

Schaff Angus Valley[®]

121st Production Sale

Saturday **2.10.24** ^{10 AM}

400 Bulls • 220 Females

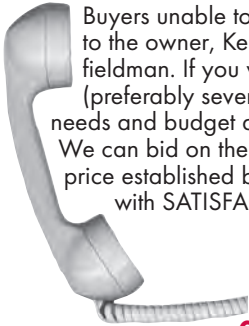

SAV Anthem 0042

The Brand You Believe In

\$ Affordable Genetics for the Cowman

The focus of the Schaff Angus Valley program is on serving the commercial cowman and providing high quality bulls in volume at affordable prices. Whether your budget is \$4000, \$6000 or more, you can expect to find a good selection of bulls in everyone's price range.

PHONE ORDERS

Buyers unable to attend the sale may call or send their bids to the owner, Kelly Schaff or to Bob Watkins, sales staff or fieldman. If you would like to discuss the sale offering, call us (preferably several days before the sale) and describe your needs and budget and we can help select your genetics for you. We can bid on the animal for you and you pay only the bid price established by the auction. Bids are handled in confidence with SATISFACTION GUARANTEE on all orders.

AUCTIONEERS:

Col. Joe Goggins Col. Ryan Dorran

INSURANCE:

Dakota Ag Insurance will be on hand with a range of insurance coverage options, including mortality, infertility and beyond. Contact Jarod Mohnen at 605-999-4475 for options and rates. Purchaser assumes the risk for death or injury to their livestock immediately after they are sold and insurance is recommended.

FREE NATIONWIDE DELIVERY

Schaff Angus Valley is offering free nationwide delivery on bulls to sale barns and central stockyard points.

\$100 DISCOUNT PER BULL IF YOU HAUL YOUR OWN SALE DAY!

We ask buyers to please be willing to travel to central drop points and meet trucks at sale barns along central routes. Drop points need to be consolidated to make delivery feasible and avoid cattle in transit too long. SAV will coordinate delivery on females if the buyer desires, however the cost is the buyer's responsibility. Canadian and Mexican purchases and bulls going to semen collection facilities will be available to pickup at the ranch following the completion of health testing requirements and delivery arrangements and costs are the buyer's responsibility.

SALE LOCATION:

Schaff Angus Valley is located approximately 30 minutes from Bismarck/Mandan, ND. The sale will be held in the heated sale facility at the Schaff Angus Valley headquarters. A map and directions are listed on the inside back cover.

TRANSPORTATION:

Bismarck, ND is served by bus and major airlines, with direct flights from Minneapolis, Denver, Chicago, Dallas, Phoenix and Las Vegas. Early reservations are recommended for flights and rental cars. The surrounding towns of Fargo, Minot, Jamestown and Dickinson also have air service. Schaff Angus Valley is located 30 minutes from the Bismarck airport, sale headquarters and shopping mall. See map on the inside back cover.

ACCOMMODATIONS:

Please mention that you are attending the Schaff Angus Valley Sale when making reservations for the best rates. Early reservations recommended!

Fairfield Inn - (701) 223-9077

CATTLE VIEWING:

The sale offering will be on display for viewing at the ranch all day on Friday, February 9th with food and refreshments available. We welcome your visit to the ranch anytime prior to the sale.

TERMS:

Terms of sale are cash or check. All cattle must be settled for at the conclusion of the auction. Cattle will not be released from the sale premises until payment is received in full. **Bulls that are not settled for in full within 7 days of the auction are not eligible for the free delivery.**

GUARANTEE:

The sale offering is guaranteed to be fertile and reproductively sound in accordance with the terms and conditions as recommended by the American Angus Association. This guarantee does not cover injury or death. In the event of a problem, the buyer is responsible to return the animal to SAV and if it does not respond as a satisfactory breeder, will have the option to select a suitable replacement, if available, or take a sale credit. Any potential claim needs to be made by September 1st of the year of purchase.

SEMEN INTERESTS & POSSESSION:

Schaff Angus Valley is retaining one-third revenue sharing semen interest in every bull selling in this sale. Full possession and full salvage value sells on all bulls unless otherwise identified prior to the sale. Each year SAV may retain possession or partial possession on several bulls. These bulls will be identified and terms specified on our website and sale order in advance. Please contact us with questions regarding these terms. There is no guarantee on bulls to freeze semen unless specific terms are agreed prior to sale. SAV reserves the right to sell AI certificates on all bulls.

BULL DEVELOPMENT:

The bulls have been developed in large groups on a high roughage ration to ensure long-term soundness and customer satisfaction.

GENETIC RECESSIVES

This entire sale offering is free of all known genetic defects and recessives monitored by the American Angus Association.

HEALTH:

All cattle will be accompanied by proper health certificates for shipment and have had a complete vaccination program.

LIABILITY:

Schaff Angus Valley assumes no liability for accidents or injuries that occur on the sale premises. Potential claims of any kind must be settled in North Dakota Morton County Court.

SALE ORDER:

The bulls will be sold in sire groups. This is to aid customers in selecting brothers to produce a more uniform calfcrop. As a result, bulls of consistent quality will sell throughout the duration of the auction. A sale order will be available prior to the auction.

Welcome to our family's 121st Angus Production Sale. Thank you for the confidence you have placed in our brand and our breeding program. We are a family who believes in real cattle and are inspired by ranch folks who work hard every day to make an honest living. We realize there is a cattle sale every day this time of year with many choices of suppliers and that is why we want your experience to be so much more than buying a bull. Our goal is to build lasting relationships and be a reliable resource you can count on to help make your business thrive.

It is with your support that our program has reached milestones we had not dreamed possible, allowing the SAV prefix to flourish and become a widely-used brand of Angus genetics around the world. We are humbled by this honor and accept the responsibility of breeding the type and kind of Angus genetics that will sustain the beef industry. The barometer on which we gauge everything we do is based on how it will affect the productivity and profitability for the customers we serve. We continually work diligently to breed and provide better seedstock each year, to in turn make your cattle better and more profitable - that is our uncompromising commitment.

Our disciplined breeding program does not follow fads, but rather has charted a specific course to breed real performance cattle for real cattle people who sell quality pounds for a living, with the necessity to do it as efficiently and profitably as possible. Our unwavering focus remains on performance and maternal traits with specific emphasis on the cowherd and the basic profit-driving traits of fertility, longevity, fleshing-ability and maternal productivity. We are thankful for the opportunity to work with many progressive commercial operations for many years. Our customer base continues to generate our best testimonials with their market-topping feeder calves and replacement heifers by SAV genetics.

Our innovative breeding program is constantly progressing, improving and refining, taking advantage of embryo transplant on our most proven superior cows, along with intense selection pressure in high level competition to make sure each calfcrop is stronger than the last. Our 2024 sale offering reflects these efforts. This sale presents access to reputation SAV genetics in volume and will be in price ranges affordable to the cowman. Commercial cattlemen appreciate the overwhelming selection and great values they find at this auction.

We are excited to have you evaluate our power-packed 2024 sale offering, featuring proven SAV industry-leading sires and multiple new sire groups. The bulls were developed on a sensible, roughage-based ration, allowing them to express genetic potential without compromising longevity and breeding soundness. The development program is recalibrated continually, requiring the bulls to perform with fewer inputs and they have responded admirably.

The female offering raises the bar to a new level, representing our most progressive genetics to date, including an arsenal of daughters from the leading SAV embryo donors and maternally-proven cow families. These authentic SAV prefix females will provide a solid maternal foundation with a lifetime of earning potential - a grand opportunity!

Our highest priority is the satisfaction and success of our customers. It is an honor and privilege to serve as your seedstock source. If we can be of assistance in any way, please don't hesitate to contact us. We look forward to seeing you on sale day.

Sincerely,

Kelly Schaff

The Schaff Family

Alex, Ellie, Kelsie, Martie, Kelly and Kourtney

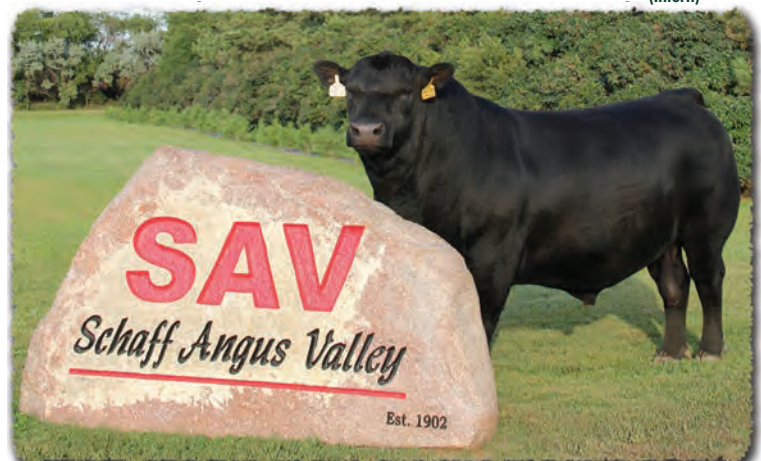

Special thanks to our dedicated and talented SAV team who are responsible for our success and diligently handle the daily tasks at the ranch.

Bob & Cathy Watkins

Cattle producers sell their feeder and slaughter cattle based on what they actually weigh on a scale. When investing in seedstock it is important to be provided with actual performance data rather than only computer generated predictions (EPDs) that constantly change and can fluctuate dramatically based on the accuracy values behind them. EPDs are a selection tool but alone do not create great cattle; real breeding progress requires selection for real-world performance, phenotype and production traits. While EPDs have inflated dramatically in the past years, the actual performance of cattle has not. In fact, in the last ten years for example, breed average 205-day weight for all Angus bulls has basically remained constant. The current breed average 205-day weight for bulls is 664 lbs. The average 205-day weight of all SAV bulls in this sale catalog is 864 lbs. (200 pound difference) We strongly believe as a customer you deserve access to the ACTUAL data, such as birth weights, 205-day weights, 365-day weights, ratios, ribeye area etc. This information gives you a much fuller view of your seedstock investment and confidence that what you are buying will make real progress in your program.

This symbol denotes Pathfinder status.

Expected Progeny Difference (EPD)

Is the prediction of how progeny of each animal are expected to perform relative to the progeny of other animals in the Angus breed. As data continues to accumulate, accuracy levels rise and EPDs can shift accordingly.

Birth Weight EPD (BW)

Expressed in pounds, is a predictor of transmitting ability for birth weight. The Angus breed is noted for calving-ease. A bull with a Birth Weight EPD under +2.2 is generally regarded as suitable for mating with virgin heifers.

Weaning Weight EPD (WW)

Expressed in pounds, is a predictor of the transmitting ability for weaning weight. An emphasized trait when marketing calves at weaning. For example, you can expect progeny from a sire with a +60 weaning EPD to weigh 30 lbs. more at weaning on the average than progeny from a sire with a weaning EPD of +30.

Yearling Weight EPD (YW)

Expressed in pounds, is a predictor of transmitting ability for yearling weight. An emphasized trait for yearling feedlot performance and profitability.

Scrotal Circumference EPD (SC)

Is a predictor of transmitting ability for scrotal size. An indicator of fertility in both bulls and females.

Maternal Milk EPD (Milk)

Is a predictor of transmitting ability of the portion of calf weaning weight attributed to daughters' milk. An indicator of replacement female production level.

Carcass Weight EPD (CW)

Is a predictor of transmitting ability for hot carcass weight.

Marbling EPD (MARB)

Is a predictor of transmitting ability for intramuscular fat. The vast majority of straight Angus cattle will grade USDA Choice or higher under normal feedlot management.

Ribeye Area EPD (REA)

Is a predictor of transmitting ability for ribeye area. Muscle is a key component of yield grade.

Fat Thickness EPD (FAT)

Is a predictor of transmitting ability for external fat thickness and correlates to fleshing ability.

Weaning Ratio (WR)

Is a direct comparison of an individual to others in its contemporary group. A weaning ratio of 100 is always average for the group and a figure below or above 100 is the percent difference that the animal is above or below the average.

All of the EPDs, birth weights, 205-day weights, ratios and ultrasound information in this catalog is official data processed by the American Angus Association and are current as of December 2023 when this catalog was prepared for press. Updated EPDs will be available at sale time. The 365-day weights have been calculated by the American Angus Association with the exception of the bulls that were too young to submit at catalog press time. WDA is weight per day of age at 365 days of age (365-day weight divided by 365 days). A supplemental sheet will be available sale day with scrotal measurements, ultrasound data and updated EPDs.

