# Behind the scenes at Redland Red Angus

Redland Red Angus is a family operation but yet it all couldn't come together without the help of a very talented crew. With an irrigated farm operation and native grazing for the cows, the outfit couldn't operate as successfully as it does without our crew:

## Chad and Erin Fink

Chad and Erin can be found riding pastures, calving, feeding and fence and well maintenance. They are instrumental in spotting fires throughout the summer and are a large part of the Hysham Volunteer Fire Dept. They keep an eye on all that happens on the range in the Hysham

Hills and are always lending a hand in the feedlot as well.

They have two big helpers! Reagan is 12 and can be seen riding side by side, gathering with her folks. Reagan is also actively involved in 4-H.

Hazen is 5 years old and enjoys all the animals! He helps ride at times and takes good care of the bum calves.

## Larry and Vicky Fink

Our sale office could not run without the efficient manner of Larry and Vicky.

## Matt Lane

This is the twelfth year that Matt Lane has ultrasounded the bulls. We feel it is an important part of our operation and we value the information he provides. Carcass is an important part of the industry and we have been breeding for it since the 90's.

## Treasure Vet Service

Dr. Dick and Dr. Jessica are just a phone call away for us. They fertility test the bulls as well as provide us with answers to any and all health questions.

## Jared and Lara Halverson

Jared worked for us in years past and we are happy to have him back on the work force. You can find him hauling and stacking hay, feeding, irrigating, mechanicing, as well as the numerous other small jobs. Lara has been an added bonus by helping with computer work, and wherever else needed.

## Clark Pinkerton

Brand Inspector Clark is invaluable in getting us the paper work to get the cattle on the road.

## Jensen Cattle Services

Tanner Jensen has been trimming our bulls for six years now. He does a great job on the bulls and we value the care that he takes with them.

We used Contour a few years ago and really liked the calves. As we started looking for more semen, we were offered the opportunity to buy him, and we jumped at the chance! He has been a real asset to our program. We used him as an AI sire on all the commercial heifers the last 3 years. They calve easy and really grow! We are the most excited about his carcass numbers! As a yearling he had an actual REA score of 13.9 with a marbling score of 8.6 and he is in the top 1% of sires for his marbling EPD and top 13% of sires for Grid Master index. There are 6 sons in the sale with an average BW of 77 pounds and average WW of 671 pounds along with 2 heifers.

Merlin has been one of the highest selling sires in the Red Angus breed of the past few years. It is easy to see why. He has good birth to growth spread, but once again it was his carcass credentials that drew us to him with Marbling and REA number that are in the top 54% and 6% respectively. Take a look at his 8 sons in the sale! They post an average BW of 82 pounds and an average WW of 690 pounds.

New Direction is a fairly new sire for us, but we are very pleased with the calves that we have got! He is an outcross pedigree that offers calving ease along with growth. They are dark red calves that are deep bodied, and easy fleshing. The 6 sons in the sale have an average birth weight of 85 and an average weaning weight of 693.

Redemption has been a main stay for us the last couple years. His calves have been easy calving with very good growth. He is impressive as he is in the top 8% for Birth weight EPD and the top 38% and 19% for weaning weight and yearling weight EPD's respectively. Not to mention his carcass numbers are top of the breed as well. Gridmaster and marbling are in the top 10%. His calves are consistently coming to the top and to top it off they have a very good disposition!

When looking through the semen books Finished Product really caught our eye. He offers a pedigree that we haven't used before. His low birth weight and CED is exceptional! He ranks in the top 4% for CED and the top 3% in BW! That combined with his good carcass traits sealed the deal for us. There are 7 sons in the sale with an average birth weight of 82 and an average weaning weight of 700 pounds!

Exceptional is a son of Redemption which we have used a bit in the past, but what really drew our attention to him was his dam was a Messmer Packer. Packer semen is hard to find these days! Exceptional is in the upper percentiles for most of his EPD's but the most impressive is the top 3% in Marbling and the top 11% for Grid Master. Combine that with his calving ease as well as growth and he rises to the top. There are 5 sons and 1 heifer in the sale this year and they definitely deserve a second look!

Spartacus is another AI sire we used quite a bit this last year. In the semen catalog they say he is powerfully made and stout boned. His calves have been the same! They really rise to the top as you walk through the pens. They have good dispositions, are easy to calve and show a lot of growth. They are deep sided, thick made, with a good hip. Check out them out sale day. There are 4 sons in the sale with an average BW of 82 pounds and WW of 677 pounds.

# FANCY COMMERCIAL RED ANGUS YEARLING HEIFERS

We have 50 commercial replacement yearling heifers selling in groups of five. The high bidder gets their choice of five or as many in groups of five as they would like. The heifers will go to top bidder by gate cut.

Dear Friends,

Welcome to our annual spring sale! What a year it has been, but we have made it to another one and we are still looking towards the future.

This is a nice, sound set of bulls we have selected for you! We have changed the catalog up a bit, to aid you in your bull selection. The HB (herd builder) and GM (grid master) EPD are indexes that were implemented to maximize profitability. The bulls are cataloged in sale order and so the Gelbvieh/Balancer bulls are mixed throughout. Red Angus bulls are printed in red and the Balancer bulls are brown. There is something for everyone, as we are offering calving ease, growth, with a lot of quality carcass traits mixed in. As in years past we are feeding the bulls to optimize their feet and legs to provide a more work ready set of bulls. They are growing out well and will be ready to go to work for you. We will feed the bulls until April 1st, but if you take them with you the day of the sale we will give \$50 off per bull. In addition the scrotal circumferences and carcass information will be available sale day.

In addition to our work ready set of bulls we are offering 5 Registered Red Angus females for sale. They are a super nice group of registered females that would work into any program. We are offering 10% off any heifer a junior buys!! What a way to start the foundation of your program! 50 fancy commercial replacement heifers will follow. They are a quite, sound, deep, thick group of heifers. They will be selling in groups of 5. The highest bidder will have their choice of the number they would like to take from 5 to all 50. They will be sorted and hauled out by gate cut.

Frontier Live Sale will again be providing video, phone, and internet bidding sale day. The videos will be available through our website [www.redlandredangus.com](http://www.redlandredangus.com) or on [www.frontierlivesale.com](http://www.frontierlivesale.com). As with the previous years we will be running the videos during the sale.

We always look forward to hearing from you, and will try to help in anyway. Stop in anytime to view the cattle, visit, or just have a cup of coffee and a bite to eat. Meeting and visiting with all the people is one of the things that we enjoy best about being in the cattle business.

Last but not least we would like to thank everyone for their support! Without our loyal customers we couldn't do the thing that we love! We really appreciate your interest in our program. Have safe travels and we hope to see you on the 5th.
