Schaff Angus Valley[®]

119th Production Sale

Saturday February 12, 2022 *10 am*

400 BULLS • 180 FEMALES

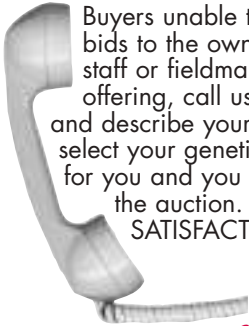

**SAV Blackcap May 4574
Lot 401**

**SAV Lifeblood 1163
Lot 91**

\$ Affordable Genetics for the Cowman

The focus of the Schaff Angus Valley program is on serving the commercial cowman and providing high quality bulls in volume at affordable prices. Whether your budget is \$3000, \$5000 or more, you can expect to find a good selection of bulls in everyone's price range.

PHONE ORDERS

Buyers unable to attend the sale may call or send their bids to the owner, Kelly Schaff or to Bob Watkins, sales staff or fieldman. If you would like to discuss the sale offering, call us (preferably several days before the sale) and describe your needs and budget and we can help select your genetics for you. We can bid on the animal for you and you pay only the bid price established by the auction. Bids are handled in confidence with **SATISFACTION GUARANTEE** on all orders.

AUCTIONEERS:

Col. Joe Goggins Col. Ryan Dorran

INSURANCE:

Dakota Ag Insurance will be on hand with a range of insurance coverage options, including mortality, infertility and beyond. Contact Jarod Mohnen at 605-999-4475 for options and rates. Purchaser assumes the risk for death or injury to their livestock immediately after they are sold and insurance is recommended.

FREE NATIONWIDE DELIVERY

Schaff Angus Valley is offering free nationwide delivery on bulls to sale barns and central stockyard points.

\$100 DISCOUNT PER BULL IF YOU HAUL YOUR OWN SALE DAY!

We ask buyers to please be willing to travel to central drop points and meet trucks at sale barns along central routes. Drop points need to be consolidated to make delivery feasible and avoid cattle in transit too long. SAV will coordinate delivery on females if the buyer desires, however the cost is the buyer's responsibility. Canadian and Mexican purchases and bulls going to semen collection facilities will be available to pickup at the ranch following the completion of health testing requirements and delivery arrangements and costs are the buyer's responsibility.

SALE LOCATION:

Schaff Angus Valley is located approximately 30 minutes from Bismarck/Mandan, ND. The sale will be held in the heated sale facility at the Schaff Angus Valley headquarters. A map and directions are listed on the inside back cover.

TRANSPORTATION:

Bismarck, ND is served by bus and major airlines, with direct flights from Minneapolis, Denver, Chicago, Dallas, Phoenix and Las Vegas. Early reservations are recommended for flights and rental cars. The surrounding towns of Fargo, Minot, Jamestown and Dickinson also have air service. Schaff Angus Valley is located 30 minutes from the Bismarck airport, sale headquarters and shopping mall. See map on the inside back cover.

ACCOMMODATIONS:

Please mention that you are attending the Schaff Angus Valley Sale when making reservations for the best rates. Early reservations recommended!

CATTLE VIEWING:

The sale offering will be on display for viewing at the ranch all day on Friday, February 11th with food and refreshments available. We welcome your visit to the ranch anytime prior to the sale.

TERMS:

Terms of sale are cash or check. All cattle must be settled for at the conclusion of the auction. Cattle will not be released from the sale premises until payment is received in full. **Bulls that are not settled for in full within 7 days of the auction are not eligible for the free delivery.**

GUARANTEE:

The sale offering is guaranteed to be fertile and reproductively sound in accordance with the terms and conditions as recommended by the American Angus Association. This guarantee does not cover injury or death. In the event of a problem, the buyer is responsible to return the animal to SAV and if it does not respond as a satisfactory breeder, will have the option to select a suitable replacement, if available, or take a sale credit. Any potential claim needs to be made by September 1st of the year of purchase.

SEMEN INTERESTS & POSSESSION:

Schaff Angus Valley is retaining one-third revenue sharing semen interest in every bull selling in this sale. Full possession and full salvage value sells on all bulls unless otherwise identified prior to the sale. Each year SAV retains possession on 1-4 bulls. Retained possession bulls are available for semen collection only and are required to be returned by the purchaser for SAV's natural breeding season. There is no guarantee on bulls to freeze semen unless specific terms are agreed prior to sale. SAV reserves the right to sell AI certificates on all bulls.

BULL DEVELOPMENT:

The bulls have been developed in large groups on a high roughage ration to ensure long-term soundness and customer satisfaction.

GENETIC RECESSIVES

This entire sale offering is free of all known genetic defects and recessives monitored by the American Angus Association.

HEALTH:

All cattle will be accompanied by proper health certificates for shipment and have had a complete vaccination program.

LIABILITY:

Schaff Angus Valley assumes no liability for accidents or injuries that occur on the sale premises. Potential claims of any kind must be settled in North Dakota Morton County Court.

SALE ORDER:

The bulls will be sold in sire groups. This is to aid customers in selecting brothers to produce a more uniform calf crop. As a result, bulls of consistent quality will sell throughout the duration of the auction. A sale order will be available prior to the auction.

Welcome to our family's 119th Angus Production Sale. Thank you to our customers and friends for your loyal support of our brand and for the confidence you have placed in our breeding program. This past year presented many of us with severe drought and challenges to test our faith. We are inspired by the perseverance of those in our industry and look to the future with great optimism.

It is with your support that our program has reached milestones we had not dreamed possible, allowing the SAV prefix to flourish and become a widely-used brand of Angus genetics around the world. We are humbled by this honor and accept the responsibility of breeding the type and kind of Angus genetics that will sustain the beef industry. The barometer on which we gauge everything we do is based on how it will affect the productivity and profitability for the customers we serve. We continue to work diligently to breed and provide better seedstock, at better values and better service each year – that is our uncompromising commitment.

Our disciplined breeding program does not follow fads, but rather has charted a specific course to breed real-world cattle for real-world cattlemen who sell quality pounds for a living, with the necessity to do it as efficiently and profitably as possible. Our unwavering focus remains on performance and maternal traits with specific emphasis on the cowherd and the basic profit-driving traits of fertility, longevity, fleshing-ability and maternal productivity. We are thankful for the opportunity to work with many progressive commercial operations for many years. Our customer base continues to generate our best testimonials with their market-topping feeder calves and replacement heifers by SAV genetics.

Our innovative breeding program is constantly progressing, improving and refining, taking advantage of embryo transplant on our most proven superior cows, along with intense selection pressure in high level competition to make sure each calfcrop is stronger than the last. Our 2022 sale offering represents some of our greatest breeding achievements to date. This sale presents access to reputation SAV genetics in volume and will be in price ranges affordable to the cowman. Commercial cattlemen always appreciate the overwhelming selection and great values they find at this auction.

The 2022 SAV Sale is highlighted with power-packed offerings by the popular and proven industry-leading SAV sires, as well as several exciting new sire groups including the phenomenal first offerings of Bloodline and Landmark. The bulls were developed on a sensible, roughage-based ration, allowing them to express genetic potential without compromising longevity and breeding soundness. The development program is recalibrated continually, requiring the bulls to perform with fewer inputs and they have responded admirably.

The female offering represents generations of maternal excellence and our most progressive genetics to date, including multiple daughters from the leading SAV embryo donors and cow families. These authentic SAV prefix females will provide a solid maternal foundation with a lifetime of earning potential – a grand opportunity!

Our commitment and highest priority is the satisfaction and success of our customers who are our greatest inspiration. It is an honor and privilege to serve as your seedstock source. If we can be of assistance in any way, please don't hesitate to contact us. We look forward to seeing you on sale day.

Sincerely,
Kelly Schaff

The Schaff Family

Alex, Kelsie, Kelly, Martie and Kourtney Schaff

Special thanks to our dedicated and talented SAV team who are responsible for our success and diligently handle the daily tasks at the ranch.

Cattle producers sell their feeder and slaughter cattle based on what they actually weigh on a scale. When investing in seedstock it is important to be provided with actual performance data rather than only computer generated projections that change weekly, can fluctuate dramatically and are only as relevant as the accuracy values behind them. EPDs are a selection tool but alone do not create great cattle; real breeding progress requires breeding beyond the numbers for real-world production traits. While EPDs have inflated dramatically in the past years, breed average 205-day weight has actually decreased by 4 lbs. in the past five years. The current breed average 205-day weight for bulls is 657 lbs. The 205-day weight average of all SAV bulls in this sale is 930 lbs. Included in this catalog is the difference in actual pounds at 205-days of each bull selling relative to the current breed average – important data if you sell cattle by the pound.

This symbol denotes Pathfinder status.

Expected Progeny Difference (EPD)

Is the prediction of how progeny of each animal are expected to perform relative to the progeny of other animals in the Angus breed. As data continues to accumulate, accuracy levels rise and EPDs can shift accordingly.

Birth Weight EPD (BW)

Expressed in pounds, is a predictor of transmitting ability for birth weight. The Angus breed is noted for calving-ease. A bull with a Birth Weight EPD under +2.2 is generally regarded as suitable for mating with virgin heifers.

Weaning Weight EPD (WW)

Expressed in pounds, is a predictor of the transmitting ability for weaning weight. An emphasized trait when marketing calves at weaning. For example, you can expect progeny from a sire with a +60 weaning EPD to weigh 30 lbs. more at weaning on the average than progeny from a sire with a weaning EPD of +30.

Yearling Weight EPD (YW)

Expressed in pounds, is a predictor of transmitting ability for yearling weight. An emphasized trait for yearling feedlot performance and profitability.

Scrotal Circumference EPD (SC)

Is a predictor of transmitting ability for scrotal size. An indicator of fertility in both bulls and females.

Maternal Milk EPD (Milk)

Is a predictor of transmitting ability of the portion of calf weaning weight attributed to daughters' milk. An indicator of replacement female production level.

Carcass Weight EPD (CW)

Is a predictor of transmitting ability for hot carcass weight.

Marbling EPD (MARB)

Is a predictor of transmitting ability for intramuscular fat. The vast majority of straight Angus cattle will grade USDA Choice or higher under normal feedlot management.

Ribeye Area EPD (REA)

Is a predictor of transmitting ability for ribeye area. Muscle is a key component of yield grade.

Fat Thickness EPD (FAT)

Is a predictor of transmitting ability for external fat thickness and correlates to fleshing ability.

Weaning Ratio (WR)

Is a direct comparison of an individual to others in its contemporary group. A weaning ratio of 100 is always average for the group and a figure below or above 100 is the percent difference that the animal is above or below the average.

All of the EPDs, birth weights, 205-day weights, ratios and ultrasound information in this catalog is official data processed by the American Angus Association and are current as of December 2021 when this catalog was prepared for press. Updated EPDs will be available at sale time. The 365-day weights have been calculated using individual lifetime average daily gain x 365 days + birth weight, thus giving a more accurate reflection of the actual weight of each bull at 365 days of age. WDA is weight per day of age at 365 days of age (365-day weight divided by 365 days). A supplemental sheet will be available sale day with scrotal measurements, ultrasound data and updated EPDs.

--------------	-------------	-------------	------------	-------------	------------	-----------------	-------------	----------------	--------------

SAV America 8018 is the \$1.51 million world-record-selling bull in Angus breed history and lead-off bull from the 2019 SAV Sale where he awestruck the industry. America combines a massive performance design and cowmaker phenotype with superior soundness, fertility, docility and all the elements that make great cattle. His progeny continue to exceed all expectations with powerful phenotype and unmatched performance and will highlight the 2022 SAV Sale.

America's dam is the maternal matriarch, SAV Madame Pride 0075, who served the SAV program for nearly 18-years. She reigns as the second top income-producing cow in SAV history, generating \$5.3 million on 163 direct progeny in past SAV sales to cowmen in 22 states, Canada, Brazil and Argentina. She has 41 daughters retained in the SAV herd and multiple herdsire sons to her credit including America, Supercharger, Registry and Response.

The 2022 SAV Sale will write a new chapter in Angus history with 115 direct America progeny to sell - a grand opportunity for the entire Angus world!

SAV MADAME PRIDE 0075

Maternal matriarch serving the SAV program for nearly 18-years. She has 41 daughters retained in the SAV herd and has generated \$5.3 million on 163 direct progeny in past SAV sales. Her influence is heavily represented in this event.

SAV ANTHEM 0042

The \$225,000 lead-off lot 1 bull from the 2021 SAV Sale sired by America. 16 full and maternal siblings sell!