SAV Anthem 0042 is the \$225,000 lead-off lot 1 bull from the 2021 SAV Sale to Voss Angus. He represents all the qualities of an ideal breeding bull – masculine, capacious and complete with cowmaker phenotype, authentic Angus breed character and affectionate disposition. He earned a 205-day weight of 1058 lbs., a 365-day weight of 1602 lbs., a 365-day ribeye of 16.8 inches and an astounding IMF ratio of 197. Anthem stamps his progeny with superior phenotypic quality and consistency.

His proven Pathfinder dam, SAV Madame Pride 3145, is a herd favorite in a league of her own for body type, femininity, fertility, feet and udder quality. She earned a weaning ratio of 107 on 9 calves and a progeny IMF ratio of 110 and ribeye ratio of 102 on 53 progeny scanned. She is the current top income-producing cow at SAV. She has 30 daughters retained and 44 progeny highlighting past SAV sales, including the herdsires Anthem, Glory Days, American Flag, Riptide and Circuit Breaker.

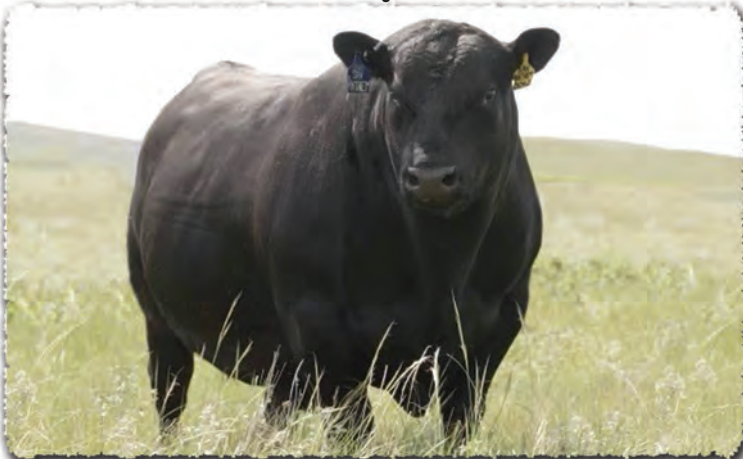

Anthem is a full brother to SAV Glory Days 1832, the \$82,500 featured lot 1 bull from the 2022 SAV Sale. His full sisters include several of the very best young cows in the SAV herd and the \$210,000 top-selling female of the 2022 SAV Sale.

Anthem is the anointed one by the \$1.51 million America with a breed-impacting future. This sale features 40 progeny of Anthem as well as 12 full and maternal siblings.

SAV AMERICA 8018

The \$1.51 million world-record-selling bull from the 2019 SAV Sale. He is the sire of Anthem and Glory Days. His influence is heavily represented in this sale.

- SAV Ambition 3024 is an early favorite of his callcrop and represents everything we look for in an ideal Angus bull, earning the prestigious position of lot 1. He is a near replica of his sire, presenting authentic Angus breed character and herd-changing type with thickness, muscle-shape and stoutness in a powerfully-constructed, fault-free package. He is solid and sound from the ground up with perfect feet and a gentle disposition. He earned a 205-day weight of 915 lbs. for a weaning ratio of 105.
- His powerhouse Pathfinder dam records a weaning ratio of 105 on 5 calves and is unmatched for volume, base-width and total dimension. Four progeny have averaged \$9125 in past SAV sales to Jeremy McGregor, Arrow Creek Angus, Promiseland Livestock and Breezy Point Ranch.
- His iconic and influential Pathfinder grandam, SAV Blackcap May 5530, records a weaning ratio of 108 on 5 calves and has 31 daughters retained in the SAV herd. She has tallied \$2.1 million on 117 direct progeny highlighting past SAV sales, including the herdsires Priority, Brand Name, Regard and Cutting Edge.

- SAV Aptitude 3101 is a cowman's bull with massive volume, multi-dimension and breed-leading performance. He ranks among the seven top-indexing bulls of his calcrop, earning a 205-day weight of 977 lbs. for a weaning ratio of 112. He will add pounds and profit to every calf he sires and leave the kind of daughters the industry craves.
- His angular, productive dam has a beautiful udder with abundant milk and records a weaning ratio of 106 on 8 calves. She is from the same predictable mating as the legendary Pathfinder sires: Resource, Renown and Recharge. A daughter is retained and six progeny averaged \$11,666 in past SAV sales.
- His legendary grandam, SAV Blackcap May 4136, is the breed's most influential genetic contributor and top income-producing cow with 227 direct progeny highlighting past SAV sales and 58 daughters retained in the SAV herd.

SAV CAPTAIN 6083

|--------------|-------------|-------------|------------|-------------|------------|-----------------|-------------|----------------|--------------|

SAV Glory Days 1832 is a real stockman's bull with massive dimension, muscle, capacity, big-time performance and solid feet. He was selected by Vermilion Ranch as the \$82,500 featured lot 1 bull from the 2022 SAV Sale where he earned a 205-day weight of 994 lbs., 365-day weight of 1735 lbs., 365-day ribeye of 16.2 inches, IMF ratio of 115 and yearling scrotal circumference of 41.6 cm. He replicates the identical mating that created several of the very best young cows in the SAV herd and the \$225,000 SAV Anthem 0042, who is the lead-off lot 1 bull from the 2021 SAV Sale.

The first progeny of Glory Days are performance standouts with extra scope, massive dimension, volume and added rib-shape. They start strong and exhibit explosive growth and gainability to earn position at the top of the performance charts. Glory Days is destined to be the next step sire for the outlier power cattle the industry craves.

His proven Pathfinder dam, SAV Madame Pride 3145, is a herd favorite in a league of her own for body type, femininity, fertility, feet and udder quality. She earned a weaning ratio of 107 on 9 calves and a progeny IMF ratio of 110 on 53 progeny scanned. She is the current top income-producing cow among all active dams in the entire SAV herd. She has 30 daughters retained and 44 progeny highlighting past SAV sales.

The 2024 SAV Sale features 58 phenomenal first progeny of Glory Days as well as 12 full and maternal siblings!

SAV MADAME PRIDE 0120

Full sister to SAV Glory Days 1832 serving as an eighth generation SAV embryo donor.

SAV MADAME PRIDE 0224

Full sister to SAV Glory Days 1832 working in the SAV embryo program.

REAL-WORLD CARCASS DATA

Kelly,
"Here are the carcass results on our fats shipped last year on **1,037 head**. They gained exceptionally well, had big carcasses and grades that speak for themselves, thanks to SAV influenced genetics."

- A growth bull by Glory Days with size, depth, performance and a strong maternal tradition.
- His heavy-milking, easy-fleshing dam by Rito 7075 represents everything we look for in an ideal brood cow. She records a weaning ratio of 104 on 9 calves and an IMF ratio of 122 on four progeny scanned. Eight progeny averaged \$7500 in past SAV sales to cowmen in seven states and Mexico. A son was the #1 marbling bull in the 2023 SAV Sale.
- His prolific grandam, SAV Elba 5383, continued in production past 18 years of age as a testament to the longevity, fertility and maternal productivity of her family lineage.

SAV KING OF GLORY 3051 - LOT 56

"Here is a picture of an SAV Renown 6476 daughter. We really like the Renown daughters. They're throwing the muscle on the calves and they're easy going, a lot like the bull. We used the Renown bull again this year. He puts out big steer calves in the fall and we like the heifers. He still has good solid feet. We took a load of fat steers in; out of 16 head, 13 went Prime and 3 went Choice."

-Rob and Marsha Lehmann

SAV America 8018 is the \$1.51 million world-record-selling bull in Angus breed history from the 2019 SAV Sale where he awestruck the industry. America combines a massive performance design and cowmaker phenotype with superior structure, soundness, fertility, docility and all the elements that make great cattle. His progeny have widespread industry appeal with their powerful phenotype and breed-leading performance. His daughters in production are making beautiful brood cows with majestic maternal quality – earning him his final mark of approval.

America's dam is the maternal matriarch, SAV Madame Pride 0075, serving the SAV program for nearly 18-years. She reigns as the second top income-producing cow in SAV history, generating \$5.4 million on 166 progeny in past SAV sales to cowmen in 22 states, Canada, Brazil and Argentina. She has 41 daughters retained in the SAV herd and multiple herdsire sons to her credit including America, Supercharger, Registry and Response.

The 2024 SAV Sale will continue the America success story with 27 progeny and 134 grand progeny featured - a grand opportunity for the entire Angus world!

SAV BLACKCAP MAY 0582

This massive, maternal factory by America represents the body design and build stamped by her sire.

SAV ANTHEM 0042

This annointed America son is the \$225,000 lead-off lot 1 bull from the 2021 SAV Sale to Voss Angus. 40 direct progeny will highlight this event.

SAV GLORY DAYS 1832

This America son is the \$82,500 featured lot 1 bull from the 2022 SAV Sale to Vermilion Ranches. His first 58 progeny are featured in this event.

SAV AMPLIFY 3219 - LOT 71

"My America daughter just weaned her first calf two weeks ago - the heaviest 205-day weaning weight I've ever had on my farm."

-Bryce Schuster

- SAV Amplify 3219 is a personal favorite of his calf crop with the phenotypic power, performance and maternal attributes to amplify a program and be a major breeding force. He earned a 205-day weight of 972 lbs. for a weaning ratio of 111, ranking among the eight top-indexing bulls of his calf crop. His full sister was the heaviest actual weaning female of the 2021 calf crop and serves in the SAV embryo program.
- His feminine, productive dam by Resource comes from five consecutive generations of SAV embryo donors. Two daughters are retained and two sons averaged \$8875 in past SAV sales.
- His picturesque Pathfinder grandam by Providence has four daughters retained and 14 progeny highlighting past SAV sales.

- The American tradition continues. This genuine beef bull replicates the same predictable mating as three powerful full brothers featured in the 2021, 2022 and 2023 SAV sales.
- His productive, nice-uddered dam comes from five generations of Emblynette Pathfinders and is a maternal sister to the \$400,000 SAV International 2020 and the 2016 National Angus Foundation Heifer. She records an IMF ratio of 130 on four progeny scanned and six sons highlighted past SAV sales.
- His Pathfinder grandam, SAV Emblynette 5483, is the lead-off and top-selling cow in the 2016 SAV Sale. She has 15 daughters retained and 86 direct progeny featured in past SAV sales.

SAV STARS N STRIPES 2043

Full brother to lot 77 selected by Allan Brokes from the 2023 SAV Sale.

|-------|------|------|-----|------|-----|----------|------|---------|-------|

SAV Magnum 1335 is the \$345,000 lead-off bull of the 2022 SAV Sale to ST Genetics AI Stud and Mohnen Angus. He is a milestone breeding achievement with an outcross calving-ease pedigree blended with superior phenotype, top-of-the-breed performance, a breed-improving number profile and cow family strength for generations. He earned a 205-day weight of 1048 lbs. for a weaning ratio of 113 and a 365-day weight of 1717 lbs. for a yearling ratio of 118, a 365-day ribeye of 19.0 inches, IMF ratio of 114 and yearling scrotal of 39.9 cm. He boasts EPDs for weaning weight, yearling weight, carcass weight, milk and scrotal in the breed's top percentiles – a totally complete genetic package.

His beautiful dam is a nice-uddered, high efficiency model serving as a new generation SAV embryo donor, in tradition of the three generational dams on the bottom side of her pedigree. His remarkable Renown x Net Worth grandam records a weaning ratio of 107 on 3 calves and an IMF ratio of 115 on 4 progeny scanned.

The first Magnum progeny have exceeded expectations with a calving-ease start and a high performance finish. They have solidified his position as a breed-impacting sire with long-term significance. The 2024 SAV Sale features 46 phenomenal first progeny of Magnum to lead the industry and highlight the entire sale season.

SAV EMBLYNETTE 9023

A beautiful, nice-uddered, high efficiency, model brood cow. This fourth generation SAV embryo donor records a weaning ratio of 108 on two calves.

