Schaff Angus Valley[®]

120th Production Sale

Saturday February 11, 2023 *10 am*

410 BULLS · 210 FEMALES

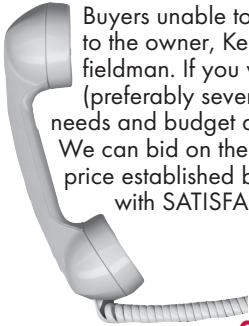

Lot 237

\$ Affordable Genetics for the Cowman

The focus of the Schaff Angus Valley program is on serving the commercial cowman and providing high quality bulls in volume at affordable prices. Whether your budget is \$4000, \$6000 or more, you can expect to find a good selection of bulls in everyone's price range.

PHONE ORDERS

Buyers unable to attend the sale may call or send their bids to the owner, Kelly Schaff or to Bob Watkins, sales staff or fieldman. If you would like to discuss the sale offering, call us (preferably several days before the sale) and describe your needs and budget and we can help select your genetics for you. We can bid on the animal for you and you pay only the bid price established by the auction. Bids are handled in confidence with SATISFACTION GUARANTEE on all orders.

Col. Ryan Dorran

INSURANCE:

Dakota Ag Insurance will be on hand with a range of insurance coverage options, including mortality, infertility and beyond. Contact Jarod Mohnen at 605-999-4475 for options and rates. Purchaser assumes the risk for death or injury to their livestock immediately after they are sold and insurance is recommended.

FREE NATIONWIDE DELIVERY

Schaff Angus Valley is offering free nationwide delivery on bulls to sale barns and central stockyard points.

\$100 DISCOUNT PER BULL IF YOU HAUL YOUR OWN SALE DAY!

We ask buyers to please be willing to travel to central drop points and meet trucks at sale barns along central routes. Drop points need to be consolidated to make delivery feasible and avoid cattle in transit too long. SAV will coordinate delivery on females if the buyer desires, however the cost is the buyer's responsibility. Canadian and Mexican purchases and bulls going to semen collection facilities will be available to pickup at the ranch following the completion of health testing requirements and delivery arrangements and costs are the buyer's responsibility.

SALE LOCATION:

Schaff Angus Valley is located approximately 30 minutes from Bismarck/Mandan, ND. The sale will be held in the heated sale facility at the Schaff Angus Valley headquarters. A map and directions are listed on the inside back cover.

TRANSPORTATION:

Bismarck, ND is served by bus and major airlines, with direct flights from Minneapolis, Denver, Chicago, Dallas, Phoenix and Las Vegas. Early reservations are recommended for flights and rental cars. The surrounding towns of Fargo, Minot, Jamestown and Dickinson also have air service. Schaff Angus Valley is located 30 minutes from the Bismarck airport, sale headquarters and shopping mall. See map on the inside back cover.

ACCOMMODATIONS:

Please mention that you are attending the Schaff Angus Valley Sale when making reservations for the best rates. Early reservations recommended!

Fairfield Inn - (701) 223-9077

CATTLE VIEWING:

The sale offering will be on display for viewing at the ranch all day on Friday, February 10th with food and refreshments available. We welcome your visit to the ranch anytime prior to the sale.

TERMS:

Terms of sale are cash or check. All cattle must be settled for at the conclusion of the auction. Cattle will not be released from the sale premises until payment is received in full. **Bulls that are not settled for in full within 7 days of the auction are not eligible for the free delivery.**

GUARANTEE:

The sale offering is guaranteed to be fertile and reproductively sound in accordance with the terms and conditions as recommended by the American Angus Association. This guarantee does not cover injury or death. In the event of a problem, the buyer is responsible to return the animal to SAV and if it does not respond as a satisfactory breeder, will have the option to select a suitable replacement, if available, or take a sale credit. Any potential claim needs to be made by September 1st of the year of purchase.

SEMEN INTERESTS & POSSESSION:

Schaff Angus Valley is retaining one-third revenue sharing semen interest in every bull selling in this sale. Full possession and full salvage value sells on all bulls unless otherwise identified prior to the sale. Each year SAV may retain possession or partial possession on several bulls. These bulls will be identified and terms specified on our website and sale order in advance. Please contact us with questions regarding these terms. There is no guarantee on bulls to freeze semen unless specific terms are agreed prior to sale. SAV reserves the right to sell AI certificates on all bulls.

BULL DEVELOPMENT:

The bulls have been developed in large groups on a high roughage ration to ensure long-term soundness and customer satisfaction.

GENETIC RECESSIVES

This entire sale offering is free of all known genetic defects and recessives monitored by the American Angus Association.

HEALTH:

All cattle will be accompanied by proper health certificates for shipment and have had a complete vaccination program.

LIABILITY:

Schaff Angus Valley assumes no liability for accidents or injuries that occur on the sale premises. Potential claims of any kind must be settled in North Dakota Morton County Court.

SALE ORDER:

The bulls will be sold in sire groups. This is to aid customers in selecting brothers to produce a more uniform calf crop. As a result, bulls of consistent quality will sell throughout the duration of the auction. A sale order will be available prior to the auction.

Welcome to our family's 120th Angus Production Sale. Thank you for the confidence you have placed in our brand and our breeding program. We are inspired by the perseverance of those in our industry and share in the optimism of the future. We realize there is a bull sale every day this time of year with many choices of suppliers and that is why we want your experience to be so much more than buying a bull. Our goal is to build lasting relationships and be a reliable resource you can count on to help make your business thrive.

It is with your support that our program has reached milestones we had not dreamed possible, allowing the SAV prefix to flourish and become a widely-used brand of Angus genetics around the world. We are humbled by this honor and accept the responsibility of breeding the type and kind of Angus genetics that will sustain the beef industry. The barometer on which we gauge everything we do is based on how it will affect the productivity and profitability for the customers we serve. We continually work diligently to breed and provide better seedstock each year, to in turn make your cattle better and more profitable - that is our uncompromising commitment.

Our disciplined breeding program does not follow fads, but rather has charted a specific course to breed real-world cattle for real-world cattlemen who sell quality pounds for a living, with the necessity to do it as efficiently and profitably as possible. Our unwavering focus remains on performance and maternal traits with specific emphasis on the cowherd and the basic profit-driving traits of fertility, longevity, fleshing-ability and maternal productivity. We are thankful for the opportunity to work with many progressive commercial operations for many years. Our customer base continues to generate our best testimonials with their market-topping feeder calves and replacement heifers by SAV genetics.

Our innovative breeding program is constantly progressing, improving and refining, taking advantage of embryo transplant on our most proven superior cows, along with intense selection pressure in high level competition to make sure each calfcrop is stronger than the last. Our 2023 sale offering is our highest quality and most consistent to date. This sale presents access to reputation SAV genetics in volume and will be in price ranges affordable to the cowman. Commercial cattlemen appreciate the overwhelming selection and great values they find at this auction.

We are excited to have you evaluate our power-packed 2023 sale offering, featuring proven SAV industry-leading sires and multiple new sire groups. The bulls were developed on a sensible, roughage-based ration, allowing them to express genetic potential without compromising longevity and breeding soundness. The development program is recalibrated continually, requiring the bulls to perform with fewer inputs and they have responded admirably.

The female offering raises the bar to a new level, representing our most progressive genetics to date, including an arsenal of daughters from the leading SAV embryo donors and maternally-proven cow families. These authentic SAV prefix females will provide a solid maternal foundation with a lifetime of earning potential - a grand opportunity!

Our highest priority is the satisfaction and success of our customers. It is an honor and privilege to serve as your seedstock source. If we can be of assistance in any way, please don't hesitate to contact us. We look forward to seeing you on sale day.

Sincerely,

Kelly Schaff

The Schaff Family

Alex, Ellie, Kelsie, Martie, Kelly and Kourtney

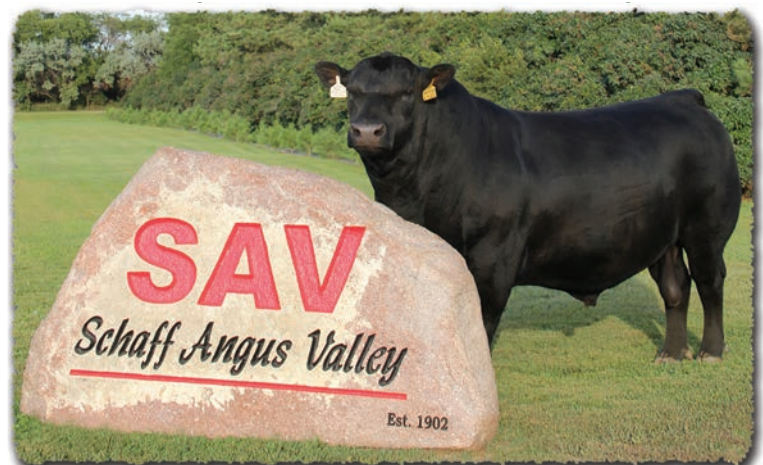

Special thanks to our dedicated and talented SAV team who are responsible for our success and diligently handle the daily tasks at the ranch.

Cattle producers sell their feeder and slaughter cattle based on what they actually weigh on a scale. When investing in seedstock it is important to be provided with actual performance data rather than only computer generated predictions (EPDs) that constantly change and can fluctuate dramatically based on the accuracy values behind them. EPDs are a selection tool but alone do not create great cattle; real breeding progress requires selection for real-world performance, phenotype and production traits. While EPDs have inflated dramatically in the past years, the actual performance of cattle has not. In fact, in the last five years for example, breed average 205-day weight for all Angus bulls has actually decreased 5 lbs. The current breed average 205-day weight for bulls is 657 lbs. The average 205-day weight of all SAV bulls in this sale catalog is 917 lbs. (260 pound difference) We strongly believe as a customer you deserve access to the ACTUAL data, such as birth weights, 205-day weights, 365-day weights, ratios, ribeye area etc. This information gives you a much fuller view of your seedstock investment and confidence that what you are buying will make real progress in your program.

This symbol denotes Pathfinder status.

Expected Progeny Difference (EPD)

Is the prediction of how progeny of each animal are expected to perform relative to the progeny of other animals in the Angus breed. As data continues to accumulate, accuracy levels rise and EPDs can shift accordingly.

Birth Weight EPD (BW)

Expressed in pounds, is a predictor of transmitting ability for birth weight. The Angus breed is noted for calving-ease. A bull with a Birth Weight EPD under +2.2 is generally regarded as suitable for mating with virgin heifers.

Weaning Weight EPD (WW)

Expressed in pounds, is a predictor of the transmitting ability for weaning weight. An emphasized trait when marketing calves at weaning. For example, you can expect progeny from a sire with a +60 weaning EPD to weigh 30 lbs. more at weaning on the average than progeny from a sire with a weaning EPD of +30.

Yearling Weight EPD (YW)

Expressed in pounds, is a predictor of transmitting ability for yearling weight. An emphasized trait for yearling feedlot performance and profitability.

Scrotal Circumference EPD (SC)

Is a predictor of transmitting ability for scrotal size. An indicator of fertility in both bulls and females.

Maternal Milk EPD (Milk)

Is a predictor of transmitting ability of the portion of calf weaning weight attributed to daughters' milk. An indicator of replacement female production level.

Carcass Weight EPD (CW)

Is a predictor of transmitting ability for hot carcass weight.

Marbling EPD (MARB)

Is a predictor of transmitting ability for intramuscular fat. The vast majority of straight Angus cattle will grade USDA Choice or higher under normal feedlot management.

Ribeye Area EPD (REA)

Is a predictor of transmitting ability for ribeye area. Muscle is a key component of yield grade.

Fat Thickness EPD (FAT)

Is a predictor of transmitting ability for external fat thickness and correlates to fleshing ability.

Weaning Ratio (WR)

Is a direct comparison of an individual to others in its contemporary group. A weaning ratio of 100 is always average for the group and a figure below or above 100 is the percent difference that the animal is above or below the average.

All of the EPDs, birth weights, 205-day weights, ratios and ultrasound information in this catalog is official data processed by the American Angus Association and are current as of December 2022 when this catalog was prepared for press. Updated EPDs will be available at sale time. The 365-day weights have been calculated by the American Angus Association with the exception of the bulls that were too young to submit at catalog press time. WDA is weight per day of age at 365 days of age (365-day weight divided by 365 days). A supplemental sheet will be available sale day with scrotal measurements, ultrasound data and updated EPDs.

--------------	-------------	-------------	------------	-------------	------------	-----------------	-------------	----------------	--------------

SAV Renovation 6822 is an esteemed sire utilized with success in the most noted breeding establishments around the world and the headliner at Semex AI Stud. He is a herdbull phenomenon, consistently siring functional, deep-bodied, muscular progeny with mass and performance, while adding style, balance and traditional Angus type. His sons are highly sought after by real-world cattlemen and include such notables as Jesse James, Pancho Villa, John Wayne and Roy Rogers. His daughters have sealed his legacy as a monumental female sire with capacity, broodiness, udder quality and milk production to be herd leaders everywhere they are found.

Renovation's dam is the \$37,500 top-selling cow from the 2015 SAV Sale with model body type and a beautiful maternal design. His grandam is the maternal matriarch, SAV Madame Pride 0075, who served the SAV program for nearly 18-years, generating \$5.4 million in progeny sales with 41 daughters retained in the SAV herd.

The 2023 SAV Sale showcases 51 direct progeny of Renovation as well as his valuable influence.

SAV MADAME PRIDE 0134

This tremendous 2-year old daughter of Renovation represents the classic maternal design stamped by her sire. Her son sells as lot 171.

SAV JESSE JAMES 0968

The \$185,000 top-selling Renovation son from the 2021 SAV Sale. His first progeny are featured.

SAV PANCHO VILLA 0147

The \$140,000 second top-selling Renovation son from the 2021 SAV Sale to Voss Angus. His full brother and first progeny are featured.

- On the radar of the Angus world, the landmark flush selling as lots 1-8 has the credentials to write a whole new chapter in Angus history, from the mating of Renovation to the breed-leading Pathfinder, SAV Emblynette 2369. SAV Rise N Shine 2709 leads the offering as lot 1 and presents what we feel could be the greatest phenotypic package we have ever produced. Seeing is believing, from front to back he demonstrates as much shape, muscle, power and presence as you can put in a phenotypically flawless package, along with authentic Angus breed character and perfect feet. He will be among the most anticipated bulls to sell anywhere in the world this year and will be a future staple in the SAV program with breed-impact potential.
- His Pathfinder dam is a true cornerstone, unmatched in the breed for her combination of phenotype, performance and production. She is the #1 205-day weight and marbling female of her calicrop and the #1 carcass weight and #1 beef value cow in the SAV herd. She records an astonishing progeny IMF ratio of 123 on 70 progeny scanned. She has 38 daughters employed in the SAV herd and has tallied \$2.2 million on 71 progeny highlighting past SAV sales, including the \$250,000 SAV Bloodline 9578, the \$175,000 SAV Emblem 8074 and the \$75,000 SAV Ajax 8885. Her daughters include the top-selling females in both the 2019 and 2020 SAV Sales.
- His prolific 16-year old grandam by Net Worth comes from four consecutive generations of Emblynette Pathfinders. She has 22 daughters retained in the SAV herd and has tallied \$1.4 million on 106 direct progeny highlighting past SAV sales.