SAV AMERICA 8018

SAV America 8018 makes his way around the sale ring at the 2019 SAV Sale where he shattered all records as the \$1.51 million world-record-selling bull.

SAV ANTHEM 0042

This America son is the \$225,000 lead-off lot 1 bull from the 2021 SAV Sale to Voss Angus.

- We could not find a better way to start an SAV sale catalog than with sons of SAV Madame Pride 3145, sired by America. They represent the SAV program and the type and kind we strive to produce. Lots 1-5 are fabulous flush brothers cut from the same mold as lots 1-11 from the 2021 SAV Sale that include the \$225,000 lead-off bull, SAV Anthem 0042 and the \$150,000 SAV American Flag 0233. These are real stock bulls with muscle, capacity and soundness in high performance fashion – backed by one of the strongest maternal lines in the business.
- Their Pathfinder dam is a herd favorite with unmatched femininity, fertility, feet and udder quality – among the best to ever roam SAV pastures. She records a weaning ratio of 107 on 7 calves and a progeny IMF ratio 117 and REA ratio of 103 on 26 progeny scanned. She ranks among the three current top income-producing cows. She has 21 daughters employed in the SAV herd and 20 progeny highlighting past SAV sales, including the \$200,000 SAV Circuit Breaker 7136 and a son at Alta Genetics.

Fabulous flush brothers by America x SAV Madame Pride 3145 - Lots 1-5...

"I just wanted to congratulate you on a fantastic sale. It was my first opportunity to attend the sale and what an awesome experience. Tremendous set of cattle. My hats off to you!! Enclosed you will find marketing agreements for Certified and Anthem. I can't tell you how honored we are to represent these two bulls. We think they can have a tremendous impact on the breed."

"Wanted to let you know your genetics shined through at my dispersal sale, 99% of cows sold had SAV genetics in their bloodlines going back to 3 great herd bulls purchased, SAV Hercules 9898, SAV Stratton 1449 and SAV Rustler 2891, or AI sired by some of your best AI sires. The sale was a packed house and DV auction was lit up. AI Conover said it was one of his best sales in his 50 years, from a consistent herd to a consistent sale. My herd is a testament to your great genetics, I hope it makes you proud because it sure made me very proud. They sold to reputable breeders to 10 states. Thank you for the great genetics and all of the great tours in the past. Thank you very much for mentoring me!"

- SAV Ace 1221 is gentle-natured with length of body, muscle and soundness. He earned a 205-day weight of 986 lbs. for a weaning ratio of 106 and is balanced in all areas essential to profitable beef production.
- His moderate, nice-uddered dam has a son working for Emmitt Dickschat. She is a full sister SAV Grasslands 5075, a powerful and proven 7-year-old herd sire working for Jordan Rhodes.
- His modest-sized, perfect-uddered grandam by Density is a model for efficiency and always weans a high percentage of her body weight. Three daughters are retained and six progeny have highlighted past SAV sales.

SAV Amazon 1189 - the kind cattlemen want to own...

"I am feeling extremely blessed and want to tell you thank you. Not only for your mentorship and opportunity to chase my dreams in the cattle business but your friendship and taking me in like family! Believe it or not, I consider you a dad beings mine left when I was 3 months old. I've learned so much from you including very valuable life advice. So anyways, very thankful that God put the Schaff family in my life. Hope to see you all soon!"

- SAV Amazon 1189 is a massive, high-volumed, performance bull with growth and gain. He will sire the kind of feeder cattle that weigh more and pay more. He ranks among the nine top-indexing bulls of his calcrop, earning a 205-day weight of 1036 lbs. for a weaning ratio of 111.
- His feminine, beautiful dam by Hesston has ideal body type, impeccable udder quality and stands on perfect feet. She has a daughter in the SAV herd and progeny working for Mark Rubida and Arnold Natali.
- His grandam is a forage-efficient outcross and comes from five consecutive generations of SAV embryo donors. She records a weaning ratio of 104 on 7 calves and produced the heaviest 205-day weight heifer of the 2018 calcrop.

- A congress of 14 full brothers featured as lots 9-22 representing a milestone breeding achievement from the blending of the \$1.51 million America with the breed-leading Pathfinder, SAV Emblynette 2369. Seeing is believing – they are pure power with true muscle shape, massive dimension and scale-crushing performance – the kind cattlemen travel the world to find. They are led by SAV Amen 1826, the #1 205-day weight bull of the entire calfcrop and SAV Alleluia 1825, the #2 205-day weight embryo bull, as well as SAV Ascension 1823, the #1 marbling bull in the offering. Take advantage of birth weight; it will show up 100-fold in the payweight and stoutness of their calves.
- Their Pathfinder dam is unmatched in the breed for phenotype, performance and production. She is the top income-producing cow in the SAV herd with \$1.7 million in direct progeny sales. She has 25 daughters retained and multiple herdsire sons to her credit, including the \$250,000 SAV Bloodline 9578, the \$175,000 SAV Emblem 8074 and the \$75,000 SAV Ajax 8885. She ranks as the #1 beef value, #2 marbling and #2 carcass weight cow in the SAV herd, recording a progeny IMF ratio of 135 on 35 progeny scanned.

- Lots 9-22 represent a congress of 14 full brothers and a milestone breeding achievement from the mating of the \$1.51 million America to the breed-leading Pathfinder, SAV Emblynette 2369. They have captured the attention of all who have seen them with their outlier muscle shape, massive dimension and sheer performance – the kind cattlemen demand and search for. They have the extra stoutness and birth needed to power up feeder cattle and add the growth, gain and payweight required to top the market – paramount to ranch profitability.
- Their Pathfinder dam is unmatched in the breed for phenotype, performance and production. She is the #1 beef value, #2 marbling, #2 carcass weight and top income-producing cow in the SAV herd with 1.7 million in direct progeny sales. She has 25 daughters retained in the SAV herd, 30 progeny featured in this sale and multiple herdsire sons to her credit, including Bloodline, Emblem and Ajax. She records an astonishing progeny IMF ratio of 135 on 35 progeny scanned.

"We're excited to get some calves from SAV America First. He gave us 200 units plus used him naturally also. Hope for some good females in the future. Hope to come out after the new year again."

- SAV Awestruck 1286 presents true herdbull authority, dominating phenotype, explosive growth and chart-topping performance. He earned a whopping 205-day weight of 1051 lbs. for a weaning ratio of 113 and EPDs for weaning and yearling weight in the breed's top 1%. He earned his Awestruck name at weaning as we watched him lift his dam off the ground to nurse – an awestruck sight! If you sell cattle by the pound, he comes highly recommended and his birth weight will be an added advantage to the power and payweight of every calf he sires.
- His feminine, productive dam by Renown is the front-pasture kind with progeny working for Arnold Natali and Allen Bros. She is a flush sister to SAV Emblynette 6506, the dam of the \$60,000 SAV Checkmate 8158 featured at Genex AI Stud.
- His prolific grandam by Net Worth continues in production at 15-years of age with 22 daughters retained in the SAV herd and 105 progeny highlighting past SAV sales to cowmen in 16 states, Canada and Brazil.

- SAV Air Force 1068 is an extra-thick, heavy-muscled, stout-rumped stud. He is powerful through his rump and hindquarter and anchors down with extra substance and bone.
- His dam by Renown serves as a fourth generation SAV embryo donor and is an absolute powerhouse with as much thickness, muscle shape and substance as you can put in an Angus female. A daughter is working in the Angus herd at the University of Wisconsin.
- His prolific grandam, SAV Emblynette 0491, records a weaning ratio of 105 on 6 calves. She has seven daughters retained and 38 progeny highlighting past SAV sales, including the Genex AI sires, SAV West River 2066 and SAV Catalyst 6704.

SAV EMBLYNETTE 7800
Dam of lot 27 and flush sister to the dam of lot 26.

SAV WEST RIVER 2066

Maternal brother to the dams of lots 26-27 selected by Genex and partners as the \$100,000 top-selling calving-ease bull in the 2013 SAV Sale.

SAV ANALYST 1021 - LOT 28

"Another record-breaking event at the 118th Schaff Angus Valley Production Sale! When you consider people were represented from 40 states and four international countries, it is hard to ask for much more. I just want you to know how excited and proud I am to be a part of it. It is certainly a highlight in my life."

-Tom Burke
American Angus Hall of Fame

SAV EMBLYNETTE 5483

- SAV Analyst 1021 is a long-bodied, deep-ribbed, performance bull with massive dimension. A full brother was selected by Doug Hofeldt as a feature of the 2021 SAV Sale.
- His productive, nice-uddered dam comes from five generations of Emblynette Pathfinders and is a maternal sister to the \$400,000 SAV International 2020 and the 2016 National Angus Foundation Heifer. She has sons working for Bill Gaskill, Cody Schuelke and Siebring Angus.
- His Pathfinder grandam, SAV Emblynette 5483, is the lead-off and top-selling cow from the 2016 SAV Sale and continues a chain of five consecutive generations of Emblynette Pathfinders. She has 15 daughters employed in the SAV herd and 85 direct progeny highlighting past SAV sales to cowmen in 23 states, Canada and Mexico.

- Recommended for heifers. This unique calving-ease son of America is maternally-charged from generations of fertile, top-producing Emblynette dams that lasted in the herd for years.
- His sharp-fronted, wedge-shaped dam by Resource sports a beautiful udder and is on the path to productivity, in the tradition of the five consecutive generations of Pathfinder dams that produced her. She has joined the SAV embryo program and has three progeny highlighting past SAV sales to Jamie Isane, Voss Angus and Tweedy Cattle Co.
- His Pathfinder grandam, SAV Emblynette 5483, is the dam of SAV International 2020 and is the top-selling cow from the 2016 SAV Sale. She has 15 daughters retained and 85 progeny highlighting past SAV sales.

SAV EMBLYNETTE 5473

- Herd-builders by America with powerful performance and proven cow power behind them - from a very predictable mating. They are full brothers to AI sires, SAV America Made 0079 and SAV Made In America 0029, who were top-selling features on the 2021 SAV Sale. A full sister is the #1 ribeye female of the 2020 calfcrop.
- Their maternal brother, SAV Territory 7225, is the \$230,000 lot 1 bull from the 2018 SAV Sale and major headliner at ST Genetics.
- Their front-pasture dam by Density is a fifth generation SAV embryo donor and a herd favorite with beautiful body type and a world-class udder. Five daughters are employed in the SAV herd and 16 progeny have highlighted past SAV sales to cowmen in eight states and Canada.

SAV Stars N Stripes 1076 - a standout since birth by America...

"Just sending a note on the first America calf born and registered in Canada. I just recently sold her as a bred heifer in the Ontario Autumn Angus Classic sale on September 4, 2021 for \$58,000 to Carelea Farms. Amazing style and performance with limitless potential; certainly worth the investment."

- SAV Stars N Stripes 1076 presents authentic Angus breed character with herd-changing type and breed-impacting credentials. He is an absolute stud – stamped with thickness, muscle, stoutness and power. He earned a 205-day weight of 1038 lbs. for a weaning ratio of 112 and sports EPDs for weaning and yearling weight in the breed's top 1%.
- His productive, nice-uddered dam by Renown follows the mold of the three generations of Emblynette Pathfinder dams that produced her. A son, SAV Patriot 9340, was selected by Santiago Debernardi in Argentina as a feature of the 2020 SAV Sale and a daughter is working for Voss Angus. Her flush sister reigns as the #1 milk EPD cow in the SAV herd.
- His Pathfinder grandam by Net Worth is the second top marbling female of her calfcrop. She has 13 progeny highlighting past SAV sales, including the \$47,500 SAV Best Interest 0136 at Genex AI Stud.

SAV PATRIOT 9340

- SAV Annuity 1064 is a gentle-natured, beef bull deluxe with thickness, muscle, volume and superior structure – bred and built to last.
- His moderate, easy-fleshing dam by Resource and grandam by Net Worth were produced from seven consecutive generations of Emblynette Pathfinders. Four progeny from the dam of lot 35 have highlighted past SAV sales and a daughter retained in the SAV herd is the #1 ribeye and #5 marbling female of her calfcrop.

Thank you very much for your kindness and hospitality. My son and I absolutely love going to Schaff Angus Valley. You always roll out the red carpet and treat the small guy like he is your only customer. Your willingness to teach, mentor and show the ropes of the Angus business has meant the world to my son and I."

