

PRODUCTION SALE

DECEMBER 8, 2022

1 PM MST - ZUMBRUNNEN RANCH

LUSK, WYOMING

www.zbangus.com

“Practical Performance By Design”

Dear Beef Producers,

Wow, what a couple of years this has been! Times change, but truth doesn't waver. We are thankful for a God that provides bounty and blessings in all things!

This bull offering is the best we have offered to date, and it runs deep. Entering our second year of transitioning into more summer calving, we are excited to offer a larger set of older bulls for your appraisal. These bulls wintered on a grow ration and were pastured for the summer. They are a good set of bulls that have not been picked over. We purposely held them out in anticipation of this sale. Many are out of A.I. bulls that we used two years ago. With about 45 head of coming twos and fall bulls, anyone looking for some older bulls will be able to find what they want here. They are a good set and will cover some cows or heifers in any country! All older bulls selling will be PAP tested at our elevation, which is about 5,100 ft. Yearlings will be PAP tested later in the spring to collect their data.

The set of 60+ yearling bulls we have to offer this year is really exciting with several progeny from leading sires Rawhide, Deadwood, Stock Fund, Pappy, and more. If you are looking for calving ease or power bulls, we are able to meet your needs.

The females we are offering are right off the top. With our transition to more summer calving, most of our spring calving bred heifer replacements are going to be offered. We are extremely excited about this set. One of the great donor prospects of the season will be offered as well as one proven donor and many exceptional bred heifers. The heifer calves are products of our intense AI and embryo transfer programs. They are the best genetics that we have to offer. Daughters of Deadwood, Guardian, Iconic, and Tahoe highlight the offering. The mating of the pregnancies and embryo lots have tremendous potential.

Youth are our future, and with that in mind, we are giving another heifer away! Any youth ages 6 to 17 in attendance on sale day can be entered in a drawing to win the heifer. The winner will be drawn at the conclusion of the sale. The heifer will make a good 4-H or FFA project and should be a quality addition to any herd.

We do realize that for some of you this may be a hard time to get away for many reasons. You are always welcome to come preview and evaluate the bulls early and will have an option to bid online via DV Auction. Please feel free to come by at any time.

If you get a chance, please say hello to Jason Gill and his family. They have been a welcome addition to this operation. Also, I can't say enough good things about our neighbor and part time help Dusty Correll. Dusty and her husband Brent are the kind of friends and neighbors everybody wants. We couldn't manage this place without them.

In closing, we can't say this enough; our success is determined by our customers' success. If we can be of any assistance in any way, please give us a call. As your seedstock partner, we are committed to try and make your operation as successful as it can be. We would like the opportunity to help market your cattle as well as potentially being a buyer. Please get a hold of us early so we can help you maximize your potential. Please join us on December 8th for a complimentary lunch provided by Hickory Creek Catering and served by the Rawhide FFA Chapter. The sale will also be broadcast live on DVAuction.com.

God Bless - Jason, Shirley and family, Mel and Lola

Annual Bull & Female Sale

Thursday, December 8, 2022

1:00 PM MST – AT THE RANCH – LUSK, WY

Selling 100 Angus Bulls, Select Females and Elite Genetic Opportunities!

LUNCH A complimentary lunch will be provided by Hickory Creek catering and served by the Rawhide FFA Chapter.

Buyers unable to attend may send bids to CK6 Consulting, Field Representatives or Auctioneer.

GUARANTEE Bulls selling for \$3,500 or more are fully guaranteed for the first breeding season. Breeding season is defined as the first 90-day period following the first turnout of the bulls. If a replacement bull is available, he will be provided, or if the buyer prefers, credit will be given in the following year's sale, less the salvage value of the injured bull. Please notify us as soon as possible should an injury occur and prior to the bull being sold for salvage.

PAYMENT TERMS Payments for purchases made can be made in December of 2022 or January of 2023.

DELIVERY Older bulls, coming twos and falls, will start being delivered in January or we will hold till April at a charge of \$4/day to winter starting January 15th. If you pick up the older bulls on sale day or within a week, a \$100 credit per bull will be issued.

Coming Yearling Bulls will be wintered for free and delivered starting April 1st at no charge. If bulls cannot be received before May 1st, bulls will be boarded at \$4/day. Free delivery is for the lower 48 states and all bulls selling for over \$3,500.

SEMEN TESTING Two-year-old bulls and fall yearling bulls will be semen tested prior to the sale. All younger bulls will be guaranteed to pass a breeding soundness exam before delivery is made.

HEALTH Bulls will be accompanied by health certificates as required. In addition to the normal array of vaccinations and de-wormers, bulls have been vaccinated twice with Fusoguard to prevent foot-rot bacteria. Re-vaccinating them annually will help prevent most foot-rot problems.

BULL DATA All bulls in the offering have been DNA tested. An updated EPD sheet as well as DNA profiles will be available sale day. Older bulls will have full data sets that will be available either in the catalog or on sale day. We request that we winter the younger bulls so that we can take all applicable data necessary to have a complete set with their contemporaries.

