# Behind the scenes at Redland Red Angus

Redland Red Angus is a family operation but yet it all couldn't come together without the help of a very talented crew. With an irrigated farm operation and native grazing for the cows, the outfit couldn't operate as successfully as it does without our crew:

## Chad and Erin Fink

Chad and Erin can be found riding pastures, calving, feeding and fence and well maintenance. They are instrumental in spotting fires throughout the summer and are a large part of the Hysham Volunteer Fire Dept. They keep an eye on all that happens on the range in the Hysham

Hills and are always lending a hand in the feedlot as well.

They have two big helpers!

Reagan is 11 and can be seen riding side by side, gathering with her folks. Reagan is also actively involved in 4-H and this year exhibited the Reserve Champion Market Beef at the Forsyth fair!

Hazen is 4 years old and enjoys all the animals while awaiting his time in the saddle!

## Larry and Vicky Fink

Our sale office could not run without the efficient manner of Larry and Vicky.

## Matt Lane

This is the eleventh year that Matt Lane has ultrasounded the bulls. We feel it is an important part of our operation and we value the information he provides. Carcass is an important part of the industry and we have been breeding for it since the 90's.

## Treasure Vet Service

Dr. Dick and Dr. Jessica are just a phone call away for us. They fertility test the bulls as well as provide us with answers to any and all health questions.

## Jared Halverson and Lara Killey

Jared worked for us in years past and we are happy to have him back on the work force. You can find him hauling and stacking hay, feeding, irrigating, mechanicing, as well as the numerous other small jobs. Lara has been an added bonus by helping with computer work, and wherever else needed.

## Ward Fenton

Ward has been a long time friend of the family. He has been to many of the sales and would be happy to assist you in any sight unseen purchases. Give him a call at (406) 967-2850 (home) or (406) 698-6183 (cell).

## Clark Pinkerton

Brand Inspector Clark is invaluable in getting us the paper work to get the cattle on the road.

## Jensen Cattle Services

Tanner Jensen has been trimming our bulls for five years now. He does a great job on the bulls and we value the care that he takes with them.

Kevin Murnin—Western Livestock Journal  
Katie Oschner (307) 575-6802—RAAA  
Scott Fraser (406) 860-6548—Frontier Live Sale

**Absentee Bids:**

Anyone wishing to bid who cannot attend the sale may place phone or mail bids by contacting any of the Redland family at the numbers shown above or Ward Fenton at (406) 967-2850 (H) or (406) 698-6183 (C).

**Veterinarians:**

Dr. Richard Cunningham, D.V.M..  
Dr. Jessica Anderson, D.V.M.

**Health:**

Herd health is excellent. Individual health papers will be furnished for shipment anywhere. A comprehensive herd health program has included sound herd health management practices and an annual vaccination program. All bulls in the sale have had a fertility examination and are semen tested.

**Lunch at 12:00 Noon**

**Fertility:**

Bulls are semen and fertility tested. Scrotal measurements will be available sale day.

**Ultrasound:**

Bulls have been carcass ultrasound tested. Results will be available sale day.

**Guarantee:**

Every animal in this sale is, to the best of our knowledge, free of any disease or defect. Any known defects will be called at sale time. All bulls in the sale are guaranteed to be breeders if not allowed to run with the herd until at least 14 months of age, and if not subjected to gross negligence by the purchaser.

**Terms & Conditions:**

Terms of the sale are cash. Every animal will be sold to the highest bidder with the auctioneer settling disputes as to bids. Announced changes in the catalog information on sale day take precedence over printed material in this catalog. All cattle are the buyer's property as soon as sold and will be cared for, for a reasonable length of time, at the buyer's risk. Any person attending the sale does so at his own risk. Neither the sale management, owners, nor any person connected with this sale assumes any liability, legal or otherwise.

**Registration and Transfer:**

Registration certificates will be transferred to the buyer upon his request, at the seller's expense. Buyers must give the settlement clerk complete name and address information for making transfers.

**Delivery:**

Free delivery to central points in adjoining states on registered cattle. Bring your trailer on sale day and get \$50 off per bull.

**Hotel Accommodations:**

Howard Johnson, Billings, MT 1-844-228-3971  
Rails Inn, Forsyth, MT 1-406-346-2242

**As always, we guarantee any sight unseen purchases and will assist you in any way we can.**

Bidding on [www.frontierlivesale.com](http://www.frontierlivesale.com) is as easy as 1,2,3!

1. Register as a buyer before the sale at [www.frontierlivesale.com](http://www.frontierlivesale.com) !
2. Login on sale day with the credentials provided at registration!
3. Watch the sale and BID LIVE from the comfort of your own home!

## Explanation of Marbling Scores

The marbling scores on these bulls were obtained using an ultrasonic method developed by Kansas State University. The estimate combines visual evaluators of the ultrasound image with objective computer analysis of the readings. The process allows for multiple estimates chute-side until repeatability and correspondence of the eye and computer are obtained. The procedure has been validated with thousands of animals and represents years of intensive research to improve and establish accuracy. The values are numerical codes that represent the estimates of carcass marbling if the animals had been slaughtered immediately after evaluation. The scale is as follows:

3.0 - 3.9 = Traces Marbling	A	USDA Standard
4.0 - 4.9 = Slight Marbling	AA	USDA Select
5.0+ = Small Amount	AAA	USDA Choice

Bulls will register at least a full degree less marbling and 30% less Backfat thickness than steers of the same age and feeding history. Also, when comparing scores among different herds, feeding intensity and age will affect the marbling score readings. Appropriate adjustment equations have not been developed. Consequently, the technology should be used to rank bulls within a herd rather than to compare animals across herds.