- Flush brothers fortified with the performance, phenotype, pedigree power and cow family strength to compliment most any program. They are led by SAV Freedom 1718, a phenotypic stunner with shape, substance and style.
- Their top-producing dam is a model of efficiency with front-pasture phenotype and impeccable udder quality. She is a leading member of the same historic flush that produced the legendary Resource. She has 20 daughters retained in the SAV herd and 39 progeny highlighting past SAV sales to cowmen in 11 states and Canada. Her top-selling sons include SAV Hercules 8864 and SAV Sterling 6067.
- Their legendary grandam, SAV Blackcap May 4136, needs no introduction as the Angus breed's most influential genetic contributor and top income-producing cow.

"I am really happy to have your bloodlines in my herd. You are doing a fantastic job pushing the Angus breed forward. May blessings be brought to all of you."

- SAV Authentic 1256 is a personal favorite with incredible phenotype, performance and cow power. He will command your attention with his powerful thickness, length, muscle and style. He is a leader of his calf crop with a 205-day weight of 1023 lbs. for a weaning ratio of 110 and EPDs that run up the charts.
- His awesome, high-maternal dam records a weaning ratio of 105 on 3 calves and is the #4 milk, #6 weaning and #7 yearling EPD cow in the SAV herd. She is a flush sister to the \$160,000 SAV Quarterback 7933 at Genex AI Stud. Her sons have highlighted past SAV sales to Kevin Sailer and Baldrige Cattle Co.
- His grandam, SAV Blackcap May 3525, is a maternal centerpiece and the all-time greatest daughter of Final Answer. She has 15 daughters retained in the SAV herd and 50 progeny highlighting past SAV sales, including Quarterback, Early Arrival, Capitol and the two largest ribeye bulls in the 2021 SAV Sale.

- SAV Acreage 1247 represents everything we strive to produce. He is thick, durable and rugged-built with tons of muscle, massive volume and dimension in an easy-fleshing, herdbull package. He is equally impressive on paper, earning a 205-day weight of 1023 lbs. for a weaning ratio of 110 and EPDs that will rival the best. He comes from two consecutive generations of elite Pathfinders to complete his perfect resume.
- His broody, heavy-milking Pathfinder dam by Resource records a weaning ratio of 107 on 4 calves and is the #6 weaning and #4 yearling EPD cow in the SAV herd. Three sons have averaged \$11,500 in past SAV sales to Justin Bakeberg, Ken Schmidt and Hilltop Angus Ranch.
- His Pathfinder grandam by Brand Name records a weaning ratio of 105 on 7 calves with three daughters retained and for progeny highlighting past SAV sales.

--------------	-------------	-------------	------------	-------------	------------	-----------------	-------------	----------------	-------------

SAV President 6847 is the lead-off and \$750,000 world-record-selling bull of the 2017 SAV Sale where he was the heaviest 205-day weight bull of his calfcrop at 1077 lbs. and posted a 365-day weight of 1690 lbs. and scanned a 365-day ribeye of 16.6 inches. President is powerful in every dimension - extra-long, thick and heavy-muscled with superior soundness, perfect feet and a friendly disposition. He has awestruck the Angus world in the breeding pasture with his physical form and superb structural design.

President's progeny are consistently powerful in phenotype, displaying incredible thickness, muscle-shape, length of spine with strong performance and impeccable feet quality. They have earned him proven EPDs in the breed's top percentiles for weaning and yearling weight, ribeye, claw and angle. His progeny include SAV America 8018, the \$1.51 million world-record-selling bull.

His legendary dam, SAV Blackcap May 4136, is the Angus breed's most influential genetic contributor and top income-producing cow, generating \$10.2 million on 224 direct progeny averaging \$45,641 in past SAV sales.

The 2022 SAV Sale presents 20 progeny and 135 grand progeny of President!

SAV BLACKCAP MAY 4136

The Angus breed's most influential genetic contributor and top income-producing cow with \$10.2 million in receipts on 224 direct progeny in past SAV sales and 58 daughters retained in the SAV herd.

SAV AMERICA 8018

The \$1.51 million world-record-selling bull in Angus history, sired by President.

SAV President 6847 stands guard at Schaff Angus Valley.

SAV President 6847 is proud King of the breeding pasture.

Powerful President bulls...

"President is one of my favorite souls of all time. Not only is he phenotypically superior, he's as kind as any bull I've ever had a chance to meet. Oh, and the calves are pretty salty too!"

- A presidential team of flush brothers with herd-improving properties in all areas of phenotype, performance and maternal cow power. They replicate a proven, predictable mating that produced multiple top-selling bulls in past SAV sales and nine of the very top 2019 model cows in the SAV herd.
- Their powerhouse Pathfinder dam is a performance trait-leader and seventh generation SAV embryo donor with maternal dominance and top production. She records a weaning ratio of 104 on 7 calves with 25 daughters working in the SAV herd and 41 progeny highlighting SAV sales to cowmen in 14 states, Canada and Mexico.
- A full sister, SAV Madame Pride 9967, serves in the SAV embryo program and full brothers include SAV Jackson 9936, SAV Lincoln 9939, SAV Madison 9937, SAV Johnson 9938 and SAV Monroe 9166.

--------------	-------------	-------------	------------	-------------	------------	-----------------	-------------	----------------	------------

SAV Bloodline 9578 is the lead-off and \$250,000 top-selling bull from the 2020 SAV Sale. He is a performance powerhouse and the most popular and widely-used bull of his calfcrop in the Angus breed. He is a dominating sire of extra growth, volume, muscle, pounds and power. His progeny have performed with the best and have strong approval ratings across a large number of herds. His sons are big, stout, power bulls with muscle, rib-shape and payweight. His daughters are feminine, angular and voluminous with striking maternal presence.

His Pathfinder dam, SAV Emblynette 2369, is unmatched in the breed for phenotype, performance and production. She is the top income-producing cow, #1 beef value, #2 marbling and #2 carcass weight cow in the SAV herd. She is the #1 205-day weight and top marbling female of her calfcrop and records a progeny IMF ratio of 135 on 35 progeny scanned. She has 25 daughters employed in the SAV herd, 30 progeny in this sale and has tallied \$1.7 million on 40 progeny averaging \$42,375 in past SAV sales, including the top-selling females in the 2019 and 2020 SAV sales, as well as the herdsires Bloodline, Emblem, Dewdrop and Ajax.

The 2022 SAV Sale features 70 progeny from Bloodline's phenomenal first calfcrop, as well as 30 full and maternal siblings!

Schaff Angus Valley - headed in the direction of predictable, productive Angus cattle.

SAV EMBLYNETTE 2369

Breed-leading Pathfinder dam of SAV Bloodline 9578.

SAV EMBLYNETTE 7566

Maternal grandam of SAV Bloodline 9578. She has generated \$1.4 million in direct progeny sales and remains in production at 15-years of age.

SAV EMBLYNETTE 7261

Pathfinder third dam of SAV Bloodline 9578. This prolific fourth generation Pathfinder served the SAV program for 21+ years.

- Genetic trendsetters with performance, muscle, maternal and cow power beyond compare. They are the herdbull kind and on the radar of the Angus world. Lots 99-101 are recommended for heifers.
- Their front-pasture dam walks with the best in the breed for phenotype and production. She is a full sister to Resource, Renown and Recharge and records a weaning ratio of 106 on 7 calves. She has 12 daughters employed in the SAV herd and 41 progeny highlighting past SAV sales to cowmen in 15 states. A son, SAV Technique 5120, was selected by Alta Genetics as a top-selling feature of the 2016 SAV Sale where he scanned a 365-day ribeye of 19.5 inches.
- Their legendary grandam, SAV Blackcap May 4136, appears twice in their pedigree and takes honors as the top income-producing cow in SAV history with \$10.2 million in direct progeny sales.

- Recommended for heifers or cows. SAV Blood Brother 1114 has the phenotype and genotype of a real breeding bull – linebred for genetic potency and predictability.
- His moderate, easy-fleshing dam has a beautiful udder, abundant milk, and a top production record. She is from the same mating as Resource, Renown and Recharge and many of the greatest cows in the SAV program. Three daughters are retained in the SAV herd and four progeny have highlighted past SAV sales to Katie Colin Farm, Waibel Ranches, Ray Gilbert and Voss Angus.
- His legendary grandam, SAV Blackcap May 4136, appears twice in his pedigree and is recognized as the Angus breed's most influential genetic contributor.

SAV SCALE HOUSE 0845

Maternal brother to lots 105-107 selected by Voss Angus and TK Ranch as the top-selling bull from the 2021 SAV Sale.

Bloodline bulls with power in the blood...

"Howdy Kelly! It was great getting to visit with y'all this afternoon. We had an absolute blast looking through the herd of magnificent animals you have! Bloodline and Early Arrival looked fantastic and even more impressive than the first time we saw them. We are so blessed with the partnership/friendship that has been created and can't wait to see what the future holds. We definitely will be back in February for the sale. Once again, thank you for your hospitality."

SAV Blood Money 1190 - Lot 117...

"Here is SAV Emblynette 5020. She is a Renown out of International's mom. I came all the way from South Africa to start up an operation here. I love SAV cattle! Best in the breed, my whole herd is SAV influenced. I flushed this particular cow to Bloodline and Rainfall. Waiting to get some America and Anthem semen to flush again."

SAV Downpour 8794 is a dominating sire of powerful, performance-driven progeny with massive volume, dimension and gainability. He consistently stamps his progeny with these herd-improving attributes, proving to be a potent sire. His sons are rugged-built, stock bulls with true muscle definition, extra rib-shape and real payweight. His daughters are feminine and broody with a classic maternal design. Downpour is the #1 365-day weight and \$100,000 third top-selling bull from the 2019 SAV Sale. He recorded a 205-day weight of 1082 lbs., 365-day weight of 1655 lbs., IMF ratio of 138 and yearling scrotal of 43.7 cm.

His Pathfinder dam, SAV Madame Pride 4407, is a herd-leader with front-pasture phenotype and top production. She is a seventh generation SAV embryo donor with 15 daughters employed in the SAV herd and 30 progeny averaging \$20,066 in past SAV sales to cowmen in eleven states and Canada.

Downpour is now-deceased and semen inventories are depleted. The 2022 SAV Sale presents a grand opportunity to access 33 direct progeny as well as 14 full and maternal siblings!

SAV MADAME PRIDE 0235

Maternal grandam of Downpour from a masterful blending of Density with SAV Madame Pride 0075.

The 2022 SAV Sale marks the 119th Production Sale of registered Angus cattle for the Schaff family.

- SAV Double Down 1254 is a performance headliner with tons of muscle, volume and massive dimension in a herdbull package – a near replica of his sire. He pounds the scale down at every crossing and earned a 205-day weight of 1055 lbs. for a weaning ratio of 113, ranking among the seven top-indexing bulls of his calfcrop. He will be a poundmaker and profitmaker in tandem, while leaving deep-bodied, easy-fleshing, production-oriented daughters.
- His productive dam by Rito 9969 records a weaning ratio of 107 on 8 calves and has seven progeny averaging \$8892 in past SAV sales, including SAV Deep Water 8260, the #1 205-day weight bull of the 2019 calfcrop. Her flush sister, SAV Elba 2536, is the \$65,000 lead-off and top-selling cow in the 2018 SAV Sale.
- His legendary grandam, SAV Elba 1094, is the former high income-producing cow with 122 progeny in past SAV sales and 31 daughters retained in the SAV herd.

- SAV Legacy 1295 is a milestone breeding achievement with monumental maternal value and breed-impacting potential. He is the one-of-a-kind flushmate brother to the greatest flush of heifer calves produced at SAV, from the master mating of Downpour to the breed-leading Pathfinder, SAV Emblynette 2369. He is patented with the look and breeding of a potent maternal sire who could follow the legacy of the greatest SAV maternal sires of all time. His depth of pedigree in unrivaled in the business, combining the sires Downpour, Rainfall, Resource, Density, Net Worth, Charlo, Rito 9969, Traveler 004, Bando 5175, EXT, Right Time and more. At the same time, he combines the females 2369, 4407, 4136 x 2, 0075, 7566, 7261, 472 and more. The gene pool is stacked and the foundation is laid for maternal greatness – a grand opportunity to get in on the ground floor.
- His Pathfinder dam in unmatched in the breed for phenotype, performance and production. She is the #1 beef value, #2 marbling, #2 carcass weight and top income-producing cow in the SAV herd with \$1.7 million in direct progeny sales. She has 25 daughters retained, 30 progeny featured in this sale and multiple herdsire sons to her credit, including Bloodline, Emblem and Ajax. She records an astonishing progeny IMF ratio of 135 on 35 progeny scanned.