SAV EMBLYNETTE 7505

This remarkable Renown x Net Worth maternal grandam of Magnum. She records a weaning ratio of 107 on 3 calves and an IMF ratio of 115 on 4 calves. Ten progeny sell in this sale.

|--------------|-------------|-------------|-------------|-------------|------------|-----------------|-------------|----------------|--------------|
| BIRTH | +1.9 | WEAN | +100 | MILK | +36 | YEARLING | +174 | SCROTAL | +1.01 |
|--------------|-------------|-------------|-------------|-------------|------------|-----------------|-------------|----------------|--------------|

SAV Magnify 1107 was selected by Topf Ranches as the \$200,000 second lead-off bull of the 2022 SAV Sale where he was the heaviest 205-day weight bull of his calcrop at 1103 lbs. for a weaning ratio of 119. He earned a 365-day weight of 1717 lbs. for a yearling ratio of 114, a 365-day ribeye of 17.6 inches, IMF ratio of 110 and yearling scrotal of 41.9 cm. Magnify is a dominating performance force with length, thickness, muscle and pounds while standing on superior feet. He is data driven with top percentile EPDs for weaning weight, yearling weight, carcass weight and milk – destined to be a total herd-improver. Magnify uniquely solves all antagonisms with his rare combination of phenotypic power and numeric excellence.

His President dam ranks at the top of her class with an IMF ratio of 137 and ribeye ratio of 110. She earned a fast-pass to the SAV donor pen after raising the top weaning calf of the 2021 calcrop with a weaning ratio of 119. She is uniquely linebred to the legendary SAV Blackcap May 4136, the Angus breed's most influential genetic contributor.

Magnify's first progeny have achieved performance levels to run with the best in the breed. The 2024 SAV Sale headlines his fabulous first offering with unlimited potential.

- Recommended for heifers or cows. SAV Masculine 3016 is a major-player Magnify son with a breed-improving EPD profile that addresses all economically relevant traits. He earned a 205-day weight of 926 lbs. for a weaning ratio of 106. He is a wide-based, powerfully-constructed, beef bull with thickness, muscle and tremendous center body mass. He will be a poundmaker and cowmaker in tandem.
- His angular, hard-working dam by Charlo is the #6 marbling female of her calfcrop. A daughter is retained and a son was selected by Curt Timm as an \$11,500 feature of the 2023 SAV Sale.

SAV Panther 1906 is the \$350,000 top-selling bull from the 2022 SAV Sale to Voss Angus. He presents a perfect herdbull resume that brings an optimum blend of performance, phenotype and pedigree together with a superior genetic profile. He earned a 205-day weight of 988 lbs. and a 365-day weight of 1561 lbs. He replicates the same proven mating that produced eight of the first nine bulls to walk through the ring at the 2020 SAV Sale, as well as some of the top young cows working in the SAV herd.

Panther's first progeny have generated excitement everywhere they are found, stamped with length, muscle, soundness and eye-catching style. They are attractive and balanced with a superior structural design and plenty of performance. His daughters are feminine and angular with the unmistakable maternal look of futuristic producers.

His superstar dam is a one-of-a-kind flush sister to the world-record-selling flush of bulls that include President, Rainfall, Raintance and Governor. She is the #1 yearling weight female of her calfcrop. She is a headliner SAV embryo donor with 23 daughters retained and 145 progeny averaging \$13,613 in past SAV sales to cowmen in 23 states, Canada and Mexico.

The 2024 SAV Sale features the fabulous first 22 progeny of Panther as well as 16 full and maternal siblings - a special highlight of this event!

SAV BLACKCAP MAY 9881

This full sister to Panther takes honors as the #1 weaning and #3 yearling weight EPD cow in the SAV herd. She records a weaning ratio of 106 on 3 calves and should earn Pathfinder recognition.

- A major highlight of the 2024 sale season. This landmark flush assembles a perfect herd bull resume, bringing together outstanding performance, phenotype and pedigree, with superior genetic profiles and maternal cow power beyond compare.
- Their front-pasture dam hails from the same historic flush as the legendary Pathfinder sire, Resource. She has assembled an amazing production record, generating \$1.4 million on 72 direct progeny highlighting past SAV sales to cowmen in 13 states and Canada. She records a ribeye ratio of 103 on 67 progeny scanned. She has multiple herdsire sons to her credit, including Scale House, Ease, Scale Smasher, Scale Force, Expertise, Constitution, Land Grant, Lineman and more.
- Their legendary grandam, SAV Blackcap May 4136, is the breed's most influential genetic contributor and appears three times in their extended pedigree.

SAV SCALE HOUSE 0845

The \$275,000 top-selling bull from the 2021 SAV Sale. Maternal brother to lots 125-128.

- SAV Paradise 3120 is a prized possession from the newest generation, proudly representing the fabulous first calf crop by Panther. He presents a powerful EPD script and earned a 205-day weight of 935 lbs. for a weaning ratio of 107.
- His glorious dam by Resource is the #1 205-day weight, #1 365-day weight and #3 ribeye female of her entire calf crop. She walks with the best in the breed for phenotypic power and her three daughters are all employed in the SAV herd.

- SAV Prosper 3176 is a picturesque son of Panther with a strong maternal advantage.
- His amazing America dam has earned a fast pass to the SAV donor pen with phenotype and production that place her at the top of her class. She is a full sister to the popular herdsires, Anthem and Glory Days. A son is featured as lot 153 and another was selected by John Koskan as a \$9000 feature of the 2023 SAV Sale.
- His herd favorite Pathfinder grandam records a weaning ratio of 107 on 9 calves.

Colossal is a proven and powerful SAV outcross calving-ease sire with rock-solid phenotype, unmatched body mass, rib-shape and natural fleshing ability – the definition of a true cowmaker who will produce low input daughters that thrive in a range environment. Colossal is an impressive specimen as a mature sire with the kind of phenotype you rarely find in a calving-ease bull. His progeny are nice-headed, deep-bodied and easy-fleshing with muscle, capacity and superior soundness. His first daughters in production are moderate, maternal and making outstanding cows.

Colossal's maternal lineage has many generations of high fertility, strong-footed, great-uddered females. His Pathfinder dam is the cornerstone behind Colossal. She is thickset, wide-based, capacious and built to last with a world-class udder. She records a weaning ratio of 105 on 6 calves.

The 2024 SAV Sale showcases 14 Colossal progeny from some of our very best donors – opportunity awaits!

This pair of Colossal sons pictured at weaning time, SAV Courage 3003 and SAV Conviction 3010, are featured as lots 139-140.

Demand is a sure-fire calving-ease SAV herd sire featured at Select Sires AI Stud. He is a proven low birth weight, high CED sire that was used with great success on virgin heifer matings the past two years. Demand is sired by Colossal and out of the same nice-uddered Pathfinder dam as Musgrave Stunner. She records a weaning ratio of 105 on 6 calves. Demand is nice-headed, stylish and smooth with authentic Angus type in a moderate, superbly-structured package. His first progeny and service are represented in this sale.

- On the radar of the Angus world, this cream-of-the-crop flush has the credentials to write an entire new chapter in Angus history, from the mating of Colossal to the breed-leading Pathfinder, SAV Emblynette 2369. They offer one of the greatest phenotypic and genetic packages we have ever produced with an unmatched combination of maternal, muscle, marbling, feet quality and disposition. They are poised and ready to make their mark on the industry.
- Their Pathfinder dam is a true cornerstone, unmatched for her combination of phenotype, performance and production. She is the #1 beef value cow in the SAV herd and the #1 carcass cow in the Angus breed, recording an astonishing progeny IMF ratio of 121 on 118 progeny scanned. She has 50 daughters employed in the SAV herd and has tallied \$3.9 million on 119 progeny highlighting past SAV sales to cowmen in 24 states and Canada. Her sons include Bloodline, Emblem, Ajax, Rise N Shine, Royal Flush, Rip, Theory and more. Her daughters include the top-selling females in each of the 2019, 2020 and 2023 SAV sales.
- Their prolific grandam by Net Worth comes from four consecutive generations of Emblynette Pathfinders. She is a world-class producer generating \$1.4 million on 106 direct progeny in past SAV sales and has 22 daughters employed in the SAV herd.

Architect is a new generation SAV outcross sire with an outstanding combination of phenotypic power and numeric excellence. He transmits muscle, capacity, natural fleshing-ability and real-world performance – earning his progeny impressive performance ratios across the board. A son, SAV Arithmetic 3204, takes honors as the heaviest 205-day weight and 365-day weight bull of the entire 2023 calfcrop and is featured as lot 146.

Architect's maternal lineage represents five generations of nearly perfect-uddered, small-teated cows from a very consistent producing cow family. His dam records an impressive weaning ratio of 119 on 5 calves, demonstrating her maternal dominance. Architect's first daughters appear to follow her productive mold.

Architect is a proficient breeder with high libido and strong fertility. He was popular with the many visitors who viewed him in the SAV breeding pasture last summer. Architect is owned with Spickler Ranch North and Genex AI Stud. His fabulous first offering from SAV will be a special highlight of the 2024 sale season.

SAV ARCHIVE 3006

This son of Architect featured as lot 153 earned a 205-day weight of 1016 lbs.

Architect enjoying an audience of fans in the breeding pasture at SAV this past summer.

The valedictorian of the performance class of 2023 - SAV Arithmetic 3204...

Heaviest weaning and yearling weight bull of his calfcrop...

"Congratulations on an outstanding sale! The cattle were second to none and the buyers showed just how good they were with how they sold. My dad greatly enjoyed coming to SAV this year. This was his first time and he was very impressed."

-Jordan Hunter

- SAV Arithmetic 3204 is the valedictorian of the performance class of 2023, taking honors as the heaviest 205-day weight and 365-day weight bull of his entire calfcrop. He also ranks as the #1 weaning EPD bull in the offering. This potential sale-topper and AI stud candidate is on the radar of the Angus world with stand-alone performance, phenotypic power and the arithmetic of a major breed-improver, matched with proven cow power and a pristine outcross pedigree to complete a perfect resume.
- His iconic dam is a maternal centerpiece universally regarded as the all-time greatest daughter of Final Answer. She is the dam of the \$160,000 SAV Quarterback 7933 and the \$230,000 SAV Early Arrival 0903 and many more. She takes honors as the second top income-producing cow among all current dams at SAV, generating \$1.2 million on 66 progeny in past SAV sales and has 21 daughters employed in the SAV herd. She records a weaning ratio of 103 on 8 calves and a ribeye ratio of 105 on 56 progeny scanned.
- His prolific Pathfinder grandam, SAV May 2397, has tallied \$2.2 million on 130 direct progeny in past SAV sales and has 33 daughters retained in the SAV herd.

Duke is an intriguing, proven SAV outcross calving-ease sire with industry-leading performance, maternal and pedigree potency to be a dominant force in the industry. He is a big-time herd-improver with multi-trait excellence, recording proven EPDs that run up the charts and outstanding progeny ratios that include a weaning ratio of 103 on 403 head, a yearling ratio of 105 on 115 head and a progeny IMF ratio of 102 on 79 head, in combination with his first daughters who post a collective progeny weaning ratio of 109.

Duke calves come easy with great vigor and perform well at weaning time. Duke consistently transmits length, muscle, structural correctness and eye-appeal while adding maternal value, fertility, docility and foot quality to his progeny. His daughters in production have great mothering ability, excellent udder design and calm dispositions, following his maternal lineage.

Duke's Pathfinder dam posts an impressive progeny weaning ratio of 114 on 5 calves. She continues the maternal tradition of four of the first five dams on the bottom side of Duke's pedigree earning prestigious Pathfinder recognition. Duke is uniquely linebred to the legendary Pathfinder Sire, Commodore of Wye, reintroducing a grassroots foundation sire lineage that has been long known for exceptional fertility, longevity and maternal value.

The 2024 SAV Sale proudly presents 54 direct progeny of Duke to lead a new era in the industry.

- Recommended for heifers. SAV Commodore 3126 is a unique and intriguing new generation outcross calving-ease bull with length, muscle, soundness and style. He brings front-and-center a time-honored sire lineage proven for fertility, longevity and maternal value, blending it with the best of the Madame Pride maternal lineage. He has special designation as the 2023 natural born son of the herd treasure Pathfinder, SAV Madame Pride 4407. The sky-is-the-limit here.
- His Pathfinder dam is a seventh generation SAV headliner donor with a stand-alone maternal design and a favorite of visitors to the ranch. She records a weaning ratio of 104 on 8 calves and has 20 daughters employed in the SAV herd and 52 progeny highlighting past SAV sales, including the \$100,000 SAV Downpour 8794.

SAV DOWNPOUR 8794

The \$100,000 top-selling Rainfall bull from the 2019 SAV Sale. Maternal brother to lot 158 and to the dam of lot 159.