SAV RISE N SHINE 2709 LOT 1

SAV BLOODLINE 9578

Fabulous Flush brothers by Renovation x SAV Emblynette 2369 - Lots 1-8...

"I really enjoyed your event. The trip was a memorable one indeed. This was my first experience at a registered Angus sale and I was taken back for a couple of different reasons. First, the quality of the cattle left me speechless in regards to the genetic traits and how symmetric all the cattle appeared in a multitude of facets. After visiting your place, I now know what are excellent feet according to the scale! Second was the camaraderie and open fellowship among the people all sharing the same passion. Lastly, I appreciate you and your family for taking the time to make everyone feel as if they are the only person in the room and important. I hope to be able to purchase some of your cattle for my family and look forward to next year."

-Joe Solis

- SAV Renegade 2004 is a phenotypically and genetically outstanding full brother to the \$140,000 SAV Pancho Villa 0147 who was a crowd favorite at the 2021 SAV Sale.
- His feminine, angular, high maternal dam by Rainfall is batting a perfect average, producing three major herdsire sons on her first three calves. A son, SAV Headland 1012, was selected by Hollinger Land & Cattle as a \$12,000 feature of the 2022 SAV Sale. She is a flush sister to the \$30,000 SAV Mountain Dew 8789 and comes from four generations of proven SAV embryo donors.
- His gorgeous grandam by Bismarck comes from two generations of Pathfinder dams. Seven daughters are retained in the SAV herd, including the #1 ribeye female of the 2016 caltrop.

- A picture is worth a thousand words and this bull is worthy of a thousand pictures. He is a bonafide beef bull with tremendous thickness, muscle, capacity and pounds – the kind cattlemen search the world for.
- His 3-year old dam is a model of efficiency with muscle and moderation.
- His prolific 15-year old grandam by Net Worth continues in production and comes from four consecutive generations of Emblynette Pathfinder dams. She has five daughters retained in the SAV herd and 19 progeny averaging \$10,315 in past SAV sales, including SAV Grass Roots 5282, the \$50,000 featured lot 1 bull in the 2016 SAV Sale.

SAV RENOVATION 2493 - LOT 10

SAV Reputation 2214 – valedictorian of the performance class of 2022...

Heaviest 205-day weight and 365-day weight bull of the entire 2022 calfcrop!

SAV REPUTATION 2214 - LOT 11

"The influence of SAV genetics in our program continues to be a driving force for quality, breed character and true market demand. (pounds of red meat) Congratulations on your record sale. It proves the SAV program is still the best in the world. Thank you again."

- SAV Reward 2235 is stunning from all angles with superior shape, stoutness, substance and style. He is built solid and sound from the ground up with moderation and muscle – the stockman's kind.
- His proven 14-year old Pathfinder dam by Net Worth is a herd favorite with high level production. She records a weaning ratio of 105 on 12 calves and a progeny ribeye ratio of 105 on 13 progeny scanned. Five daughters are employed in the SAV herd and 18 progeny have highlighted past SAV sales to cowmen in 12 states and Canada.
- His prolific Right Time grandam, SAV May 7238, is the dam of the AI stud sires Density and Providence, as well as the elite Pathfinders SAV May 2397 and SAV Blackcap May 5530.

- SAV Rangemaster 2171 is powerful performance bull with massive volume and dimension – bred and built for range country. He earned a 205-day weight of 980 lbs. for a weaning ratio of 105 and has advanced as a top-gaining bull on test. He will sire feeder cattle with accelerated appetite for growth and gain – the high profit kind.
- His productive Pathfinder dam records a weaning ratio of 105 on 5 calves and is the #1 marbling female of her calf crop. A daughter is retained in the SAV herd and three progeny averaged \$12,166 in past SAV sales.
- His legendary grandam, SAV Blackcap May 4136, is the Angus breed's most influential genetic contributor and all-time top income-producing cow.

Reprinted, with permission, from Bill Begger of Begger's Diamond V Ranch, Wibaux, MT

"There is a lot of hype out there about EPDs, genomic testing and carcass traits. We believe in the use of all of these genetic enhancement tools. We also know that you can ruin a good cowherd in a blink of an eye if you chase paper traits with no directive or focus put on the mother cow and what it takes to keep her in production with as few inputs as possible. There are breeding programs that only provide EPDs with no actual data. Be careful, at times these cattle might not offer a total package, the upkeep, loss of production, and lack of fertility may cost more than the rewards. Every breeder has the actual data, we believe that as a customer you deserve to access it, if it isn't there, ask for it. Any competent breeder shouldn't be afraid to share it. Raw data such as actual birth weights, 205 wts., 365 wts. and performance data and indexes allows you to observe how an animal has performed within his contemporary group. It shows you his potential to sire calves that may increase or decrease certain traits. There are way too many cattle out there with excellent EPDs and dollar indexes that are not worthy of anything but a castrating knife. You can breed for all the highest EPDs and indexes in the world, but if you sacrifice cow efficiency, foot structure, fleshing ability, maternal and physical traits, such as udder quality, along with an animal's ability to produce pay weight, all you will gain is a cull cow with good EPDs."

SAV Jesse James 0968 is a phenotypic stunner with proud physical bearing, demonstrating power, presence and structural balance in every step that he takes. He was a crowd favorite and \$185,000 top-selling feature of the 2021 SAV Sale. His first progeny proudly emulate their sire with the style, shape and charisma to impress at every stage of their life – from the calving barn to the sale ring. We anticipate his daughters to be a next-level addition to the SAV cowherd.

His 15-year old prolific Pathfinder dam, SAV Blackcap May 8961, is a powerhouse performance and maternal trendsetter and full sister to the legendary SAV Blackcap May 4136. She records a weaning ratio of 105 on 8 calves and has 59 progeny highlighting past SAV sales, including the top-selling female in the 2021 SAV Sale who is a flush sister to Jesse James.

The 2023 SAV Sale shares a glimpse of the future with the fabulous first progeny of Jesse James featured!

SAV JESSE JAMES 0968

In a phenotypic class all his own at every stage of development.

Special Argentine friends, Santiago Debernardi and Raul Alfonsin.

SAV Gunsmoke 2158 - Lot 33...

SAV GUNSMOKE 2158 - LOT 33

"Here is a SAV Supreme Court first calf heifer with a Jesse James bull calf at her side. We got a lot on the ground. They are good, really good! We will breed over half our herd to him next fall, 180 or so. Kelly, this bull is something you should be incredibly proud to have made. His blood is strong and he is passing his traits into his calves. He is squaring them up and putting a proud front end on them. Just wanted to thank you for working with us so diligently. By the way, the lot 64 bull we got this year is a good son of a gun. He will make his mark as well."

-Casey Green

- SAV Gunsmoke 2158 is a performance headliner with tons of muscle, volume and massive dimension in a herdbull package – one of the best to sell anywhere this year. He pounds the scale down at every crossing and earned a 205-day weight of 1015 lbs. for a weaning ratio of 109, ranking among the seven top-indexing bulls of his entire calf crop. He will be a poundmaker and profitmaker, while leaving deep-bodied, easy-fleshing, production-oriented daughters.
- His Pathfinder dam by Resource records a weaning ratio of 105 on 7 calves and a progeny ribeye ratio of 106 on 9 progeny scanned. She is the #2 ribeye EPD cow in the entire SAV herd and has 14 progeny averaging \$10,982 in past SAV sales, including the \$30,000 SAV Caliber 6131 working for Albrecht and Penz Angus.
- His Pathfinder grandam by Bismarck records a weaning ratio of 107 on 8 calves.

PERFORMANCE AND EFFICIENCY

"In May of 2022, I put a pen full of steers in the feedlot @ 733 lbs. They were fed for 169 days with a final weight of 1722 lbs. They gained **5.85 lbs.** per day. This converted to **5.71 lbs.** feed (dry matter basis) per 1 lb. gain. Management said, 'Some of the best steers they had fed.' All steers were SAV sired, some were 3rd generation SAV sired."

-Jim Swett
Swett Ranch

- A balanced-trait Jesse James bull from generations of top-producing Madame Pride dams that descend from the very first Schaff cow to be enrolled in embryo transplant.
- His magnificent dam is moderate and easy-fleshing with a world-class udder and records a weaning ratio of 106 on her first two calves. She has a future donor destiny and a member of a tribe of flush sisters who have surfaced to the top of the SAV herd. A son was selected by Dylan Reiman as the third top-performing bull in the 2022 SAV Sale.
- His powerhouse grandam by Resource is a performance trait-leader and seventh generation SAV embryo donor with 30 daughters retained and 77 progeny highlighting past SAV sales.

- SAV Bandit 2115 has been a standout since day one, demonstrating phenotypic power and presence with every step he takes – the kind that gets noticed every time you tour the pasture.
- His 3-year old dam by Raindance has remarkable maternal quality and is the #1 ribeye female of her calf crop. She was Kourtney's 2020 show heifer, claiming numerous championship banners throughout her career. Her first son was selected by Kenny Johnson as a top-selling feature of the 2022 SAV Sale.
- His prolific grandam by New Day remained in production past 16-years of age.

85	847	1380	3.78	+2.5	+50	+25	+85

- A cowman's bull backed by some of the best cows in the business for the traits of longevity, fertility and stayability in the herd – an Elba maternal tradition that has stood the test of time. Lot 44 will produce daughters that perform, reproduce and last in the herd for years.
- His massive, high capacity, 10-year old dam by Rito 7075 records a weaning ratio of 104 on 8 calves and has seven progeny averaging \$8642 in past SAV sales to cowmen in five states.
- His prolific grandam, SAV Elba 5383, served as an SAV headliner donor and remains in production yet today at ZWT Ranch at 18-years of age. She has 12 daughters retained in the SAV herd and 43 progeny highlighting past SAV sales.

Pristine phenotype and pedigree - compliments of Pancho Villa...

SAV PANCHO VILLA 2241 - LOT 45

"These Pancho Villa calves are looking great."

-Harvey Mast

"Just wanted to share a picture of an Elation daughter we bought from you. She is a second calver with this awesome looking Rainfall bull at side!"

-Austin Herrboldt

SAV Pancho Villa 0147 is a next generation sire with pristine phenotype and a proven pedigree with all the accolades – Renovation x Rainfall x Bismarck. He was selected by Voss Angus as a \$140,000 top-selling feature and crowd favorite at the 2021 SAV Sale where he earned a 205-day weight of 984 lbs., 365-day weight of 1528 lbs., 365-day ribeye of 16.5 inches and yearling scrotal of 38.8 cm. Pancho Villa is visually stunning and displays himself with commanding presence, developing into one of the most complete, fault-free and impressive herdsires you can lay eyes onto. His first progeny aim to please with especially dynamic daughters designed with a distinct maternal look.

Next generation sire with pristine pedigree & phenotype

-------	------	------	-----	------	-----	----------	------	---------	-------

SAV Certified 0849 is a phenotypic powerhouse with size, length, muscle, superb structure and perfect feet. He is the popular \$100,000 lead-off Scale Crusher son from the 2021 SAV Sale where he was a big-time performer, earning a 205-day weight of 1039 lbs., a 365-day weight of 1730 lbs., a 365-day ribeye of 17.3 inches and a yearling scrotal of 40.2 cm. Certified is captivating in the breeding pasture with unmatched mating instinct, libido and athleticism. His first sons consistently replicate their sire and his daughters are the front-pasture kind with femininity, angularity and a classic maternal look – the kind that will enhance a cowherd.

His dam, SAV Blackcap May 1420, is a maternal masterpiece with exquisite femininity and abundant milk – a mirror image of her legendary dam, SAV Blackcap May 4136. She is a lead member of the historic flush that produced the Pathfinder sire, Resource. Six daughters are retained in the SAV herd and 23 progeny averaged \$17,195 in past SAV sales to cowmen in ten states, Canada and Brazil. Her other sons include the \$100,000 SAV Landmark 9148 and the \$45,000 SAV Intense 4304 at ST Genetics.

The 2023 SAV Sale features 55 progeny of Certified from his fabulous first calfcrop.

Certified getting down to business.

Full house at the 2022 SAV Sale.

SAV CERTIFIED 0849

Certified in yearling form, recording a 365-day weight of 1730 lbs. and 365-day ribeye of 17.3 inches.

SAV CREDENTIAL 2223 - LOT 49

- SAV Credential 2223 is a major-league herdsire prospect with sale-topping potential and the credentials to make his mark on the industry. He has awestruck all who have seen him with his powerful presence, dominating phenotype and superb structure – demonstrating incredible shape and stoutness from front to back, along with impeccable feet quality. He will be a factor of the 2023 sale season and a breeding force in the future of the SAV program. He earned a 205-day weight of 1018 lbs. for a weaning ratio of 109, ranking among the seven top-indexing bulls of his calf crop.
- His phenomenal President dam is the #2 weaning and #3 yearling weight EPD cow in the SAV herd and records a weaning ratio of 110 on two calves, earning a fast pass to the SAV donor pen. Her first son, SAV Maxima 1273, was selected by Semex AI Stud as a \$26,000 feature of the 2022 SAV Sale where he was the #1 weaning, yearling and carcass weight bull.
- His herd-favorite Pathfinder grandam is the current top income-producing cow in the SAV herd, generating \$1.5 million on 39 progeny highlighting past SAV sales and has 24 daughters working in the SAV herd. She records a weaning ratio of 107 on 8 calves and a progeny IMF ratio of 113 and REA ratio of 102 on 45 progeny scanned.

- SAV Candid 2275 is a Certified calving-ease bull with the cowmaker properties to move a herd in the right direction. He is the natural born son of the legendary SAV Emblynette 3293 who is featured as lot 501 and known both as Density's all-time greatest daughter and the dam of \$230,000 SAV Territory 7225.
- His front-pasture dam is a fifth generation SAV embryo donor with ideal body type, impeccable udder quality and a stellar production record. She balances a birth ratio of 96 with a weaning ratio of 100 on 8 calves and a progeny IMF ratio of 118 and REA ratio of 103 on 19 progeny scanned. She has eight daughters retained in the SAV herd and 26 progeny highlighting past SAV sales, including Territory, American Made, American Legend, Circuit Board and True Blood.