SAV DOWNSCALE 1057 - LOT 147

"Congrats on another great sale. From the first till the last bull thru the sale ring, it was the most impressive set of bulls I've seen. Many thanks to you, your entire crew and family who all helped make it an enjoyable weekend. SAV Surplus has been adjusting to life in Iowa for 5 days now and looks fantastic. He came highly recommend by Kelly and it is easy to see why. I have never been more optimistic about an individual, male or female, in my herd."

-Mark McElhinney

- SAV Downscale 1057 is a real-world beef bull – masculine and moderate with muscle, capacity, fleshing-ability, huge scrotal and docile temperament.
- His gorgeous, feminine dam sports a perfect udder. She is a full sister to Seedstock and Sensation and the top-selling heifers in the 2016 SAV Sale. Four progeny are top-selling features of past SAV sales, including SAV Surplus 0049 working for Mark McElhinney.
- His legendary grandam, SAV Blackcap May 4136, is the Angus breed's most influential genetic contributor and top income-producing cow.

SAV SURPLUS 0049

Maternal brother to lot 147 selected by Mark McElhinney as a feature of the 2021 SAV Sale.

SAV BLACKCAP MAY 4136

The breed's most influential genetic contributor and top income-producing cow. Maternal grandam of lots 147-148.

SAV BLACKCAP MAY 8961

Pathfinder grandam of lot 149. She is a full sister to SAV Blackcap May 4136 and dam of Linebacker and Jesse James.

"Well, Lot 433 arrived here in Veteran, Wyoming, and we couldn't be more pleased with him! He is exactly what we have been looking for - Extremely good bull! Love his genetics! And calm disposition!!"

-Janet Butterfield

SAV BLACKCAP MAY 4136

The Angus breed's most influential genetic contributor and top income-producing cow with \$10.2 million in receipts on 224 direct progeny in past SAV sales and 58 daughters retained in the SAV herd.

SAV MADAME PRIDE 8487

A typical Rainfall daughter in production.

BIRTH	+0.1	WEAN	+58	MILK	+27	YEARLING	+111	SCROTAL	+1.00
-------	------	------	-----	------	-----	----------	------	---------	-------

SAV Rainfall 6846 is a highly-respected, industry-proven sire and major headliner at Select Sires AI Stud and a breed leader for annual registrations – selected as the \$460,000 second top-selling bull from the 2017 SAV Sale.

Rainfall is a total herd-improver with proven calving-ease, performance, phenotype, carcass quality and cowmaker credentials. Rainfall is an early gestation, low birth weight sire that can be used on virgin heifers without sacrificing thickness, muscle and capacity, Angus breed character and real-world production traits. His progeny have exceptional marbling and feet quality, ranking him among the top foot-improving sires in the breed. His sons include the \$250,000 SAV Bloodline 9578 and the \$100,000 SAV Downpour 8794. His first daughters in production are moderate-sized, nice-uddered and highly efficient – the kind to build a herd around.

His legendary dam, SAV Blackcap May 4136, is the Angus breed's most influential genetic contributor and top income-producing cow, generating \$10.2 million in receipts on 224 direct progeny averaging \$45,641 in past SAV sales. She has 58 daughters retained in the SAV herd and a multitude of herdsire sons.

The 2022 SAV Sale features 55 direct progeny of Rainfall, as well as 108 grand progeny!

SAV DOWNPOUR 8794

The \$100,000 top-selling Rainfall bull in the 2019 SAV Sale where he was the #1 365-day weight bull.

SAV GRAND CANYON 0969

The \$45,000 top-selling Rainfall bull in the 2021 SAV Sale to Rust Mountain View and Carlson Angus Ranch, being utilized in the SAV breeding program.

SAV BLOODLINE 9578

The lead-off and \$250,000 top-selling bull from the 2020 Sale, sired by Rainfall.

- A logical place to lead off this sire group – four full brothers by Rainfall from the elite Pathfinder, SAV Madame Pride 3145. They bring front and center some of the most important and highly sought after genetics in the breed and blend it with a perfect combination of performance, phenotype, numerical data and cow power strength. They are led by SAV Riptide 1835, a phenotypic stunner and major-league herdsire prospect with superb soundness and the look of the future.
- Their Pathfinder dam is a herd favorite with unmatched femininity, fertility, feet and udder quality. She records a weaning ratio of 107 on 7 calves and ranks among the three top income-producing cows in the SAV herd. She has 21 daughters retained and 20 progeny highlighting past SAV sales, including the \$225,000 SAV Anthem 0042, the featured lot 1 bull from the 2021 SAV Sale, and the \$200,000 SAV Circuit Breaker 7136, the largest ribeye bull from the 2018 SAV Sale at 19.2 inches.

Rainfall bulls from the SAV Madame Pride family...

"Please find a summary of carcass results and representative images from grass-finished steers sired by SAV Rainfall 6846 coming off pasture on Maui, Hawaii. Congratulations on producing an Angus sire that provides an excellent combination of carcass quality, yield and tenderness traits."

- SAV Rain Down 1878 is a personal favorite with so many positives to offer – pristine pedigree, phenotype, performance and cow power beyond compare. He has enough calving-ease to be employed on heifers and yet maintains thickness, capacity, muscle and a beef bull look.
- His full brother, SAV Downpour 8794, is the \$100,000 third top-selling bull from the 2019 SAV Sale where he had the heaviest 365-day weight and largest scrotal. He has proven himself a superior sire and although now-deceased, his popularity continues to soar.
- His magnificent Pathfinder dam walks with the best in the breed for phenotype, production and maternal power – always a favorite of visitors to the ranch. He has 15 daughters employed in the SAV herd and 30 progeny highlighting past SAV sales.

SAV DOWNPOUR 8794

Full brother to lot 164. The #1 365-day weight and \$100,000 third top-selling bull from the 2019 SAV Sale.

SAV CHARISMA 8160

Maternal brother to lot 165 selected by ST Genetics as a \$20,000 feature of the 2019 SAV Sale.

- SAV Deep River 1134 is a big-time performer with as much capacity, center body mass and base-width as you can put in one. He earned a 205-day weight of 1016 lbs. for a weaning ratio of 109 and EPDs for weaning and yearling weight and scrotal in the breed's top percentiles.
- His massive Pathfinder dam by International records a weaning ratio of 111 on 4 calves and is the sixth top weaning and yearling EPD cow in the SAV herd. Her first son, SAV Charisma 8160, was selected by ST Genetics as a \$20,000 feature of the 2019 SAV Sale where he was the heaviest 205-day weight bull off the 2-year-old dams. Another son sold last year to Boone Cattle Co. and a daughter is featured as lot 554.

SAV RAINCHECK 1805 - LOT 166

SAV MADAME PRIDE 1134
Pathfinder dam of lots 166-172.

"I wanted to say I love the 1134 x President heifer. She's super clean-fronted and thick and seems to be easy keeping. We like her a lot! I wondered about mating her to SAV Ease, also what bulls you would recommend to flush her to in the future? Thank you very much and hope to see you this summer again."

-Nick Dearmore

- Seven supreme calving-ease flush brothers from the mating of Rainfall to the elite Pathfinder, SAV Madame Pride 1134. They can be utilized with confidence on virgin heifers without sacrificing essential thickness, muscle, capacity and natural fleshing-ability. They have all the tools you need to produce a more consistent, high quality calfcrop.
- A maternal brother, SAV Ten Speed 3022, is a widely-used, industry-proven AI sire at Genex AI Stud and the \$260,000 top-selling bull in the 2014 SAV Sale.
- Their phenomenal Pathfinder dam records a weaning ratio of 105 on 8 calves. She is a maternal masterpiece – feminine, capacious and perfect-uddered with beautiful body type. She has eight daughters retained and 48 progeny highlighting past SAV sales to cowmen in 15 states and Canada.

SAV TEN SPEED 3022
Maternal brother to lots 166-172 selected by Genex and partners as the \$260,000 top-selling bull from the 2014 SAV Sale.

- Rainfall x Resource x Density equals predictable performance, maternal and cowmaker traits.
- His 2-year-old Resource dam draws intense maternal strength from the four consecutive generations of Emblynette Pathfinder dams that produced her.
- His Pathfinder grandam exemplifies the classic maternal quality of Density with perfect udder quality and abundant milk. She has four daughters retained in the SAV herd and five progeny highlighting past SAV sales.

- Recommended for heifers. This calving-ease bull is moderate and masculine with expressive muscle shape and authentic Angus breed character.
- His broody, nice-uddered 2-year-old dam is modest-sized and super complete, from the Duke Girl family that led the SAV herd for many years.
- His grandam by Resource comes from two generation of Pathfinders and is a full sister to SAV Don Pepe 4443 at Genex AI Stud.

- SAV Flash Flood 1250 is a scale-smashing performance bull with tremendous length, thickness, muscle and worlds of substance and bone. He earned a 205-day weight of 1050 lbs. for a weaning ratio of 113, ranking among the seven top-indexing bulls of his calfcrop. His EPDs for weaning and yearling weight indicate he will be a major poundmaker. Take advantage of the extra birth, it will show up a hundred fold in the stoutness and payweight of his calves.
- His 2-year-old dam by Renown takes high honors for maternal efficiency.
- His grandam is a daughter of the elite Pathfinder, SAV Blackcap May 5530, and sister to the \$35,000 SAV Ignition 5629 at ZWT and Buford Ranches.

-------	-------------	------	------------	------	------------	----------	-------------	---------	------------

SAV Emblem 8074 is the \$175,000 second lead-off bull of the 2019 SAV Sale where he was appreciated for his power, performance and presence. He earned a 205-day weight of 977 lbs., 365-day weight of 1643 lbs., 365-day ribeye of 16.2 inches, IMF ratio of 130 and a yearling scrotal of 41.9 cm. He is a phenotypic and genotypic superstar with size, length and muscle, backed up with a maternally-charged cow family. His progeny excel in phenotype and performance with extra length, muscle and pounds, balanced with eye-appeal and superb structure.

His Pathfinder dam, SAV Emblynette 2369, is unmatched in the breed for phenotype, performance and production. She is the top income-producing cow, #1 beef value, #2 marbling and #2 carcass weight cow in the SAV herd. She is the #1 205-day weight and top marbling female of her calfcrop and records a progeny IMF ratio of 135 on 35 progeny scanned. She has 25 daughters employed in the SAV herd, 30 progeny in this sale and has tallied \$1.7 million on 40 progeny averaging \$42,375 in past SAV sales, including the top-selling females in the 2019 and 2020 SAV sales, as well as the herdsires Bloodline, Emblem, Dewdrop and Ajax.

The 2022 SAV Sale features 80 Emblem progeny as well as 30 maternal siblings!

SAV EMPOWER 0158

This Emblem working for Lyle Anderson takes honors as the heaviest 205-day weight bull in SAV history.

SAV EMBLYNETTE 7566

Maternal grandam of Emblem. She has generated \$1.4 million in direct progeny sales and remains in production at 15-years of age.

SAV EMBLYNETTE 7261

Pathfinder third dam of Emblem. This prolific fourth generation Pathfinder served the SAV program for 21+ years.

SAV EMBLYNETTE 2369

- Ten tremendous full brothers with the phenotype, performance, pedigree and monumental maternal value to make a lasting contribution. They are strong from start to finish with consistent length, muscle, soundness and structural integrity – some of the best to sell. Their pristine pedigree incorporates SAV Blackcap May 6644 and SAV Emblynette 2369, with a double-shot of the legendary SAV Blackcap May 4136 – maternal power beyond compare!
- Their superstar dam is a one-of-a-kind flush sister to the world-record-selling flush of bulls that include President, Rainfall, Raindance and Governor. She is an SAV headliner donor with a progeny IMF ratio of 112 on 47 progeny scanned, 14 daughters retained in the SAV herd, 49 progeny in this sale and 62 progeny averaging \$9491 in past SAV sales, including eight of the first nine bulls to walk through the ring at the 2020 SAV Sale.
- Their legendary grandam, SAV Blackcap May 4136, is the Angus breed's most influential genetic contributor and top income-producing cow.

- Eight exceptional full brothers with herdbull properties and herd-improving potential, backed by the best maternal cows in the business. They are the kind to build a cowherd around and make a lasting contribution. Lot 213 is recommended for heifers.
- Their phenomenal dam is an industry favorite with ideal body type and superior structure – among the most recognized and respected cows in SAV history from the same historic flush that produced Resource. She records a weaning ratio of 104 on nine calves with nine daughters retained in the SAV herd and 22 progeny highlighting past SAV sales.
- Their legendary grandam, SAV Blackcap May 4136, appears twice in their immediate pedigree as a proven and reliable source of maternal performance.