SAV RIVERSIDE 2381

Maternal brother to lot 158 and to the dam of lot 159. He was selected by ZWT Ranch as a top-selling feature of the 2023 SAV Sale.

- Recommended for heifers or cows. A double-duty calving-ease bull with thickness, muscle, capacity and performance. He will advance nicely to the cowherd in future years.
- His 2-year old Territory dam is a model of efficiency with moderation and milk. She is a member of an elite tribe of six flush sisters rising to the top of their class.
- His Pathfinder grandam is a herd favorite and current top income-producing cow. She is in a league of her own for body type, femininity, fertility, feet and udder quality. She has tallied \$1.6 million on 45 progeny highlighting past sales and 30 daughters are employed in the SAV herd.

- SAV Dynasty 3220 is a milestone breeding achievement and new generation outcross with a fresh pedigree, appealing phenotype and top performance, matched with cow family strength for generations. He reintroduces the best of a time-honored sire lineage proven for fertility, longevity and maternal value, blending it with the best of the Emblynette family lineage that was established at SAV in 1946. He earned a whopping 205-day weight of 969 lbs. for a weaning ratio of 111, with EPDs for weaning and yearling weight in the breed's top percentiles.
- His breathtaking 2-year old dam by Downpour has model body type, a beautiful udder and perfect feet. She is a ranch favorite and has accelerated to the donor program. She earned an IMF ratio of 121 and is a full sister to the \$35,000 SAV Dynamic 2908 and the \$35,000 SAV Legacy 1295.
- His breed-leading Pathfinder grandam is unmatched for her phenotype, performance and production. She records a progeny IMF ratio of 121 on 118 progeny scanned. She has 50 daughters retained in the SAV herd and 119 progeny highlighting past SAV sales, including Bloodline, Emblem, Ajax, Rise N Shine, Royal Flush, Rip and Theory.

- It doesn't take a statistician to find this genetic outlier and genomic standout who makes every EPD sort and ranks in the breed's top percentiles in a multitude of traits. He is the #1 scrotal, #3 milk, #4 CED, #5 lowest birth, #9 weaning and #7 yearling weight EPD bull in this offering. He earned a 205-day weight of 918 lbs. for a weaning ratio of 105. This high-octane, total outcross has AI stud credentials and is recommended for heifers.
- His productive 2-year old dam is a full sister in blood to the \$345,000 SAV Magnum 1335 at ST Genetics. She is the #1 CED and #4 marbling cow in the SAV herd and earned an IMF ratio of 125 and ribeye ratio of 114.
- His beautiful, broody grandam is a high efficiency model with a top production record. A son, SAV Captain America 2122, was selected by Topf Ranch as a \$30,000 feature of the 2023 SAV Sale where he recorded a 365-day ribeye of 17.5 inches.

SAV CAPTAIN AMERICA 2122

- Recommended for heifers. Double-feature flush brothers by Duke with high caliber, outcross calving-ease genetics matched with the proven maternal legacy of SAV Blackcap May 3501. They are led by SAV Duracell 3119, a herd-builder with stoutness, shape and superior structure – a stockman's dream.
- Their phenomenal dam walks with the best in the breed with beautiful body type and a majestic maternal design. She is a proven high-end producer and full sister to Resource, Renown and Recharge. She balances a birth ratio of 97 with a weaning ratio of 105 on 8 calves and a progeny ribeye ratio of 103 on 56 progeny scanned. She has 19 daughters retained in the SAV herd and 64 progeny averaging \$10,437 in past SAV sales to cowmen in 20 states, Canada and Argentina.

Encore is a proven, versatile outcross SAV herdsire with unparalleled ability to transmit reliable calving-ease with high performance and solid maternal strength. He first emerged as the all-time record yearling weight bull in the history of the Jorgensen program and top-selling bull of the 2016 Jorgensen Sale with interests later selling to SAV and Allen Creek to create his \$225,000 valuation. Encore is a one-of-a-kind SAV herdsire with impressive size and mass, while displaying incredible soundness and agility in the SAV breeding pasture at 7 1/2 years of age. He records a progeny birth ratio of 97 on 699 head, a progeny weaning ratio of 101 on 642 head, a progeny yearling ratio of 103 on 342 head and a progeny IMF ratio of 105 on 309 head, in combination with his first 130 daughters who post a collective progeny weaning ratio of 102.

His powerful and productive dam earned a weaning ratio of 106 on 4 calves and is the \$50,000 top-selling lot 1 cow in the 2022 Jorgensen Motherlode Female Sale, following tradition of her legendary grandam, Ideal 4465, the \$45,000 record-selling lot 1 cow from the 2003 Jorgensen Female Sale.

The 2024 SAV Sale features 20 direct progeny of Encore with valuable outcross blood for the Angus gene pool – a special highlight!

IDEAL 9524 OF 5570 6809

Pathfinder sire of Encore and top-selling bull of the 2010 Jorgensen Sale.

SAV ENTRUST 2134

The \$40,000 top-selling Encore bull from the 2023 SAV Sale to Babcock Angus and Cornerstone Genetics.

SAV ENDURANCE 2189

This Encore son was selected by Breezy Point Ranch as a top-performing feature of the 2023 SAV Sale where he scanned a 365-day ribeye of 18.5 inches.

SAV ENTITLE 3289 - LOT 194

- Recommended for heifers. Calving-ease certified flush brothers with an outcross sire lineage and maternal endorsement from the mating of the legendary industry icons, Encore x SAV Blackcap May 3501. They are led by SAV Ensemble 3658, a ranch favorite with commanding herdbull presence and all the capacity, soundness and function you can put in one package.
- Their phenomenal dam walks with the best in the breed with beautiful body type and a majestic maternal design. She is a proven high-end producer and full sister to Resource, Renown and Recharge. She balances a birth ratio of 97 with a weaning ratio of 105 on 8 calves and a progeny ribeye ratio of 103 on 56 progeny scanned. She has 19 daughters retained in the SAV herd and 64 progeny highlighting past SAV sales to cowmen in 20 states, Canada and Argentina.

SAV ENTOURAGE 3092 - LOT 202

"The last bull I bought was SAV Election 8091. He has been a tremendous bull. His bull calves are deep, wide-topped, heavy-muscled and easy going. They sold well and were top at the feedlot."

-Brad Mecham

- Recommended for heifers. This premier calving-ease bull will advance nicely to the cowherd in future years without sacrificing performance.
- His angular, nice-fronted 2-year old dam by Bloodline is a broody beauty with a great future. She is the #9 weaning, #5 yearling and #10 marbling female of her calf crop.
- His hard-working grandam by Charlo has a productive appearance and perfect feet. A 102 daughter is retained and a son sold in the 2023 SAV Sale to Curt Timm.

SAV Reference Sire - Mill Brae Benchmark 9016...

SAV proven outcross herdsire with multi-trait excellence...

"Thank you for welcoming the NDSU Beef Production Class into your ranch. The students absolutely loved getting to speak with you, see some cattle, and of course getting to ride the bull! We appreciate your openness and transparency in having conversations with these folks about your journey in making SAV successful - they are truly grateful for the opportunity to learn from you! We hope that we can maintain this fantastic connection as we become increasingly involved in the beef industry for years to come."

-Jennifer Hurlbert

Benchmark is an SAV herdsire with a versatile outcross pedigree and well-rounded EPD profile that covers all the bases. He served in the SAV breeding program for the past several years with much success, offering unmatched mating flexibility and multi-trait superiority. His progeny are long-spined, smooth-made with an attractive pattern and plenty of performance. His powerful second generation Pathfinder dam is the \$75,000 top-selling lot 1 cow for Montana Ranch where she produced their all-time top-selling bull and earned a weaning ratio of 104 on 6 calves. 12 progeny sell!

Thanks to all the cattlemen and women who visited SAV throughout the year!

Blockbuster Benchmark brothers from SAV Blackcap May 3525...

SAV Renovation 6822 is an esteemed sire utilized with success in the most noted breeding establishments around the world and headliner at Semex AI Stud. He is a herdbull phenomenon, consistently siring functional, deep-bodied, muscular progeny with mass and performance, while adding style, balance and traditional Angus type. His sons are highly sought after by real-world cattlemen and include such notables as Rise N Shine, Royal Flush, Reputation, Renaissance, Rip, Jesse James, Pancho Villa, John Wayne and Roy Rogers. His daughters have sealed his legacy as a monumental female sire with capacity, broodiness, udder quality and abundant milk to be herd leaders everywhere they are found. Renovation records an IMF ratio of 106 on 308 progeny scanned.

Renovation's dam is the \$37,500 top-selling cow from the 2015 SAV Sale with model body type and a beautiful maternal design. His grandam is the maternal matriarch, SAV Madame Pride 0075, who served the SAV program for nearly 18-years, generating \$5.4 million in progeny sales with 41 daughters retained in the SAV herd.

The 2024 SAV Sale showcases Renovation's progeny, grand progeny and his valuable influence.

SAV MADAME PRIDE 0134

This tremendous 3-year old daughter of Renovation represents the classic maternal design stamped by her sire. Her son sells as lot 44.

SAV JESSE JAMES 0968

The \$185,000 top-selling Renovation son from the 2021 SAV Sale. His progeny are featured.

SAV REPUTATION 2214

This Renovation son is the heaviest 205-day weight and 365-day weight bull of his calfcrop. He was selected by Arrowsmith Red Angus as the \$170,000 second top-selling bull in the 2023 SAV Sale.

Replicas of the world-renowned Renovation x SAV Emblynette 2369 mating...

IMF ratio 148

"Congratulations on another great sale. I talked to Justin since the sale and he was very impressed with the offering. While he really liked the Renovations, he said the quality was all the way to the end of the sale. No surprise. I also talked to Michael Everette who did get a couple of lots. He said he had never seen so much quality at one place."

SAV Jesse James 0968 is a phenotypic stunner with proud physical bearing, demonstrating power, presence and structural balance in every step that he takes. He was a crowd favorite and \$185,000 top-selling feature of the 2021 SAV Sale. His first progeny proudly emulate their sire with the style, shape and charisma to impress at every stage of their life – from the calving barn to the sale ring. We anticipate his daughters to be a next-level addition to the SAV cowherd with capacity, softness and maternal presence. His sons were popular at the 2023 SAV Sale, including the \$40,000 SAV Gunsmoke 2158 and the \$47,000 SAV Doc Holiday 2044.

His 16-year old prolific Pathfinder dam, SAV Blackcap May 8961, is a powerhouse performance and maternal trendsetter and full sister to the legendary SAV Blackcap May 4136. She records a weaning ratio of 105 on 8 calves and has 60 progeny highlighting past SAV sales, including the top-selling female in the 2021 SAV Sale who is a flush sister to Jesse James.

The 2024 SAV Sale shares a sensational offering of 37 direct progeny of Jesse James!

SAV JESSE JAMES 0968

In a phenotypic class all his own at every stage of development.

SAV JESSE JAMES 0968

Snapshot of Jesse James in the breeding pasture last summer.

SAV JOLLY ROGER 3172 - LOT 226

"I bred Anthem to our spring cows. This year in our fall herd we have all Magnify, Jesse James and Certified calves. Our clean up calves are also out of SAV bulls. They all look fantastic. Jesse James calves are my personal favorites so far."

-Max Carnes

SAV MADAME PRIDE 3145

Pathfinder dam of lots 226-230 and grandam of lots 231-234.

SAV ANTHEM 0042

The \$225,000 lead-off lot 1 bull from the 2021 SAV Sale. Maternal brother to lots 226-230 and full brother to the dams of lots 232-234.

SAV GLORY DAYS 1832

The \$82,500 featured lot 1 bull from the 2022 SAV Sale. Maternal brother to lots 226-230 and full brother to the dams of lots 232-234.

- Fabulous full brothers fortified with an optimum combination of phenotype, performance and maternal excellence from the much anticipated mating of Jesse James to the herd-favorite Pathfinder, SAV Madame Pride 3145. They raise the bar to a high level and have been admired by some of the best cattlemen in the business – one of the most important flushes to sell anywhere this year. They are led by SAV Jolly Roger 3172, who will be a factor of the 2024 sale season and a major breeding force in the future.
- Maternal brothers include the \$225,000 SAV Anthem 0042 and the \$82,500 SAV Glory Days 1832, who were the featured lot 1 bulls in the 2021 and 2022 SAV sales, as well as the \$200,000 SAV Circuit Breaker 7136, the \$150,000 SAV American Flag 0233 and the \$140,000 SAV Riptide 1835.
- Their Pathfinder dam is in a league of her own for body type, femininity, fertility, feet and udder quality. She records a weaning ratio of 107 on 9 calves and an IMF ratio of 110 on 52 progeny scanned. She is the current high income-producing cow at SAV. Thirty daughters are rising to the top of the SAV herd and another was the \$210,000 top-selling female of the 2022 SAV Sale.