- A valuable breeding tool uniquely linebred for genetic potency and predictability with a double-shot of the legendary SAV Blackcap May 4136 represented in his pristine pedigree. He earned a 205-day weight of 961 lbs. for a weaning ratio of 103.
- His nice-uddered dam is royally bred – President x Priority x Net Worth x EXT. A son was selected by Brad Rath as a feature of the 2022 SAV Sale.

Certified bulls from the SAV Emblynette family...

SAV CENTRAL TIME 2100 - LOT 75

"I wanted to let you know how much I enjoyed my two days at SAV. Your hospitality was second to none. Your wisdom was needed for this first generation Angus breeder. I look forward to working with you and learning more every time we talk. You both opened my eyes and mind tremendously."

-Gary Harvin

- Recommended for heifers. A Certified calving-ease bull with a smooth pattern and the right conformation to be a highly reliable tool for virgin heifer matings.
- His feminine, perfect-uddered dam by Pedigree defines maternal quality. A daughter is retained in the SAV herd and three progeny have been features of past SAV sales.
- His powerful grandam by Rito 7075 comes from three generations of Duke Girl Pathfinders and is a full sister to SAV Buenos Aires 3454 at Genex AI Stud.

SAV CALIBRATE 2186 - LOT 79

"Your cattle operation, marriage, and two wonderful young women you have raised are both inspirational and aspirational. The love, friendship, guidance, and kindness you have provided our family has had and will continue to have an everlasting impact on our family. It's hard to put into words what you all mean to us. More important than having built the best Angus operation in the world together, you've done it while loving one another and alongside the Lord. We treasure your support and friendship."

- A congress of eight flush brothers from the mating of Certified to the proven Pathfinder, SAV Blackcap May 1808. These big, stout, power bulls have extra muscle, ribeye and carcass weight – they will inject high level performance and profitability to your feeder cattle.
- Their prolific Pathfinder dam by Nei Worth is a pinnacle of performance and maternal value. She records a weaning ratio of 108 on 10 calves and a ribeye ratio of 102 on 85 progeny scanned. She has 19 daughters retained in the SAV herd and 103 progeny highlighting past SAV sales, including the herdsires; North Face, Missouri River, Double Wide, Engage, John Wayne, Roy Rogers, Township, Renewal, Rainwater and America First.

"I'm just a small producer but have always admired your program from afar. I've used a Net Worth son, Harvester son, and currently am using a Resource. Your genetics have had a big effect on changing my program for the better."

-Mike Miles

- SAV Steakhouse 2177 presents a massive performance design with length, thickness, muscle, capacity and superb structure – a personal favorite with potential to be a big-time herdbull and major breeding force. He earned a 205-day weight of 1042 lbs. for a weaning ratio of 112, ranking among the four top-indexing bulls of his entire calcrop.
- His feminine, productive dam by Sensation comes from six generations of Emblynette Pathfinders. Her sons are working for Dan Gaskill and Cecilia Borunda in Mexico.
- His Rito 9969 x Net Worth Pathfinder grandam records a weaning ratio of 105 on 7 calves. She has nine daughters employed in the SAV herd and three progeny highlighting past SAV sales, including the top-selling bred heifer in the 2018 SAV Sale.

- SAV Beefhouse 2109 is just what his name implies – a true beef bull with thickness, muscle, massive volume and pure pounds. He takes honors as the second top-indexing bull of his entire calfcrop, earning a whopping 205-day weight of 1078 lbs. for a weaning ratio of 116. He is the #1 carcass weight, #2 weaning and yearling weight and #3 ribeye EPD bull in the entire offering. He wins the numbers race in high level competition – a force to be reckoned with!
- His powerhouse Resource dam records a weaning ratio of 111 on 3 calves and should qualify as a Pathfinder. A daughter is retained in the SAV herd and a son was selected Kevin Sailer as a \$12,000 feature of the 2021 SAV Sale.
- His grandam by International is a sixth generation SAV embryo donor and maternal sister to the \$1.51 million America.

SAV SCALE HOUSE 2926 - LOT 119

- Genetic trendsetters who raise the bar to a new level with an optimum combination of calving-ease, growth, performance, and maternal cow power from the mating of Scale House to the maternal centerpiece, SAV Blackcap May 3525. They are all-around herd-improvers, led by SAV Wheelhouse 2923, an AI stud candidate with sky-is-the-limit potential.
- Their dam is an SAV headliner donor with high level milk production and a stellar production record. She has 17 daughters retained in the SAV herd and 54 progeny highlighting past SAV sales, including the \$160,000 SAV Quarterback 7933 at Genex and the \$230,000 SAV Early Arrival 0903.
- Their Pathfinder grandam, SAV May 2397, has tallied \$2.1 million in progeny sales and has 33 daughters retained in the SAV herd, including 4136, 8961, 1808, 1782 and 3525.

SAV FIREHOUSE 2197 - LOT 122

"We had a real nice Scale House heifer calf born today and had three Territory calves last week. Starting spring calving off with a bang; all heifer calves so far."

BIRTH	+4	WEAN	+71	MILK	+23	YEARLING	+128	SCROTAL	+72
-------	----	------	-----	------	-----	----------	------	---------	-----

SAV Ease 0840 is a supreme calving-ease sire with outcross blood and curvebending performance, earning a 205-day weight of 1022 lbs., a 365-day weight of 1699 lbs. and yearling scrotal of 38.7 cm. He is a high fertility, athletic breeder with structural integrity and superior feet quality, featured on the back cover of the 2022 SAV sale book and used with success in heifer breeding projects across the land. Ease's first progeny confirm his ability to bend the growth curve, starting light and yet performing admirably. Ease was selected by Twisted Fork and Uncle Henry Farms as a \$47,500 feature of the 2021 SAV Sale where his flush brother, SAV Scale House 0845, was the \$275,000 top-selling bull.

His front-pasture dam, SAV Blackcap May 1416, hails from the same historic flush as the legendary Pathfinder Sire, Resource. She has assembled an amazing production record with 57 progeny averaging \$21,478 in past SAV sales, including Ease, Scale House, Expertise and Constitution.

The 2023 SAV Sale features the first 20 calving-ease progeny of Ease, six full brothers and many maternal siblings.

Thanks to all of our family, friends, neighbors and crew who help each year to make sale day a success!

Scale Crusher is a proven breed treasure with an unmatched ability to transmit modest birth weight with massive performance, muscle, length, gainability, docility, scrotal size and exceptional daughters. Scale Crusher stacks three generations of highly proven Pathfinder sires and comes from a time-tested Pathfinder dam. Scale Crusher's progeny captivated the Angus world at the 2021 SAV Sale where they were in record demand, including the \$275,000 Scale House, the \$100,000 Certified, the \$55,000 Scale Smasher, the \$47,500 Ease and the \$45,000 Crush.

Scale Crusher is deceased and semen inventories depleted. The 2023 SAV Sale offers access to his valuable outcross progeny!

SAV BRONCO 1904

Maternal brother to lots 140-144 selected by Albrecht and Penz Angus as a top-selling feature of the 2022 SAV Sale.

SAV BUCCANEER 1905

Maternal brother to lots 140-144 selected by Doug & Lisa Schmidt as a feature of the 2022 SAV Sale.

SAV PANTHER 1906

The \$350,000 top-selling bull from the 2022 SAV Sale to Voss Angus. Maternal brother to lots 140-144.

- Recommended for heifers or cows. Versatile outcross calving-ease options from the blending of the rare and valuable blood of Scale Crusher with SAV Blackcap May 6644. They bring calving-ease, performance, maternal and ribeye to a fresh pedigree that is employable to most bloodlines.
- Maternal brothers include SAV Panther 1906, the top-selling bull of the 2022 SAV Sale, as well as eight of the first nine bulls to walk through the sale ring at the 2020 SAV Sale.
- Their superstar dam is the #1 yearling weight flush female of her calfcrop and a one-of-a-kind flush sister to the world-record-selling flush of bulls that include President, Rainfall, Rainsance and Governor. She is an SAV headliner donor with 18 daughters retained in the SAV herd and 111 direct progeny highlighting past SAV sales.

"The Scale House calves at Killain Angus look exceptional! Can not fail when his mother is SAV Blackcap May 1416!"

- Recommended for heifers or cows. Fabulous flush brothers and herd-improvers from the proven blending of the versatile outcross blood of Scale Crusher with the industry icon, SAV Blackcap May 1416. They replicate the identical mating that created multiple top-sellers in the 2021 SAV Sale, including SAV Scale House 0845, the \$275,000 top-selling bull, and the popular calving-ease sire SAV Ease 0840. They match outcross calving-ease potential with massive dimension, muscle shape, scrotal size, docility, feet quality and scale-crushing performance. Seeing is believing - they will have an audience of fans on sale day.
- Their front-pasture dam is a leading member of the same historic flush that produced Resource. She has assembled an amazing production record with 57 progeny highlighting past SAV sales, including the \$100,000 SAV Expertise 7028 at Genex AI Stud and the herdsires; Scale House, Ease, Scale Smasher, Constitution, Land Grant, Lineman and many more.

SAV SCALE HOUSE 0845

The "Michael Jordan" of his generation and beyond, this legendary Pathfinder Sire transmits a rare combination of performance, muscle and maternal that continue to make him highly relevant 56 years after his birth. He first emerged as the top-yearling weight, top-gaining and top-selling bull of the Stanford Test to the ABS AI Stud; a decade and a half later, he factored into one-third of the top 75 bulls of the national sire evaluation; five decades later, he revitalized the breed through his grandsons Resource, Renown and more; and today maintains remarkable progeny ratios of WR@105, YR@105 and Daughters@102.

- Opportunity of a lifetime to acquire the rare and valuable performance blood of the original institutional Pathfinder Sire, RR Rito 707, matched with the breed-leading Pathfinder SAV Emblynette 2369. This flush has created a phenomenon of excitement and has garnered interest from some of the most respected cattle breeders in the world. They are led by SAV 707 Rito 2210, a dominating performance bull with incredible muscle, mass and power, matched with extra ribeye, large scrotal, docility and feet quality – the total package!
- Their Pathfinder dam is unmatched in the breed for phenotype, performance and production. She is the #1 205-day weight and marbling female of her calf crop and ranks as the #1 carcass weight and #1 beef value cow in the SAV herd. She records an astonishing IMF ratio of 123 on 70 progeny scanned. She has 38 daughters employed in the SAV herd, 49 progeny in this event and 71 progeny highlighting past SAV sales, including the top-selling females in both the 2019 and 2020 SAV sales. Her multiple herdsire sons include the \$250,000 SAV Bloodline 9578, the \$175,000 SAV Emblem 8074 and the \$75,000 SAV Ajax 8885.
- Their prolific 16-year-old grandam by Net Worth has 22 daughters retained in the SAV herd and 106 progeny highlighting past SAV sales.

-------	------	------	-----	------	-----	----------	------	---------	-----

Encore is a proven, versatile outcross SAV herdsire with unparalleled ability to transmit reliable calving-ease with high performance and solid maternal strength. He first emerged as the all-time record yearling weight bull in the history of the Jorgenson program and top-selling bull of the 2016 Jorgenson Sale with interests later selling to SAV and Allen Creek to create his \$225,000 valuation. Encore is a one-of-a-kind SAV herdsire with impressive size and mass, while displaying incredible soundness and agility in the SAV breeding pasture at 7 1/2 years of age. He records a progeny birth ratio of 97 on 497 head, a progeny weaning ratio of 101 on 470 head, a progeny yearling ratio of 102 on 241 head and a progeny IMF ratio of 104 on 202 head, in combination with his first 59 daughters who post a collective progeny weaning ratio of 102.

His powerful and productive dam earned a weaning ratio of 106 on 4 calves and is the \$50,000 top-selling lot 1 cow in the 2022 Jorgensen Motherlode Female Sale, following tradition of her legendary grandam, Ideal 4465, the \$45,000 record-selling lot 1 cow from the 2003 Jorgensen Female Sale.

The 2023 SAV Sale features 46 valuable direct progeny of Encore with versatile outcross blood for the Angus gene pool – a special highlight of the entire sale season!

SAV ENRICH 2135 - LOT 184

A preweaning photo of an Encore son with his 2-year old dam. He sells as lot 184.

Congratulations to Karlee Sailer, the retiring North Dakota Angus Queen.

Outcross calving-ease options by Encore from 2-year old Blackcap May dams...

"Kelly, amazing job! I looked through every pen of cattle you sold and unless you did that, you could not appreciate just how high the quality was in each animal. You can tell the ET work on the right cows took things to a whole different quality level. I want to thank you for everything and congratulate you on a great sale. I always try to follow in your shadow with the workmanship in my cattle, but this year it was kind of overwhelming."

Preweaning photo of lot 162 with his 2-year old dam.

Outstanding outcross options by Encore...

SAV ENTICE 2224 - LOT 163

"Hoping you would pass on to Kelly how much he impressed our family last year. My son, Ben Jewell, who was 13 at the time decided to do his grade 8 speech on Schaff Angus Valley. Ben contacted Kelly and they spoke in person. Ben had a killer speech and received a great grade. It blew us away that Kelly would take the time out of his day to return the call of a child who had never spent a dime at SAV. We were fortunate to purchase Marty Whitney's SAV cows and now feel grateful that we are able to partner with him and buy our own cattle directly from SAV. Hope to do business with you guys in the future."

-Matthew Jewell

- SAV Entitle 2337 is a powerful performance outcross with soaring maternal value – backed by one of the strongest maternal lines in the business. He is a thickset, full-bodied bull with capacity and muscle – a real-world beef bull! He earned a 205-day weight of 1001 lbs. for a weaning ratio of 107 and ranks among the four top milk EPD bulls in the offering. Expect his daughters to be moderate, deep-bodied and easy-fleshing with exceptional udders.
- His productive 2-year old dam by President is moderate, maternal and highly efficient. She is a maternal sister to the \$60,000 SAV Checkmate 8158 at Genex AI Stud.
- His front-pasture grandam takes femininity, udder quality, productivity and maternal function to the highest level. She is an SAV headliner donor with ten daughters retained and 27 progeny highlighting past SAV sales.

- Versatile outcross flush brothers with calving-ease potential, cow power, carcass and maternal value to lead the industry, from the mating of Encore to the breed-leading Pathfinder dam, SAV Emblynette 2369. They take honors as the #1 beef value and #2 marbling bulls in the offering. They are led by SAV Ensure 2912, a superior stock bull with massive dimension.
- Their Pathfinder dam is the #1 205-day weight and #1 marbling female of her calf crop and is the #1 carcass weight and #1 beef value cow in the SAV herd. She records an astonishing IMF ratio of 123 on 70 progeny scanned. She has 38 daughters employed in the SAV herd, 49 progeny in this event and 71 progeny highlighting past SAV sales, including the top-selling females in both the 2019 and 2020 SAV sales. Her herdsire sons include SAV Bloodline 9578, the lead-off and \$250,000 top-selling bull in the 2020 SAV Sale.