- An assembly of flush brothers fortified with calving-ease, maternal value and cow family strength for generations. Their full sisters in the SAV replacement pen are among the best to be found with majestic maternal quality – indicators of the female legacy these bulls will leave behind. Lots 216-217 and 219 are recommended for heifers.
- Their top-producing dam is a model of efficiency and a lead member of the same historic flush that produced the legendary Pathfinder Sire, Resource. She has 20 daughters retained in the SAV herd and 39 progeny highlighting past SAV sales to cowmen in eleven states and Canada.

- A gold-card member of the 900-pound club at 205-days. He has the maternal supremacy to bank on and build a cowherd around.
- His massive, broody dam by Rito 7075 defines maternal power and dominates the turf she walks on. She comes from three consecutive generations of Duke Girl Pathfinders and is a full sister to SAV Buenos Aires 3434 at Genex AI Stud. Three daughters are retained in the SAV herd and progeny are working for Voss Angus, Palas Farms, Wolff Ranch and Lennick Ranch.
- His Pathfinder grandam records a weaning ratio of 110 on 3 calves and is dam of SAV First Class 0207 at Accelerated Genetics and SAV Camaro 9272 at Semex AI Stud.

Exceptional Emblem bulls from the SAV Emblynette family...

"Thank you for your time and knowledge that you shared with us. Absolutely a top notch set of cattle and sure gets me excited for the future of our industry. My head is spinning with ideas since we left. It was a trip well worth it."

-Aaron Tenney

SAV ENTRUST 1841 - LOT 237

A congress of powerhouse flush brothers from one of the strongest flushes in SAV history. They blend pedigree, phenotype, performance and power together in perfect harmony with a maternal heritage second to none. They are on the radar of everyone who has seen them and their breathtaking flush sisters. Their added birth advantage will show up in the stoutness, power and payweight of their calves. Their Pathfinder dam is a performance trait-leader and seventh generation SAV embryo donor with maternal dominance and top production. She records a weaning ratio of 104 on 7 calves with 25 daughters employed in the SAV herd and 41 progeny highlighting past SAV sales to cowmen in 14 states, Canada and Mexico. Their heavy-milking grandam, SAV Madame Pride 0413, is a maternal sister to America with 24 progeny featured in past SAV sales, including SAV Influence 4043 at Alta Genetics.

- SAV Everlasting 1249 is in a league of his own, with as much power, performance and presence as you can put in an Angus bull. He will be an everlasting source of performance and maternal value - bred in for generations. He has been a standout since birth and a favorite of visitors to the ranch. He earned a 205-day weight of 995 lbs. for a weaning ratio of 107 and ranks among the seven top ribeye bulls in the offering. His broody, big-bodied dam by Resource has a beautiful udder and stands on perfect feet. She comes from six consecutive generations of SAV embryo donors. Her progeny are working for Lyle Anderson, Steger Angus and Bear Creek Angus.
- His prolific 17-year-old grandam, SAV Madame Pride 5290, has 22 daughters retained in the SAV herd and 127 progeny highlighting past SAV sales to cowmen in 25 states and Canada.

SAV Reference Sire - SAV Raindance 6848...

Impacting performance sire and major breeding force at ST Genetics...

88 PROGENY & GRAND PROGENY SELL!

"I hope you and your family are well and the cattle are doing great. I just wanted to let you know that we've been using SAV Raindance for a few years now. I absolutely love the calves. They come easily and perform well. They are deep ribbed and long sided. They have great feet and legs. Our females breed back well and have great udders. We just bred him to forty heifers last week. I plan to use Raindance for many more years to come. Good luck on your February sale. We plan to be there. We love the Scale Crusher bull we bought last spring and look forward to his first calves coming."

-Bryan Christensen

SAV BLACKCAP MAY 4136

The Angus breed's most influential genetic contributor and top income-producing cow with \$10.2 million in receipts on 224 direct progeny in past SAV sales and 58 daughters retained in the SAV herd.

COLEMAN CHARLO 0256

Pathfinder sire with proven calving-ease, thickness, muscle and maternal value. He is a product of the SAV Abigale family. His influence is heavily represented throughout this offering.

SAV Raindance 6848 is a major breeding force in the industry and headliner at ST Genetics – one of the highly regarded sires of this era. He is the \$450,000 second lead-off bull of the world-record-selling flush from the 2017 SAV Sale where he recorded a 205-day weight of 1053 lbs., a 365-day weight of 1640 lbs. and scanned a 365-day ribeye of 17.6 inches. Raindance presents herdbull character with massive volume and strong performance. Raindance progeny have a combination of moderate birth, large ribeye and pleasing phenotype. His sons include SAV Emblem 8074, the \$175,000 second lead-off bull from the 2019 SAV Sale. Raindance daughters in production have an incredible maternal design with added femininity, capacity and udder quality – the look of futuristic producers.

His legendary dam, SAV Blackcap May 4136, is the Angus breed's most influential genetic contributor and top income-producing cow, generating \$10.2 million on 224 direct progeny. The 2022 SAV Sale features 88 progeny and grand progeny of Raindance!

-------	------	------	-----	------	-----	----------	------	---------	-------

SAV Quarterback 7933 raises the bar for growth and performance higher than any sire identified in SAV history and boasts proven EPDs for weaning and yearling weight in the breed's top 1%. He was selected by Genex and partners as the #1 weaning and yearling EPD bull in the 2018 SAV Sale where he posted a 205-day weight of 1095 lbs., a 365-day weight of 1782 lbs. and a 365-day ribeye of 18.1 inches with a yearling scrotal of 44 cm. Quarterback is a true breed changer and consistently delivers progeny that are dominating for frame, length, growth rate and sheer pounds when they cross the scale. He sired eight of the first nine lead-off bulls in the 2020 SAV Sale and the two top-weaning heifers of the 2019 natural calfcrop.

His dam, SAV Blackcap May 3525, is a maternal centerpiece and the all-time greatest daughter of Final Answer. She is an SAV headliner donor and prolific producer with 15 daughters retained and 50 progeny highlighting past SAV sales, including the \$230,000 SAV Early Arrival 0903 who is the second top-selling bull from the 2021 SAV Sale.

The 2022 SAV Sale features progeny of Quarterback and maternal siblings!

SAV BLACKCAP MAY 3525

Maternal centerpiece and all-time greatest daughter of Final Answer. She is an SAV headliner donor with 15 daughters retained in the SAV herd and 50 progeny highlighting past SAV sales. Her son, SAV Early Arrival 0903, was the \$230,000 second top-selling bull in the 2021 SAV Sale.

SAV BLACKCAP MAY 7831

-------	------	------	-----	------	-----	----------	------	---------	-----

SAV Territory 7225 is the \$230,000 featured lot 1 bull from the 2018 SAV Sale and major headliner at ST Genetics. He has secured the prominent position as the single greatest breeding son and heir to the throne of the now-deceased legendary Pathfinder Sire, Resource. Territory earned a 205-day weight of 1075 lbs., a 365-day weight of 1744 lbs. and a 365-day ribeye of 18.7 inches. He is a beef bull supreme with massive volume, fleshing-ability and pure performance – the look of a real-world herdsire. Territory presents a large scrotal and high fertility with superb feet and a friendly disposition.

Territory sired the top-gaining and top-selling sire group of bulls in the 2020 SAV Sale, including SAV Landmark 9148 and SAV North Face 9140. His progeny have earned him proven EPDs for weaning and yearling weight in the breed's top percentiles. They are thick, deep-bodied, massive in their design with accelerated appetite, fleshing-ability and chart-topping performance. His daughters in production are capacious, easy-fleshing and broody with ideal udder-quality, docility and perfect feet.

The dam of Territory, SAV Emblynette 3293, is a herd favorite by Density with an impeccable udder, superior structure and model body type. She is a fifth generation SAV embryo donor with outstanding production success.

The 2022 SAV Sale features 40 progeny of Territory and eight maternal siblings!

SAV EMBLYNETTE 3293

- Double feature flush brothers with herdbull authority from the mating of Territory to the powerhouse Pathfinder, SAV Blackcap May 1808. They replicate the identical mating that produced SAV North Face 9140, the \$135,000 second top-selling bull from the 2020 SAV Sale and SAV Township 9143 selected by ST Genetics AI Stud.
- Their Pathfinder dam by Net Worth is a pinnacle of performance and maternal value and stamps her progeny with pure power. She records a weaning ratio of 108 on 9 calves with 18 daughters retained in the SAV herd and 96 direct progeny highlighting past SAV sales, including John Wayne, Roy Rogers, Renewal, Engage, Double Wide, North Face, Township, Missouri River, America First, Black Diamond and many more.

SAV ROY ROGERS 0863

Maternal brother to lots 264-265 selected by Jordan Rhodes and Shady Brook Angus as a top-selling feature of the 2021 SAV Sale.

SAV ENGAGE 0859

Maternal brother to lots 264-265 selected by ZWT Ranch as a top-selling feature of the 2021 SAV Sale.

SAV DOUBLEWIDE 0861

Maternal brother to lots 264-265 selected by Babcock Angus and Lowery Land & Cattle as a top-selling feature of the 2021 SAV Sale.

SAV NORTH FACE 9140

Full brother to lots 264-265 selected by Herbster Angus Farms as the \$135,000 third top-selling bull from the 2021 SAV Sale.

- SAV Trust 1356 is a thick, stout-rumped, heavy-muscled stud, backed by generations of maternally-superior dams.
- His magnificent 2-year-old dam by Raindance is on the fast track to stardom with a donor destiny.
- His iconic Pathfinder grandam, SAV Blackcap May 5530, hails as the third top income-producing cow in SAV history and is the dam of Priority, Brand Name, Regard, Robust and Cutting Edge. She has 31 daughters retained in the SAV herd and 113 progeny highlighting past SAV sales.

"Used SAV Certified in a flush and froze 13/13...Used 4 units...Semen must be good quality!!! Once again, thanks for selling me the 20 units. Pretty excited to see what will happen on the SAV Blackcap May 7888 cow with this mating."

-Justin Brown
Brown Angus Ranch

SAV BLACKCAP MAY 5530

- Recommended for heifers or cows. A masculine, thick-topped, deep-ribbed bull with plenty of muscle, matched with a herd-improving EPD profile. He is rich in the elements that make easy-fleshing, efficient cattle that perform and produce.
- His nice-uddered, modest-sized dam by President is perfect-footed and productive. A daughter sold to Boyd Beef as a feature of the 2021 SAV Sale.
- His herdsire-producing grandam, SAV Blackcap May 1782, produced SAV Elation 7899, the top-selling bull of the 2018 SAV Sale, as well as SAV Empower 0158, the record 205-day weight bull in SAV history.

SAV BLACKCAP MAY 1782
Maternal grandam of lot 268. She is the dam of SAV Elation 7899, the lead-off and top-selling bull from the 2018 SAV Sale.

Territory bulls from the SAV Blackcap May family...

"Call me crazy but we still heavily pasture breed with our SAV Providence 1566 bull. He was the first bull we bought at an SAV sale. He is 10+ years old and has never been lame, is extremely easy-fleshing and his docility is so awesome we may never part with him. We have a lot of progeny from hm and many more to come hopefully. Thanks for your time and superb service."

-Lenny Keilholz

- Real-world beef bulls with cowmaker credentials and maternal predictability from the mating of Territory to the superstar donor, SAV Blackcap May 6644. These bulls had a disadvantage due to their recip herd and will breed beyond expectations. They are solid, sound and coming on strong. Lot 275 is recommended for heifers, ranking as the second top calving-ease bull.
- Their phenomenal dam is a one-of-a-kind flush sister to the world-record-selling flush of bulls and is the #1 yearling weight female of her calf crop. She records an IMF ratio of 112 on 47 progeny scanned and has 62 progeny highlighting past SAV sales, including eight of the first nine bulls to walk through the ring at the 2020 SAV Sale.

Tremendous Territory bulls from the SAV Madame Pride family...

"As I approach our sale tomorrow, I just feel I need to give thanks to you and your program. Everywhere I see quality in our bulls it leads back to you and your life long passion for good cattle. I appreciate all of your advice and genuine willingness to be on our team when you can. We know you have busted your tail to help us. Thank you and God bless you. By the way, Jesse James is doing great."

