Sale History

WRITTEN BY FEHRIN BRINDLEY

The sale was started in 2002 by Art and Rita McDonald along with their daughter, Karla McDonald of Bar M Quarter Horses. Art envisioned a horse sale where buyers could come to one place and pick from among the highest quality of weanlings each year.

Ranchers could come and find their next horse that would carry them through the Bighorns in the same pen as a rodeo contestant's future arena performer. Producers could find their next stud prospect among the surefooted future trail horses. There was one way Art knew he could assure there was this versatility and quality among each of the weanlings offered through the sale - requiring Sugar Bars bloodlines on the pedigree.

Sugar Bars was a son of Three Bars out of Frontera Sugar by Rey foaled in El Paso, Texas in 1951 and lived until 1972. The sorrel stallion did not necessarily have an impressive record in the race world but did reach a AAA speed. He suffered a few injuries along the way and transferred hands a few times before his sire, Three Bars, started receiving recognition as a producer. Bud Warren bought Sugar Bars to cross on his Leo mares, and a true match was made.

More known for the accomplishments of his get rather than his own, Sugar Bars outproduced himself in his offspring and his offspring's offspring. It seemed what made him great, came out even greater with each generation. Whatever mare he was bred to, he always brought out the best in her, too. Over twelve AAAT, forty-five AAA, and forty-six AA racers were produced during his time under Bud Warren's ownership. Sugar Bars became the living leading maternal grandsire of ROM get from 1945 to 1969. The impressive stallion was sold one last time in 1968 and had a full booking of mares for the last three years of his life before his death at age 21.

A fan of the Sugar Bars bloodline, Art knew that requiring consignments to be within 6 generations of the outstanding horse would help meet his vision for the sale. He also hoped to preserve the Sugar Bars bloodline through the generations, so that the great producer would not be lost to more trendy bloodlines over the years. Thus, the Sugar

Bars Legacy Sale was born to honor and preserve the AQHA Hall of Famer's legacy.

Growing larger and more popular each year, Bar M Quarter Horses selected some local AQHA producers to join them in their efforts of producing the sale in 2007. The Sugar Bars Legacy Sale Association was formed, adding Nixon Quarter Horses, VLW Ranch, Wetz Stirrup Ranch, and Woodworth Quarter Horses. Deer Run Ranch was added to the lineup a couple of years ago. Select riding horses, which do not have to be of Sugar Bars descent, are chosen each year to join the sale to bring in even more interest.

The sale also added a halter futurity for yearlings that had been sold the previous year. These include open and youth classes in Conformation and Trail in Hand class. The efforts incentivized the purchase of high-quality weanlings and gave returning consigners a chance to show future buyers how their foals would grow over the next year. A Two/Three-Year-Old Versatility Futurity was added for any horse that was purchased as a weanling or yearling in the past to showcase the performance and trainability of the select consigners' breeding programs. There are youth and open divisions with classes in Conformation, Maneuvers and Trail. The high point earner in the open wins a sponsored saddle and cash payback.

For the 20th Anniversary of the sale, the Sugar Bars Legacy Association is going to pull out all the stops and make it truly memorable for all who grace the Sheridan County Fairgrounds in September. In addition to the Yearling and Two/Three-Year-Old futurities on Saturday, September 17th, the association is doing a Maturity for any horse purchased through the Sugar Bars Legacy Sale since the beginning in 2003. The Maturity classes will consist of Ranch Horse Conformation, Ranch Trail, Ranch Reining and Ranch Riding! The Sugar Bars Legacy Sale Association is excited to see some of the weanlings and yearlings that have been sold through the sale return to be shown five, ten, or even twenty years after their walk through the pavilion. Art is excited to reminisce on how his vision for the Sugar Bars Legacy Sale over 20 years ago, has come to life and left a lasting impact on the local horse industry.

The Wild Card weanling of 2021 sold for \$6,250, Lot 34, HR NU Shine Fanzee, a Palomino filly sired by Hes Busy Shinin X Cook N Oak from Haight Ranch, sold to Lance and Becky Bateman, Etna, Wyoming. She was bred and sold by Haight Ranch-Dale Carol Haight of Sask, Canada.

WILD CARD!

We are pleased to announce the Sugar Bars Legacy Sale "Wildcard." The 1st horse sold in the sale will be a "wildcard." The winning bidder for the "wildcard" lot will have his/her choice of any weanling in the sale. With no colt in the ring, the auctioneer will ask for bids on the "wildcard". It will be auctioned in the same manner as every other weanling in the sale, apart from the fact that, no one will know until the bidding is over and the winning bidder chooses his/her weanling, which horse has actually been sold. That weanling must be claimed immediately on winning the bid and then will be removed from the catalog order. The sale will resume with the remainder of the consigned weanlings in catalog order.