-------	------	------	-----	------	-----	----------	------	---------	-------

SAV America 8018 is the \$1.51 million world-record-selling bull in Angus breed history from the 2019 SAV Sale where he awestruck the industry. America combines a massive performance design and cowmaker phenotype with superior structure, soundness, fertility, docility and all the elements that make great cattle. His progeny have unprecedented demand with their powerful phenotype and breed-leading performance. His first daughters in production are making beautiful brood cows with majestic maternal quality – earning him his final mark of approval.

America's dam is the maternal matriarch, SAV Madame Pride 0075, serving the SAV program for nearly 18-years. She reigns as the second top income-producing cow in SAV history, generating \$5.4 million on 166 progeny in past SAV sales to cowmen in 22 states, Canada, Brazil and Argentina. She has 41 daughters retained in the SAV herd and multiple herdsire sons to her credit including America, Supercharger, Registry and Response.

The 2023 SAV Sale will continue the America success story with 70 direct progeny selling as well as progeny from his first daughters – a grand opportunity for the entire Angus world!

SAV ANTHEM 0042

This America son is the \$225,000 lead-off lot 1 bull from the 2021 SAV Sale to Voss Angus.

SAV GLORY DAYS 1832

- Recommended for heifers. SAV Captain America 2122 offers an outstanding genetic and visual package to be a major factor of this event. He is a stylish, thick, muscular, stout-rumped beef bull with massive volume and dimension in a herdbull package. He earned a 205-day weight of 1008 lbs. for a weaning ratio of 108, ranking among the top-performing bulls of his calfcrop and posting a data profile that excels from start to finish.
- His productive dam records a weaning ratio of 107 on her first two calves and is the #8 milk EPD and #10 marbling cow in the SAV herd. She is a full sister to the dam of the \$345,000 SAV Magnum 1335 selected by ST Genetics and Mohnen Angus as the lead-off bull of the 2022 SAV Sale.
- His productive grandam by Renown serves in the SAV embryo program and is the third top milk EPD cow in the SAV herd. She comes from three consecutive generations of prolific Emblynette Pathfinders.

SAV EMBLYNETTE 8172

Pathfinder grandam of lots 192-193 and third dam of lots 190-191.

SAV EMBLYNETTE 3240

Pathfinder third dam of lots 192-193 and fourth dam of lots 190-191, remaining productive past 18 years of age.

Maternal brother to SAV Magnum 1335 at ST Genetics...

SAV AMERICAN AIR 2286 - LOT 191

"Wow! I am so excited for the purchase you made for me! I actually had that flush marked. I honestly didn't think any of those flush brothers would fit my budget. I can't wait to see him."

-Scott Gilbreath

SAV EMBLYNETTE 9023

Dam of lot 191 and full sister to the dam of lot 190.

- SAV Stars N Stripes 2043 represents everything we strive to produce. He presents authentic Angus breed character and herd-changing type with superior shape, thickness, volume and structural integrity – demonstrating pounds in the right package. He has been a favorite of his calfcrop since birth with early maturity, masculinity and the look of a real breeding bull.
- His beautiful 3-year old dam is moderate, nice-uddered and highly efficient. Her first son was selected by Hickory Hollow Farms as a \$20,000 top-selling feature of the 2022 SAV Sale.
- His grandam by Resource and Pathfinder third dam by Right Time have both served in the SAV embryo program and come from generations of dams that excel in fertility, longevity and maternal value.

86	1068	1693	4.64	+3.9	+80	+28	+133

- SAV American Legacy 2294 is a personal favorite with explosive performance, dominating phenotype and cow power beyond compare. He is stout and powerful with thickness, muscle and massive dimension - built for the ranch world. He earned a 205-day weight of 1068 lbs. ranking as the second heaviest embryo bull of the entire calfcrop. He is maternally-charged from six consecutive generations of Emblynette Pathfinder dams that produced him and should leave fertile, productive daughters that follow suit.
- A full brother, SAV American Legion 0231, was selected by Wiwa Creek as a \$30,000 top-selling feature of the 2021 SAV Sale.
- His Pathfinder dam by Rito 9969 is a deep-bodied, capacious brood cow with abundant milk and exceptional fertility. She records a weaning ratio of 105 on 7 calves. Nine daughters are retained in the SAV herd and another was the top-selling bred heifer in the 2018 SAV Sale.
- His 16-year old Pathfinder grandam by Net Worth produced the \$80,000 SAV Mustang 9134 at Select Sires AI Stud.

SAV EMBLYNETTE 7415

SAV Emblynette 5377
Dam's WR 4/101

- An arsenal of awesome flush brothers by America from the front-pasture donor, SAV Emblynette 5377. They blend phenotype, performance, maternal and cow family strength with a pristine pedigree that reads America x Renown x Bismarck x Net Worth x EXT – fully equipped with the best blood in the business! A full brother, SAV Allegiance 0137, was selected by Rex Schwartz as a top-selling feature of the 2021 SAV Sale.
- Their dam is a fifth generation SAV headliner donor and walks with the best of the breed for phenotype and production. She hits a homerun with every mating and has 16 progeny in this event and five daughters retained in the SAV herd.
- Their prolific grandam, SAV Emblynette 0084, continues in production at 13-years of age and is the #1 CED and #4 milk EPD cow in the SAV herd. Nine daughters are retained and 25 progeny highlighted past SAV sales.

- Fabulous flush brothers representing the best of the SAV program and some of the most highly sought after genetics in the breed from the proven and predictable mating of America to the elite Pathfinder, SAV Madame Pride 3145. They are cut from the same mold as the \$225,000 SAV Anthem 0042, the \$150,000 SAV American Flag 0233 and the \$82,000 SAV Glory Days 1832. Full sisters include some very top young cows in the SAV herd and the top-selling female in the 2022 SAV Sale.
- Their proven Pathfinder dam is a herd favorite with beautiful body type and unmatched femininity, fertility, feet and udder quality. She records a weaning ratio of 107 on 8 calves and a progeny IMF ratio of 113 and REA ratio of 102 on 45 progeny scanned. She has 24 daughters employed in the SAV herd and is the current top income-producing cow.

- Recommended for heifers. A calving-ease America bull balanced in both phenotype and numbers. A maternal brother, SAV Matrix 1123, was selected by Hickory Hollow Farms as top-selling feature of the 2022 SAV Sale.
- His 3-year old dam by Elation is a model of efficiency with ideal feet and udder quality. A maternal brother, SAV Technique 5120, is featured at Alta Genetics AI Stud and scanned a 365-day ribeye of 19.5 inches.
- His phenomenal grandam is a proven high-end producer and full sister to Resource, Renown and Recharge. She balances a birth ratio of 96 with a weaning ratio of 105 on 8 calves and a progeny ribeye ratio of 103 on 53 progeny scanned. She has 13 daughters retained in the SAV herd and 60 progeny in past SAV sales to cowmen in 18 states, Canada and Argentina.

- An America achievement and dominating phenotype bull with length, thickness, muscle, volume and stoutness from front to back – the kind ranchers demand and search for.
- His broody dam is a sixth generation embryo donor with ideal body type. She has three daughters employed in the SAV herd and four progeny highlighting past SAV sales.
- His grandam is a member of the same historic flush that produced the legendary Pathfinder Sire, Resource.

"Thank you for the generous donation to our sale. It was very helpful to us. Our sale went very well for a first time sale. This is a great example of what you give to the Angus breed. It goes much farther than raising cattle and selling them."

-Bob Taylor

- SAV Born in the USA 2075 is a phenotypic and performance standout with herdbull written all over him – extra-long, deep and thick with a powerful rump and hindquarter. He earned a 205-day weight of 1006 lbs. for a weaning ratio of 108. He was a favorite of visitors to the ranch last summer alongside his majestic dam. A full brother was selected by Rocking G Ranch as a \$13,000 feature of the 2022 SAV Sale.
- His super-fronted, attractive dam has impeccable udder quality and small teats – an impressive specimen.
- His powerful International x Rito 9969 grandam is a maternal sister to SAV Bonanza 9586 and comes from SAV Elba 2536, the lead-off and top-selling cow from the 2018 SAV Sale.

BIRTH	+4.3	WEAN	+81	MILK	+28	YEARLING	+155	SCROTAL	+2.15
--------------	-------------	-------------	------------	-------------	------------	-----------------	-------------	----------------	--------------

SAV Downpour 8794 is a dominating sire of powerful, performance-driven progeny with massive volume, dimension and gainability. He consistently stamps his progeny with these herd-improving attributes, proving to be a potent sire. His sons are rugged-built, stock bulls with true muscle definition, extra rib-shape and real payweight. His daughters are feminine and broody with a classic maternal design. Downpour is the #1 yearling weight and \$100,000 third top-selling bull from the 2019 SAV Sale. He recorded a 205-day weight of 1082 lbs., 365-day weight of 1655 lbs., IMF ratio of 138 and yearling scrotal of 43.7 cm.

His Pathfinder dam, SAV Madame Pride 4407, is a herd-leader with front-pasture phenotype and top production. She is a seventh generation SAV embryo donor with 16 daughters employed in the SAV herd and 45 progeny highlighting past SAV sales to cowmen in twelve states and Canada.

Downpour is now-deceased and semen inventories are depleted. The 2023 SAV Sale presents a unique opportunity to access three full siblings, two maternal siblings and direct progeny of this esteemed sire.

SAV MADAME PRIDE 0235

Maternal grandam of Downpour from the masterful blending of Density with SAV Madame Pride 0075.

SAV COUNTDOWN 1885

The popular second top-selling Downpour son from the 2022 SAV Sale to D Lazy T Ranch and Lowery Land & Livestock.

SAV SHOWDOWN 1819

The lead-off and top-selling Downpour son in the 2022 SAV Sale to KT Ranches.

"Congrats on a great sale! Tremendous animals as always and what great hospitality and fellowship among other breeders. We are excited to be able to purchase Legacy! What a stacked pedigree of maternal excellence! Thanks again for all you have done!"

- Triple-feature flush brothers with monumental maternal value and breed-impacting potential from the mating of Downpour to the breed-leading Pathfinder, SAV Emblynette 2369. Their depth of pedigree is unrivaled in the business, combining the sires Downpour, Rainfall, Resource, Density, Net Worth, Charlo, Rito 9969, Traveler 004, Bando 5175, EXT, Right Time and more. At the same time, they combine the females 2369, 4407, 4136 x 2, 0075, 7566, 7261, 472 and more. The gene pool is stacked for maternal greatness – a grand opportunity for anyone serious about building a real cowherd. Three full sisters are among the very top young females in the SAV herd and a full brother, SAV Legacy 1295, was selected by Wernimont Farms as a top-selling feature of the 2022 SAV Sale.
- Their cornerstone Pathfinder dam is unmatched in the breed for her combination of phenotype, performance and production. She is the #1 205-day weight and marbling female of her calfcrop and the #1 carcass weight and #1 beef value cow in the SAV herd. She records an astonishing progeny IMF ratio of 123 on 70 progeny scanned. She has 38 daughters employed in the SAV herd and has tallied \$2.2 million on 71 progeny highlighting past SAV sales, including the \$250,000 SAV Bloodline 9578, the \$175,000 SAV Emblem 8074 and the \$75,000 SAV Ajax 8885. Her daughters include the top-selling females in both the 2019 and 2020 SAV Sales.

-014

- Flush brothers stacking proven and predictable performance and maternal genetics top and bottom – bred to make a lasting contribution. They are led by SAV Blueprint 2933, a personal favorite with potential to be a big-time herdbull and major breeding force. He presents a massive performance design with thickness, muscle, capacity and superb structure – one of the best to sell anywhere this year.
- Their front-pasture dam is a fifth generation SAV headliner donor and walks with the best of the breed for phenotype and production. She hits a homerun with every mating and has 16 progeny featured in this event, five daughters retained and four sons highlighting past SAV sales, including the \$27,500 SAV Allegiance 0137.
- Their prolific grandam, SAV Emblynette 0084, continues to be a profit-center at 13-years of age and is the #1 CED and #4 milk EPD cow in the SAV herd. Nine daughters are employed in the SAV herd and 25 progeny highlighted past SAV sales, including SAV One Nation 9558 and SAV Angus Acres 3205 at Alta Genetics AI Stud.

SAV HUNDREDWEIGHT 2938

Maternal brother to lots 251-254. He is the lead-off Scale Crusher bull in this sale featured as lot 138.

SAV ALLEGIANCE 0137

Full brother to lots 251-254 selected by Rex Schwartz as a top-selling feature of the 2021 SAV Sale.

SAV BACHELOR 2921 - LOT 255

IMF Ratio

- Flush brothers bringing front-and-center some of the most impacting genetics in the Angus breed from the mating of Bloodline to the legendary SAV Emblynette 3293, who is featured as lot 501 and known both as Density's all-time greatest daughter and dam of the \$230,000 SAV Territory 7225. Lots 255-256 are super-fronted, long-bodied, athletic stunners with superior soundness and cow family strength to back them.
- Their front-pasture dam is a fifth generation SAV embryo donor with ideal body type, impeccable udder quality and a stellar production record. She balances a birth ratio of 96 with a weaning ratio of 100 on 8 calves and a progeny ratio IMF ratio of 118 and REA ratio of 103 on 19 progeny scanned. She has eight daughters employed in the SAV herd and 26 progeny highlighting past SAV sales, including the herdsires Territory, American Made, American Legend, Circuit Board and True Blood.

SAV TERRITORY 7225

The \$230,000 featured lot 1 bull from the 2018 SAV Sale at ST Genetics. Maternal brother to lots 255-256.

SAV AMERICAN MADE 0079

Maternal brother to lots 255-256 selected by Meadow Bridge, Bandura Ranches, D & N Livestock and Clark Hill as a feature of the 2021 SAV Sale.

SAV AMERICAN LEGEND 0029

Maternal brother to lots 255-256 selected by Semex AI Stud as a feature of the 2021 SAV Sale.

SAV BLACKTOP 2291 - LOT 258

SAV EMBLYNETTE 8950

Dam of lot 258.

- SAV Boss 2325 is powerfully-built with massive volume, dimension and tons of performance – bred to be the boss of the breeding pasture. He earned a 205-day weight of 997 lbs. for a weaning ratio of 107.
- His broody Resource dam and Brand Name grandam come from five consecutive generations of Emblynette Pathfinders. Her progeny are working for Lyle Anderson and Zander Denson.
- His grandam, SAV Emblynette 3520, is a powerful brood matron serving the SAV embryo program. Six daughters are employed in the SAV herd and 12 progeny highlighted past SAV sales to cowmen in six states and Canada.