- SAV Treasure 1492 is a major sale headliner with top-of-the-breed performance and a maternally-driven pedigree. He is long-as-a-rope with plenty of gas in his tank and packs a performance punch. He earned a 205-day weight of 1007 lbs. for a weaning ratio of 110 and sports EPDs for weaning and yearling weight in the breed's top 1%. He has the extra birth weight advantage that will show up in the stoutness, power and payweight of every calf he sires. If you sell cattle by the pound, pay attention here.
- His Pathfinder dam is a herd favorite with unmatched femininity, fertility, feet and udder quality. She is the third top income-producing cow in the SAV herd and records an IMF ratio of 117 and ribeye ratio of 103 on 26 progeny scanned. She has 21 daughters retained in the SAV herd and multiple top-selling sons to her credit, including SAV Anthem 0042, the lead-off lot 1 bull from the 2021 SAV Sale, and SAV Circuit Breaker 7136, the largest ribeye bull in the 2018 SAV Sale at 19.2 inches.

- An April Territory bull with a priceless pedigree and strong maternal advantage – stacked with proven breed-leaders on both sides of his pedigree.
- His gorgeous dam by President is a full sister to the Semex AI Stud sire, SAV Cleveland 9620. She ranks near the top of her class and is serving as an eighth consecutive generation SAV embryo donor. A son was selected by Wolff Ranch as a top-performing feature of the 2021 SAV Sale.
- His Pathfinder grandam, SAV Madame Pride 4407, is a herd-leader and dam of the \$100,000 SAV Downpour 8794.

SAV MADAME PRIDE 8375

Dam of lot 280 serving as an eighth consecutive generation SAV embryo donor.

+1.9	+75	+22	+133	84	1031	+374	1560	4.27

- SAV Turbo 1192 is a performance gunner with a curvending EPD profile that addresses all economically relevant traits, from calving-ease to carcass quality. He earned a 205-day weight of 1031 lbs. for a weaning ratio of 111, ranking him among the nine top-indexing bulls of his calf crop.
- His feminine, tidy-uddered dam is a flush sister to the herdsires, SAV Emblem 8074 and SAV Dewdrop 8119. A daughter was selected by Abby Hill Farms as a feature of the 2021 SAV Sale.
- His breed-leading Pathfinder grandam, SAV Emblynette 2369, is the top income-producing cow in the SAV herd. She ranks as the #1 beef value, #2 marbling and #2 carcass weight cow in the SAV herd and records a progeny IMF ratio of 135 on 35 progeny scanned.

SAV MADAME PRIDE 8375

Dam of lot 280 with her first son, SAV Energy 0132, who sold to Wolff Ranch as a top-performer in the 2021 SAV Sale.

- SAV Tavern 1314 is a well-balanced herdsire prospect with shape, substance and style in a structurally correct, attractive package.
- His majestic dam is super-fronted and angular with a world-class udder – a model for maternal excellence. She comes from four generations of embryo donors. A son was selected by Mike Timm as a feature of the 2021 SAV Sale.
- His grandam by Traveler 004 comes from two generations of Emblynette Pathfinders and full sister to the featured lot 1 bull from the 2006 SAV Sale.

"The first animal we bought was SAV Emblynette 5229. She has worked very well for us and so the following year, we purchased SAV Madame Pride 6613. We have been flushing both of these cows and entered two ET bulls into the 2021 Minnesota Beef Cattle Improvement Association Test Station, including the high indexing Angus bull and overall high indexing bull out of the test! We are very excited about the results of our purchases from SAV and wanted to share it with you."

- Recommended for heifers or cows. SAV Tex 1390 is an awesome April bull with a bright future ahead. He earned a 205-day weight of 980 lbs. for a weaning ratio of 111 and sports EPDs for weaning and yearling weight in the breed's top percentiles.
- His beautiful, heavy-milking dam by Raindance records a weaning ratio of 109 on her first two calves. She is the #4 ribeye and #6 yearling weight female of her calf crop.
- His productive Rito 7075 grandam comes from two generations of Emblynette Pathfinders. She records a weaning ratio of 105 on 8 calves and produced SAV Instinct 4258 at Genex AI Stud.

- SAV Torch 1388 is a mid-April Territory bull with the look and breeding of a cowmaker supreme – thick, wide-based, and full-bodied with massive volume and dimension in an easy-fleshing package.
- His broody dam by Charlo is among the best of her class for body type and udder quality. She is the second top marbling female of her calfcrop and comes from two generations of prolific Emblynette Pathfinder dams. A son sold last year to Al Heinert.
- His 18-year-old Pathfinder grandam is a true testament to the longevity, fertility and maternal productivity of the Emblynette family lineage.

-------	-------------	------	------------	------	------------	----------	-------------	---------	--------------

SAV Landmark 9148 is the \$100,000 third top-selling bull from the 2020 SAV Sale to Voss Angus. He is intensely linebred for genetic potency and predictability and is proving his ability as a potent, powerhouse sire. His progeny are extra-thick and densely-muscled with masculinity and authentic Angus breed character. They are powerfully-constructed, solid and sound-to-the-ground with exemplary foot structure. His sons are rancher-approved and pounds heavy and will represent him well in this offering. His daughters are nearly all in the replacement pen and have a majestic maternal look with destiny to be beautiful-uddered, futuristic producers.

His dam, SAV Blackcap May 1420, is a maternal masterpiece with exquisite femininity and abundant milk - a near replica of her legendary dam, SAV Blackcap May 4136. She is the lead member of the historic flush that produced the Pathfinder Sire, Resource. She has six great-uddered daughters retained in the SAV herd and 23 progeny averaging \$17,195 in past SAV sales to cowmen in ten states, Canada and Brazil. Her other sons include the \$100,000 SAV Certified 0849 and the \$45,000 SAV Intense 4304 at ST Genetics.

The 2022 SAV Sale features 20 progeny of Landmark from his fabulous first calfcrop!

SAV BLACKCAP MAY 1420

Dam of Landmark pictured on the front cover of the 2015 SAV Sale book with her son, SAV Intense 4304, who was selected by ST Genetics as the largest ribeye bull in SAV history at 20.6 inches.

Special thanks to Kyle, Kurt and Corey Hart of KH Harvesting for the great job chopping at SAV! The Hart family have been loyal SAV customers since 1984 and we appreciate the opportunity to work with them for a span of 38 years!

SAV Headland 1012 - headliner herdsire prospect...

"Thanks again for everything you and the SAV team do for us! We are very thankful for the opportunities you and Martie have given Teresa and I. Thank you and God bless!"

- SAV Headland 1012 has herdbull written all over him, presenting outlier thickness, muscle shape, expansive volume and masculinity at an early age – the kind ranchers prefer. He is equally impressive on paper, with a modest birth and curvabending EPD profile that excels from start to finish. He comes from one of the strongest maternal lines identified in the breed to complete a perfect herdbull resume.
- His beautiful Rainfall dam produced the \$140,000 SAV Pancho Villa 0147, who was a crowd favorite at the 2021 SAV Sale.
- His gorgeous grandam, SAV Emblynette 3542, is a fourth generation SAV embryo donor. Seven daughters are retained in the SAV herd and 20 progeny averaged \$7687 in past SAV sales, including the #1 ribeye female of the 2016 calcrop.

• Eight exceptional flush brothers with superior phenotype, performance, pedigree power and cow family strength from the mating of Landmark to the elite Pathfinder, SAV Emblynette 2369. They exhibit muscle shape and substance with superb foot structure and authentic Angus breed character. Their flushmate sisters are among the very top of the SAV replacement pen. Use these bulls to create problem-free cows with high quality udders.

• Their Pathfinder dam is the #1 beef value, #2 marbling, #2 carcass weight and top income-producing cow in the SAV herd. She records a progeny IMF ratio of 135 on 35 progeny scanned. Her progeny include the top-selling females of the 2019 and 2020 SAV sales and the popular herdsires, Bloodline, Emblem and Ajax.

- Recommended for heifers or cows. SAV Land Rover 1133 represents everything we look for in an ideal breeding bull, with style and authentic breed character matched with masculinity, muscle and superb structure. He brings calving-ease and phenotypic excellence to one of the strongest maternal lines in the breed, produced from eight consecutive generations of productive SAV embryo donors.
- His beautiful dam by Rainfall has already joined the SAV embryo program, ranking at the top of her class for udder quality, body type and maternal excellence. She is the #3 ribeye and #7 yearling weight female of her calcrop. Her first son sold in the 2021 SAV Sale for \$9000 to Kelvin May.
- His majestic grandam by Harvester and Pathfinder third dam by Density hail from the maternal matriarch, SAV Madame Pride 0075.

- Recommended for heifers or cows. SAV Highlander 1147 is a big-time curvebender and AI stud candidate with top-of-the-breed performance. This athletic stunner offers a huge birth-to-yearling spread and is the third heaviest weaning bull of his entire natural calicrop, earning a 205-day weight of 1091 lbs. for a weaning ratio of 117.
- His productive dam by West River has ideal body shape and a well-designed udder. She records a weaning ratio of 106 on 5 calves and has three progeny averaging \$7000 in past SAV sales and a daughter retained in the SAV herd.
- His grandam, SAV Blackcap May 3525, is a maternal centerpiece and all-time greatest daughter of Final Answer. She is the dam of the \$160,000 SAV Quarterback 7933 at Genex AI Stud and the \$230,000 SAV Early Arrival 0903, the second top-selling bull from the 2021 SAV Sale.

SAV BLACKCAP MAY 3525

Maternal masterpiece and all-time greatest daughter of Final Answer. Dam of Quarterback and Early Arrival and grandam of lot 302.

SAV MAY 2397

The prolific Pathfinder third dam of lot 302. Dam of Density, Providence and the iconic females 4136, 8961, 1782, 1808 and 3525.

"Yesterday I was at the AI Stud in Nebraska and saw SAV Early Arrival. I believe with his overall goodness he could really be a super calving-ease sire in the future. I was overwhelmed with his goodness.

-Tom Burke

- SAV Rangeland 1291 is a big, powerful, top-gaining bull with scale-crushing performance, huge ribeye and all the pure power you can put in one. He earned a 205-day weight of 1012 lbs. for a weaning ratio of 109, with EPDs for weaning and yearling weight in the breed's top 1% - important numbers if you sell cattle by the pound. He has an added birth advantage that will benefit the growth and payweight of every calf he sires.
- His phenomenal outcross dam is the #1 weaning and yearling weight female of her calfcrop and the #1 carcass weight cow in the entire SAV herd. She records a weaning ratio of 107 on 3 calves and should qualify as a Pathfinder. She comes from the same flush as the two heaviest yearling weight bulls in the 2019 SAV Sale.
- His powerhouse grandam by Net Worth records a weaning ratio of 108 on 9 calves. He has 18 daughters retained in the SAV herd and has tallied \$1.4 million on 96 direct progeny in past SAV sales.

-------	-------------	------	------------	------	------------	----------	-------------	---------	------------

An absolute powerhouse performance sire with an abundance of thickness, muscle, volume and pounds - stout, heavy-boned and rugged-built. He is the \$135,000 featured lot 1 bull from the 2017 SAV Sale. His Net Worth dam is a superior producer with a weaning ratio of 107 on 10 calves. Abundance progeny carry the impressive stamp of their sire and have gained him worldwide popularity - coined as "the second coming of Net Worth." The 2022 SAV Sale will feature his progeny.

Remarkable bull by Renovation...

"Congratulations on a great sale. Josh and I really enjoyed walking the bull pens and appraising them. We had a difficult time trying to pick the "best". So many of them offered different traits to improve the breed. Thanks for all you do."

-Jason Wernimont

SAV Renovation 6822 is a herdbull phenomenon, siring the top-selling female and many of the top-selling bulls in the 2021 SAV Sale, including Jesse James, Pancho Villa, Roy Rogers and John Wayne. He is a breed-leader for registrations in Canada and headliner at Semex AI Stud. Renovation stamps his progeny with muscle, capacity, softness and soundness, along with authentic Angus type and breed character. His daughters in production are easy-fleshing with optimum milk and beautiful udders – compliments of Renown x Density and the Madame Pride family.

BIRTH	+3.9	WEAN	+82	MILK	+14	YEARLING	+148	SCROTAL	+88
-------	-------------	------	------------	------	------------	----------	-------------	---------	------------

SAV Circuit Breaker 7136 is a massive performance herdsire with length, capacity, muscle and superior soundness. His athleticism in the breeding pasture and perfect feet are complimented with large scrotal size, high fertility and a gentle disposition. He is the \$200,000 third top-selling bull from the 2018 SAV Sale where he was the #1 ribeye bull, scanning a 365-day ribeye of 19.2 inches, along with an IMF ratio of 130, 205-day weight of 1088 lbs. and a 365-day weight of 1690 lbs. Circuit Breaker consistently transmits these attributes to his progeny, earning him proven EPDs for weaning and yearling weight, ribeye and scrotal in the top percentiles of the Angus breed.

