

FREY ANGUS RANCH

Welcome to our 47th Annual Production Sale- February 6th, 2022

We appreciate you making the effort to be with us today. If there is anything we can do for you, please ask any one of us for assistance. Please help yourself to the donuts and coffee.

Lunch will be served at 11:30 a.m. and the sale will begin at 1:00 p.m.

Please stop at the office to sign up for your Buyers Number.

PENNING ARRANGEMENTS

SALE CATTLE will be penned according to the attached map of pens.

ULTRASOUND CARCASS EVALUATION

Ultrasounds were performed on 1-26-2022. We were again pleased with the outcome. Our average ribeye size was 14 sq. inches and the average %IMF was 3.28. Also provided are the adjusted yearling weights which average 1306#. The ET calves were separate from the others as a separate contemporary group and therefore are not indexed.

DNA TESTING

All of the bulls have been DNA tested under the Angus GS program for enhanced EPD's, parentage verification and for carriers of genetic defects. If by chance we have missed any potential carriers, we will guarantee them to be free of being a carrier. **Lot 80** has been determined to be a DD carrier.

UPDATED EPD'S

We intend to provide updated EPD'S on the offering as of 2-4-2022. This will be provided as a separate handout.

LOTS OUT OF SALE

Lots 2, 3, 10, 118, 120

Thank you for being with us, come again anytime!
Please let us know if we can help you in anyway.

THE FREYS

Lynn, Arlen, Edward & Dustin