HR Nu Shine Fanzee Congratulations 2021 Wild Card

Sonya is the heart of our program. You won't find a more versatile, kinder mare out there. She was shown in reining, pleasure, trail, ranched on and has a daughter that qualified for nationals in High School Rodeo in the breakaway roping with Taya this summer as a 7 yr old. They all have the sweetest personalities, love people and attention, and want to please you with whatever you ask of them. Our young stud (VLW Guyz Golden Rule) is out of this mare. That is how highly we think of every one of her babies. If you need a trail, ranch, rodeo, youth or all-around family horse... check this guy out! He will fit your need. He isn't your average buckskin color either... Follow him on our website: www.vlwranch.com or Facebook: VLW Ranch.

She is the one with her head in the bucket or side by side checking things out every time. She has a great personality and you can't fault her conformation. This gal brings together some great ranch horse and performance horse bloodlines. We purchased her sire, PR Zans Lil Gunner, with the intent of using him on some of our ranch raised mares in hopes of getting some more color with the added benefit of a pedigree that includes Playgun, Smart Little Lena and Zan Par Barr. "Snoopy" has a laid back, loyal, and willing personality and his babies are proving to be the same – we can turn him out for a rest, bring him back in, saddle up and he's ready for his job or to learn some more. To add to this little guy, we introduce his mama, Lucky Sugar Ember, a gorgeous chestnut/sorrel daughter of Im Lucky Today & Kahoola Sparkle. "Lucky" was my boy – we purchased him as an aged stallion. He had such a personality and had such respect for his people. Her dam is a Mr Sparkle Bar/Devil Cat Dancer bred mare from Jim and Joni Hunt of the Open Box Rafter Ranch – S.D. He's eligible for the AQHA Ranching Heritage Challenge. Here she is!! Our first foal out of our young stud, and what a cross this should be! Charity was Taya's breakaway, goat, and ranch horse for a few years (helping her win her first All Around titles and saddles) and then retired into the broodmare band. She may come back as the grandkids horse shortly so there may not be many foals out of her for sale. She is the whole package. You would spend hours and miles looking for a horse with her conformation and disposition. We can't wait to see how this cross performs. Prince, the sire, has been in reined cow horse training when not breeding and he is quickly becoming a very handy horse. The future looks very bright for this filly. Follow her growth on our website: www.vlwranch.com or Facebook: VLW Ranch

This outstanding sorrel stallion is out of our senior stallion Zanadunn Bonanza: a red dun Zan Parr Bar, Blondy's Dude & Coy's Bonanza bred stallion. He has always been one of the ranch's favorite mounts; ranch raised and loves his job-ranch work: dragging calves at branding, sorting/ doctoring cattle, driving cattle and checking wells. He comes out of retirement once or twice a year when we need an extra mount - he's one you can pull out of the mares and saddle up.

And this guy is just like him: easy going, an attention hog and bred for performance. To add to

We still aren't for sure what color this filly is going to be. She was born a light red dun, now she is even lighter and is starting to get white throughout her mane/tail and even some on her body. By sale time- will she be the golden palomino, that I predict her to be? Time will tell! Not only is she a unique color, but she also likes to show off and get people's attention. She's out of our junior stallion-PR Zans Lil Gunner: aka "Snoopy". Snoopy is a 2014, palomino bred by Pieper Quarter Horses in Nebraska- with a pedigree that includes Playgun, Smart Little Lena and Zan Par Barr. You can turn him out for a rest, bring him back in, saddle up and he's ready for his job or to learn some more. "Snoopy" has a laid back, loyal, and willing personality and his babies are proving to be the same. We wish we would have kept more mares out of Toughy. It is exciting to see his daughters as mamas. This filly is curious, thick muscled, with strong feet/legs and a cute little head. She will do well in the performance arena or on the ranch and just maybe be a future mama. "Iridessa" is eligible for the AQHA Ranching Heritage Challenges and current on worming. Watch our Facebook page, Woodworth Ranch for current photos and photos of sire and dam.

