Dear Cattle Producers,

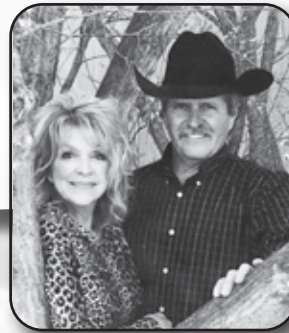

Welcome to our annual production sale. This year, we are offering both two-year-old and yearling bulls. There will be approximately 24 two-year-old Angus bulls and 19 yearling Angus bulls. About 25 composite and 5 yearling composite bulls, and 4 homozygous black and polled Sim-Angus bulls will be offered. The two-year-old bulls have been running out in a 50 acre pasture all winter.

By sale day the bulls will be fertility tested and the two-year-old bulls will be trich tested. The scrotal measurements will be available sale day. They will have had all their shots and have been wormed. Many of the bulls in the sale have been sired by bulls that have been tested on a GrowSafe system. They were selected to excel on feed conversion and efficiency. We run our cattle hard and don't baby them. We grow the bulls slowly and that should help with longevity. They are bred to be balanced cattle that should thrive in many different environments.

If you have any questions call Bill at 605-457-2311 (home) or 605-685-3588 (cell) or Bo at 605-454-8124 or stop by and take a look for yourselves. Directions from Philip are 10 miles north on Hwy 73, 9 miles west, 1 mile north and 3 miles west. Bulls sell at Philip Livestock Auction on March 23 at Noon.

Hope to see you soon,

Bill and Bo Slovek