- SAV Blacktop 2291 will be a poundmaker, profitmaker and cowmaker in tandem and earn his value every day of his lifetime. He is a thick, full-bodied bull with massive volume, dimension and sheer pounds. He earned a whopping 205-day weight of 1001 lbs. for a weaning ratio of 107.
- His broody dam by Charlo is among the best of her class for body type and milk production. She is the second top marbling female of her calf crop and comes from two generations of prolific Emblynette Pathfinder dams. Two progeny have averaged \$7000 in past SAV sales to Al Heinert and Brian Crock.
- His Pathfinder grandam remained productive for 18+ years as a testament to the longevity, fertility and maternal productivity of the Emblynette family.

"Really happy with our Bloodlines!!"

- A major factor flush of the entire 2023 sale season. These powerhouse flush brothers are in a league of their own, with as much power, presence and wow factor as you can put in Angus bulls. They are stylish and upstanding with major muscle, center body mass and superb structure and soundness. They have been walked a hundred miles by many of the best breeders in the business.
- Their gorgeous dam by President is a full sister to the \$52,500 SAV Cleveland 9620 at Semex AI Stud. She is an up-and-coming superstar, ranking at the top of her class and serving as an eighth consecutive generation SAV embryo donor. Her sons have averaged \$9250 in past SAV sales and 12 progeny are featured in this event.
- Their heavy-milking, herd-leading Pathfinder grandam is an SAV headliner donor with stellar phenotype and top production. She records a weaning ratio of 104 on 7 calves and has 16 daughters employed in the SAV herd and 45 progeny highlighting past SAV sales, including the \$100,000 SAV Downpour 8794.

- Powerhouse flush brothers with size, scope and tons of performance. Rightfully named, they are big, stout bruisers who will add real pounds to your calfcrop and dollars to your bottomline. A full brother, SAV Fullblood 1015, was selected by Beran Bros. and Rob Obermueller as a \$30,000 top-selling feature of the 2022 SAV Sale.
- Their powerhouse dam records a weaning ratio of 106 on 7 calves and a progeny IMF ratio of 108 and REA ratio of 103 on four progeny scanned. Three daughters are retained in the SAV herd and six progeny highlighted past SAV sales, including the \$60,000 SAV Renew 8132 at ST Genetics AI Stud.

SAV RENEW 8132

Maternal brother to lots 272-273 selected by Ingram Angus and ST Genetics as a top-selling feature of the 2019 SAV Sale.

SAV PUREBRED 4896

Maternal brother to the dam of lots 272-273 selected by Casa Branca Stud in Brazil as a top-selling feature of the 2015 SAV Sale.

Bloodline bulls from the SAV Blackcap May family...

"We got one Bloodline bull this year and ran him through the scale, he weighed 908 lbs. Be exciting to see what he will weigh in two weeks when we wean. His dam is a daughter of SAV Cherokee we bought from you a while back. Also weighed one of the heifers and she weighed 805 lbs. Quite a bit of performance in these Bloodlines!!!"

SAV Blackcap May 4136
Grandam's WR 4/111

- A pairing of flush brothers from the proven mating of Bloodline to the superstar donor, SAV Blackcap May 6644. They check all the boxes to be all-around herd-improvers. A full brother, SAV Davey Jones 1892, is featured at Sire Buyer and full sisters were selected by Dameron Angus, Roberts Angus and KT Ranches as top-selling features of the 2022 SAV Sale.
- Maternal brothers include SAV Panther 1906, the top-selling bull of the 2022 SAV Sale, as well as eight of the first nine bulls to walk through the sale ring at the 2020 SAV Sale.
- Their dam is a one-of-a-kind flush sister to the world-record-selling flush of bulls that include President, Rainfall, Raindance and Governor. She is the #1 yearling weight female of her calf crop. She has 18 daughters retained in the SAV herd and 111 progeny highlighting past SAV sales to cowmen in 19 states, Canada and Mexico.

SAV DAVEY JONES 1892

Full brother to lots 274-275 featured at Bar Lazy D Cattle, Black Line Angus and Sire Buyer.

SAV PANTHER 1906

Maternal brother to lots 274-275 selected by Voss Angus as the top-selling bull from the 2022 SAV Sale.

SAV BLACKCAP MAY 6644

Dam of lots 274-275.

SAV BLACKCAP MAY 4136

Maternal grandam of lots 274-283. The Angus breed's most influential genetic contributor and top income-producing cow.

--------------	-----------	-------------	------------	-------------	------------	-----------------	-------------	----------------	--------------

SAV Grand Canyon 0969 is an exciting new addition to Select Sire AI Stud with remarkable resemblance to his industry-proven sire Rainfall and potential to continue his legacy. Grand Canyon is solid and sound as you can build one with herd bull authority and authentic Angus type – a truly impressive specimen to view in the breeding pasture. He was selected by Carlson Angus and Rust Mountain View as the \$45,000 top-selling Rainfall bull in the 2021 SAV Sale where he recorded a 205-day weight of 952 lbs. and a 365-day weight of 1578 lbs. His first progeny present calving-ease without compromise, displaying muscle, capacity, softness and substance with practical and pleasing phenotype.

His phenomenal dam, SAV Madame Pride 9477, is a stellar producer and sixth generation SAV embryo donor with a perfect blend of power and maternal from the pedigree blending of Net Worth with the maternal matriarch SAV Madame Pride 0075. She is a maternal sister to the \$1.51 SAV America 8018 and her top-selling progeny include SAV Great Lakes 8010, the #1 yearling weight and ribeye bull from the 2019 SAV Sale.

The 2023 SAV Sale features the outstanding first progeny of Grand Canyon.

SAV Grand Canyon 0969 as a 2-year old in the breeding pasture last summer.

- Recommended for heifers. A calving-ease bull who will serve double-duty as a magnificent maternal sire drawing strength from three consecutive generations of Pathfinder dams who produced him and ranking among the three top milk EPD bulls in the offering. Keep every daughter and advance your cowherd in the right direction.
- His heavy-milking 10-year old Pathfinder dam by Harvestor is the third top milk EPD cow in the SAV herd and records a weaning ratio of 103 on 8 calves. She has seven progeny highlighting past SAV sales, including SAV Advance 6193 at ST Genetics and SAV Poundmaker 9339, who is the heaviest 205-day weight bull of the 2019 calfcrop.
- His Pathfinder grandam is the #1 ribeye female of her calfcrop. She is a full sister to the legendary SAV Blackcap May 4136 and to the elite Pathfinder SAV Blackcap May 8961.

- SAV Big Canyon 2132 is a big, powerful bull with top-of-the-breed performance and a maternally-driven pedigree. His pedigree compiles some of the most proven and respected maternal sires in the breed, including Renown, Density, Net Worth, Rainfall and Charlo. He earned a 205-day weight of 1007 lbs. for a weaning ratio of 108 and records the fourth highest milk EPD in the offering. He will be a gamechanger for adding pounds to your calfcrop and maternal value to your cowherd.
- His front-pasture Pathfinder dam is an SAV headliner donor with high level milk production. She records a weaning ratio of 108 on 6 calves and a progeny ribeye ratio of 104 on 12 progeny scanned. She has 16 progeny highlighting past SAV sales, including the \$50,000 SAV Countdown 1885. Another son, SAV Columbus 0178, is the #1 205-day weight bull from the 2021 SAV Sale where he scanned a 365-day ribeye of 19.1 inches.
- His prolific Pathfinder grandam by Density records a weaning ratio of 108 on 10 calves and produced SAV Paramount 0115, the \$45,000 featured lot 1 bull from the 2011 SAV Sale.

SAV POUNDMAKER 9339
The heaviest 205-day weight bull of the entire 2019 calfcrop at 1084 lbs. Maternal brother to lot 290.

SAV ADVANCE 6193

Maternal brother to lot 290 selected by ST Genetics as the second heaviest 205-day weight bull in the 2017 SAV Sale.

SAV GRAND CANYON 2156 - LOT 293

SAV EMBLYNETTE 6640

Dam of lot 293.

- Recommended for heifers. An award-winning combination of calving-ease with outstanding phenotype, performance and maternal cow power. He ranks among the top five milk EPD bulls in the offering.
- His nice-uddered, heavy-milking dam by Renown is the productive kind. She is the third top ribeye female of her calfcrop and records a weaning ratio of 105 on 5 calves. Her progeny have highlighted past SAV sales to Arnold Natali and Kyle Hart.
- His grandam, SAV Emblynette 3301, is the model cow for the Angus breed and dam of the AI stud sires; Momentum, Hesston and Drover.

SAV GRAND PRIX 2152 - LOT 294

- Recommended for heifers. SAV Grand Prix 2152 is a grand calving-ease bull with masculinity, muscle and moderation. He has a soft-made, easy-fleshing appearance and will be the type of bull that looks as good returning home from the pasture as the day he was turned out.
- His remarkable Resource dam is a productive seventh generation SAV embryo donor with a weaning ratio of 104 on 8 calves and IMF ratio of 103 on 44 progeny scanned. She has 50 direct progeny averaging \$8800 in past SAV sales to cowmen in 15 states and Canada, including the #1 marbling bull in the 2016 SAV Sale.
- His magnificent grandam, SAV Madame Pride 0412, is the lead-off cow from the 2020 SAV Sale and maternal sister to the \$1.51 million SAV America 8018.

SAV GRAND PLAN 2037 - LOT 295

- Recommended for heifers. SAV Grand Plan 2037 brings calving-ease, performance and maternal together in perfect harmony. He is an attractive, super-fronted bull with shape, substance and superb structure – compliments of Grand Canyon!
- His gentle-natured, productive dam is the second top marbling female of her calf crop, earning an IMF ratio of 164. Five progeny have highlighted past SAV sales and a daughter is working in the herd.
- His Pathfinder grandam is an eighth consecutive generation SAV embryo donor, descending from the first Schaff cow to be enrolled in embryo transplant.

--------------	-------------	-------------	------------	-------------	------------	-----------------	-------------	----------------	-------------

SAV Rainfall 6846 is a highly-respected, industry-proven sire and major headliner at Select Sires AI Stud and a breed leader for annual registrations - selected as the \$460,000 second top-selling bull from the 2017 SAV Sale.

Rainfall is a total herd-improver with proven calving-ease, performance, phenotype, carcass quality and cowmaker credentials. Rainfall is an early gestation, low birth weight sire that can be used on virgin heifers without sacrificing thickness, muscle and capacity, Angus breed character and real-world production traits. His progeny also excel in fertility, feet quality and carcass value. His sons include Bloodline, Downpour, Grand Canyon and Riptide. His daughters in production are moderate-sized, nice-uddered and highly efficient - rising to the top of many herds.

His legendary dam, SAV Blackcap May 4136, is the Angus breed's most influential genetic contributor and top income-producing cow, generating \$10.3 million in receipts on 226 direct progeny averaging \$45,724 in past SAV sales. She has 58 daughters retained in the SAV herd and a multitude of herdsire sons.

The 2023 SAV Sale features 30 direct progeny of Rainfall, as well as 90 grand progeny!

SAV DOWNPOUR 8794

The \$100,000 top-selling Rainfall son in the 2019 SAV Sale where he was the heaviest 365-day weight bull. Full siblings sell as lots 312-313 and lot 614.

SAV RIPTIDE 1835

The \$140,000 top-selling Rainfall son in the 2022 SAV Sale to Voss Angus.

SAV BLOODLINE 9578

The \$250,000 lead-off and top-selling bull from the 2020 SAV Sale, sired by Rainfall. Full siblings sell as lots 296-300 and lots 515-517.

Five full brothers to the \$250,000 SAV Bloodline 9578...

SAV BIG RIVER 2020 - LOT 296

"Congratulations on Rainfall being the #4 registration sire! Thank you from the Select Sires team for allowing us to work with such an amazing sire!"

-Ryan Bodenhauser

- Grand opportunity to select from an arsenal of full brothers to the \$250,000 SAV Bloodline 9578, the lead-off and top-selling bull from the 2020 SAV Sale. They are fortified with calving-ease, maternal and marbling from the proven mating of Rainfall to the breed-leading Pathfinder, SAV Emblynette 2369. They are led by SAV Big River 2020, a special blessing of his calfrop and last natural born calf from the now-deceased 2369. He has been a standout since birth and earned a 205-day weight of 1032 lbs. for a weaning ratio of 111, ranking among the five top-indexing bulls of his entire calfrop.
- Their cornerstone Pathfinder dam is unmatched for her combination of phenotype, performance and production. She is the #1 205-day weight and marbling female of her calfrop and the #1 carcass weight and #1 beef value cow in the SAV herd. She records an astonishing progeny IMF ratio of 123 on 70 progeny scanned. She has 38 daughters employed in the SAV herd and has tallied \$2.2 million on 71 progeny highlighting past SAV sales, including Bloodline, Emblem, and Ajax. Her daughters include the top-selling females in both the 2019 and 2020 SAV Sales.
- Their prolific 16-year old grandam by Net Worth has 22 daughters employed in the SAV herd and has tallied \$1.4 million on 106 direct progeny highlighting past SAV sales.

SAV RAINFALL 2762 - LOT 297

"In the last month I've had the opportunity to look at hundreds of cattle sired by Rainfall, both registered and commercial. He will go down as one of my favorite sires of all time. His daughters are simply amazing."

-Todd Alford

- SAV River Crest 2761 is a maternal superstar with a stacked pedigree – Rainfall x Renown x Density. He comes from two consecutive generations of Pathfinder dams that never miss and ranks among the six highest milk EPD bulls in the offering. If maternal traits are your focus, pay close attention here.
- His front-pasture Pathfinder dam is an SAV headliner donor with high level milk production. She records a weaning ratio of 108 on 6 calves and a progeny ribeye ratio of 104 on 12 progeny scanned. She has 16 progeny highlighting past SAV sales, including the \$50,000 SAV Countdown 1885. Another son, SAV Columbus 0178, is the #1 205-day weight bull from the 2021 SAV Sale where he scanned a 365-day ribeye of 19.1 inches.
- His prolific Pathfinder grandam by Density records a weaning ratio of 108 on 10 calves and produced SAV Paramount 0115, the \$45,000 featured lot 1 bull from the 2011 SAV Sale.

BIRTH	+3.4	WEAN	+73	MILK	+23	YEARLING	+123	SCROTAL	+41
-------	------	------	-----	------	-----	----------	------	---------	-----

SAV President 6847 is the lead-off and \$750,000 record-selling bull of the 2017 SAV Sale where he was the heaviest 205-day weight bull of his calfcrop at 1077 lbs. and posted a 365-day weight of 1690 lbs., scanning a 365-day ribeye of 16.6 inches. President is powerful in every dimension – extra-long, thick and heavy-muscled with superior soundness, perfect feet and a friendly disposition. He exudes sheer force and presence with his physical form and superb structural design.