SAV JAYBIRD 3004 - LOT 227

"Jesse James sired the stoutest calves on our place."

-Kane Unruh

SAV MADAME PRIDE 8086

Maternal sister to lots 226-230.

SAV CIRCUIT BREAKER 7136

Maternal brother to lots 226-230 selected by Topf Ranch as the \$200,000 third top-selling bull of the 2018 SAV Sale.

SAV AMERICAN FLAG 0233

Maternal brother to lots 226-230 selected by Herbster Angus as the \$150,000 fifth top-selling bull from the 2021 SAV Sale.

SAV RIPTIDE 1835

The \$140,000 top-selling Rainfall bull in the 2022 SAV Sale to Voss Angus. Maternal brother to lots 226-230.

- An impressive display of performance and phenotypic quality with length, muscle, soundness and style. He is the kind who will sire females to fill the replacement pen.
- His productive, nice-uddered dam by Raindance records a weaning ratio of 106 on 3 calves and should qualify as a Pathfinder. She has entered the SAV embryo program this past year. Her sons have sold in past SAV sales for \$9000 to Justin Day and for \$8000 to Broken T.
- His herd favorite Pathfinder grandam records a weaning ratio of 107 on 9 calves and an IMF ratio of 110 on 52 progeny scanned. She is the current top income-producing cow in the SAV herd and has tallied \$1.6 million on 45 progeny in past SAV sales with 30 daughters employed in the SAV herd. Her multiple herdsire sons include Anthem and Glory Days.

- SAV Jade 3339 is stunning from all angles with superior shape, stoutness, substance and style. He is built solid and sound from the ground up with moderation and muscle – the stockman's kind!
- His proven 15-year old Pathfinder dam by Net Worth is a herd favorite with high level milk production. She records a weaning ratio of 105 on 13 calves and a ribeye ratio of 104 on 14 progeny scanned. Five daughters are retained and 19 progeny averaged \$12,171 in past SAV sales to cowmen in 13 states and Canada.
- His prolific Right Time grandam, SAV May 7238, is the dam of the AI stud sires Density and Providence, as well as the elite Pathfinders SAV May 2397 and SAV Blackcap May 5530.

|--------------|-------------|-------------|------------|-------------|------------|-----------------|-------------|----------------|--------------|

Scale Crusher is a proven breed treasure with an unmatched ability to transmit modest birth weight with massive performance, muscle, length, gainability, docility, scrotal size and exceptional daughters. Scale Crusher stacks three generations of highly proven Pathfinder sires and comes from a time-tested Pathfinder dam who balances a birth ratio of 93 with a weaning ratio of 108 on 10 calves.

Scale Crusher's progeny live up to their name with ground-pounding performance that shows up every time they walk across a scale. They captivated the Angus world at the 2021 SAV Sale where they were in record demand, including the \$275,000 top-selling bull, SAV Scale House 0845, as well as the \$100,000 SAV Certified 0849, the \$55,000 SAV Scale Smasher 0846, the \$47,500 SAV Ease 0840 and the \$45,000 SAV Crush 0935. His sons were back by popular demand at the 2023 SAV Sale and included the \$50,000 SAV Hundredweight 2938 and the \$50,000 SAV Scale Force 2541. Scale Crusher's daughters in production are heavy-milking, productive young cows with solid feet and raise big, bloomy calves that mash the scales at weaning.

Scale Crusher is deceased and semen inventories are depleted. The 2024 SAV Sale offers access to 62 valuable direct progeny – an opportunity of a lifetime!

SAV EASE 0840

Proven calving-ease specialist selected by Twisted Fork and Uncle Henry Farms as a \$47,500 feature of the 2021 SAV Sale.

SAV SCALE HOUSE 0845

The \$275,000 top-selling bull from the 2021 SAV Sale to Voss Angus. Six full siblings are featured in this sale!

SAV CERTIFIED 0849

The \$100,000 lead-off Scale Crusher son from the 2021 SAV sale to KT Ranches. 25 progeny sell in this sale.

Outcross power by Scale Crusher x SAV Blackcap May 4574...

"This is your best set of bulls you've ever made! Your bulls show their true natural thickness! They are athletic and their longevity helps out all of your customers. Have many picked out."

- A super squad of flush brothers from the power-on-power mating of the legendary outcross Scale Crusher to the powerhouse Pathfinder, SAV Blackcap May 1808. These big, stout, power bulls have extra muscle, ribeye and payweight and will inject high level performance and profitability to your feeder cattle.
- Their proven and prolific Pathfinder dam by Net Worth is a pinnacle of performance and maternal value, earning a weaning ratio of 108 on 10 calves and a ribeye ratio of 102 on 99 progeny scanned. She has 23 daughters employed in the SAV herd and 126 progeny have tallied \$1.8 million in past SAV sales to cowmen in 19 states, Canada and Brazil. Her sons include North Face, Double Wide, Engage, John Wayne, Roy Rogers, Township, Threshold, Missouri River, America First, Renewal, Rainwater, Black Diamond and more.

Scale-smashing performance by Scale Crusher x SAV Blackcap May 1416...

A top-performer of the 2023 calfcrop!

"My oldest son, Odin, took a steer to Minnesota State Fair out of a bull we purchased from you in 2021 out of SAV Blackcap May 1416. His steer was the heaviest in the British Breed Market Steer Class and placed third in the Heavyweight Class."

-Joe Axness

SAV Blackcap May 1416
Dam's WR 10/100

SAV Blackcap May 4136
Grandam's WR 4/111

- Rightfully named flush brothers with top-of-the-breed performance and big-engine genetics with plenty of gas in the tank – a formula for success! They are performance champions of their calfcrop, earning official 205-day weights of 1093 lbs. and 1032 lbs. You will like the fact that they started light and ended heavy – calving-ease without compromise! This is no accident, as they replicate the identical mating that created multiple superior siblings in past years, including the \$275,000 SAV Scale House 0845 who is the top-selling bull of the 2021 SAV Sale, as well as SAV Ease 0840, SAV Scale Smasher 0846, SAV Scale Force 2541 and many more.
- Their front-pasture dam hails from the same historic flush as the legendary Pathfinder sire, Resource. She has assembled an amazing production record, generating \$1.4 million on 72 direct progeny highlighting past SAV sales to cowmen in 13 states and Canada. She records a ribeye ratio of 103 on 67 progeny scanned and has multiple herdsire sons to her credit.
- Their legendary grandam, SAV Blackcap May 4136, is the breed's most influential genetic contributor and top income-producing cow.

SAV EASE 0840

Full brother to lots 258-259, selected by Twisted Fork and Uncle Henry Farms as a \$47,500 feature of the 2021 SAV Sale.

SAV SCALE FORCE 2541

Full brother to lots 258-259 selected by Albrecht and Penz Angus as a \$50,000 feature of the 2023 SAV Sale.

SAV SCALE SMASHER 0846

Full brother to lots 258-259 selected by Bonner Farms as a \$55,000 feature of the 2021 SAV Sale where he recorded a 365-day weight of 1727 lbs.

- Recommended for heifers. Dynamic duo with outcross calving-ease in tandem with muscle and maternal – a unique and valuable combination. They are led by SAV Crumble 3928, a big ribeye, heavy-muscled meat wagon with a powerful stifle and bulging hind quarter – the kind cattlemen travel 1000 miles to find. Full siblings were features of past SAV sales, including SAV Weigh Beam 0467 working for Babcock Ranch.
- Their phenomenal dam walks with the best in the breed with beautiful body type and a majestic maternal design. She is a proven high-end producer and full sister to Resource, Renown and Recharge. She balances a birth ratio of 97 with a weaning ratio of 105 on 8 calves and a progeny ribeye ratio of 103 on 56 progeny scanned. She has 19 daughters retained in the SAV herd and 64 progeny averaging \$10,437 in past SAV sales to cowmen in 20 states, Canada and Argentina.

- A blending of the rare and valuable outcross blood of Scale Crusher with the linebred genetic potency of SAV Blackcap May 9500. He is a maternal brother to the \$200,000 Magnify 1107, the heaviest 205-day weight and second lead-off bull from the 2022 SAV Sale.
- His powerful and productive President dam is uniquely linebred to the legendary SAV Blackcap May 4136. She earned a fast pass to the SAV donor pen after producing the heaviest weaning calf of the 2021 callcrop with her son, SAV Magnify 1107, who recorded an official 205-day weight of 1103 lbs. for a weaning ratio of 119.
- His prolific grandam is a member of an elite tribe of full sisters to the legendary Pathfinder sires: Resource, Renown and Recharge. Five daughters are retained and 40 progeny highlighted past SAV sales.

SAV Emblynette 7505
Dam's WR 3/107

- Recommended for heifers. Herd-builder flush brothers with consistent and reliable genetics for calving-ease, milk and muscle from the legendary outcross Scale Crusher.
- Their remarkable dam comes from three generations of Emblynette Pathfinders. She is an SAV headliner donor recording a weaning ratio of 107 on 3 calves and an IMF ratio of 115 on four progeny scanned. Seven daughters are retained in the SAV herd, including the dam of the \$345,000 SAV Magnum 1335 at ST Genetics. Four progeny highlighted past SAV sales.
- Their Pathfinder grandam by Net Worth is the second top marbling female of her calcrop.

- Power-in-the-blood brothers with extra growth, muscle, payweight and a range-ready look, from the highly anticipated mating of the legendary outcross Scale Crusher to the herd-favorite Pathfinder, SAV Madame Pride 3145. These athletic, great-footed bulls should cover big country and last for years.
- Maternal brothers include the \$225,000 SAV Anthem 0042 and the \$82,500 SAV Glory Days 1832, who were the featured lot 1 bulls in the 2021 and 2022 SAV sales, as well as the \$200,000 SAV Circuit Breaker 7136, the \$150,000 SAV American Flag 0233 and the \$140,000 SAV Riptide 1835.
- Their Pathfinder dam is in a league of her own for body type, femininity, fertility, feet and udder quality. She records a weaning ratio of 107 on 9 calves and an IMF ratio of 110 on 52 progeny scanned. She is the current high income-producing cow at SAV. Thirty daughters are rising to the top of the SAV herd and another was the \$210,000 top-selling female of the 2022 SAV Sale.

SAV ANTHEM 0042
The \$225,000 lead-off lot 1 bull from the 2021 SAV Sale. Maternal brother to lots 282-286.

SAV GLORY DAYS 1832
The \$82,500 featured lot 1 bull from the 2022 SAV Sale. Maternal brother to lots 282-286.

SAV CIRCUIT BREAKER 7136

Featured herdsire and maternal brother to lots 282-286. He is the \$200,000 third top-selling bull from the 2018 SAV Sale where he scanned the largest ribeye of his of his calcrop at 19.2 inches.

- This powerful, big-topped Scale Crusher bull is rugged-built and loaded with muscle, pushing the pounds from weaning to yearling – the rancher's kind.
- His powerful, perfect-uddered President dam is a member of a tribe of fabulous flush sisters who have surfaced to the top of the SAV cowherd. She serves as an eighth consecutive generation SAV embryo donor and will make a significant contribution. Her first daughter ranks near the top of the 2021 model cows and has earned a fast-pass to the SAV donor pen.
- His powerhouse Pathfinder grandam is a performance trait-leader and seventh generation SAV embryo donor with 30 daughters employed in the SAV herd and 103 progeny highlighting past SAV sales.

SAV Certified 0849 is a phenotypic standout with size, length, muscle, superb structure and solid feet. He is the \$100,000 lead-off Scale Crusher son from the 2021 SAV Sale where he was a big-time performer, earning a 205-day weight of 1039 lbs., a 365-day weight of 1730 lbs., a 365-day ribeye of 17.3 inches and a yearling scrotal of 40.2 cm. Certified is captivating in the breeding pasture with unmatched mating instinct, libido and athleticism. His first sons were well received at the 2023 SAV Sale and included the \$70,000 SAV Credential 2223. His daughters are the front-pasture kind with femininity, angularity and a classic maternal look – the kind that will enhance a cowherd.