His Pathfinder dam, SAV Madame Pride 3145, is a herd favorite with unmatched femininity, fertility, feet and udder quality. She earned a weaning ratio of 107 on 7 calves and a progeny IMF ratio of 117 and ribeye ratio of 103 on 26 progeny scanned. She is the third top income-producing cow in the SAV herd. She has 21 daughters retained and 20 progeny highlighting past SAV sales, including the \$225,000 SAV Anthem 0042, the lead-off lot 1 bull from the 2021 SAV Sale.

The 2022 SAV Sale features 30 progeny of Circuit Breaker and 16 maternal siblings!

SAV MADAME PRIDE 1171

Sixth generation SAV embryo donor and maternal grandam of Circuit Breaker.

- A high-powered growth and performance herdsire prospect with exceptional length and superior soundness – a near replica of his sire.
- His Resource x Harvester dam is a model Angus cow with ideal body type and impeccable udder quality.
- His grandam serves as a fifth generation SAV embryo donor with four daughters retained and eight progeny averaging \$6875 in past SAV sales.

SAV ERICA 4419

The prolific third dam of lot 320 featured in the Genex Beef Sire Directory to represent her Pathfinder sire.

Circuit Breaker bulls from the SAV Blackcap May family...

"Here is a picture of the first calf out of SAV Scale Smasher 0846. She is 6 days old. I sold some cows bred to him to a new breeder and this is his first ever calf. To say the least, he is elated. We are too! We are going to get him collected now that we've seen the calves."

- Powerhouse flush brothers and sale headliners fortified with performance, maternal, carcass and major cow power – they are the herdbull kind and bred to be that way.
- Their superstar dam is the #1 yearling weight female of her calf crop and a one-of-a-kind flush sister to the world-record-selling flush of bulls. She has 47 progeny scanned earning an average IMF ratio of 112. She is an SAV headliner embryo donor with 14 daughters retained, 49 progeny in this sale and 62 progeny averaging \$9491 in past SAV sales, including eight of the first nine bulls to walk through the ring at the 2020 SAV Sale.
- Their legendary grandam, SAV Blackcap May 4136, is the top income-producing cow in Angus breed history, generating \$10.2 million in receipts on 224 direct progeny in past sales to cowmen in 27 states, Canada and Brazil.

SAV BLACKCAP MAY 7061
Full sister to the dam of lots 323-326 selected by Herbster Angus Farms as the lead-off and record-selling female from the 2018 SAV Sale.

- Flush brothers bred and built for the beef business from the mating of Ajax to the maternal centerpiece, SAV Blackcap May 3525. They are big, large-outlined bulls with extra frame and growth. They will sire the kind of feeder cattle that command a premium in the market place. They are led by SAV Avenger 1866, a scale-crushing performance bull with massive dimension to catch your attention when you enter the pen.
- Their dam is an SAV headline donor and all-time greatest daughter of Final Answer with front-pasture phenotype and high-level milk production. She is the dam of the Genex Sire, SAV Quarterback 7933, as well as SAV Early Arrival 0903, the second top-selling bull from the 2021 SAV Sale. She has 15 daughters retained in the SAV herd and 50 progeny highlighting past SAV sales, including the two largest ribeye bulls in the 2021 SAV Sale at 21.0 inches and 19.7 inches. A daughter was the second top-selling heifer in the 2020 SAV Sale where she was the largest ribeye and heaviest 365-day weight female.

- A rugged-built, heavy-muscled, stout-rumped stud – Ajax strikes again! The doability and durability features of the Ajax bulls will allow them to excel under range conditions and produce daughters who do the same.
- His dam is a full sister to the herd-leading Pathfinder, SAV Madame Pride 4407, who serves as an SAV headliner donor and produced the \$100,000 SAV Downpour 8794.
- His grandam, SAV Madame Pride 0235, is a maternal masterpiece by Density with five daughters retained and 17 progeny highlighting past SAV sales.

- SAV Magnify 1107 is the valedictorian of the performance class of 2021 taking honors as the heaviest 205-day weight bull of his entire natural calfcrop at 1103 lbs. for a weaning ratio of 119, as his dam's first calf. He is a dominating performance force with incredible length, muscle, volume and sheer pounds from front to back. He uniquely solves all antagonisms with his rare combination of phenotypic power and numeric excellence. He wins the performance race in the highest level competition in the world and sports EPDs for weaning weight, yearling weight and carcass weight in the breed's top 1%. He brings proven outcross blood to one of the strongest maternal lines in the breed, putting it all together to make him one of the most valuable bulls to sell anywhere this year.
- His tremendous 2-year-old dam by President ranks at the top of her class and records an IMF ratio of 137 and ribeye ratio of 110. She earned a "fast pass" to the SAV donor pen and is uniquely linebred to the legendary SAV Blackcap May 4136, the Angus breed's most influential genetic contributor.
- His majestic grandam is a full sister to Resource, Renown and Recharge. She is a prolific producer with five daughters retained and 39 progeny highlighting past SAV sales.

- SAV Multiplier 1287 is a major-league sale feature and valuable performance outcross with sky-is-the-limit potential to add value in all economically relevant traits. He earned a 205-day weight of 1053 lbs. for a weaning ratio of 113, ranking among the seven top-indexing bull of his entire calfcrop. He sports EPDs for weaning and yearling weight in the breed's top 1% and takes honors as the second top milk EPD bull in the offering.
- His broody, nice-uddered 2-year-old dam has beautiful body type and perfect feet. She has future donor written all over her and is a member of one of the greatest flushes in SAV history.
- His powerhouse Pathfinder grandam by Resource is a performance trait-leader and seventh generation SAV embryo donor with 25 daughters retained and 41 progeny highlighting past SAV sales to cowmen in 14 states, Canada and Mexico.

SAV MADAME PRIDE 0413
This sixth generation embryo donor is the high maternal third dam of lots 358-359.

SAV MADAME PRIDE 0075

Maternal matriarch represented in lots 358-361. She is the dam of America and ranks as the second top income-producing cow in SAV history.

- Recommended for heifers. SAV Majestic 1340 is a genetically and phenotypically outstanding AI stud candidate and valuable calving-ease outcross. His curvebending EPD profile and performance data will rival any bull to sell this year. He earned a 205-day of 1008 lbs. for a weaning ratio of 108 lbs. as his dam's first calf and records the second highest milk EPD in the offering. He is a stylish, super-fronted, soft-made bull with commanding herdbull presence.
- His moderate, perfect-uddered 2-year-old dam is model of efficiency, weaning a high percentage of her body weight. She is a flush sister to the \$52,500 SAV Cleveland 9620 at Semex AI Stud.
- His Pathfinder grandam, SAV Madame Pride 4407, is a herd-leader with unparalleled phenotype, power, performance and production. Fifteen daughters are employed in the SAV herd and 30 progeny highlighted past SAV sales, including the \$100,000 SAV Downpour 8794.

- SAV Maxima 1273 shatters the EPD barriers as the #1 weaning, #2 yearling, and #1 carcass weight bull in the entire offering, all ranking the breed's top 1%. He is the second top beef value bull and records a 205-day weight of 1026 for a weaning ratio of 110, as his dam's first calf. This high-octane outcross is a leader on a very fast track and presents a valuable opportunity for the progressive breeder to win the race.
- His beautiful 2-year-old dam ranks as the #2 weaning and #3 yearling EPD cow in the SAV herd. She is super-fronted, long-bodied and deep-ribbed with a majestic maternal design.
- His Pathfinder grandam, SAV Madame Pride 3145, is a herd favorite with unmatched femininity, fertility, feet and udder quality. She records a progeny IMF ratio of 117 and ribeye ratio of 103 on 26 progeny scanned. She is the third top income-producing cow in the SAV herd with 21 daughters retained and 20 progeny highlighting past SAV sales, including the \$225,000 SAV Anthem 0042 and the \$200,000 SAV Circuit Breaker 7136.

- Recommended for heifers. SAV Union 1092 brings a fresh outcross pedigree, genetic potency and a curvebending EPD profile to the herdsire-producing Blackcap May family. He is as good phenotypically as he is on paper – one of the most unique and intriguing calving-ease bulls we have produced to date. He earned a 205-day weight of 967 lbs. for a weaning ratio of 104, as his dam's first calf.
- His 2-year-old dam by Rainfall has striking femininity and phenotypic quality with maternal presence and stellar udder quality – one of the best of her class. She is intensely linebred to the legendary SAV Blackcap May 4136, the breed's most influential genetic contributor.
- His productive grandam is a full sister to Resource, Renown and Recharge, serving in the SAV embryo program. Three daughters are retained and 15 progeny highlighted past SAV sales to cowmen in nine states and Canada.

- Recommended for heifers. A unique calving-ease and carcass prospect with fresh outcross blood.
- His 2-year-old dam by President is a full sister to the #1 ribeye and heaviest 365-day weight heifer of the 2019 calfcrop. She is a maternal sister to the Genex sire, SAV Quarterback 7933, as well as SAV Early Arrival 0903, the second top-selling bull from the 2021 SAV Sale.
- His grandam, SAV Blackcap May 3525, is a maternal centerpiece and all-time greatest daughter of Final Answer. She has 15 daughters retained in the SAV herd and 50 progeny highlighting past SAV sales.

SAV BLACKCAP MAY 3525

Maternal grandam of lot 370.

"Thank you so much for the tour of your ranch. I loved seeing all the beautiful cows. You gave me a new set of goals and a higher ideal to strive for. I really appreciate the advice you gave me as a just starting Angus breeder. I am hoping to get a couple heifers this coming year at the sale. My whole family is excited to come up and see the sale."

- Recommended for heifers. This genetic outlier has a breed-leading number profile that excels from start to finish. He scores EPDs for weaning and yearling weight in the breed's top 1%, along with exceptional numbers for carcass weight, ribeye and milk. He earned a 205-day weight of 958 lbs. for a weaning ratio of 103, as his dam's first calf.
- His feminine 2-year-old dam by President has impeccable udder quality and abundant milk. She is a full sister to SAV Executive Chief 9563 selected by Bandura Ranches as a feature of the 2020 SAV Sale where he scanned a 365-day ribeye of 17.6 inches.

An outcross Pathfinder Sire proven to transmit added performance and ribeye size. He first emerged as the one-time record-selling bull at Tehama Angus Ranch and served for a time at Genex AI Stud. He is sired by the rare Pathfinder Sire, Tehama 717 Band 876 and comes from a productive Pathfinder Dam, from the same cow family that produced the legendary Pathfinder Sire, Tehama Bando 155. His semen and progeny are limited – several are shared in this sale.

- Recommended for heifers. SAV Bench Press 1363 is an outcross calving-ease phenomenon with the phenotype, performance and all the right numbers to make his mark on the industry. He is on the radar of the Angus world with a breed-leading EPD profile validated with remarkable real performance, earning a 205-day weight of 1043 lbs. for a weaning ratio of 112 as his dam's first calf. He completes his perfect herdbull resume with a maternal ancestry second to none.
- His moderate, efficient 2-year-old dam by President is nice-uddered and stands on perfect feet. She comes from seven consecutive generations of SAV embryo donors and is a member of one of the strongest flushes in SAV history, responsible for many of the very top 2019 model cows.
- His powerhouse grandam by Resource is a performance trait-leader with maternal dominance and top production. She has 25 daughters employed in the SAV herd and 41 progeny highlighting past SAV sales to cowmen in 14 states, Canada and Mexico.

Benchmark is an SAV herdsire with a versatile outcross pedigree and breed-leading EPD profile. He ran the past two summers with virgin heifers and has proven to be a reliable calving-ease sire with mating flexibility. His progeny are long-bodied, smooth-made and attractive in their pattern with excellent muscle shape and plenty of performance. His second generation Pathfinder dam is the top-selling cow from the Mill Brae Dispersal and records a weaning ratio of 105 on 5 calves. His progeny and service is featured.

Breed-improving genetics and outcross options by Benchmark...

#1 yearling EPD, #1 ribeye and #1 beef value bull in the offering...

"I loved the sale brochure. As much variety and power as you've ever offered. Looks like Benchmark did a great job so far, with more to come. Planning to be at the sale - hell, high water, blizzards, come what may. I'm way overdue."

