We are excited and honored to be hosting our 21st Sugar Bars Legacy Sale in beautiful and historic Sheridan, Wyoming. We thank and welcome all our buyers, consigners, staff, and friends that have made our sale possible. Bar M Quarter Horses established the sale to preserve the bloodlines of the late American Quarter Horse stallion, Sugar Bars. As with tradition, the Sugar Bars Legacy Sale Association will be hosting the sale this year; and it includes an exciting variety of outstanding Sugar Bars bred horses- meeting the needs of those interested in halter, performance, ranch, recreation, or those looking to take home a well-bred broodmare.

SUNDAY, September 17th- SALE Day! The sale begins with the selection of the WILD CARD weanling; and will then proceed in catalog order! We have a limited number of weanlings his year, so make sure you come early and be ready to bid. The lineup of riding horses includes young ones just started; to the well started performance prospect, the all-around ranch horse, finished- arena, trail, and family horses. A select group of Sugar Bars bred saddle horses will sell early among the weanlings/ yearlings—we will announce lot numbers early on sale day!

Our weekend of events will start off on SATURDAY, September 16th with the Yearling Halter Futurity and Ranch Horse Versatility Futurity for 2- & 3-Year old's. All weanlings sold at the 2022 sale are eligible to compete in the Yearling Futurity. To compete in the ranch horse versatility your horse must have sold in 2020 or 2021 as a weanling or as a yearling in 2021 or 2022 through our sale (eligibility transfer with horse).

We invite everyone to check out our website- [www.sugarbarslegacysale.com](http://www.sugarbarslegacysale.com) for updated pictures, videos, and additional information. For you FACEBOOK fans, search for Sugar Bars Legacy Sale and make sure you become a FAN; we will post weekly updates!

We are looking forward to seeing everyone and please contact any of the members if you have questions. Thank you for "helping preserve the Sugar Bars bloodline; by becoming part of the Legacy!"

See you in Sheridan!

## WILD CARD

We are pleased to announce the Sugar Bars Legacy Sale "Wildcard." The 1st horse sold in the sale will be a "wildcard." The winning bidder for the "wildcard" lot will have his/her choice of any weanling in the sale. With no colt in the ring, the auctioneer will ask for bids on the "wildcard". It will be auctioned in the same manner as every other weanling in the sale, apart from the fact that, no one will know until the bidding is over and the winning bidder chooses his/her weanling, which horse has actually been sold. That weanling must be claimed immediately on winning the bid – and then will be removed from the catalog order. The sale will resume with the remainder of the consigned weanlings in catalog order.

Charity is our ultimate dream mare! She was used as a college backup horse for breakaway and goat tying until Taya needed a step up horse. Her first two all around saddles were won with Charity. She has filled any and all positions needed on the ranch/arena for several years before entering the broodmare band. We have turned down a lot of offers on this cute mare. Taya claimed dibs on her first two fillies. Our Smooth Guy colts have not disappointed! This is Princes 2nd crop and we couldn't be happier with his babies. This colt is an eye catcher! Stop by and check him out sale day. Updated pics on Facebook page: VLW Ranch or [www.vlwranch.com](http://www.vlwranch.com)

Since Taya has a couple young fillies to train, she decided to let Tickle be a momma for a few years. She is one mare you can jump on bareback with a string any day of the year and she will ride off willingly. June is the perfect combination of her parents' dispositions. This filly could fit any role needed to be filled. Facebook: VLW Ranch or [www.vlwranch.com](http://www.vlwranch.com) will have more pics and info on her.

Chic was then shown in reining before going to the roping arena. With "Beauty", "Deuce" and "Johnson" on the papers; this colt is a true product of our breeding program. The Fire On Bug line needs no introduction to the rodeo world. This guy knows he is something special. To see more of him and his siblings go to Facebook: VLW Ranch or www.vlwranch.com.

And they did it again- she was born a light red dun, now she is even lighter and is starting to get white throughout her mane/tail and even some on her body. By sale time - she will be a palomino! She also likes to show off and get people's attention. She's out of our junior stallion - PR Zans Lil Gunner: aka "Snoopy". Snoopy is a 2014, palomino bred by Pieper Quarter Horses in Nebraska - with a pedigree that includes Playgun, Smart Little Lena and Zan Par Barr. You can turn him out for a rest, bring him back in, saddle up and he's ready for his job or to learn some more. "Snoopy" has a laid back, loyal, and willing personality and his babies are proving to be the same. We wish we would have kept more mares out of Toughy. It is exciting to see his daughters as mamas. This filly is curious, has strong feet/ legs and a cute little head. She will do well in the performance arena or on the ranch and just maybe be a future mama. "Rani" is eligible for the AQHA Ranching Heritage Challenges and current on worming. Watch our Facebook page, Woodworth Ranch for current photos and photos of sire and dam.