His dam, SAV Blackcap May 1420, is a maternal masterpiece with exquisite femininity and abundant milk – a mirror image of her legendary dam, SAV Blackcap May 4136. She is a lead member of the historic flush that produced the legendary Pathfinder sire, Resource. Six daughters are retained in the SAV herd and 24 progeny averaged \$16,645 in past SAV sales to cowmen in ten states, Canada and Brazil. Her other sons include the \$100,000 SAV Landmark 9148 and the \$45,000 SAV Intense 4304 at ST Genetics.

The 2024 SAV Sale features 25 progeny of Certified!

SAV CREDENTIAL 2223

The \$70,000 top-selling Certified bull in the 2023 SAV Sale to Sanford Ranches and Santiago Debernardi.

SAV CERTIFIED 0849

Certified in yearling form, recording a 365-day weight of 1730 lbs. and 365-day ribeye of 17.3 inches.

- A Certified herd-improver with strong statistics and powerful phenotype – thick, muscular, capacious and easy-fleshing with ideal Angus type. He earned a 205-day weight of 927 lbs. for a weaning ratio of 106.
- His dam is a broody beauty and top marbling cow. She is a flush sister to the \$230,000 SAV Early Arrival 0903 and the \$40,000 SAV Capitol 0905, and is a maternal sister to SAV Quarterback 7933 at Genex AI Stud.
- His grandam, SAV Blackcap May 3525, is a maternal centerpiece and all-time greatest daughter of Final Answer. She is the current second top income-producing cow at SAV with 66 progeny highlighting past SAV sales and 21 daughters retained.

SAV BLACKCAP MAY 3525

Maternal grandam of lot 293. Dam of SAV Quarterback 7933 and SAV Early Arrival 0903.

SAV BLACKCAP MAY 6605

Flush sister to the maternal grandam of lot 294 working for ZWT Ranch.

- A phenotypic powerhouse with thickness, muscle, volume and herdbull properties – impressive from every angle you view him.
- His magnificent dam by Charlo exemplifies the body type and maternal design we try to replicate 500 times over. She is the #1 marbling female of her calf crop and records a progeny IMF ratio of 110 on four progeny scanned and a weaning ratio of 103 on 6 calves. Three daughters are retained in the SAV herd and four progeny highlighted past SAV sales, including the \$22,000 SAV Stardom 8131 at Styles Plainview Angus.
- His prolific grandam, SAV Madame Pride 5290, has 22 daughters retained in the SAV herd and 130 direct progeny highlighting past SAV sales.

SAV Checkmate 8158 is a proven calving-ease sire with ideal phenotype and fault-free design. He combines natural thickness, muscle, soundness and style in a balanced genetic package that is loaded with function and breed character. He was selected by Genex AI Stud as the \$60,000 top-selling calving-ease bull from the 2019 SAV Sale and was crowned the prestigious 2023 Genex Bull Madness Champion. Checkmate was produced from a 2-year-old dam earning a 205-day weight of 990 lbs., a 365-day weight of 1571 lbs., a 365-day ribeye of 15.8 inches and an IMF ratio of 164. He comes from many generations of Emblynette dams proven for longevity, fertility and maternal productivity.

His dam takes femininity, udder quality and maternal function to the highest level, earning her the top position among all 2016 model cows and serving as an SAV headliner donor where she earned an exemplary production record. His prolific Net Worth grandam comes from four consecutive generations of Pathfinder dams. She is a world-class producer earning \$1.4 million in progeny sales and has 22 daughters employed in the SAV herd, including the breed-leading Pathfinder, SAV Emblynette 2369.

The 2024 SAV Sale features ten tremendous Checkmate progeny – some of the best to sell anywhere this year.

SAV EMBLYNETTE 7566

Maternal grandam of Checkmate produced from four consecutive generations of Pathfinder dams. She is a world-class producer generating \$1.4 million on 106 direct progeny in past SAV sales and has 22 daughters employed in the SAV herd.

SAV Downpour 8794 is a dominating sire of powerful, performance-driven progeny with massive volume, dimension and gainability. He consistently stamps his progeny with these herd-improving attributes, proving to be a potent sire. His sons are rugged-built, stock bulls with true muscle definition, extra rib-shape and real payweight. His daughters are feminine and broody with a classic maternal design. Downpour is the #1 yearling weight and \$100,000 third top-selling bull from the 2019 SAV Sale. He recorded a 205-day weight of 1082 lbs., 365-day weight of 1655 lbs., IMF ratio of 138 and yearling scrotal of 43.7 cm.

His Pathfinder dam, SAV Madame Pride 4407, is a herd treasure with front-pasture phenotype and top production. She is a seventh generation SAV embryo donor with 20 daughters employed in the SAV herd and 52 progeny averaging \$18,668 in past SAV sales to cowmen in twelve states and Canada.

Downpour is now-deceased and semen inventories are depleted. The 2024 SAV Sale presents a unique opportunity to access 24 direct progeny and maternal siblings to this esteemed sire.

- Power-packed flush brothers with dominating phenotype, commanding presence and true herdbull authority. They are powerfully-built and fully-loaded with real muscle, substance and extra bone – the kind cattlemen travel the world to find. They replicate the mating that produced the \$30,000 SAV Big Game 2549 selected by John Anderson and McConnell Angus from the 2023 SAV Sale.
- Their front-pasture dam hails from the same historic flush as the legendary Pathfinder sire, Resource. She has assembled an amazing production record, generating \$1.4 million on 72 direct progeny highlighting past SAV sales to cowmen in 13 states and Canada. She records a ribeye ratio of 103 on 67 progeny scanned. She has multiple herdsire sons to her credit, including Scale House, Ease, Scale Smasher, Scale Force, Expertise, Constitution, Land Grant, Lineman and more.
- Their legendary grandam, SAV Blackcap May 4136, is the breed's most influential genetic contributor and appears three times in their extended pedigree.

IMF ratio 144

- This rugged-built, performance-driven bull is an absolute truck with superior stoutness, muscle, volume and power from front to back – patented for the ranch world. He earned a 205-day weight of 950 lbs.
- His powerful and prolific Rito 9969 x Net Worth dam has 44 direct sons averaging \$7136 in past SAV sales to cowmen in eight states, Canada and Mexico.
- His Pathfinder third dam, SAV Abigale 8213, is a full sister to the dam of Charlo.

SAV Reference Sire - SAV Bloodline 9578...

Performance powerhouse and dominating sire of extra growth, volume, muscle and pounds...

"Bloodline is an awesome bull, perfection on four feet. Picture is awesome, but seeing him up close and personal is amazing. What a great Angus breeder, Kelly Schaff and crew. You are all amazing."

-Spinelli Angus Ranch

"That's a lot of red meat right there! Bloodline is a stud!!"

-Bob Taylor

SAV Bloodline 9578 is the lead-off and \$250,000 top-selling bull from the 2020 SAV Sale. He is a performance powerhouse and dominating sire of extra growth, volume, muscle and pounds. His progeny perform with the best and have surfaced to the top of many herds. His sons are big, power bulls with muscle, rib-shape and payweight. His daughters are feminine, angular and voluminous with maternal presence and high quality udders.

His Pathfinder dam, SAV Emblynette 2369, is a true cornerstone unmatched in the breed for her combination of phenotype, performance and production. She is a multi-trait leader and third top income-producing cow in SAV history with 119 progeny generating \$3.9 million in past SAV sales and 50 daughters employed in the SAV herd. She is the #1 205-day weight and top marbling female of her calf crop and records an astonishing IMF ratio of 121 on 118 progeny scanned. Her progeny include the top-selling females in the 2019, 2020 and 2023 SAV sales, as well as the herdsires Bloodline, Emblem, Ajax, Rise N Shine, Royal Flush, Theory and more.

The 2024 SAV Sale features Bloodline's progeny and grand progeny as well as 20 maternal siblings!

SAV Grand Canyon 0969 is a featured member of Select Sires AI Stud with remarkable resemblance to his industry-proven sire Rainfall and potential to continue his legacy. Grand Canyon is solid and sound with true herdbull authority and ideal Angus type - a truly impressive specimen to view in the breeding pasture. He was selected by Carlson Angus and Rust Mountain View as the \$45,000 top-selling Rainfall bull in the 2021 SAV Sale where he recorded a 205-day weight of 952 lbs. and a 365-day weight of 1578 lbs. His progeny present calving-ease without compromise, displaying muscle, capacity, softness and substance with practical and pleasing phenotype.

His phenomenal dam, SAV Madame Pride 9477, is a stellar producer and sixth generation SAV embryo donor with a perfect blend of power and maternal from the pedigree blending of Net Worth with the maternal matriarch SAV Madame Pride 0075. She is a maternal sister to the \$1.51 million SAV America 8018 and her top-selling progeny include SAV Great Lakes 8010, the #1 yearling weight and ribeye bull from the 2019 SAV Sale.

Ten progeny of Grand Canyon will sell in this event.

SAV MADAME PRIDE 9477

A stellar producer and sixth generation SAV embryo donor with a perfect blend of power and maternal from the pedigree blending of Net Worth with the maternal matriarch, SAV Madame Pride 0075.

SAV GRAND CANYON 0969

In yearling form, Grand Canyon displays masculinity, muscle and early maturity with remarkable resemblance to Rainfall.

Thank you to all those who attended the 2023 SAV Sale.

Thanks to all the visitors to SAV this past year.

SAV Rainfall 6846 is a highly-respected, industry-proven sire and long-time headliner at Select Sires AI Stud and a breed leader for registrations in multiple countries - selected as the \$460,000 second top-selling bull from the 2017 SAV Sale.

Rainfall is a total herd-improver with proven calving-ease, performance, phenotype, carcass quality and cowmaker credentials. Rainfall is an early gestation, low birth weight sire that can be used on virgin heifers without sacrificing thickness, muscle and capacity, Angus breed character and real-world production traits. His progeny also excel in fertility, feet quality and carcass value. His sons include Bloodline, Downpour, Grand Canyon, Riptide and Varsity. His daughters in production are moderate-sized, nice-uddered and highly efficient - rising to the top of many herds.

His legendary dam, SAV Blackcap May 4136, is the Angus breed's most influential genetic contributor and top income-producing cow, generating \$10.3 million in receipts on 227 direct progeny averaging \$45,547 in past SAV sales. She has 58 daughters retained in the SAV herd and a multitude of herdsire sons.

The 2024 SAV Sale features 23 direct progeny of Rainfall, as well as 42 grand progeny!

SAV BLOODLINE 9578

The \$250,000 lead-off and top-selling bull from the 2020 SAV Sale, sired by Rainfall.

SAV DOWNPOUR 8794

The \$100,000 top-selling Rainfall son in the 2019 SAV Sale where he was the heaviest 365-day weight bull.

SAV RIPTIDE 1835

The \$140,000 top-selling Rainfall son in the 2022 SAV Sale to Voss Angus.

SAV GRAND CANYON 0969

The \$45,000 top-selling Rainfall bull from the 2021 SAV Sale to Rust Mountain View and Carlson Angus Ranch. He is featured on the sire roster at Select Sires AI Stud.

SAV BLACKCAP MAY 1808

- Herdbuilders with proven and reliable foundation genetics stacked on both sides of their power-packed pedigree, from the mating of the legendary Rainfall to the powerhouse Pathfinder, SAV Blackcap May 1808. These high maternal bulls will leave the kind of daughters the industry craves – moderate, deep-bodied and easy-fleshing with beautiful udders and solid feet. Full siblings highlighted past SAV sales, including SAV Missouri River 8025 and SAV Cloudburst 8012.
- Their proven and prolific Pathfinder dam by Net Worth is a pinnacle of performance and maternal value, earning a weaning ratio of 108 on 10 calves and a ribeye ratio of 102 on 99 progeny scanned. She has 23 daughters employed in the SAV herd and 126 progeny have tallied \$1.8 million in past SAV sales to cowmen in 19 states, Canada and Brazil. Her sons include North Face, Double Wide, Engage, John Wayne, Roy Rogers, Township, Threshold, America First, Renewal, Rainwater, Black Diamond and more.

SAV MISSOURI RIVER 8025
Full brother to lots 336-338 selected by U2 Ranch as a top-selling feature of the 2019 SAV Sale.