President's progeny are consistently powerful in phenotype, displaying incredible thickness, muscle-shape, length of spine with strong performance and foot structure. His daughters in production are his greatest asset, noted for their impeccable udder and feet quality, fertility, maternal instinct and ability to wean heavy calves year after year. His progeny include SAV America 8018, the \$1.51 million world-record-selling bull.

His legendary dam, SAV Blackcap May 4136, is the Angus breed's most influential genetic contributor and top income-producing cow, generating \$10.3 million on 226 direct progeny averaging \$45,724 in past SAV sales.

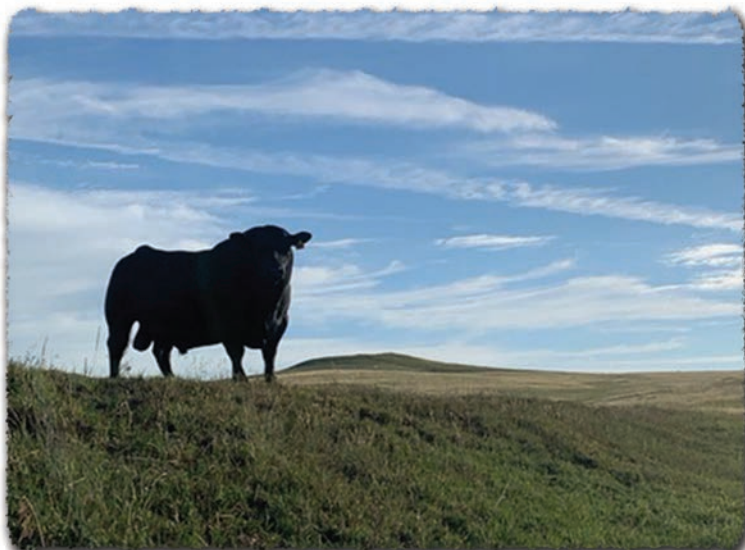

SAV BLACKCAP MAY 4136

The Angus breed's most influential genetic contributor and top income-producing cow with \$10.3 million in receipts on 226 direct progeny in past SAV sales and 58 daughters retained in the SAV herd.

SAV AMERICA 8018

The \$1.51 million world-record-selling bull in Angus history, sired by President.

SAV President is a proud king of the breeding pasture.

President makes his presence on the prairie known for miles around, resembling the famous painting of the first Angus bull arriving in the United States from Scotland in 1876.

SAV Governor 6844 is a proven and highly-regarded calving-ease sire with magnificent maternal value, docility and carcass merit. He is a \$435,000 featured member of the world-record-selling flush of bulls from the 2017 SAV Sale that also included President, Rainfall, Raindance, Rainmaster and Reign. Governor is nice-headed, clean-fronted and smooth-shouldered with length, capacity and muscle. He is a high customer satisfaction sire used with great success around the globe.

His legendary dam, SAV Blackcap May 4136, is the Angus breed's most influential genetic contributor and top income-producing cow, generating \$10.3 million on 226 direct progeny highlighting past SAV sales and 58 daughters retained in the SAV herd.

SAV EMPIRE 9704

The \$35,000 top-selling Governor son from the 2020 SAV Sale to Santiago Debernardi in Argentina and Square B Ranch.

SAV STERLING 1766

This exciting new addition to the Genex AI Stud from the 2022 SAV Sale was produced from a 2-year old dam by Governor.

Charlo is one of the most influential Pathfinder sires the breed has ever known. No other sire in history combines proven calving-ease with his degree of thickness, fleshing-ability, carcass quality and authentic Angus type. Charlo is a large scrotal, highly fertile sire with superior semen quality.

Charlo's \$50,000 dam is a full sister to the famous Pathfinder SAV Abigale 8213. His grandam is the high income-producing SAV Abigale 6062, who ranks as the breed's #1 ribeye EPD cow of her generation.

Charlo sired the world-record-selling flush of bulls at the 2017 SAV Sale that include President, Raindance, Rainfall, Governor, Rainmaster and Reign. His progeny and extensive influence are represented.

BIRTH	-2.7	WEAN	+69	MILK	+30	YEARLING	+110	SCROTAL	+1.19
-------	-------------	------	------------	------	------------	----------	-------------	---------	--------------

SAV Early Arrival 0903 is the \$230,000 second top-selling bull from the 2021 SAV Sale and has captured the attention of the Angus world as an incredible calving-ease outcross with curvebending growth, performance, maternal and carcass, all in one package. He is among the most popular and widely-used AI sires in the breed today with proven and reliable calving-ease to be used with confidence on virgin heifers in large synchronization breeding projects, confirmed with a CED of +16, birth EPD of -2.7, and actual birth weight of 60 lbs. Early Arrival posted a 205-day weight of 963 lbs., a 365-day weight of 1514 lbs., a 365-day ribeye of 16.9 inches and yearling scrotal of 40 cm. This big, deep-bodied, smooth-made bull went on to weigh 2410 lbs. after the breeding season as a 2-year old. His flush sisters are among the most impressive 2-year olds ever freshened at SAV and have already entered the prestigious SAV embryo donor program.

His dam, SAV Blackcap May 3525, is a maternal centerpiece and all-time greatest daughter of Final Answer. She is an SAV headliner donor with 17 daughters retained and 54 progeny highlighting past SAV sales, including the \$160,000 SAV Quarterback 7933 at Genex AI Stud, as well as the #1 yearling weight and ribeye heifer in the 2020 SAV Sale.

The 2023 SAV Sale will feature the first progeny and valuable service of Early Arrival along with eleven maternal siblings.

SAV BLACKCAP MAY 3525

Maternal centerpiece and all-time greatest daughter of Final Answer. She is an SAV headliner donor with 17 daughters retained in the SAV herd and 54 progeny highlighting past SAV sales, including the \$160,000 SAV Quarterback 7933 at Genex AI Stud.

SAV BLACKCAP MAY 9547

Maternal sister to SAV Early Arrival 0903.

Thank you to all SAV supporters who attended the 2022 SAV Sale!

Exceptional calving-ease - compliments of Early Arrival...

- Recommended for heifers. SAV Early Riser 2190 is a stylish, nice-headed, new generation calving-ease bull with a fashionable pedigree – an early standout. He records the second lowest birth EPD and the fifth highest milk EPD in the entire offering.
- His moderate, easy-fleshing 2-year old dam by Rainfall is a model of efficiency and flush sister to SAV Rain or Shine 0888 and to the featured lot 571 donor in this sale.
- His grandam, SAV Madame Pride 3304, serves as a seventh generation SAV embryo donor recording a weaning ratio of 104 on 8 calves and an IMF ratio of 103 on 44 progeny scanned. She has seven daughters retained and 50 progeny highlighting past SAV sales.

--------------	-------------	-------------	------------	-------------	------------	-----------------	-------------	----------------	--------------

SAV Territory 7225 is the \$230,000 featured lot 1 bull from the 2018 SAV Sale and major headliner at ST Genetics. He has secured the prominent position as the single greatest breeding son and heir to the throne of the now-deceased legendary Pathfinder Sire, Resource. Territory earned a 205-day weight of 1075 lbs., a 365-day weight of 1744 lbs. and a 365-day ribeye of 18.7 inches. He is a beef bull supreme with massive volume, fleshing-ability and pure performance – the look of a real-world herdsire. Territory presents a large scrotal and high fertility with superb feet and a friendly disposition.

Territory sired the top-gaining and top-selling sire group of bulls in the 2020 SAV Sale, including SAV Landmark 9148 and SAV North Face 9140. His progeny have earned him proven EPDs for weaning and yearling weight in the breed's top percentiles. They are thick, deep-bodied, massive in their design with accelerated appetite, fleshing-ability and chart-topping performance. His daughters in production are capacious, easy-fleshing and broody with udder quality, docility and perfect feet.

The dam of Territory, SAV Emblynette 3293, is an industry icon regarded as Density's all-time greatest daughter and is the lead-off lot 501 cow in this event. She is a fifth generation SAV embryo donor with an impeccable udder, model body type, superior structure and outstanding production record.

- Double feature flush brothers with so many positives to benefit the breed – pedigree, performance, phenotype, maternal and cow power all blended into a herdbull package. They draw intense maternal strength from eight consecutive generations of Madame Pride embryo donors that lace the bottom side of their pedigree. They will leave daughters to fill the replacement pen. They are led by SAV Testament 2965, a special favorite of his calfrop with worlds of length, muscle, style and structural balance.
- Their beautiful dam by Rainfall is a new generation headliner in the SAV embryo program with maternal excellence that stands alone. She is the #3 ribeye and #7 yearling weight female of her calfrop. Her first two sons were top-selling features of past SAV sales to May Cattle and Stauffer Ranch and six progeny highlight this event.
- Their heavy-milking Pathfinder grandam by Density is a maternal sister to America. She records a weaning ratio of 105 on 6 calves and has six daughters retained in the SAV herd and twelve progeny highlighting past SAV sales, including SAV Amendment 6328.

SAV LAND ROVER 1133

Maternal brother to lots 339-340 selected by Stauffer Ranch as a top-selling feature of the 2022 SAV Sale.

SAV SMOKEHOUSE 2889

Maternal brother to lots 339-340 featured in this sale as lot 103.

SAV MADAME PRIDE 8487

Dam of lots 339-340.

SAV MADAME PRIDE 0075

Maternal matriarch from whom lots 339-349 descend. She is the dam of the \$1.51 million America and is the second top income-producing cow in SAV history.

SAV MADAME PRIDE 0244

Pathfinder third dam of lots 339-340.

SAV MADAME PRIDE 4405

Maternal grandam of lots 339-340.

"We are so grateful for the opportunity we had to purchase a bull from your sale. The impression of your program has made such an impact on us. We hope to be able to use your genetics to revolutionize our Angus herd. SAV cows are hard to beat when we are looking for docile and complete animals."

SAV MADAME PRIDE 8375

Dam of lots 341-346.

- A congress of real-world stock bulls, powerfully-constructed with thickness, muscle shape, capacity, stoutness and structural integrity - built solid and strong for range country. They are the rancher's kind and bred to be that way, powerfully linebred for genetic potency to the legendary Pathfinder Sire, Resource. They are led by SAV Throttle 2961, a potential sale-topper and absolute powerhouse with breed-impacting potential.
- Their gorgeous dam by President is a full sister to the \$52,500 SAV Cleveland 9620 at Semex AI Stud. She is an up-and-coming superstar, ranking near the top of her class and serves as an eighth consecutive generation SAV embryo donor. Her sons have averaged \$9250 in past SAV sales and 12 progeny are featured in this event.
- Their herd-leading Pathfinder grandam, SAV Madame Pride 4407, is the dam of the \$100,000 SAV Downpour 8794.

- Flush brothers fortified with maternal performance and herdbull phenotype. They are led by SAV Triumph 2980, a powerfully-built stud with incredible length, muscle and masculinity at an early age. He has exploded on social media to become one of the most highly anticipated bulls to sell this year.
- Their picturesque President dam serves as an eighth consecutive generation SAV embryo donor and is on the fast track to stardom with seven daughters retained in the SAV herd and 19 progeny featured in this sale offering. She comes from a proven and predictable mating that produced multiple top-selling bulls and nine of the top 2019 model cows in the SAV herd.
- Their powerhouse Pathfinder grandam by Resource has 30 daughters retained and 77 progeny featured in past SAV sales.

- A trio of authentic beef bulls that demonstrate incredible muscle, thickness, volume, dimension and sheer performance – built and approved for the ranch world. They are led by SAV Tank 2972 and SAV Tuff 2973, rightfully named to carry forward the Territory tradition.
- Their President dam is a new generation SAV embryo donor with 19 progeny featured in this sale. She is the #4 yearling weight female of her calf crop and flush sister to SAV Washington 9598 and SAV Jefferson 9588. Her flush sister produced the heaviest 205-day weight bull of the entire 2022 calf crop.
- Their Pathfinder grandam, SAV Madame Pride 3045, is a maternal masterpiece with stellar phenotype and high level milk production. She has eight daughters employed in the SAV herd and 74 progeny highlighting past SAV sales to cowmen in 17 states and Canada.

SAV SPLASH 8001

A featured top-selling bull in the 2019 SAV Sale to Waibel Ranches. Full brother in blood to the dam of lots 350-352 and maternal brother to lots 353-355.

SAV Madame Pride 1093#

- Flush brothers with ranch-world appeal from the mating of Territory to the elite Pathfinder, SAV Madame Pride 3045. They are led by SAV Train Station 2557 who presents a massive performance design and takes honors as the heaviest 205-day weight embryo bull of his calcrop at 1078 lbs. He will sire the pounds that pay the bills.
- Their Pathfinder dam, SAV Madame Pride 3045, is a maternal masterpiece and sixth generation SAV embryo donor with high level milk production and a stellar production record. Eight daughters are retained in the SAV herd and 74 direct progeny have highlighted past SAV sales. She is a full sister to SAV Bumper Crop 2018 at Semex AI Stud.

SAV STORM 9602

Featured herdsire at D Lazy T Ranch and top-selling feature of the 2020 SAV Sale. Maternal brother to lots 353-355 and full brother in blood to the dam of lots 350-352.

- Tremendous team of flush brothers who raise the bar to the next level with awe striking stoutness, muscle, capacity, power and pounds, along with superb soundness and structural integrity. Seeing is believing – they are the herdbull kind and will advance the breed.
- Their breed-leading Pathfinder dam is a true cornerstone. She is the #1 205-day weight and marbling female of her calf crop and the #1 carcass weight and #1 beef value cow in the SAV herd. She records an astonishing progeny IMF ratio of 123 on 70 progeny scanned. She has 38 daughters employed in the SAV herd and has tallied \$2.2 million on 71 progeny highlighting past SAV sales, including the \$250,000 SAV Bloodline 9578, the \$175,000 SAV Emblem 8074 and the \$75,000 SAV Ajax 8885. Her daughters include the top-selling females in both the 2019 and 2020 SAV Sales.
- Their prolific 16-year old grandam by Net Worth has 22 daughters employed in the SAV herd and has tallied \$1.4 million on 106 direct progeny highlighting past SAV sales.

SAV BLOODLINE 9578

The lead-off and \$250,000 top-selling bull from the 2020 SAV Sale. Maternal brother to lots 357-363.

Tremendous Territory flush brothers from the breed-leading Pathfinder, SAV Emblynette 2369...

