Broadcasting Real-Time Auctions

Watch and Bid Online at DVAuction.com

Can't make the sale?

We are pleased to bring you real-time Internet bidding and a live broadcast of this sale through DVAuction. To watch or bid online, simply complete the following steps:

- Visit the DVAuction web site at www.dvauction.com
- Click on the "Creat New Account" tab
- Enter a user name, password and your contact information.
- Complete the Banking Information. (If you are only interested in viewing you can skip this section)
- Select your Time Zone, Accept the Terms and Conditions and click "Create Account"
- Complete the process by answering a few questions, selecting your subscription choices
- Click on "Apply for Bidding" in the upper left corner of your screen to select the sales you wish to bid on
- Be sure to include a personal contact at your bank, we will contact them in order to get a credit reference.
- If you would prefer to be approved using your credit card, call (402) 316-5460.
- Please be sure to apply for bidding at least a day in advance of the sale-every effort will be made to process your application in a timely manner.

DVAuction will contact you once you have been approved to bid. We do not provide buyer numbers until you have purchased a lot in the sale, and that number is only usable for that auction. After the sale contact the sale owner or manager to make arrangements for payment and delivery of your online purchases.

Please Note: High speed Internet access (DSL, T-1, or Broadband) is required to be able to bid successfully during the sale. If you have any questions, please contact DVAuction at (402) 316-5460 or email support@dvauction.com.

Proxy Bidding: If you can't access a computer during the sale, you can now place a "proxy bid" through DVAuction. Simply follow the instructions listed above, and as the sale date nears there will be a "Proxy Bidding" link under the sale listing on the main page of DVAuction. You can then place the maximum amount that you'd like to bid, and our system will represent your bid just as if you were there.

Lynn Kongsli, Kongsli & Severance Auction Service
.....701-537-5594

PRE-SALE VIEWING:

Bulls may be viewed at the ranch until Wednesday, Feb. 2nd.

GENETIC DEFECTS:

All Angus bulls are guaranteed free of all genetic defects.

VOLUME PURCHASE DISCOUNT:

A volume discount is \$250. It will be given on the fifth bull
purchased by one family ranching operation, and a \$50 dis-
count for every bull purchased thereafter on sale day.

TERMS AND CONDITIONS:

The terms of the sale are cash or check payable to the clerks
following the sale, unless satisfactory credit arrangements
have been made with Jan Severance prior to the sale.

BREEDING GUARANTEE:

Bulls are guaranteed to pass a semen test at turnout time. If
a fertility problem occurs that is confirmed by a veterinarian,
the buyer must return the bull to the seller in good health and
have a minimum of at least 1# ADG since purchase for guar-
antee to apply for an exchange for an equal-quality bull, or for
credit towards another purchase. In no case will the seller be
responsible for more than the purchase price. Severance An-
gus will make every effort to make sure that you, our custom-
er, is fully satisfied with the bull(s). This is not a life insurance
policy. We will not replace a dead animal if it dies for any
reason. Full mortality insurance can be purchased sale day.

HEALTH:

Bulls have been treated with Bovi-Shield Gold, One Shot,
7-Way and Dectomax. Health certificates will be provided for
each sale lot.

TRUCKING & FEEDING ARRANGEMENTS:

Severance Angus will assist in making economical trucking
arrangements. Bring your own trailer on sale day and take
\$50 per head off of the purchase price. If it's more convenient
to pick your bull up after the sale at the Severance Ranch let
us know sale day. If you want us to feed your bulls after the
sale to March 20th free of charge we will do that and deliver
them after that. We ask that you please insure the bulls as we
are feeding them at your risk.

Dear Cattlemen and Friends,

Welcome to the 31st Purebred Sale that we have had at Kist Livestock Auction. I honestly believe this is the best, the strongest, and the deepest quality set of bulls we have ever brought to town! Our amazing mother cows did their job under some of the most adverse conditions ever this past year. They did it with no help from a creep feeder as there were none. Our cows have been bred to be great producers and they did just that!

We are selling a powerful, uniform, eye appealing set of outstanding Angus bulls. They are sired by several top sires of the Angus breed. The selection is large, ranging from powerful herd sires to excellent calving ease bulls that would make outstanding replacement heifers. I am excited about this set of bulls like no other. I know our cow herd and they are an outstanding set of mother cows that earn their keep on each and every calf they produce. They all earned their way into this sale, not by their age, nor their pedigree, but by one tool that all cattlemen use to measure success – a scale! Please take a look and come to the sale as our bulls are a genetic value that sell into any price range.

The buyers of our Charolais herd, the Zehnder-Waage partnership have a very successful sale of their own in Minnesota and have done very well with our cows. However, they wanted to focus on just one bull sale so they will not be bringing any bulls this year. We wish them all the best and I am sure they will be in contact with you about your Charolais bull needs.