Marbling scores on bulls have ranged from below 3.0 to nearly 6.0. The average has been about 3.9. That leaves the impression that bulls above 5.0 (AAA) are exceptional, those with scores above 4.5 (AA+) are excellent, the range 4.0 to 4.5 (AA) constitutes satisfactory scores, and scores below 3.6 are poor for the marbling trait. Considering that values on bulls are below steers, an animal that scores 4.0 and higher would be expected to produce calves that have potential to grade AAA (Choice). Bulls with marbling estimates exceeding 4.8 have been found to have the ability to sire calves with the potential to meet Certified Angus Beef (CAB) or Supreme Angus Beef Speculations (Average AAA (Choice) or higher).

We used Contour a few years ago and really liked the calves. As we started looking for more semen, we were offered the opportunity to buy him, and we jumped at the chance! He has been a real asset to our program. We used him as an AI sire on all the commercial heifers the last 2 years. They calve easy and really grow! We are the most excited about is his carcass numbers! As a yearling he had an actual REA score of 13.9 with a marbling score of 8.6 and he is in the top 2% of sires for his marbling EPD and top 18% of sires for Grid Master index. There are 17 sons in the sale with an average BW of 82 pounds and average WW of 713 pounds.

Merlin has been one of the highest selling sires in the Red Angus breed of the past few years. It is easy to see why. He has good birth to growth spread, but once again it was his carcass credentials that drew us to him with Marbling and REA number that are in the top 34% and 18% respectively. Take a look at his 7 sons in the sale! They post an average BW of 80 pounds and an average WW of 701 pounds.

Spartacus is another AI sire we used quite a bit this last year. In the semen catalog they say he is powerfully made and stout boned. His calves have been the same! They really rise to the top as you walk through the pens. They have good dispositions, are easy to calve and show a lot of growth. They are deep sided, thick made, with a good hip. Check them out sale day. There are 8 sons in the sale with an average BW of 81 pounds and WW of 754 pounds.

Redemption has been a main stay for us the last couple years. His calves have been easy calving with very good growth. He is impressive as he is in the top 8% for Birth weight EPD and the top 38% and 19% for weaning weight and yearling weight EPD's respectively. Not to mention his carcass numbers are top of the breed as well. Grid Master is the top 13%, and Marbling in the top 13%. His calves are consistently coming to the top and to top it off they have a very good disposition!

Contour 810 is a bull that we raised as herd sire before we were able to purchase his sire Contour. He is out of one of our best females in the herd. Laubach Lass's calves consistently rise to the top! Contour 810 is following in his father's footsteps. He is in the top 2% for marbling and scored a 5.62 as a yearling with a 14.9 inch ribeye to boot. We are excited to see how his calves scan.

Making Hay is the breed's leading curve bender sire. Take a look at the Makin' Hay calves. They are growthy with very good birth to growth spread. They are in the top of their contemporaries for WW and YW. We have been impressed with their eye appeal and growth. We just got our hands on a few more straws of his semen so look for more calves in the future.

Red Redemption is very nicely balanced and easy to look at! We raised him ourselves and have been using him first on heifers and then cows for easy calving with a low birth weight while still maintaining growth. Redemption posts some pretty impressive stats himself with a Grid Master index of 56 and a Marbling EPD of .86 which is in the top 2% of sires. His yearling carcass data was pretty impressive as well. He was the 2nd highest marbling bull of his contemporaries with a 5.6 IMF and a 114 ratio. He has 6 sons in the sale, we are looking forward to seeing their scans.

January 2021

Dear Friends,

Welcome to our annual spring sale! What a year it has been, but we have made it to another one and we are still looking towards the future.

This is a nice, sound set of bulls we have selected for you! We have changed the catalog up a bit, to aid you in your bull selection. The HB (herd builder) and GM (grid master) EPD are indexes that were implemented to maximize profitability. We have also cataloged the bulls in sale order and so the Gelbvieh/Balancer bulls are mixed throughout. Red Angus bulls are printed in red and the Balancer bulls are brown. There is something for everyone, as we are offering calving ease, growth, with a lot of quality carcass traits mixed in. As in years past we are feeding the bulls to optimize their feet and legs to provide a more work ready set of bulls. They are growing out well and will be ready to go to work for you. We will feed the bulls until April 1st, but if you take them with you the day of the sale we will give \$50 off per bull. In addition the scrotal circumferences and carcass information will be available sale day.

We are happy to say that Frontier Live Sale will again be providing video, phone, and internet bidding sale day. The videos will be available through our website [www.redlandredangus.com](http://www.redlandredangus.com) or on [www.frontierlivesale.com](http://www.frontierlivesale.com). As with the previous years we will be running the videos during the sale.

We always look forward to hearing from you, and will try to help in anyway. We would also love to hear how our animals are performing for you whether it is good or bad. Remember our gate is always open so stop in anytime to view the cattle, visit, or just have a cup of coffee and a bite to eat. Meeting and visiting with all the people is one of the things that we enjoy best about being in the cattle business.

Last but not least we would like to thank everyone for their support! Without our loyal customers we couldn't do the thing that we love! We really appreciate your interest in our program. Have safe travels and we hope to see you on the 6th.

**Shirley with her grandkids.**

From all of us at Redland Red Angus  
Shirley, Bob and Cathy, Chad, Jenny, Elizabeth, and Joseph  
Al, Ruth, Marc and Mary, and Ali.

**Mark your  
calendars for next  
year's sale date  
March 5th, 2022!**

**Shirley with her  
great grandkids.**