- SAV North Border 2389 is top-gaining bull and serious contender in the performance race. He is the #1 weaning and #1 yearling EPD bull in the entire sale offering and second top-indexing bull of his calfcrop, earning a 205-day weight of 1080 lbs. for a weaning ratio of 116. He has the birth advantage to sire market-topping feeder cattle with stoutness and payweight.
- His beautiful dam comes from seven generations of Madame Pride embryo donors.
- His Pathfinder grandam by Resource is a performance trait-leader.

SAV Landmark 9148 is the \$100,000 third top-selling bull from the 2020 SAV Sale. He is intensely linebred for genetic potency. His progeny are thick and densely-muscled with masculinity and authentic Angus breed character. They are powerfully-constructed, solid and sound with exemplary foot structure.

His dam is maternal supreme with abundant milk – a near replica of her legendary dam, SAV Blackcap May 4136. She is a member of the historic flush that produced the Pathfinder Sire, Resource. She has 23 progeny highlighting past SAV sales, including the \$100,000 SAV Certified 0849 and the \$45,000 SAV Intense 4304 at ST Genetics.

An absolute powerhouse performance sire with an abundance of thickness, muscle, volume and pounds – stout, heavy-boned and rugged-built. He was selected by Genex and partners as the \$135,000 featured lot 1 bull from the 2017 SAV Sale where he recorded a 205-day weight of 1045 lbs., a 365-day weight of 1592 lbs. and a 365-day ribeye of 17.6 inches.

The dam of Abundance by Net Worth is a superior producer with beautiful body-type and udder quality. She records a weaning ratio of 107 on 10 calves. His prolific grandam is a fourth generation Pathfinder who served the SAV program for 21+ years.

Abundance progeny carry the impressive stamp of their sire and have gained him worldwide popularity.

SAV ABOUND 2269 - LOT 385

"Schaff Angus Valley continues to set the bar for economical important traits that will keep commercial cattlemen in business. Hope you stay the course and never succumb to the political pressure of this breed!!! Proud to call you my friend!"

SAV Cattlemaster 4873 is a proven, high customer satisfaction sire and beef team favorite at ST Genetics All Stud, selected as a \$60,000 feature of the 2015 SAV Sale where he recorded a 205-day weight of 1000 lbs., a 365-day weight of 1632 lbs., a 365-day ribeye of 19.3 inches, an IMF ratio of 143 and yearling scrotal of 44.8 cm. This performance outcross and carcass-improver earned his reputation through the real-world commercial sector where his progeny dominated their contemporaries. He stamps muscle, thickness, capacity, pounds and fleshing-ability, along with outstanding fertility and quiet demeanor. His Net Worth dam records a weaning ratio of 107 on 4 calves and comes from four consecutive generations of Emblynnette Pathfinders.

- Triple feature flush brothers expressing the outcross power, performance, muscle and carcass quality of Cattlemaster, blended with the maternal quality of the legendary SAV Blackcap May 1416 – the remarkable results speak for themselves. This flush is led by lot 389, who has excelled at every measure and takes honors as the #1 ribeye EPD bull of this competitive sale offering.
- Their front-pasture dam hails from the same historic flush as the legendary Pathfinder sire, Resource. She has assembled an amazing production record, generating \$1.2 million on 57 direct progeny highlighting past SAV sales to cowmen in 12 states and Canada. She has multiple herdsire sons to her credit, including Scale House, Ease, Scale Smasher, Expertise, Constitution, All American, Land Grant, Lineman and more.
- Their legendary grandam, SAV Blackcap May 4136, is the Angus breed's most influential genetic contributor and high income-producing cow with \$10.3 million in direct progeny sales.

SAV BLACKCAP MAY 8552

Maternal sister to lots 389-391.

SAV SCALE HOUSE 0845

Maternal brother to lots 389-391 selected by Voss Angus as the top-selling bull from the 2021 SAV Sale.

SAV EASE 0840

Featured calving-ease sire and maternal brother to lots 389-391, selected by Twisted Fork and Uncle Henry Farms as a top-selling feature of the 2021 SAV Sale.

SAV CONSTITUTION 8054

Maternal brother to lots 389-391 selected by Hilltop Angus as a top-selling feature of the 2019 SAV Sale where he was featured on the front cover.

SAV REVOLUTION 2883 - LOT 392

- Real-world outcross opportunities to stimulate the Angus gene pool. They blend the stoutness, muscle and foot quality of the Pathfinder sire, Revolution, with the maternal power and world-class udder quality of SAV Madame Pride 5809. A valuable opportunity to gain traction on the fundamental traits needed in the Angus breed.
- Their dam is a phenotypic powerhouse and sixth generation embryo donor with unmatched body type and impeccable udder quality. She has six daughters employed in the SAV herd and 37 progeny highlighting past SAV sales to cowmen in eleven states, Canada and Mexico. Her son, SAV Patriot 0942, was selected by Allen Bros. and Yardley Cattle Co. as a top-selling feature of the 2021 SAV Sale.
- Their grandam, SAV Madame Pride 0075, is the maternal matriarch and dam of the \$1.51 million America.

- Recommended for heifers. SAV Benefit 2395 is an AI stud candidate with so many positives to benefit the breed - calving-ease, performance, maternal and carcass quality all wrapped up in a herd bull package with a pedigree that is a total outcross to most bloodlines. He earned a 205-day weight of 1002 lbs. for a weaning ratio of 108 and ranks as the #4 milk, #6 weaning and #5 yearling EPD bull in the entire offering.
- His massive 2-year old Scale Crusher dam is a phenotypic powerhouse recording a weaning ratio of 108 on her first calf and earning a fast pass to the SAV donor pen. She is a flush sister to the \$45,000 SAV Crush 0935 and to SAV Big Rig 0934, both featured at Sire Buyer.
- His grandam, SAV Blackcap May 4574, is the lead-off and \$32,500 top-selling cow from the 2022 SAV Sale and flush sister to SAV Regard 4863 at Genex AI Stud. Four daughters are retained and 19 progeny have highlighted past SAV sales, including the \$50,000 SAV Experience 9088, the featured lot 1 bull from the 2020 SAV Sale.

SAV CRUSH 0935

Flush brother to the dam of lot 403 selected by Star Creek and Eaves Angus Genetics as a top-selling feature of the 2021 SAV Sale.

SAV BIG RIG 0934

Flush brother to the dam of lot 403 selected by Six Diamond Cattle Co. and Ressler Angus Ranch as the top-gaining bull on test at the 2021 SAV Sale.

Benchmark is an SAV herdsire with a versatile outcross pedigree and breed-leading EPD profile that covers all the bases. He served in the SAV breeding pastures for the past three summers with much success, offering unmatched mating flexibility and multi-trait superiority. His progeny are long-spined, smooth-made with an attractive pattern and plenty of performance. His powerful second generation Pathfinder dam is the \$75,000 top-selling lot 1 cow for Montana Ranch where she produced their all-time top-selling bull and earned a weaning ratio of 104 on 6 calves.

SAV outcross herdsire with breed-improving numbers...

MILL BRAE BENCHMARK 9016

SAV BENEDICT 2446 - LOT 404

"Hope all is well in the great state of North Dakota!!! We are loving how great the cattle look. We have a very nice Landmark heifer calf. Our Benchmark calves are great as well. We had a set of twin Benchmark heifers out of a 1st calf heifer (President x SAV Emblynette 7229 that we purchased from you.) Those heifers are outstanding. She did an outstanding job raising them both."

-Alicia Prill-Adams
Pioneer Farm, University of Wisconsin

- Recommended for heifers. A total industry outcross calving-ease bull with curvibending numbers and a distinct maternal and carcass advantage. He is the co-top milk EPD and #6 ribeye EPD bull in the offering.
- His 2-year old Scale Crusher dam is maternal supreme and ranks as the #2 milk, #8 weaning, #6 yearling, #3 ribeye and #4 carcass weight EPD cow in the entire SAV herd. She is a maternal sister to the \$60,000 SAV Checkmate 8158 at Genex AI Stud.
- His front-pasture grandam takes femininity, udder quality, productivity and maternal function to the highest level. She is an SAV headliner donor with ten daughters retained and 27 progeny highlighting past SAV sales.

SAV BENEFACTOR 2360 - LOT 406

"Thank you for allowing the NDSU Beef Production class to tour your facility. Our students truly enjoyed the opportunity to tour SAV and to hear from you. We very much appreciated the time you took out of your day to have a conversation with the next generation of beef producers - the students were so excited to expand their knowledge."

-Jennifer Hurlbert
2022 NDSU Beef Production Class

SAV MADAME PRIDE 8487

- SAV Benefactor 2360 is a sale headliner and spectacular outcross with the pedigree, performance, phenotype, maternal and cow power to complete a perfect herdbull resume and make his mark on the industry.
- His beautiful dam by Rainfall is a new generation SAV headliner donor with stand-alone phenotype and maternal excellence. She is the #3 ribeye and #7 yearling weight female of her caltrop. Her first two sons were top-selling features of past SAV sales to May Cattle and Stauffer Ranch and six progeny highlight this event.
- His heavy-milking Pathfinder granddam by Density is a maternal sister to America. She records a weaning ratio of 105 on 6 calves and has six daughters retained in the SAV herd and twelve progeny highlighting past SAV sales, including the \$60,000 SAV Amendment 6328.

SAV SMOKEHOUSE 2889

Maternal brother to lot 406 featured in this sale as lot 103.

Stellar is a proven calving-ease sire and ABS Global headliner with multi-trait balance from birth to harvest. He is known for his ability to add maternal value and udder quality to his daughters. His progeny have solid performance and carcass numbers and outstanding foot scores. His high maternal dam records a weaning ratio of 106 on 4 calves and comes from two consecutive generations of elite Pathfinders.

SAV FEMALE OFFERING

Lots 501-708

The 2023 female offering represents the most progressive genetics at SAV and include daughters from all of the leading SAV embryo donors and most elite cow families. These females were raised and developed to make long-term, production-orientated producers who deliver profit. They will provide a solid maternal foundation on which to build. These authentic SAV prefix females are from the heart and soul of the SAV breeding program and will be valuable property with a lifetime of earning potential – A GRAND OPPORTUNITY!

Genetically enhanced with... • **Maternal traits** • **Udder quality** • **Femininity** • **Angus breed character**
• **Structural soundness** • **Body capacity** • **Fleshing-ease** • **Fertility** • **Longevity** • **Disposition**
...proven in a real-world production program that has stood the test of time.

The Brand that you Believe in...

Fifth generation SAV embryo donor and major sale attraction - SAV Emblynette 3293...

Density's all-time greatest daughter and dam of the \$230,000 SAV Territory 7225...

SAV EMBLYNETTE 3293 - LOT 501

"We had a great time at the SAV Sale. The incredible cattle were outmatched only by the great people who stand behind them. I couldn't be happier with the bull I bought. SAV True Blood 1104 is truly the best bull I've ever owned. He looks even better walking the pastures here in Oklahoma than he did up there. I love him and plan to use him for years."

-Bryan Christensen

- Unquestionably the single greatest proven herd matron ever offered in 120 production sales held by the Schaff family. This major sale attraction and lead-off female of the 2023 SAV Sale is a fifth generation SAV embryo donor and herd favorite with impeccable udder quality and model body type. She is a true cornerstone, universally known both as Density's all-time greatest daughter and dam of the \$230,000 SAV Territory 7225. She compiles a mile-long resume and the credentials to launch any program to a new level. She has nine progeny featured in this event, eight daughters employed in the SAV herd and has tallied \$597,000 on 26 progeny averaging \$22,961 in past SAV sales to cowmen in ten states, Canada and Mexico. She balances a progeny birth ratio of 96 and weaning ratio of 100 of 8 natural calves with an IMF ratio of 118 and REA ratio of 103 on 19 progeny scanned.
- Her son, SAV Territory 7225, is the \$230,000 featured lot 1 bull from the 2018 SAV Sale at ST Genetics AI Stud and authors the largest sire group in the 2022 SAV Sale, recognized as the single greatest son of the legendary Pathfinder Sire, Resource. Additional progeny of lot 501 include the \$40,000 SAV American Made 0079, the \$35,000 SAV Circuit Board 0885, the \$32,500 SAV True Blood 1104, the \$30,000 SAV American Legend 0029, the \$28,000 SAV Saturate 9607 and the \$27,500 SAV Equation 9052. Her daughters include the #1 IMF female of the 2018 calfcrop, the #1 ribeye female of the 2020 calfcrop and a daughter serving in the SAV embryo program.
- Her \$150,000 dam, SAV Emblynette 7411, produced the \$35,000 SAV Thunderbird 9061 at Accelerated Genetics and is a full sister to the \$80,000 SAV Birthstone 8258 at Select Sires AI Stud.
- Lot 501 has calved annually each year while producing a total of 114 transferable embryos in 19 collections. **Ultrasounds safe to the \$185,000 SAV Jesse James 0968, due 5/21/23.**

SAV TRUE BLOOD 1104

This son of lot 501 was selected by Christensen Angus as a \$32,500 feature of the 2022 SAV Sale. Full brother to lot 504.

- Valuable collectors' items with a priceless pedigree blending the proven industry icons, Scale Crusher x SAV Emblynette 3293.
- Their dam is a herd favorite and fifth generation SAV embryo donor featured at lot 501. She is unquestionably the single greatest herd matron offered in 120 production sales held by the Schaff family, known both as Density's all-time greatest daughter and dam of the \$230,000 SAV Territory 7225 at ST Genetics. She has eight daughters retained in the SAV herd, nine progeny in this event and 26 progeny averaging \$22,961 in past SAV sales. She balances a birth ratio of 96 and a weaning ratio of 100 on 8 calves with a progeny IMF ratio of 118 and REA ratio of 103 on 19 progeny scanned.
- Their grandam, SAV Emblynette 7411, is a full sister to the \$80,000 SAV Birthstone 8258 at Select Sires and dam of the \$35,000 SAV Thunderbird 9061 at Accelerated Genetics.

"Wanted to share a picture of SAV Emblynette 9157 with her first calf. She ran a very large pasture that is primarily forest and rough terrain, competing with mature cows and still managed to wean the second heaviest heifer calf from that group and maintained her own body condition very well. SAV Emblynette 9846 wasn't far behind with an equally impressive heifer calf and is one of the easiest fleshing cows I've ever seen. SAV Emblynette 9174 is currently raising a bull calf and doing a great job. Really happy with the females I got from you in 2020 and thought I'd let you know."

-Tyler Raddatz

- Two-of-a-kind flush sisters and futuristic producers with profit and production potential for years to come. They are maternally-charged from four consecutive generations of Emblynette Pathfinder dams that excel in fertility, longevity, productivity and maternal value.
- Their productive Pathfinder dam is a ranch favorite and records a weaning ratio of 104 on 5 calves. She has three daughters retained in the herd and 13 progeny averaging \$8923 in past SAV sales.
- Their prolific Pathfinder grandam was Kelsie's 2007 4-H project heifer and served the SAV program for 16+ years, earning a lifetime weaning ratio of 102 on 15 natural calves.