SAV Early Arrival 0903 is the \$230,000 second top-selling bull from the 2021 SAV Sale. He is a proven and predictable outcross calving-ease sire with curvebending growth, performance, maternal and carcass, all in one package. He is a respected and widely-used AI sire appreciated for his reliable calving-ease and ability to be used with confidence on virgin heifers in synchronization breeding projects, confirmed with a CED of +16, birth EPD of -3.1, and actual birth weight of 60 lbs. Early Arrival posted a 205-day weight of 963 lbs., a 365-day weight of 1514 lbs., a 365-day ribeye of 16.9 inches and yearling scrotal of 40 cm. He is a big, deep-bodied, smooth-made bull weighing 2640 lbs. in mature form. His flush sisters are among the most impressive young cows at SAV and have already entered the prestigious SAV embryo donor program.

His dam, SAV Blackcap May 3525, is a maternal centerpiece and all-time greatest daughter of Final Answer. She is an SAV headliner donor with 21 daughters retained and 66 progeny highlighting past SAV sales, including the \$160,000 SAV Quarterback 7933 at Genex AI Stud, as well as the #1 yearling weight and ribeye heifer in the 2020 SAV Sale.

The 2024 SAV Sale will 26 progeny of Early Arrival along with 18 maternal siblings.

Thank you to all SAV supporters who attend the SAV sale each year!

- Recommended for heifers. This late April beefhouse is big-bodied and packs a performance punch, earning a 205-day weight of 919 lbs. for a weaning ratio of 111, as his dam's first calf. The only thing he needs is time and could be a buy of the auction.
- His 2-year old America dam has an amazing udder and productive appearance with a great future ahead.
- His International grandam is a full sister to SAV Universal 4038, the \$200,000 featured lot 1 bull from the 2015 SAV Sale.

Supreme calving-ease bulls by Early Arrival...

SAV EARLY ARRIVAL 3509 - LOT 351

"Heifers are calving nicely. Getting quite a few Early Arrival calves at 60 lbs. and they get up aggressive and get to sucking."

-Logan Weinhandl

SAV BLACKCAP MAY 1443

Dam of lots 351-355 and grandam of lots 356-357.

- Recommended for heifers. An Early Arrival dream team and #1 calving-ease flush to sell this year. These genetically identical brothers are smooth-as-a-ribbon with an attractive profile. They carry the maternal endorsement and cow family strength to sire quality replacement females.
- Their top-producing dam is a model of efficiency and leading member of the same historic flush that produced the legendary Pathfinder sire, Resource. She has 20 daughters employed in the SAV herd and 52 progeny highlighting past SAV sales to cowmen in 13 states, Canada and Mexico. Her sons include the \$57,500 SAV Hercules 8864 and the \$55,000 SAV Sterling 6067.

- Recommended for heifers. Not your typical calving-ease bull here. This majestic, proud-fronted stunner is thick-topped, powerful-rumped and heavy-muscled with superior shape, substance and eye-catching style. He earned a 205-day weight of 890 lbs. for a weaning ratio of 104.
- His breathtaking dam is a front-pasture feature with exquisite maternal quality and a perfect udder.
- His grandam, SAV Blackcap May 1443, is a high efficiency model from the same historic flush as the legendary Pathfinder sire, Resource. She has 20 daughters retained and 52 progeny highlighting past SAV sales.

- Recommended for heifers. The Grand Champion calving-ease bull of the entire 2023 calfcrop, taking all honors as the lowest birth EPD and #1 CED bull in this offering. Sleep all night with assurance that your heifers will calve on their own.
- His superb 2-year old stellar dam sports a beautiful udder and is a five-star efficiency model.
- His perfect-uddered President grandam is a flush sister to the \$23,000 SAV Bonanza 9586 at Sire Buyer. His Rito 9969 third dam is the top-selling cow in the 2018 SAV Sale and top marbling female of her calfcrop.

- Recommended for heifers. SAV Early Day 3734 is a special feature, ranking among the three top calving-ease bulls in the entire offering for both CED and birth EPD. He defies the laws of nature with the kind of thickness, capacity and muscle shape that you rarely find in a true low birth weight bull. He earned a 205-day weight of 871 lbs. for a weaning ratio of 102.
- His nice-uddered 2-year old dam by Stellar gets a gold star for efficiency and maternal function. His grandam by Governor has a glorious udder and maternal design.

- Recommended for heifers. SAV Early Bird 3706 establishes the true definition of curvebender. He started life at 68 lbs. and earned a 205-day weight of 908 lbs. for a weaning ratio of 106, as his dam's first calf. He scanned a 365-day ribeye of 17.5 inches and earned an IMF ratio of 162. He is a clear leader of his calf crop and presents a well-rounded genetic profile to be an asset in any herdbull battery.
- His tremendous 2-year old dam by Territory is the kind we strive to produce.
- His prolific grandam by Priority x Bismarck x Net Worth represents the best in old-school foundation genetics that never go out of style.

Constable is an \$85,000 SAV outcross herd sire with moderation, muscle and marbling. He is a stoutly made, easy-fleshing, high capacity bull with excellent fertility and stands on perfect feet. His progeny are thick, muscular, dense-bodied and wide-based. Constable's dam is considered by many to be the all-time greatest cow at Connealy Angus, selling as pick of their cowherd. She is a proven herd sire producer and dam of Confidence Plus, Atlantis, True North and many more. The 2024 SAV sale features the first offering by Constable.

Low birth weight bulls with moderation, muscle and marbling - compliments of Constable...

- Two-of-a-kind low birth weight bulls with thickness, capacity, muscle and moderation - bred to thrive in ranch country and leave daughters that do the same.
- Their picturesque dam by America is virtually flawless in every phenotypic trait with a superb udder and perfect feet - an early addition to the SAV donor pen. She is a maternal sister to the \$60,000 SAV Checkmate 8158 at Genex AI Stud.
- Their front-pasture grandam, SAV Emblynette 6506, is an exceptional producer with ten daughters retained and 27 progeny highlighting past SAV sales.

- Recommended for heifers. Nothing satisfies like beef and this high marbling bull has plenty of beef - thick-topped, capacious and loaded with muscle from front to back. He represents calving-ease without compromise, with a well-rounded EPD profile.
- His excellent-uddered Elation dam comes from seven consecutive generations of SAV embryo donors. A daughter sold in the 2023 SAV Sale for \$9000 to Rita Sharma.

- Super squad flush brothers with superb phenotype, performance, cow power and all the right numbers to improve your bottom line. They offer industry outcross potential and a herd-improving resume. Lots 393-394 and lot 396 are recommended for heifers.
- Their magnificent dam by President is a model brood cow with a world-class udder and perfect feet. She records a weaning ratio of 106 on two calves and is the fifth top ribeye female of her calfcrop. A son was selected by Dylan Reiman as a \$12,500 feature of the 2022 SAV Sale where he was the third top-performing bull.
- Their powerhouse Pathfinder grandam is a seventh generation SAV embryo donor with a weaning ratio of 107 on 7 calves. She has 103 progeny averaging \$9815 in past SAV sales and 30 daughters employed in the SAV herd.

- Recommended for heifers. Two-of-a-kind flush brothers with a fashionable outcross pedigree, calving-ease, carcass quality and a fully-loaded maternal script, produced from six consecutive generations of Madame Pride embryo donors.
- Their deep-bodied, broody dam by Charlo is solid-to-the-ground with a beautiful udder. She is the second top marbling female of her calfcrop and earned an IMF ratio of 161. She has the special distinction of being the last daughter produced from the maternal matriarch SAV Madame Pride 0075. Her sons have averaged \$7375 in past SAV sales to North View Angus and Sunrise Farms.
- Their grandam, SAV Madame Pride 0075, is the second top income-producing cow in SAV history. She has 41 daughters retained and 166 direct progeny highlighting past SAV sales, including the \$1.51 million America.

SAV EMBLYNETTE 3293

- This lead-off heifer and royal dignitary is a potential sale-topper being shared to represent one of the greatest flushes in SAV history. She is a big, angular, capacious heifer with majestic maternal presence and all the power you can put in an Angus female. A flush brother is the lead-off Panther bull in this event featured as lot 124.
- Her breed-leading Pathfinder dam is unmatched for her combination of phenotype, performance and production. She is the #1 beef value cow in the SAV herd and records an astonishing progeny IMF ratio of 121 on 118 progeny scanned. She has 50 daughters employed in the SAV herd and has tallied \$3.9 million on 119 progeny highlighting past SAV sales to cowmen in 24 states and Canada. Her sons include Bloodline, Emblem, Ajax, Rise N Shine, Royal Flush, Rip, Theory and more. Her daughters include the top-selling females in each of the 2019, 2020 and 2023 SAV sales.

- An America achievement with femininity, angularity, structural balance and pure maternal class. A full brother, SAV Awestruck 1286, was selected by Hillcrest Farms as a \$14,000 feature of the 2022 SAV Sale.
- Her feminine, productive dam by Renown gets it done every year. She is a flush sister to SAV Emblynette 6506, the dam of the \$60,000 SAV Checkmate 8158 at Genex AI Stud.
- Her prolific grandam by Net Worth comes from four consecutive generations of Emblynette Pathfinders. She is a world-class producer generating \$1.4 million on 106 direct progeny in past SAV sales and has 22 daughters employed in the SAV herd.

SAV EASY BOY 2078

Maternal brother to lot 516 selected by Covey Hill as a \$42,000 feature of the 2023 SAV Sale where he recorded a 365-day ribeye of 17.9 inches.

SAV CHECKMATE 8158

Featured sire at Genex AI Stud. Maternal brother to the dam of lot 513, produced from a flush sister to the dam of lot 514.

- Her super-fronted, nice-uddered President dam comes from four generations of maternally-proven SAV embryo donors. She is a maternal sister to the dam of the \$160,000 SAV Pancho Villa 0147. Her sons have averaged \$10,250 in past SAV sales to Berger Ranch and Gilbert Angus Ranch.
- Her grandam by Bismarck comes from two generations of Emblynette Pathfinder dams.

SAV EMBLYNETTE 3542

Maternal grandam of lot 538.

Valuable maternal property from SAV Emblynette 7505...

Remarkable Renown x Net Worth matron from three consecutive generations of Emblynette Pathfinders...

"Wanted to reach out and tell you how much I appreciate you giving me the tour yesterday. After a stressful year it was definitely a 'chicken soup for the soul' kind of day! In terms of maternal power, I've never seen more of it on display at one place than I did at SAV yesterday. After seeing the bred heifers, it is plain to see that SAV is positioned to be industry leaders for years to come."

-John Anderson
Willow Creek Cattle Co.

**TEN
PROGENY SELL!**

SAV EMBLYNETTE 7505

Dam of lots 539-544 and grandam of lot 545.

Her daughter

SAV EMBLYNETTE 9023

Dam of the \$345,000 SAV Magnum 1335. Maternal sister to the lots 539-544 and full sister to the dam of lot 545.

SAV EMBLYNETTE 8172

Pathfinder grandam of lots 539-544 and third dam of lot 545. She is the dam of the \$47,500 SAV Best Interest 0136 at Genex AI Stud.

SAV EMBLYNETTE 3240

The prolific Pathfinder represented in lots 539-549, remaining in production past 18 years of age.

SAV MAGNUM 1335

The \$345,000 lead-off bull of the 2023 SAV Sale. His dam is a maternal sister to lots 539-544 and full sister to the dam of lot 545.

- This maternal sensation by Magnum takes position among the three top milk EPD females in the offering and brings a fresh, new generation pedigree to a time-honored cow family.
- Her class-act dam by President is ultra-feminine with impeccable udder quality and perfect feet. A daughter sold in the 2023 SAV Sale for \$5000 to Tom Davis.
- Her grandam comes from two generations of prolific Pathfinders.

SAV EMBLYNETTE 8950

Dam of lots 548-549.

- It doesn't take a statistician to find this numeric standout. She ranks among the five top-indexing females in the offering, earning a 205-day weight of 778 lbs. for a weaning ratio of 113. She displays natural thickness, capacity and massive dimension.
- Her modest-sized, efficient dam by Charlo carries the defining stamp of her Pathfinder sire. Her first son was a 4-H project for Cassidy Strommen and another sold for \$6500 to Wagner Beef.

Thanks to all of our family, friends, neighbors and crew who help each year to make sale day a success!

- A futuristic producer with a fresh, next generation pedigree and the maternal components to make a long-term contribution.
- Her beautiful, angular, 2-year old America dam sports a world-class udder and perfect feet. She is a flush sister to the lead-off and \$210,000 top-selling female from the 2022 SAV Sale and hails from the same predictable mating that created the lot 1 bulls of the 2021 and 2022 SAV sales, SAV Anthem 0042 and SAV Glory Days 1832.
- Her Pathfinder grandam records a weaning ratio of 107 on 9 calves and an IMF ratio of 110 on 52 progeny scanned. She is the current top income-producing cow at SAV.