Mick's dam, Dove, Was sold as a weanling but found her way back to our place by the grace of God. She is a full sister to KeAnna's "Grace" who carried her to several NHSRA, CNFR, NLBRA finals and helped her win several all around saddles. She is now raising babies. Her other full sister was Vern's top hand ranch rodeo, college bulldogging and head horse deluxe. There is nothing this bloodline can't and won't do with the biggest hearts. LJSR Medora Tivio was Laurie's favorite broodmare for many years and Prince carries her current favorite broodmare lines. These foals have all had the sweetest personalities. We are really excited about this cross on the Smooth Guy genes. If you ever meet "Prince", you will fall in love, he has the kindest disposition. Rocketta Blackburn (Hail) is a very nice, well-minded filly by our stallion, On The Firewater, and out of one of our favorite mares, Miss Blackburn Blue. We have used both horses extensively on the ranch, and both of their bloodlines speak for themselves in the performance world as well. Hail has a very kind and willing personality, and loves to show off her strong, level take off and athleticism while playing with her pasture mates. Our horses are raised in big pastures with hills, rocks, sagebrush and cows, and are brought in almost every day to handled. She stands tied, loads, and stands well for the farrier. This filly is going to have all the brains and ability you could need and that fancy gray color to go with it!

Joker is one of the sweetest and kindest geldings I have ever been around! I have used this gelding for everything you can think of from ponying colts, to moving cows, to going to town for shows. Joker has been ridden in the hills of MT, to the deserts of AZ, and just about everywhere in between. He is as quiet as they come, I have carried flags and tarps, and swung ropes all over him. Joker has had tons of different people ride him from beginners to advanced and he has taken care of them all! Nothing bothers this horse whether your in the arena or riding outside. Joker has also been started on the head side and I think he would make a super cool rope horse. If you are looking for a gelding who is super quiet that anyone can ride, Joker is your guy!

“Scooter” is as handy as they come! One handed neck rein -he will do any job on the ranch with ease and finesse. 20+ miles/day on week long cattle drive, he still will do anything asked of him and not leave you afoot. Speed, stop, turn and brains all wrapped into a 14.1 hand package. But don't let his size fool you he will outwork any big horse. Spent the winter in AZ with a roping trainer - he could easily go breakaway or heeling. He had 30 days with a cutting trainer in July to tune his craft. He's already a buckle winner in team penning first time entered. He may have too much under the hood for beginners on the trail or ranch but we let our kids ride him. Don't miss this gem! Miracle Mode, "Cruz" is a one-of-a-kind, all-around horse that has been with our family for four years. He's been my daughter's main ranch horse and she has used him in 4-H, parades and at the play days. He saddles up the same every time, no matter how much time he's laid off. We've used him for all the ranch chores, from roping cattle outside to dragging a calf sled in a snowstorm. He's smooth and easy to ride and goes where you point him. He's started in the heeling. Proven and predictable geldings like this are hard to find. Stands 14h, weighs 1250lbs. For more information, call Travis (308) 665-5085.

<b>GOTCHA ALL JAZZED UP</b>	GOTCHA FLASH BACK
	SHADOWS PRINCESS ANN

I have owned this mare since she was a yearling so I know everything about her. She is the perfect size for a small adult or a advanced youth. She is fancy broke with all the buttons. Flying lead change, a nice stop, a correct spin, will move off leg pressure with ease and will bow or lay down on command. She has won money in Ranch Horse Versatility Competitions, can open gates, drag logs, swing a rope, track cattle, rides out alone, goes thru water, travels to new locations nicely and I have started her on the barrel pattern.

A nice stout made gelding that stands around 15.1. This prime age gelding has been used in a grower yard, moving cattle, loading trucks, etc. I have ridden him in rough BLM country and the Big Horn Mountains. I have started him in the arena roping the burro, pulling logs, and working the cutting horse flag. A very handy athletic gelding. DNA tested with parentage verified. I will have a video available. Shod, sound, healthy, and ready for immediate use.

PONCHO

GRADE

Well broke pony that all the kids can enjoy. We have had Poncho for the last two years. He is very easy to catch and gentle for the kids to handle. He can really get out and travel with the big horses. He has been used on the ranch this summer moving and sorting cows. He was trained to pull a cart before we bought him. Poncho is 46 inches tall and is built strong enough that big kids can easily ride him. He gets along with other horses, loads well in the trailer and is just easy to get along with. Biggs is your go to for just about everything. He is a top end head horse and works the heels also. If you need a fancy ranch horse that looks the part while branding, look no further because this guy has drug plenty of calves to the fire. He has also been lightly started on the barrel pattern and has plenty of speed to be a winner in the barrel pen. He has a huge stride, fancy broke and speed to burn. Biggs has been hauled all over and handles everything like a gentleman.

Jaxzon is a super athletic colt with smooth lope and big stop. Standing 16 hands, stout made with a good wither. He has been used in all aspects of ranch work, he is quiet, gentle and kind. He has made many trips to the hills to trail cattle and has seen the sights. He is sure footed and takes care of his rider in different situations. Crosses water with no problem, great ground manners. We think he would make a excellent performance horse prospect.