-Brent Lonker

- SAV Sterling 1766 is a big-time herdsire prospect combining stellar phenotype and performance with sterling EPDs to make him one of the most unique and valuable bulls to sell in 2022. He is the #3 weaning, #3 yearling, #4 carcass weight and #10 ribeye bull in the offering. He earned a 205-day weight of 979 lbs. for a weaning ratio of 105 as his dam's first calf.
- His beautiful, nice-uddered 2-year-old dam by Governor comes from the same productive Polly family that produced the legendary Pathfinder Sire, Rito 9969.
- His grandam by Renown x Net Worth is a full sister to the largest scrotal bull in the 2019 SAV Sale. She is a daughter of SAV Polly 9946, who is the #1 marbling female of her calfcrop selected by Bob Math as a \$42,500 top-selling cow in the 2016 SAV Sale.

SAV ONE NATION 9558
Flush brother to the dam of lot 392 selected by Rust Mountain as the lead-off President bull in the 2020 SAV Sale.

- Recommended for heifers. SAV Stereotype 1328 is a versatile outcross with capacity, expansive rib-shape, muscle and moderation. He is nice-headed with the right conformation to work on heifers. At weaning time, it was a stellar sight to see lot 392 alongside his 2-year-old dam - a true example of maternal efficiency.
- His moderate, hard-working 2-year-old dam by President is a model of efficiency, weaning a high percentage of her body weight. She is the #5 ribeye female of her calf crop and flush sister to SAV One Nation 9558 and SAV Rushmore 9557.
- His productive grandam, SAV Emblynette 0084, is the #1 CED and #4 milk EPD cow in the SAV herd and continues to be an SAV headliner donor at 12-years of age. Eight daughters are retained in the SAV herd and 23 progeny highlighted past SAV sales.

SAV RUSHMORE 9557

Flush brother to the dam of lot 392 selected by Dameron Angus as a feature of the 2020 SAV Sale.

- A major sale feature offered at the onset of her productive career. Lot 416 weaned the heaviest 205-day weight bull of the entire 2021 natural calfcrop at 1103 lbs. for a weaning ratio of 118 – an amazing accomplishment for a 2-year-old, earning a “fast pass” to the SAV donor pen. She earned an IMF ratio of 137 and REA ratio of 112. She will be a herdbull-producer and herd-builder with intense linebred potency from the legendary SAV Blackcap May 4136. Her son, SAV Magnify 1107, is featured as lot 351 and will be one of the valuable bulls to sell anywhere in America this year.
- Her dam is a full sister to Resource, Renown and Recharge. She is a prolific producer with striking phenotypic quality and a world-class udder. She has five daughters retained in the SAV herd and 38 progeny highlighting past SAV sales.
- Her grandam, SAV Blackcap May 4136, is the Angus breed's most influential genetic contributor and top income-producing cow with \$10.2 million in direct progeny sales.
- Lot 416 has worked successfully in the embryo program averaging 16 embryos per collection. She sells open and ready to flush.

GENEX

- An America achievement with pedigree power and top performance. She earned a weaning ratio of 109, ranking among the five top-indexing heifers in the entire offering with EPDs for weaning and yearling weight in the breed's top percentiles. A full brother, SAV Red White N Blue 0155, was selected by Mahar Ranch as a \$17,000 feature of the 2021 SAV Sale where he scanned a 365-day ribeye of 18.1 inches.
- Her beautiful dam represents grassroots foundation genetics for longevity, fertility and maternal productivity. She records a weaning ratio of 105 on 3 calves and should qualify as a Pathfinder.
- Her grandam is an industry favorite from the same historic flush that produced Resource.

• Cream always rises to the top and daughters of SAV Emblynette 2369 are the cream. These awesome America full sisters have an unmistakable maternal design and are poised and ready to impact the industry. They are cut from the same cloth as their fabulous full brothers featured as lots 9-22, including SAV Amen 1826 who is the heaviest 205-day weight bull of the entire 2021 calfcrop.

• Their breed-leading Pathfinder dam is unmatched in the breed for phenotype, performance and production. She is the #1 205-day weight and marbling female of her calfcrop and ranks as the #1 beef value, #2 marbling and #2 carcass weight cow in the SAV herd, recording a progeny IMF ratio of 135 on 35 progeny scanned. She is the current top income-producing cow in the SAV herd with \$1.7 million in direct progeny sales and multiple herdsire sons to her credit, including the \$250,000 SAV Bloodline 9578, the \$175,000 SAV Emblem 8074 and the \$75,000 SAV Ajax 8885.

SAV EMBLYNETTE 8013

This productive flush sister to Emblem is a maternal sister to lots 465 and 467-471.

SAV EMBLYNETTE 9812

This flush sister to Bloodline serves as a donor for Ranch Covey Hill. She is a full sister to lot 465 and to the dam of lot 466. She is a maternal sister to lots 467-471.

Full brother to lots 487-489 selected by Semex AI Stud as a \$30,000 feature of the 2021 SAV Sale.

- Genetic treasures with a priceless pedigree, outstanding genetic profile and proven maternal lineage. They are cut from the same mold as the \$40,000 SAV American Made 0079, as well as the \$30,000 SAV Made in America 0029 at Semex AI Stud. A full sister is the #1 ribeye female of the 2020 calfcrop and full brothers are featured as lots 30-33.
- Their maternal brother, SAV Territory 7225, is the \$230,000 lead-off lot 1 bull from the 2018 SAV Sale at ST Genetics.
- Their front pasture dam by Density is a fifth generation SAV embryo donor and herd favorite with impeccable udder quality and beautiful body type. She has five daughters employed in the SAV herd and 16 progeny averaging \$30,812 in past SAV sales.

"Absolutely phenomenal group of females. Wow!"

-Chad Burcham

SAV EMBLYNETTE 7411
The \$150,000 dam of SAV Thunderbird 9061 at Accelerated Genetics. Maternal grandam of lots 487-489.

SAV EMBLYNETTE 3293

Dam of lots 487-489 with her 2020 son, SAV True Blood 1104, featured as lot 116.

SAV EMBLYNETTE 2184

Dam of lot 490.

- Something special...This SAV herd replacement is being offered strictly as a sale feature to accompany her powerful dam featured as lot 558. She is a class act with the extra look and quality to separate her from her peers. A full sister is the #2 ribeye and #6 marbling female of the 2020 calfcrop, surfacing among the very best of her class in the SAV herd.
- Her dam is a proven brood matron and herd treasure representing the best in foundation genetics that the breed was built upon. She is a flush sister to the \$22,000 SAV Right Way 3670 at ZWT and Buford Ranches. Five progeny have averaged \$7250 in past SAV sales and a top daughter is employed in the SAV herd.

- An America success story from the heralded Duke Girl family. She is a serious contender in this offering with strength, stoutness and substance bred in for generations. She earned a weaning ratio of 106.
- Her powerful dam by Resource records a weaning ratio of 107 on 6 calves and is the fourth top milk EPD cow in the SAV herd. Five progeny have highlighted past SAV sales averaging \$22,800, including SAV Exceptional 7279, the #1 205 day-weight and 365-day weight bull from the 2018 SAV Sale. She is a full sister to the \$31,000 SAV Don Pepe 4443 at Genex AI Stud.
- Her prolific Pathfinder grandam is the revered 57 cow that resurrected the Duke Girl family that led the SAV herd for many years. She has six daughters retained and 46 progeny averaging \$14,864 in past SAV sales.

AC DUKE GIRL 57

The legendary Pathfinder grandam of lot 578.

GENEX

SAV DON PEPE 4443

Full brother to the dam of lot 578 selected by Craig Schaefer and Genex as a \$31,000 feature of the 2015 SAV Sale.

BIRTH	+1.5	WEAN	+56	MILK	+25	YEARLING	+106
-------	------	------	-----	------	-----	----------	------

- Last but not least, a production-oriented Primrose from the oldest original cow family that was established at SAV in 1942. She incorporates calving-ease and a double-shot of the legendary SAV Blackcap May 4136 in her pristine pedigree.
- Her 2-year-old dam by Renown is gentle-natured, nice-uddered and stands on perfect feet.
- Her Harvester grandam is a model for efficiency and has seven progeny averaging \$8142 in past SAV sales to cowmen in six states.

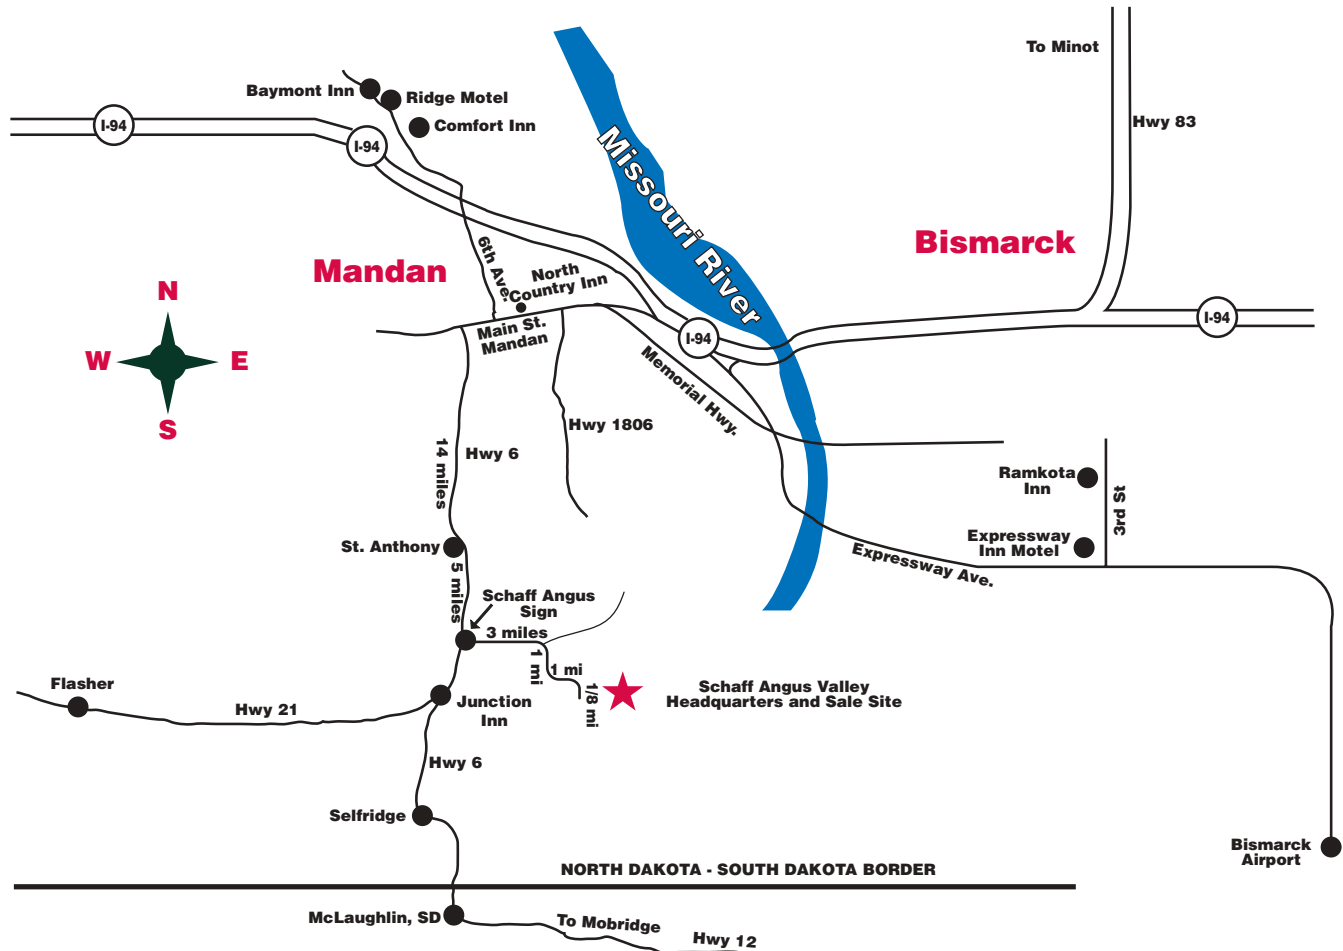

SAV PRIMROSE 2061

Maternal grandam of lot 580.

Directions to Schaff Angus Valley...

The Schaff Angus Valley Sale will be held in the heated sale facility located at the Schaff Angus Valley headquarters. From Mandan, take Highway #6 south 19 miles to the Schaff Angus sign, then turn east on County Road 135 and follow the county gravel road 5 1/8 miles to the ranch and sale site.