Lacy is an own Granddaughter of Mr. Showdown Sugar. Sugar Bars is right on her papers! She is the last of our Coolest Sensation Daughters we will ever offer for sale. She sells open this year, not due

to any fault of her own. Shine was not available so she just didnt get bred. She is an easy breeder, has had numerous babies for us that are heavy built and pretty just like her. Lacy was Aleena's 4-H project mare. She is dead gentle, sweet, easy to work with, good with kids. She has a small scar on her front right foot that kept her broodmare sound. She will raise you sweet, pretty babies every year!

Sissy is a beautiful APHA mare that I purchased from Bar M Quarter Horses-Karla McDonald in 2009 as a weanling. I had always wanted a mare by Scotch Bar Time; and this was as close as I could get- as she is a grand-daughter. A bonus within in her pedigree is Centennial Sissy; a Mr Showdown Sugar daughter- making her a grand-daughter.

Sissy has a baby doll head, blue eyes, thick and deep bodied. she can be hard to catch. Sis has produced some really nice babies for us; she always stamps them with a splash of color and sometimes blue eyes. She is selling exposed to our senior stallion Zanadunn Bonanza; a red dun Zan Parr Bar, Blondy's Dude & Coy's Bonanza bred stallion. Dunny has always been one of the ranch's favorite mounts; ranch raised and loves his job-ranch work: dragging calves at branding, sorting/doctoring cattle, driving cattle and checking wells. When we needed an extra mount—he's one you could pull out of the mares and saddle up, before his retirement! The 2023 foal will be: splashed with some color, easy going, and bred for performance. Current on worming. Drought conditions and the need to lower our brood mare numbers as she is our only paint mare-it just made sense to let her go.

We're offering a piece of our breeding program. This young bred mare is easy to handle & quiet with a good disposition. She can run in big pastures in the herd or she is good alone. She is a good

breeder - hand or pasture breed. She is ultrasounded safe in foal to our cremello stallion, Hes Busy Shining, for a colored foal in April 2023. Her pedigree is a fine example of "speed on cow" & represents the very best genetics that we have had the privilege to breed into our herd over the years...champion after champion on both sides of her papers. She is 5th generation from the Great SUGAR BARS! She is sound. Has a tiny blemish on one ear. Up to date on worming & trimming. www.haightranch.com for photos & info. Coggins tested. USA Vet. inspected.

Happy 20th Anniversary Sugar Bars Legacy Sale!! Did you know that Art, Rita and Karla McDonald are the original founders of the SBLS? We started this sale 20 years ago with a vision created by Art many years before. He dreamed of starting a sale that showcased closely bred Sugar Bars bred horses, inspired by the original-M Stallion, Mr. Showdown Sugar, an own son of Sugar Bars. This dream has come to fruition with our 20th sale this year! Congratulations to Art and Rita, AQHA 50 year Breeders Achievement Award Breeders, and thank you for the dream!

He has good cow sense and will really watch one. He has good ground manners, is good with his feet, will stand to bathe, is easy to saddle, bridle and catch. I purchased this beautiful buckskin mare from a former classmate, with the hope she would work for my niece. I knew the horse well from my days at college in Wyoming; she had been used in horsemanship, stock horse, English Equitation and had been used as a ranch horse prior to that. I have been using her on the ranch- gathering & sorting cattle in both the corral and pastures; trailing cattle and gathering the broodmares. Hazel needs a more advanced rider and needs to be rode consistently. She stands to be trimmed and current on vaccinations, dental and worming.

BET HES GOT WOOD (Woody) is a 2017 model ranch gelding. I have owned him since he was two and started him myself then took him to school with me where he was used in many different Equine Classes and shown lots of different stuff! He was lightly worked on the cutting flag as well as worked on cattle lightly. He has been used extensively in the branding pen as well as around the ranch for the last three years. He is a very easy-going horse that would be successful with many people. For more information or videos contact: (307) 340-2036

HANGMAN

GRADE

Hangman has been one of my go to ranch horses for the last few years. He stands 15 hands and weighs 1150 lbs. Very gentle and still has plenty of hustle to go get a job done. Super solid in the branding pen, great to sort cattle on, rope and tie down cattle outside, or just take for an evening ride. There's really no job that he can't excel in. Great to shoe, load, haul, groom, there's no funny business with him at all. Has the potential to make a nice head horse as well. Any questions call (307) 262-2440 and keep an eye out for the video of him.

Willie has done everything the ranch could ask from corral sorting pairs, roping, trailering with bulls and starting colts, to big desert circles and chasing cows through cedar brush. Been ridden by Grandpa, Dad, 8mths pregnant Mom, and lead rein for the kids, by himself or with a group, bareback with twine around his neck in a 40 acre pasture. Beloved family horse, lack of grazing forces sale.