PAP TESTING All older bulls will be PAP tested at 5,100 ft by Dr. Morgan Toye. Younger bulls will be PAP tested in the spring to collect the data.

INSURANCE We recommend procuring mortality insurance on your purchases.

TERMS AND CONDITIONS All cattle sell according to the standard terms and conditions of the American Angus Association.

LIABILITY All persons attending this sale do so at their own risk.

ANNOUNCEMENTS from the block will take precedence over the catalog.

REAL-TIME AND PROXY BIDDING AVAILABLE

DVAuction
Broadcasting Real-Time Auctions

Online viewing and bidding will be available through DV Auction. Please sign up to bid at least 24 hours in advance of the sale. High speed internet required. Videos will be posted two weeks prior to the sale. **Ryan Large – 308-340-9859**

ANGUS

G A R Home Town - Reference Sire

- Recommended for cows.
- Ranks in the top 25% for 19 different EPDS or \$Values, including top 1% for \$C, \$B, \$F, \$G, RE, CW, HS, and RADG.
- K218 posted a 103 WWR.
- K218 is the only bull in the breed with his combination of CED, YW, MARB, RE, \$B, \$C, and HS.
- A very fresh pedigree of G A R Hometown crossed on a young productive daughter of the \$125,000 Baldrige Alternative.

Welcome to the ZumBrunnen Production Sale!

Dedication to the rural way of life and Angus genetics is foremost at ZumBrunnen Angus. If you have followed or bought from this program, you know that firsthand. Everything that happens daily is a family approach to improving their genetic business in order that it supports the rural family way of life. It brings great joy to see the kids and the program grow.

The genetics in the offering this year are eye popping if you live in Lusk or across the country. Selection pressure tempered by the environment but driven by a competitive spirit has started to create a unique product that performs at high levels of carcass merit and maternal traits. The program is becoming a great and rare source for elite end-product merit that can perform in the harshest of environments and reach those premiums of a prime grade and maternal longevity.

Just like every year, we give my highest recommendation for the family of this program. A handshake, a word and a prayer are how they approach life. The ZumBrunnens truly are a great reflection of God's plan for creating a family that meets and thrives through and because of the challenges of rural America. Do business here and you will make friends that add to your business and life. If Wes or I can be of assistance, please feel free to contact us.

God Bless - Chris Earl

ANGUS GS

- Sells bred to E B Dutton due 1/30/23, embryo sexed as a bull.
- Selling 100% interest, reserving eight embryos at sellers expense and buyers convenience.
- Ranks in the top 25% for an excellent 20 different EPDS or \$Values, including top 1% in \$C, \$B, \$G, and MARB.
- It's tough to beat this sort for traits of merit. She is the only female in the breed with at least double digit CED, 1.88 Marbling, \$M 93 and \$C 394.
- Her dam, Pine View Rita E093, recently sold for \$300,000 for half interest to GMC Angus, WV and owned with 4 Sons Angus, KY. E093 has generated over \$800,000 in sales since her purchase of \$25,000 by Point Pleasant Angus, KY in 2019 from Pine View Angus, IA.
- J119 is just one of the great genetic prospects to sell in 2022. Her genetic combination of her sire, Poss Rawhide, and her dam, E093, is only outweighed by her bull calf due in January to the Heim Cattle Co, MN and Rock Creek, IL owned herd sire, E B Dutton.

- Sells open and sells 100%. Retaining eight embryos at sellers cost and buyer convenience.
- Ranks in the top 25% for 20 different EPDS or \$Values, including top 1% \$C, \$B, \$G, RE, CEM, PAP, and CED.
- J913 is the only female in the breed with her combination of CED, PAP, Marbling, RE, and \$C.
- Her deceased dam, Chair Rock 100X 6017, was the featured donor for Pine View Angus, IA and Reverse Rocking R, NM, where she has left an excellent set of progeny.
- What a fall yearling and donor prospect. Great phenotype and EPD profile to serve as foundation genetic piece wherever she will go, at altitude or not.

This will be our fourth year of giving away a heifer calf to a youth! We have had great success and are excited to continue this tradition.

The heifer chosen this year is a product of an ET dam that produced one of our top bulls in 2020. In support of our youth and an investment in the future of Agriculture, we are going to start a cash rewards program for youth that purchase and show the heifer calves in shows throughout the year. The heifer that a youth wins will be eligible as well.

- 1st Place in class at a Jackpot or County level show - \$100
- 1st Place in class in a State level show - \$250
- 1st Place in a class at a Regional or National level show - \$500

If a heifer is crowned champion, ZumBrunnen Angus will double the prize money at the level of the show. We are committed to have youth continue this way of life and look forward to seeing the potential these heifers have as potential show prospects and future cows.

Past Youth Heifer Donations!

Special Genetics