This \$235,000 feature of the 2017 SAV Sale is enrolled at Select Sires AI Stud. Maternal brother to the dams of lots 579-580.

SAV MADAME PRIDE 5810

Dam of lot 580.

SAV MADAME PRIDE 8361

Pathfinder maternal sister to lot 580.

Maternal treasurers from the SAV Madame Pride family...

Powerhouse Pathfinder and seventh generation SAV embryo donor...

HER PROGENY & INFLUENCE SELLS!

SAV MADAME PRIDE 3256

Pathfinder dam of lot 581 and grandam of lots 582-587.

"We made it back home safe and with a lot of great impressions! Thank you very much for your time and for showing us your great ranch and your excellent cattle! We like your great, easy fleshing, functional cows with great and milky udders and good calves. None of us has ever seen a herd as equal as yours! Congratulations! It is impressive to see the results of work over many years and your breeding success. We have seen your honest work and believe that your genetics would have a successful impact in our herds. It would be an honor for us to spread your genetics in Europe."

-Urban and Bernard, Gian Peter, Manuel, Heinz, Pius - Breeder group from Germany & Switzerland

Her dam

SAV MADAME PRIDE 0413

Maternal icon represented in lots 581-588. Identical full sister to the dam of lots 589-597.

- A Certified breeding piece with a long list of maternal credentials from seven consecutive generations of top-producing SAV embryo donors that lace the bottom side of her pedigree. A full sister was selected by Chaparrosa Ranch as a \$14,000 feature of the 2023 SAV Sale where she was the heaviest 205-day weight embryo heifer.
- Her powerhouse Pathfinder dam is a performance trait-leader by Resource recording a weaning ratio of 104 on 7 calves. She has an arsenal of 30 daughters rising to the top of the SAV herd and 103 direct progeny averaging \$9815 in past SAV sales to cowmen in 18 states, Canada and Mexico.

"The Madame Pride heifer we bought from you had a really nice Pancho Villa heifer this past spring. She bred right back and will be calving to America."

-Jayson Manning

SAV MADAME PRIDE 9967

Maternal sister to lot 581 and flush sister to the dams of lots 584-587.

- Let your quest for the best end here. A multi-trait leader by Magnum with a curvewending EPD profile that excels from start to finish, matched with a versatile outcross pedigree to lead the breed's next generation. She takes honors as the #1 CED, #3 lowest birth, #8 weaning, #10 yearling, #3 milk and #7 ribeye EPD female in the offering.
- Her gorgeous 2-year old dam is big-bodied and soft-made with a world-class udder and perfect feet – a future donor-in-the-making.

SAV MADAME PRIDE 9170

Flush sister to the dams of lots 584-587.

Magnificent maternal matron and prolific producer from SAV Madame Pride 0075...

"Thank you so much for all you do for the breed and the industry. Your family and staff are just super people that know how to host a first class gathering. I'm really excited that my grandson is now a rancher. He started out just right with a Territory x 0412 heifer!!

-Dr. Terry Nichols

- Maternal treasures representing the best of old-school foundation genetics from the mating of the proven Pathfinder sire, Charlo, to the magnificent maternal matron, SAV Madame Pride 0412 – the kind to build a herd around that never go out of style.
- Their remarkable dam is feminine, long-fronted, angular and wedge-shaped with striking maternal quality and tons of milk – the front pasture kind. She balances a progeny birth ratio of 97 with a weaning ratio of 102 on 8 calves and a progeny REA ratio of 107 on 22 progeny scanned. Fourteen daughters are retained in the SAV herd and 37 progeny averaged \$8979 in past sales. She was selected by D Lazy T Ranch as the \$35,000 lead-off cow of the 2020 SAV Sale.
- Their grandam, SAV Madame Pride 0075, is the maternal matriarch and second top income-producing cow in SAV history and dam of the \$1.51 million America.

SAV SUPREME COURT 8800

This \$45,000 feature of the 2019 SAV Sale working for Casey Green Cattle Co. and Breeder Link is a maternal brother to lot 598 and flush brother to the dam of lot 599. He was produced from a maternal sister to lots 589-597.

- Femininity makes females and this maternal stunner brings it front-and-center. She draws maternal strength from eight consecutive generations of SAV embryo donor dams that lace the bottom side of her pedigree.
- Her dam is a high efficiency model by Charlo with moderation, muscle and mega-maternal. A son was selected by U2 Ranch as a \$14,000 feature of the 2022 SAV Sale.
- Her iconic grandam by Resource is the #1 ribeye female of her calfcrop. She has seven daughters employed in the SAV herd and 52 progeny averaging \$9394 in past SAV sales, including the \$45,000 SAV Supreme Court 8800 and the \$40,000 SAV Madame Pride 0620. She records a weaning ratio of 103 on 9 calves and an IMF ratio of 103 on 45 progeny scanned.

- With hesitation we decided to share this intriguing genetic package and outcross phenomenon. She combines proven power-in-the-blood and genetic potency from both sides of her pedigree to create a next level breeding piece, complimented with a stellar EPD profile and a weaning ratio of 108.
- Her production-oriented 2-year old dam is the efficient kind, weaning a high percentage of her body weight.
- Her grandam is a magnificent maternal matron and sixth generation SAV embryo donor with 14 daughters retained and 37 progeny averaging \$8979 in past SAV sales.

- This lead-off cow and major sale attraction confirms our annual commitment to share a valuable breeding piece from the heart and soul of the SAV cowherd. She replicates the identical mating that produced the world-record-selling flush of bulls that includes President, Rainfall, Raindance, Governor, Rainmaster and Reign. She is a full sister to the \$500,000 SAV Blackcap May 7061, who was selected by Herbster Angus from the 2018 SAV Sale as the all-time record-selling SAV female. Another full sister is the \$100,000 SAV Blackcap May 6644, the superstar donor owned with Werning Cattle Co. Lot 617 is captivating with her feminine appearance, flawless udder, moderation and world-class maternal design, matched with the most affectionate disposition of any cow to ever reside at SAV. A daughter is retained and two progeny have tallied \$14,500 in past SAV sales to Tysdal Ranch and Babcock Angus.
- Her legendary dam, SAV Blackcap May 4136, is the breed's most influential genetic contributor and top income-producing cow, generating \$10.3 million on 227 direct progeny in past SAV sales. She has 58 daughters retained in the SAV herd and multiple herdsire sons to her credit.
- Ultrasounds safe to the \$100,000 SAV Throttle 2961. Due 5/11/24.

SAV GOVERNOR 6844

The \$435,000 fourth top-selling bull from the 2017 SAV Sale. Full brother to lot 617 and to the dam of lots 618-625.

SAV 654X RAINMASTER 6849

The \$165,000 selection of ABS Global from the world-record-selling flush. Full brother to lot 617 and to the dam of lots 618-625.

SAV RAINFALL 6846

A breed-leading sire for registrations at Select Sires AI Stud and the \$460,000 second top-selling bull from the 2017 SAV Sale. Full brother to lot 617 and to the dam of lots 618-625.

SAV REIGN 6845

Proven and reliable sire at Genex AI Stud and Ingram Angus. Full brother to lot 617 and to the dam of lots 618-625.

SAV RAINDANCE 6848

The \$450,000 second lead-off bull from the 2017 SAV Sale. Full brother to lot 617 and to the dam of lots 618-625.

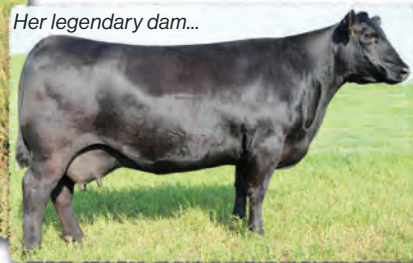

Sensational offering from the superstar donor, SAV Blackcap May 6644...

Superstar donor and one-of-a-kind flush sister to the world-record-selling flush of bulls...

"We showed the first two Bloodline progeny at the Brisbane Royal Show and they made champion male and female! They blew their contemporaries away. The heifer is a daughter of SAV Blackcap May 6644."

-Richard Duddy
Killain Angus, Australia

Her legendary dam...

17 PROGENY & FULL SISTER SELLS!

SAV BLACKCAP MAY 6644

Full sister to lot 617. Dam of lots 618-625 and grandam of lots 626-629.

SAV BLACKCAP MAY 4136

The breed legend represented in lots 617-673.

- A potential sale-topper and major player of the 2024 sale season. She takes honors as the #1 weaning and #1 yearling EPD female in this offering and second heaviest 205-day weight heifer of her natural calfcrop, earning a weaning ratio of 117. She has performance to burn and style to share with real world data and visual appraisal to match.
- Her heavenly 2-year old dam by Rainfall ranks as the #1 yearling EPD cow in the SAV herd. She takes femininity, udder quality and maternal class to the highest level.
- Her herd champion grandam ranks as the #1 weaning and #3 yearling EPD cow in the SAV herd. She records a weaning ratio of 106 on 3 calves and should qualify as a Pathfinder. She is a full sister to the \$350,000 SAV Panther 1906 and the \$45,000 SAV Bronco 1904.

- A pairing of flush sisters fortified with calving-ease from the \$230,000 SAV Early Arrival 0903 and loaded with maternal merit from generations of maternally-superior producers that lace the bottom side of their pedigree. They take honors as the lowest birth EPD females in the entire offering.
- Their top-producing dam is a model of efficiency and leading member of the same historic flush that produced the legendary Pathfinder sire, Resource. She has 20 daughters employed in the SAV herd and 52 progeny averaging \$10,615 in past SAV sales to cowmen in 13 states, Canada and Mexico. Her sons include the \$57,500 SAV Hercules 8864 and the \$55,000 SAV Sterling 6067.

- Powerhouse flush sisters with a wealth of performance, maternal and cow power to back them. They are big-time brood cow material and will serve the industry well.
- Their powerful dam takes honors as the #1 ribeye and #1 yearling weight female of her calf crop and records a weaning ratio of 106 on 5 calves and a ribeye ratio of 103 on 26 progeny scanned. She is a full sister to the legendary Pathfinder sires, Resource, Renown and Recharge. Five daughters are retained in the SAV herd and 37 progeny averaged \$8871 in past SAV sales to cowmen in 16 states and Canada.

SAV OLD WEST 5147
Maternal brother to lots 660-661 selected by Albrecht and Penz Angus as a \$21,000 feature of the 2016 SAV Sale.

- The valedictorian of the performance class of 2023 being shared strictly as a major attraction to this sale. She takes honors as the heaviest 205-day weight female of the entire 2023 natural calfcrop at 839 lbs. for a weaning ratio of 122. She is powerful in her build with massive volume and dimension from front to back – an easy find in the pen and a force to be reckoned with in a business where performance is king. A full sister resides at the top of the 2022 model females at SAV.
- Her beloved dam earned a weaning ratio of 117 on 3 calves and will qualify as a herd-leading Pathfinder. Her first two daughters are retained in the SAV herd.

- A broody beauty with a wealth of maternal value and real world performance. She earned a weaning ratio of 106.
- Her massive Resource dam has high-level milk production and comes from four generations of embryo donors. A son was selected by Mike Peter as a \$5500 feature of the 2023 SAV Sale.
- Her nice-uddered grandam by Hesston comes from the elite Pathfinder, SAV Blackcap May 5530, who is the fifth top income-producing cow in SAV history and dam of the herdsires: Priority, Brand Name, Regard and Cutting Edge.

SAV BLACKCAP MAY 5530

Pathfinder grandam of lots 707-712 and third dam of lot 713. Her sons include the AI sires Priority, Brand Name, Regard and Cutting Edge.

SAV BLACKCAP MAY 5851

Maternal grandam of lot 713.

Remarkable Rosetta Pathfinder and SAV donor with high level production...

"Just wanted to say I am thankful for SAV and what you guys have done for us and families around the world! The reason so many of us are successful with our cattle is because SAV is successful. I truly believe that if all of us were not riding on the brand you have built, none of us would be doing as well as we are! SAV cattle are providing a great life for thousands of people around the world. Without you and what you have built, none of this would be possible! So if the bar wasn't high enough already, keep going!"

-Nate Schuster
Six Diamond Cattle Co.