2022 will mark 47 years for Sally and I in the purebred business. My body is telling me it's time to slow down some. We made the difficult decision to sell off some of our Angus cows and bred heifers. Never an easy choice as we live with them 7 days a week most of the year. This will be our last bull sale. We may keep a small group of cows as a hobby and sell bulls off the place as we do each spring. I will leave that up to the guidance of the Good Lord! I want to thank every cattle person we have met and done business with as well as the great people that have helped us with the production of our bull sales. I want to thank my family for helping build the herds and the ranch! The biggest thank you goes to the best life partner I could have ever dreamed of having ... that is Sally! She made dreams come true!

It would mean the world to Sally and I to have you join us on February 4th. We have always put a 100% into everything we do, and we would like to finish this race strong!

Let me leave you with a couple things that have influenced my life. On a cold February night in 2007, a Charolais cow put me in the hospital for 40 days. I died. Only by the grace of God did I come back down to my body. There is life for us beyond this life!

"Trust in the LORD with all your heart and lean not on your own understanding; in all your ways submit to Him, and He will make your paths straight."

Proverbs 3:5-6

Thanks for being our friends!

Jan & Sally Severance

ANGUS YEARLING BULLS

90	841	1597	4.8	39	-1	4.7	80	135	1	19

Lot 1 is a true herd-building bull. His sire brings so much to this mating, with two of the best Angus cows in the world in his pedigree, the Madame Pride 0075 cow and the Blackcap May 4136. Both cows have millions of dollars of proof of success. Both cows are deceased. The bottom side of this bull has a success story of its own in our herd too. The Lucy cow family came to us through the Ellingson Angus family. This cow family is the largest in total numbers in our herd and is also highly productive. The dam of lot 1 is sired by the highest indexing bull of the Schaff 2014 bull calf crop. SAV Index 4042 had lots of performance, depth of body, eye appeal, great disposition and left many top producing daughters in our herd. The maternal granddam of lot 1 just left this fall. 0863 was a beautiful cow in all ways. She raised the high-selling bull in our sale last year at \$14,000. All our Lucy females are great producers and are very quiet cows. The lot 1 bull is powerful with tremendous depth in the rib and carries a well-muscled hind quarter. The All American 6063 bull is one bull you can build an Angus herd on knowing you are going to put the best females you can into your herd.

92	843	1406	3.8	40	0	4.4	74	124	3	20

Lot 2 is an outstanding bull in every way. This America son has been a standout since he was born. And still today I wonder if he might be the one. Lot 2 has exceptional length and massive makeup to him. His dam is a member of the Blackcap cow family that we purchased from Chad Ellingson years ago. The Blackcap 232 cow produced many picture-perfect cows for us. Some of my favorite cows that built our Angus herd were sired by Sitz Alliance 6595. They were thick-made, good milking cows that added so much to their calves. The Blackcap 1232 cow is one of the best, sired by Sitz Alliance. I would not hesitate to turn this America son out with our purebred cows and continue the herd building. I know it will work!

ANGUS YEARLING BULLS

SAV America 8018

- The world record-breaking Angus bull at \$1.51 million USD.
- The heaviest 205-day weight bull in SAV history and the entire USA Angus registry at 1,107 lbs!
- The first SAV America 8018 calves arrived at Severance Angus in 2021 and are exceeding all expectations.
- SAV America 8018 has a Docility EPD of +30, ranking him in the top 4% of the Angus breed.
- SAV America 8018 allows you to add into your herd the two highest money-producing cows from the SAV program.

80	648	1385	4.7	38	7	2.0	56	99	5	16

The dam of this lot is one of my favorite cows. She always weaned a top calf each year. Last year's sale, 6863 had an outstanding bull that sold to Jacob Estvold. This lot 7 bull is really nicely made and will look super when he matures. The only problem is when I checked pastures all summer, 6863 would let her calf and two other free-loaders nurse her as well. She would just stand there and chew her cud. So the quality and performance is there, better than the 205-day wt. reads. You will not be disappointed with owning this bull!

BUBS Southern Charm AA31

Hickory Hill Erica 009

- Really fertile! All of his bull calves have passed their semen evaluation on the first go round.
- Very athletic and sound, great feet and an aggressive breeder that settles cows quickly.
- Phenotype, phenotype, phenotype! At our ranch, phenotype precedes genotype, and if you have both equally – jackpot! His offspring are unbelievably attractive.
- He hails from the production-oriented females. His dam records WR of 3 @ 108 and his granddam has a WR of 5 @ 113.
- Easy-fleshing offspring that are easy to feed, or better yet, not to feed! Feedlots are going to love these.
- Just look at the numbers. Carcass traits rival any bull out there with production numbers in the top as well.
- The balance of all EPDs is the most impressive – he really does have it all.

ANGUS YEARLING BULLS

Lot 10 is an eye-appealing bull with lots of depth of body and natural thickness. His dam is a square-made cow with lots of length and milk. Look this bull up on sale day, he's really good and has a nice outcross pedigree.

