Welcome to
Silver Bit Angus Ranch's
29th Annual Bull Sale

Welcome to our 29th Annual spring bull sale. We'd like to thank all of our friends and customers. We really appreciate your business. It's been great to see the same faces for almost 30 years now. We can't thank you enough.

We are very proud of this set of bulls. They have really done well this year, last fall we put a new concrete bunk in the feedlot and it made a big difference. At Ultrasound weight, they were an ave of 60 #s heavier than last year. Our bulls are in the best condition they have ever been in.

It's become apparent in recent years that the Angus breed has a foot problem. We were always careful which AI Sires we used, but still ended up with some lines with bad feet. Sometimes, not showing up until they were 2-3 yrs old. We recently took a trip thru Montana and stopped at Genex & Origen to check out the AI Sires and look at their feet. Well, a lot of the popular sires had bad feet! The owners had a lot of excuses for this, but the fact was, the bull had bad feet in his pedigree & he had bad feet himself. I have made it a point to search out the best footed AI Sires, with clean pedigrees and that's one of the reason's we are using a lot of Schaff genetics. He did not chase the marbling & carcass traits to the extent of sacrificing feet & udder quality. He has clean pedigrees. I feel real confident that these bulls will stay sound. We've never had a complaint on a Resource's sons feet, or any other of Schaff's sires. Even our Vet noticed when he examined the bulls. He said their feet looked better than ever & keep on doing what we are doing. He could tell the Schaff sired bulls just by examining their feet. He says they have a different foot structure than most the angus bulls he sees. As an added bonus, this all comes with more REAL performance, not just performance EPDs, that's made this year's bulls the heaviest in Silver Bit history.

We are selling 124 yearling bulls. They have been on feed here at our ranch since last September. All bulls have been tested PI-BVD negative & fertility tested by Dr. Jeff Bennetts of Challis, ID and are guaranteed sound breeders. We'd really like to thank Jeff & everyone at Lone Pine Animal Hospital for all they do for us thru the year. In Addition to our regular vaccination program, they have received wart vaccine & foot rot vaccine & boosted for both. We also Ultrasound tested for carcass data with Scott Nash of Southeast Idaho Ultrasound & all bulls were PAP tested by Dr Ben Abbey. As always we stand behind our bulls 100%. There are 15, 2 yr. old bulls in the sale, we used them in our herd, clean up after AI. They have all been trich & semen tested.

We will also be selling approx. 300 home raised replacement heifer calves. They all received a Multimin 90 & Vision 8 at birth. Nasalgen & Pyramid 5 @ branding, boosted with Pyramid 5 + Presponse in May of 2019. At weaning they got Multimin 90, Vision 8, Pyramid 5 + Presponse & Clean Up II at weaning. Preguard Gold & MultiMin 90 in March 2020.

This year the sale will be broadcast live on channel 997 by Superior Productions. If you can't make it to the sale, you can bid on Superior's Website with Click to Bid, or on the phone. This will be our 16th year representing cattle on the Superior Livestock Video Auctions. Last year was our biggest year ever, representing over 12,500 hd in 2019. Superior has nationwide marketing with over 9000 registered buyers. We've developed a reputation for good quality cattle. This has helped us establish relationships with local buyers, such as Chris Drakos, as well as buyers from all across the country that are looking for top quality cattle. Every Feedlot in the country watches the Summer Sales because they know the best calves in America will be on them. Last year Silver Bit sired calves topped the summer sales. Give us a call if we can help you market your calves on Superior

Silver Bit bulls come from one of the strongest herds of Angus cows anywhere. Wide based, easy fleshing, good footed, good milking, with tight udders & small teats. Lots of generations of breeding like kind to like kind for a consistent maternal package. We are expanding the purebred side of the program with our embryo program. We have picked out the top end cows of our herd to flush. Some are second and third generation flush cows that can trace back to Dixie Erica of C H 1019, one of the top cows in the angus breed. We are very excited about our 2 new flush cows. SAV Blackcap May 5833, who is a direct daughter of SAV Blackcap May 4136, which they have sold over 10 million dollars of off spring out of her. Our 2nd new donor is SAV Madame Pride 5807, who is a daughter out of SAV Madame Pride 0075, who is the mother of SAV America, the world record selling bull at Schaff's Feb 2019 sale, bringing over 1.5 million dollars. We got our 1st calves out of them this year and they are outstanding! Rest assured you are getting a bull from the best of the best cows and proven AI sires in the breed. We are very pleased with the calves from this program.

We have a great set of bulls to offer at this year's sale. We invite you up to come out & look at them before the sale.

Sincerely,

Scott & Gwen Whitworth

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. **Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.**

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding program for cattle buying. **Please note that high speed internet is required – this is not for dial-up or satellite internet.** Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 997. *Please note that there is a delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on.* The sale will also be broadcast live on the internet at both www.superiorlivestock.com and www.superiorclicktobid.com. The video feed on the homepage of www.superiorlivestock.com looks the same as the video feed on TV and can be watched over a smartphone or tablet. Remember you can call in to bid whether watching on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid".

Buyers will be contacted by the ranch after the sale for payment and delivery details. IF YOU NEED ANY ASSISTANCE CALL SUPERIOR AT (800) 422-2117.