- An elegant Emblynette heifer with striking maternal quality - the kind that will advance any replacement pen. She records a weaning ratio of 103 and proudly represents the fabulous first calfcrop by the \$185,000 SAV Jesse James 0968.
- Her heavy-milking dam by Raindance records a weaning ratio of 107 on 3 calves and should qualify as a Pathfinder. She is the #4 ribeye and #6 yearling weight female of her calfcrop. Two sons averaged \$8250 in past SAV sales to Philip Shanley and Daniel Schuler.
- Her productive Rito 7075 grandam comes from two generations of Emblynette Pathfinders. She records a weaning ratio of 104 on 9 calves and is the dam of the \$37,500 SAV Instinct 4258 at Genex AI Stud.

- Triple feature flush sisters and futuristic producers with sky-is-the-limit potential. They are full sisters to the \$250,000 SAV Bloodline 9578 and to the \$55,000 lead-off heifer of the 2020 SAV sale, placing them in very elite company.
- Their breed-leading Pathfinder dam is unmatched for her combination of phenotype, performance and production. She is the #1 carcass weight and beef value cow in the SAV herd and records an astonishing progeny IMF ratio of 123 on 70 progeny scanned. She has 38 daughters employed in the SAV herd, 49 progeny in this event and has tallied \$2.2 million on 71 progeny highlighting past SAV sales to cowmen in 18 states and Canada. Her daughters include the top-selling females in both the 2019 and 2020 SAV Sales.

We have had commercial cattle for a few years and take pride in all of our animals. However, these six heifers you have sold us bring a new level of pride, I am not sure how to explain it. I truly appreciate that you have hand picked these heifers and offered them to us at an exceptional rate. They look great and have a great temperament. My girls enjoy being around them. I look forward to the cows they will become. It's a great feeling to know that we have a great foundation for our registered herd that stems back to the foundation of the Schaff legacy. We look forward to growing our registered herd. I also appreciate you offering to share the wealth of knowledge you have obtained over the years. Thank you again for giving us this opportunity. I look forward to passing down the Schaff legacy to my future generations.

-Derek & Lauren Schaff

- This beautiful brood matron and SAV embryo donor represents the best of proven, old-school foundation genetics that built the breed and never go out of style – Charlo x Resource x Traveler 004 x EXT. She possesses all of the qualities of an ideal beef cow – moderate, capacious, easy-fleshing and docile with a beautiful udder and superb feet. She is the #8 weaning and #7 yearling weight female of her calf crop and balances a progeny birth ratio of 96 on 4 calves with a progeny IMF ratio of 120 on 2 calves. A daughter ranks among the top of the 2020 model cows in the SAV herd while a son was selected by Sloan Anderson as a feature of the 2022 SAV Sale, with another featured in this event.
- Her heavy-milking Resource dam records a weaning ratio of 104 on 6 calves and draws maternal strength from five consecutive generations of Emblynette Pathfinders on the bottom side of her pedigree. A daughter is the #1 205-day weight heifer of the 2020 calf crop and four progeny have highlighted past SAV sales.
- Her Pathfinder grandam, SAV Emblynette 5483, is the \$250,000 top-selling cow in the 2016 SAV Sale and dam of the \$400,000 SAV International 2020 and the \$230,000 2016 National Angus Foundation Heifer.
- **Ultrasonics safe to the \$185,000 SAV Jesse James 0968, due on 6/3/23.**

- The lead-off bred heifer of this event with the cow family strength, maternal pedigree and phenotype to become a foundation donor for any program. She presents majestic maternal presence and angularity with broodiness and body – following the productive mold of her maternal lineage. She carries the designation of being a maternal sister to the dam of the \$345,000 SAV Magnum 1335 at ST Genetics.
- Her phenomenal dam is a new generation headliner in the SAV embryo program and #3 milk EPD cow in the SAV herd, produced from three consecutive generations of Emblynette Pathfinders. She records a weaning ratio of 112 on 2 calves and an IMF ratio of 115 on four progeny scanned. A son, SAV USA 0175, was selected by Roberts Angus as a \$35,000 feature of the 2021 SAV Sale and three daughters are retained in the SAV herd.
- Her Pathfinder grandam by Net Worth is the second top marbling female of her calfcrop. She has four daughters employed in the SAV herd and 13 progeny averaging \$14,307 in past SAV sales, including the \$47,500 SAV Best Interest 0136 at Genex AI Stud.
- **Ultrasounds safe to the \$85,000 Casino Constable T34, due 6/1/23.**

- An opportunity to explore the breeding potential of one of the most powerful and productive up-and-coming donors in the entire SAV program. This one-of-kind natural born Resource x SAV Madame Pride 3145 matron is a mirror image of her Pathfinder dam. She takes honors for producing the first pick replacement heifer of the entire 2022 calfcrop sired by America – the same mating as the embryo package featured as lot 560A.
- The donor dam of these embryos is a broody beauty with the body and build of a major power cow with a breed-impacting future. Her sons have averaged \$8250 in past SAV sales and her first daughter dominates the 2022 calfcrop with a big future ahead.
- The Pathfinder grandam of these embryos is the current top income-producing cow among all active dams in the SAV herd. She records a weaning ratio of 107 on 8 calves and a progeny IMF ratio of 113 and REA ratio of 102 on 45 progeny scanned.

- Triple feature Madame Pride flush sisters from the proven and predictable mating of President to the magnificent maternal matron, SAV Madame Pride 0412. Full sisters are working in the SAV herd, including the dam of the second heaviest 205-day weight bull of the entire 2022 callcrop.
- Their remarkable dam is feminine, long-fronted, angular and wedge-shaped with striking maternal quality and tons of milk – the front pasture kind. She balances a progeny birth ratio of 96 with a weaning ratio of 102 on 8 calves and a progeny REA ratio of 107 on 20 progeny scanned. Eleven daughters are retained in the SAV herd, 18 progeny averaged \$10,791 in past sales and 20 progeny are featured in this event. She was selected by D Lazy T Ranch as the \$35,000 lead-off cow of the 2020 SAV Sale.
- Their grandam is the maternal matriarch, SAV Madame Pride 0075, and dam of the \$1.51 million America.

SAV MADAME PRIDE 8613

This President daughter was produced from a maternal sister to lots 589-591.

- A hand-picked Madame Pride sale feature with a pristine pedigree, phenotype, performance and proven cow power for generations to complete a perfect donor resume. She is a full sister to the now-deceased industry icon, SAV Downpour 8794, the #1 365-day weight and \$100,000 top-selling Rainfall bull in the 2019 SAV Sale. Full brothers sell at lots 312-313.
- Her heavy-milking, herd-leading Pathfinder dam is an SAV headliner donor with stellar phenotype and top production. She records a weaning ratio of 104 on 7 calves and has 16 daughters employed in the SAV herd and 45 progeny averaging \$18,050 in past SAV sales to cowmen in 12 states and Canada.
- Her maternally-superior grandam by Density has five daughters retained and 17 progeny highlighting past SAV sales.

SAV RENOVATION 6822

Featured herdsire at Semex AI Stud and a leading sire for registrations in Canada. Full brother in blood to SAV Madame Pride 4407, represented in lots 614-617.

SAV MADAME PRIDE 0151

The \$37,500 top-selling cow from the 2015 SAV Sale and dam of SAV Renovation 6822. She is a flush sister to SAV Madame Pride 0235 represented in lots 614-618.

SEMEX Beef

- An America achievement with pedigree power and big-time performance. She is the second top-performing heifer in the entire offering, earning a weaning ratio of 113 and EPDs for weaning and yearling weight in the breed's top percentiles. She offers genetic potency from an intensely linebred pedigree that contains a triple-shot of the legendary SAV Blackcap May 4136, the Angus breed's most influential genetic contributor and top income-producing cow - maternal predictability beyond compare!
- Her beautiful dam has a daughter retained in the SAV herd and a son selling in the 2022 SAV Sale for \$7000 to Herman Steffen.

- A dream team of flush sisters from the blending of the proven Pathfinder icons, Density x SAV Erica 9448. They are the herd-building kind with monumental maternal value and long-range production potential.
- Their elite Pathfinder dam is a fifth generation SAV embryo donor recording a weaning ratio of 105 on 6 calves and a progeny IMF ratio of 106 on 17 progeny scanned. She has three daughters retained and eleven progeny averaging \$16,722 in past SAV sales to cowmen in four states, Canada and Brazil. A son, SAV Thrive 5054, was selected by Semex AI Stud as a \$52,500 top-selling feature of the 2016 SAV Sale.

SAV THRIVE 5054

Featured sire at Semex AI Stud, selected as a \$52,500 feature of the 2016 SAV Sale. Maternal brother to lots 696-698 and full brother to the dam of lot 699.

SAV ERICA 4419

Maternal grandam of lots 696-698.

SAV ERICA 1049

Featured donor at Davenport Angus. Maternal sister to lots 696-698 and to the dam of lot 699.

SAV ERICA 3188

Featured donor for Casa Branca Stud in Brazil. Maternal sister to lots 696-698 and to the dam of lot 699.

SAV ERICA 7512

Maternal grandam of lot 701 and full sister to the dam of lot 700.

SAV welcomes the next generation to the Angus business!

Rex, Trish and Logan Schwartz at the 2022 SAV Sale.

Special thanks to Joaquin Arizpe Davila (Kino) from Mexico for being the volume buyer at the 2022 SAV Sale. Congratulations!

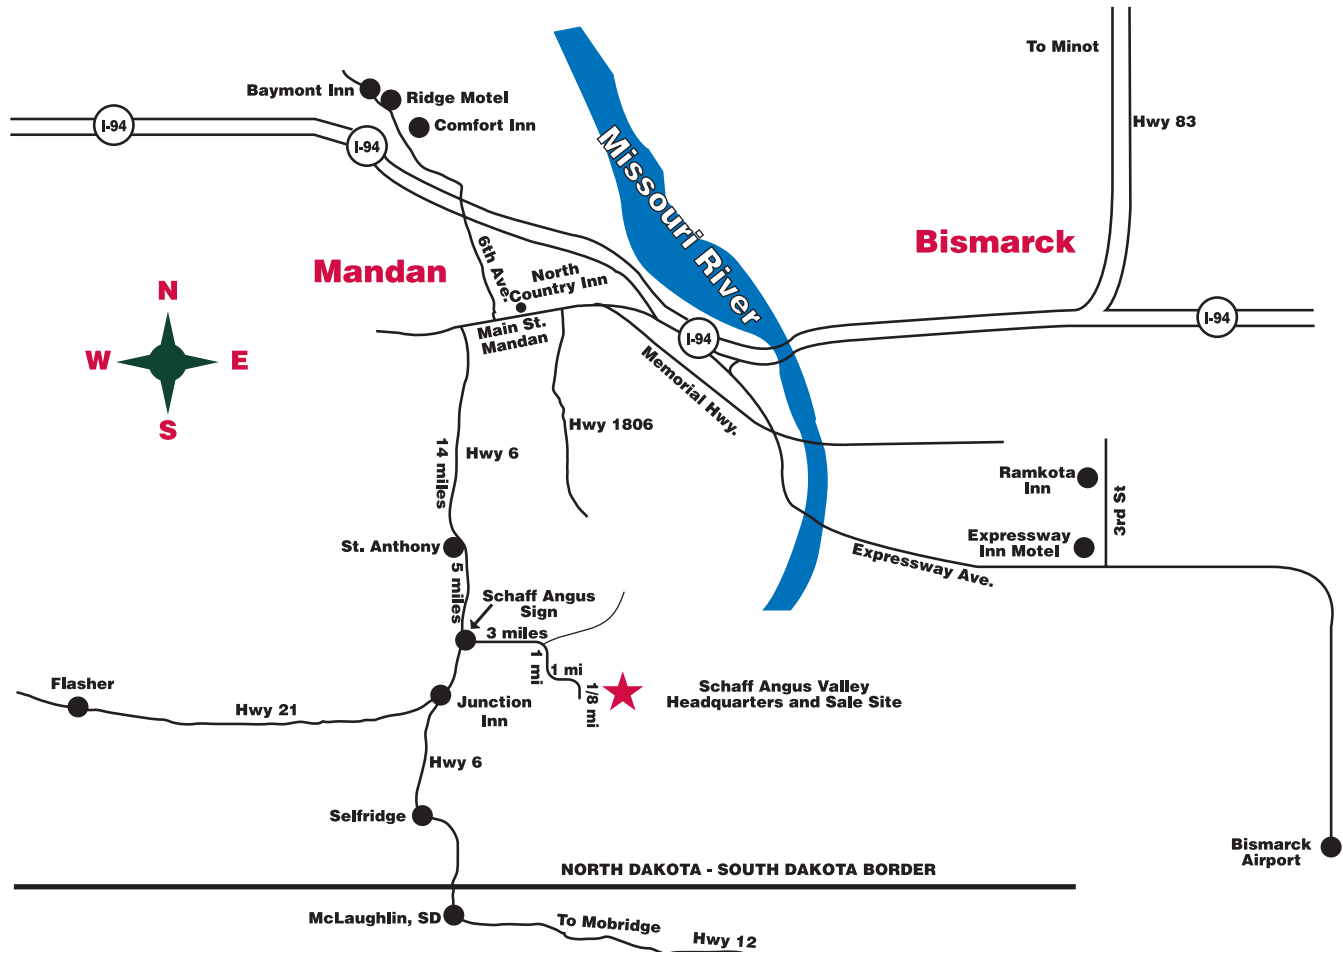

Congratulations to Kourtney on her North Dakota point-leading show heifer that claimed multiple Grand and Supreme Championship banners this past season.

Directions to Schaff Angus Valley...

The Schaff Angus Valley Sale will be held in the heated sale facility located at the Schaff Angus Valley headquarters. From Mandan, take Highway #6 south 19 miles to the Schaff Angus sign, then turn east on County Road 135 and follow the county gravel road 5 1/8 miles to the ranch and sale site.

Thank you for attending the 2023 Schaff Angus Valley Sale!

Schedule of Events

FRIDAY, FEBRUARY 10TH

OPEN HOUSE

Cattle available for viewing
thru late evening.

SATURDAY, FEBRUARY 11TH

SALE STARTS AT 10:00 AM CST

Bulls sell first, followed by females.

Printed sale orders will be available.

Refreshments and food will be served throughout the duration of both days.

Customer Appreciation Special

10 free straws to each buyer!

SAV Early Arrival 0903