ANGUS YEARLING BULLS

SAV Territory 7225

SAV Emblynette 3293

- Territory has distinguished himself as the preeminent son of Resource in the breed.
- He has taken his powerful pedigree and phenotype to the top, while recently siring the crowd favorite group at the 2020 SAV bull sale.
- His Emblynette dam has an incredible record and is often deemed by visitors as the most impressive female at Schaff's for her beautiful presence, structure, and udder quality.
- Territory has claimed his place within the breed and Schaff program. He is a balanced package of performance with a trusted reputation for being the sire to carry forth the Resource lineage.
- Territory earned a 205-day wt. of 1075, a 365-day wt. of 1744 lbs. and a 365-day ribeye scan of 18.7". He is a beef bull supreme with massive volume, fleshing ability and pure performance. Territory breeds a large scrotal, high fertility with superb feet and a friendly disposition.

Lot 13 comes from a dam that raises a powerhouse each year. In the last two years, our 3863 cow produced 2 full brothers sired by SAV Resource. Both high selling bulls, that sold to our longtime friend and customer Lee Garrett. This high-performance bull is long and thick. We are really happy with our Territory calves and the daughters of him will be an added bonus!

Lot 15 is another nice AI-sired son of SAV Territory 7225. I really liked Territory's mother and wanted to influence that into our herd. This bull will do a great all-around job.

ANGUS YEARLING BULLS

SAV Circuit Breaker 7136

- Circuit Breaker was the #1 Ribeye and 3rd high-selling bull in the 2018 SAV sale. He had individual ratios of WW 115, YW 112, REA 124 and IMF 124. As a bonus, he is a foot and docility improver.
- Circuit Breaker is a massive volume, powerfully made bull. His Pathfinder dam is a true power female with an impeccable udder. He saw heavy use in the SAV ET and breeding programs.

If someone asked me to describe the SAV Circuit Breaker calves in one word, it would be "impressive." I really like this Circuit Breaker son from an outstanding Renown daughter. I believe this bull could walk with the best of the Angus cows in any one's herd and keep the breeding program moving forward.

Lot 19 has a lot to offer from calving ease to plentiful growth. There is a lot of milk in the Power Tool 9108 females along with natural thickness. The Circuit Breaker bull brings tons of muscle and lots of milk from his Priority bred dam.

ANGUS YEARLING BULLS

LD Capitalist 316

- LD Capitalist 316 is a calving ease bull that is phenotypically phenomenal!
- Heavy-muscled, bold-ribbed and super sound footed - he couples extreme calving ease with performance and power.
- Back to the Dixie Erica cow family on the bottom side, Capitalist 316 brings more maternal predictability to the table than his sire.
- Here is a bull to inject muscle, substance, and shape with balanced EPDs and the look we like.

Lot 20 is the only Capitalist 316 son that is in the sale. We got several heifers from this well proven and outstanding AI bull. This lot is very long bodied and thick made. His dam is an own daughter of SAV President, the bull that sired SAV America. I think you will like this bull a lot!

Casino Bomber N33

- Bomber is a clean-fronted, long-bodied bull, supported by a sound foot structure.
- A calving ease bull with an attractive EPD profile.
- Sired by KM Broken Bow – a sire that has been among the top AI sires for the last 4 years.

The Casino Bombers have proven themselves to be something special every year since the Vermillion Ranch bought him. Bomber's EPD spread is impressive going from a -1.4 on his BW EPD to +134 on his YW EPD – with a +27 on Milk. Outstanding numbers, the kind we need to have to grow forward. The dam of this lot is an attractive SAV President daughter and bottom side females go back to the female maker Leachman Right Time.

The dam of this lot is sired by Mogck Bullseye, who is deceased with very little semen left on him. Bullseye made some outstanding females and I believe this Casino Bomber son has the numbers, the performance, the pedigree and eye-appeal to earn himself a spot in the pasture with purebred Angus heifers.

ANGUS YEARLING BULLS

SAV Rainfall 6846

SAV Blackcap May 4136

- He sires added length, soundness, and unmistakable herd bull presence in his sons. His daughters are stunning in an elegant maternal package.
- Rainfall sets himself apart with his dominating hip and rear-leg structure with muscle shape and flawless phenotype.
- A \$Weaning leader that offers strong MARB and REA predictions in an easy-fleshing, big-bodied, good-footed design.
- He brings calving ease, maternal strength and performance together - fundamental elements to build from.

Lot 35 is the Commander for sure! He weaned off of a beautiful first-calf heifer at 842 lbs. to ratio 120% against 11 other first-calf heifer's bulls. He is sired by our proven calving ease sire Musgrave Aviator 407 and his dam had a ratio of 111% in her weaning class of 2019. Granddam is the 1863 cow who is not only beautiful, but powerful as well. Turn this bull out with your heifers or young cows and expect good things!

This Discovery son has it all. Heavy weaning weight, lots of thickness and a dam that is good and thick made herself. He will do you a good job of siring heavy weaning calves.

ANGUS YEARLING BULLS

SAV Renown 3439, sire of SAV Renown 0520

- Renown has remained among our top selling bulls for several years due to his unique ability to sire added performance in a functional, yet eye-appealing package.
- Progeny are sound-footed, correct cattle that are free on the move and flexible in their skeletal design.
- Look to Renown to add performance, superior phenotype and maternal potency; like few that have come before him!
