in anytime to view the cattle, visit, or just have a cup of coffee and a bite to eat. Meeting and visiting with all the people is one of the things that we enjoy best about being in the cattle business.

Last but not least we would like to thank everyone for their support! Without our loyal customers we couldn't do the thing that we love! We really appreciate your interest in our program. Have safe travels and we hope to see you on the 7th.

From all of us at Redland Red Angus
Shirley, Bob and Cathy, Chad, Jenny, Elizabeth, and Joseph
Al, Ruth, Marc, and Ali.

**We would like to thank all our loyal customers
and the people who have supported our
program!!! With out you we couldn't do what
we do. Good luck in the coming year!**

**Mark your calendars for our
next sale March 6, 2021!!!**

Congratulations to all the 4-H & FFA kids for all their hard work!
